§ 39.808 What definitions apply to this subpart?

Adjusted National Average Current Expenditure [ANACE] means the actual current expenditures for pupils in fall enrollment in public elementary and secondary schools for the last school year for which data is available. These expenditures are adjusted annually to reflect current year expenditures of federally financed schools' cost of day and residential programs.

Current expenditures means expenses related to classroom instruction, classroom supplies, administration, support services—students and other support services and operations. Current expenditures do not include facility operations and maintenance, buildings and improvements, furniture, equipment, vehicles, student activities and debt retirement.

§ 39.809 Information collection.

Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (PRA), unless that collection of information displays a currently valid Office of Management and Budget (OMB) Control Number. This part involves collections of information subject to the PRA in §§ 39.410 and 39.502. These collections have been approved by OMB under control numbers 1076-0122, 1076-0134, and 1076-0163.
