blood donations, or other situations at the discretion of the SOI. Such pay may not exceed an aggregate of three hours per month.

§ 345.58 Holiday pay.

An inmate worker in FPI work status shall receive pay at the standard hourly rate, plus longevity where applicable, for all Federal holidays provided the inmate is in work status on the day before and the day after the holiday occurs. Full-time workers receive one full day's pay. Part-time workers receive one-half day's pay.

§ 345.59 Inmate performance pay.

Inmate workers for FPI may also receive Inmate Performance Pay for participation in programs where this award is made. However, inmate workers may not receive both Industries Pay and Performance Pay for the same program activity. For example, an inmate assigned to a pre-industrial class may not receive FPI pay as well as inmate performance pay for participation in the class.

§ 345.60 Training pay.

Inmates directed by the SOI to take a particular type of training in connection with a FPI job are to receive FPI pay if the training time occurs during routine FPI factory hours of operation. This does not include ABE/GED or pre-industrial training.

§ 345.61 Inmate earnings statement.

Each inmate worker in FPI shall be given a monthly earnings statement while actively working for FPI.

§ 345.62 Inmate accident compensation.

An inmate worker shall be paid lost-time wages while hospitalized or confined to quarters due to work-related injuries (including occupational disease or illnesses directly caused by the worker's job assignments) as specified by the Inmate Accident Compensation Program (28 CFR part 301).

§ 345.63 Funds due deceased inmates.

Funds due a deceased inmate for work performed for FPI are payable to a legal representative of the inmate's estate or in accordance with the law of

28 CFR Ch. III (7-1-11 Edition)

descent and distribution of the state of domicile.

§ 345.64 Referral of releasable medical data to FPI staff.

The SOI is responsible for ensuring that appropriate releasable information pertaining to an inmate's medical limitation (e.g., back injury) is made available to the FPI staff member who directly supervises the assignment.

§ 345.65 Inmate medical work limitation.

In addition to any prior illnesses or injuries, medical limitations also include any illness or injury sustained by an inmate which necessitates removing the ill worker from an FPI work assignment. If an inmate worker is injured more than once in a comparatively short time, and the circumstances of the injury suggest an awkwardness or ineptitude which in turn indicates that further danger exists, the inmate may be removed to another FPI detail or to a non-FPI detail.

§ 345.66 Claims limitation.

Claims relating to pay and/or benefits must occur within one calendar year of the period of time for which the claim is made. Inmate claims submitted more than one year after the time in question require the approval of the Assistant Director before an inmate may receive such pay and/or benefit.

§ 345.67 Retention of benefits.

(a) *Job retention.* Ordinarily, when an inmate is absent from the job for a significant period of time, the SOI will fill that position with another inmate, and the first inmate will have no entitlement to continued FPI employment.

(1) For up to the first 30 days when an inmate is in medical idle status, that inmate will retain FPI pay grade status, with suspension of actual pay, and will be able to return to FPI when medically able, provided the absence was not because of a FPI work-related injury resulting from the inmate's violation of safety standards. If the medical idle lasts longer than 30 days, was not caused by a violation of safety standards, and the unit team approves the inmate's return to FPI, the SOI

shall place that inmate within the top ten percent of the FPI waiting list.

(2) Likewise, for up to the first 30 days when an inmate is in Administrative Detention, that inmate may retain FPI pay grade status, with actual pay suspended, and will be able to return to FPI, provided the inmate is not found to have committed a prohibited act. If Administrative Detention lasts longer than 30 days, and the inmate is not found to have committed a prohibited act, and the unit team approves the inmate's return to FPI, the SOI shall place that inmate within the top ten percent of the FPI waiting list.

(3) An inmate in Administrative Detention, and found to have committed a prohibited act, may return to FPI work status at the discretion of the SOI.

(4) If an inmate is injured and absent from the job because of a violation of FPI safety standards, the SOI may reassign the inmate within FPI or recommend that the unit team reassign the inmate to a non-FPI work assignment.

(5) If an inmate is transferred from one institution to another for administrative (not disciplinary) reasons, and the unit team approves the inmate's return to FPI, the SOI shall place that inmate within the top ten percent of the FPI waiting list.

(b) *Longevity and vacation credit.* Ordinarily, when an inmate's FPI employment is interrupted, the inmate loses all accumulated longevity and vacation credit with the following exceptions:

(1) The inmate retains longevity and vacation credit when placed in medical idle status, provided the medical idle is not because of a FPI work-related injury resulting from the inmate's violation of safety standards. If the medical idle results from a FPI work-related injury where the inmate was not at fault, the inmate also continues to earn longevity and vacation credit.

(2) Likewise, the inmate retains, and continues earning for up to 30 days, longevity and vacation credit if placed in Administrative Detention, provided the inmate is not found to have committed a prohibited act.

(3) The inmate retains, but does not continue earning, longevity and vaca-

tion credit when transferring from one institution to another for administrative (not disciplinary) reasons, when absent from the institution on writ, or when placed in administrative detention and found to have committed a prohibited act.

(c) *Pay grade retention.* Ordinarily, when an inmate's FPI employment is interrupted, that inmate is not entitled to retain his or her pay grade, with the following exceptions.

(1) An inmate retains pay grade status, with actual pay suspended, for up to 30 days in Administrative Detention. However, the inmate is not reimbursed for the time spent in detention.

(2) Likewise, an inmate retains pay grade status for up to 30 days while absent from the institution on writ, with actual pay suspended. The SOI may approve pay grade retention when an inmate is on writ for longer than 30 days on a case-by-case basis.

(3) If an inmate is absent because of a FPI work-related injury where the inmate was not at fault, the inmate retains his or her pay grade, with actual pay suspended.

Subpart G—Awards Program

§ 345.70 General.

FPI provides incentive awards of various types to inmate workers for special achievements in their work, scholarship, suggestions, for inventions which improve industry processes or safety or which conserve energy or materials consumed in FPI operations, and for outstanding levels of self-development.

§ 345.71 Official commendations.

An inmate worker may receive an official written commendation for any suggestion or invention adopted by FPI, or for any special achievement, as determined by the SOI, related to the inmate's industrial work assignment. A copy of the commendation is to be placed in the inmate's central file.

§ 345.72 Cash bonus or cash award.

An inmate worker may receive a cash bonus or cash award for any suggestion or invention which is adopted by FPI and produces a net savings to FPI of at least \$250.00. Cash awards shall be one
