[T.D. ATF-66, 45 FR 40546, June 13, 1980, as amended by T.D. ATF-94, 46 FR 55095, Nov. 6, 1981; T.D. ATF-242, 51 FR 39525, Oct. 29, 1986; T.D. ATF-359, 59 FR 42160, Aug. 17, 1994; T.D. ATF-406, 64 FR 2128, Jan. 13, 1999]

§ 4.45 Certificates of origin, identity and proper cellar treatment.

(a) *Origin and identity.* Imported wine shall not be released from customs custody for consumption unless the invoice is accompanied by a certificate of origin issued by a duly authorized official of the appropriate foreign government, if the issuance of such certificates with respect to such wine has been authorized by the foreign government concerned, certifying as to the identity of the wine and that the wine has been produced in compliance with the laws of the respective foreign government regulating the production of such wine for home consumption.

(b) *Certification of proper cellar treatment of natural wine—(1) General.* An importer of wine may be required to have in his or her possession at the time of release of the wine from customs custody a certification or may have to comply with other conditions prescribed in § 27.140 of this chapter regarding proper cellar treatment. If imported wine requires a certification under § 27.140, the importer must provide a copy of that certification to TTB as follows:

(i) The importer must attach a copy of the certification to the application for a certificate of label approval for the wine in question submitted under § 13.21 of this chapter; or

(ii) If a certification for the wine in question was not available when the importer submitted the application for label approval, the importer must submit a copy of the certification to the appropriate TTB officer prior to release from customs custody of the first shipment of the wine.

(2) *Validity of certification.* A certification submitted under paragraph (b)(1) of this section is valid as long as the wine is of the same brand and class or type, was made by the same pro-

ducer, was subjected to the same cellar treatment, and conforms to the statements made on the certification. Accordingly, if the cellar treatment of the wine changes and a new certification under § 27.140 is required, an importer is required to submit a new certification for the wine even though it is subject to the same label approval.

(3) *Use of certification.* TTB may use the information from a certification for purposes of verifying the appropriate class and type designation of the wine under the labeling provisions of this part. TTB will make certifications submitted under paragraph (b)(1) of this section available to the public on the TTB Internet Web site at www.ttb.gov.

§ 4.50 Certificates of label approval.

(a) No person shall bottle or pack wine, other than wine bottled or packed in U.S. Customs custody, or remove such wine from the plant where bottled or packed, unless an approved certificate of label approval, TTB Form 5100.31, is issued by the appropriate TTB officer.

(b) Any bottler or packer of wine shall be exempt from the requirements

of this section if upon application the bottler or packer shows to the satisfaction of the appropriate TTB officer that the wine to be bottled or packed is not to be sold, offered for sale, or shipped or delivered for shipment, or otherwise introduced in interstate or foreign commerce. Application for exemption shall be made on TTB Form 5100.31 in accordance with instructions on the form. If the application is approved, a certificate of exemption will be issued on the same form.

Any bottler or packer holding an original or duplicate original of a certificate of label approval or a certificate of exemption shall, upon demand, exhibit such certificate to a duly authorized representative of the United States Government.

§ 4.52 Photoprints.

Photoprints or other reproductions of certificates of label approval or certificates of exemption are not acceptable, for the purposes of §§ 4.50 through 4.52, as substitutes for an original or duplicate original of a certificate of label approval, or a certificate of exemption. The appropriate TTB officer will, upon the request of the bottler or packer, issue duplicate originals of certificates of label approval or of certificates of exemption if wine under the same brand is bottled or packed at more than one plant by the same person, and if the necessity for the duplicate originals is shown and there is listed with the appropriate TTB officer the name and address of the additional bottling or packing plant where the particular label is to be used.
