

§ 24.105

Secretary will proceed with the investigation. The investigation will proceed whenever it is necessary or appropriate to confirm or verify the information provided by the respondent.

§ 24.105 Issuance of findings and orders.

(a) After considering all the relevant information collected during the investigation, the Assistant Secretary will issue, within 30 days of filing of the complaint, written findings as to whether or not there is reasonable cause to believe that the respondent has retaliated against the complainant in violation of any of the statutes listed in § 24.100(a).

(1) If the Assistant Secretary concludes that there is reasonable cause to believe that a violation has occurred, he or she shall accompany the findings with an order providing relief to the complainant. The order shall include, where appropriate, a requirement that the respondent abate the violation; reinstate the complainant to his or her former position, together with the compensation (including back pay), terms, conditions and privileges of the complainant's employment; pay compensatory damages; and, under the Toxic Substances Control Act and the Safe Drinking Water Act, pay exemplary damages, where appropriate. At the complainant's request the order shall also assess against the respondent the complainant's costs and expenses (including attorney's fees) reasonably incurred in connection with the filing of the complaint.

(2) If the Assistant Secretary concludes that a violation has not occurred, the Assistant Secretary will notify the parties of that finding.

(b) The findings and order will be sent by certified mail, return receipt requested, to all parties of record (and each party's legal counsel if the party is represented by counsel). The findings and order will inform the parties of their right to file objections and to request a hearing and provide the address of the Chief Administrative Law Judge. The Assistant Secretary will file a copy of the original complaint and a copy of the findings and order with the Chief Administrative Law Judge, U.S. Department of Labor.

29 CFR Subtitle A (7-1-11 Edition)

(c) The findings and order will be effective 30 days after receipt by the respondent (or the respondent's legal counsel if the respondent is represented by counsel) or on the compliance date set forth in the order, whichever is later, unless an objection and/or a request for a hearing has been filed as provided at § 24.106.

Subpart B—Litigation

§ 24.106 Objections to the findings and order and request for a hearing.

(a) Any party who desires review, including judicial review, of the findings and order must file any objections and/or request for a hearing on the record within 30 days of receipt of the findings and order pursuant to paragraph (b) of § 24.105. The objection and/or request for a hearing must be in writing and state whether the objection is to the findings and/or the order. The date of the postmark, facsimile transmittal, or e-mail communication will be considered to be the date of filing; if the objection is filed in person, by hand-delivery or other means, the objection is filed upon receipt. Objections must be filed with the Chief Administrative Law Judge, U.S. Department of Labor, 800 K Street, NW., Washington, DC 20001, and copies of the objections must be mailed at the same time to the other parties of record, the OSHA official who issued the findings and order, the Assistant Secretary, and the Associate Solicitor, Division of Fair Labor Standards, U.S. Department of Labor.

(b) If a timely objection is filed, all provisions of the order will be stayed. If no timely objection is filed with respect to either the findings or the order, the findings and order will become the final decision of the Secretary, not subject to judicial review.

§ 24.107 Hearings.

(a) Except as provided in this part, proceedings will be conducted in accordance with the rules of practice and procedure and the rules of evidence for administrative hearings before the Office of Administrative Law Judges, codified at part 18 of title 29 of the Code of Federal Regulations.
