§ 2.206 Travel approval and transfers of supervision.

(a) A releasee’s supervision officer may approve travel outside the district of supervision without approval of the Commission in the following situations:

(1) Trips not to exceed thirty days for family emergencies, vacations, and similar personal reasons;

(2) Trips, not to exceed thirty days, to investigate reasonably certain employment possibilities; and

(3) Recurring travel across a district boundary, not to exceed fifty miles outside the district, for purpose of employment, shopping, or recreation.

(b) Specific advance approval by the Commission is required for all foreign travel, employment requiring recurring travel more than fifty miles outside the district, and vacation travel outside the district of supervision exceeding thirty days. A request for such permission shall be in writing and must demonstrate a substantial need for such travel.

(c) A special condition imposed by the Commission prohibiting certain travel shall apply instead of any general rules relating to travel as set forth in paragraph (a) of this section.

(d) The district of supervision for a releasee under the supervision of CSOSA shall be the District of Columbia, except that for the purpose of travel permission under this section, the district of supervision shall include the D.C. metropolitan area as defined in the certificate of supervised release.

(e) A supervised releasee who is under the jurisdiction of the Commission, and who is released or transferred to a district outside the District of Columbia, shall be supervised by a U.S. Probation Officer pursuant to 18 U.S.C. 3655.

(f) A supervised releasee may be transferred to a new district of supervision with the permission of the supervision offices of both the transferring and receiving district, provided such transfer is not contrary to instructions from the Commission.

§ 2.207 Supervision reports to Commission.

A regular supervision report shall be submitted to the Commission by the supervision officer after the completion of 12 months of continuous community supervision and annually thereafter. The supervision officer shall submit such additional reports and information concerning both the releasee, and the enforcement of the conditions of supervised release, as the Commission may direct. All reports shall be submitted according to the format established by the Commission.

§ 2.208 Termination of a term of supervised release.

(a)(1) The Commission may terminate a term of supervised release and discharge the releasee from supervision after the expiration of one year of supervised release, if the Commission is satisfied that such action is warranted by the conduct of the releasee and the interest of justice.

(2) Upon terminating supervision of a committed youth offender before the sentence expires, the Commission shall set aside the offender’s conviction and issue a certificate setting aside the conviction instead of a certificate of discharge. The Commission may issue a set-aside certificate for a youth offender previously under supervised release on the sentence and who was not considered for early termination from supervision, using the criteria stated at §2.106(f)(3). If the youth offender was sentenced only to a term of incarceration without any supervised release on the sentence and who was not considered for early termination from supervision, using the criteria stated at §2.106(f)(3), the Commission may issue a set-aside certificate after the expiration of the sentence. In such cases, the Commission shall determine whether to grant the set-aside certificate after considering factors such as the offender’s crime, criminal history, social and employment history, record of institutional conduct, efforts at rehabilitation, and any other relevant and available information.

(b) Two years after a prisoner is released on supervision, and at least annually thereafter, the Commission shall review the status of the releasee.
