

made after the initiation of the debarment period, contracting agencies are to terminate any contract with such firm entered into after the initiation of the original debarment period since all persons or firms in which the debarred person or firm has a substantial interest were also ineligible to receive Government contracts from the date of publication of the violating person's or firm's name on the debarred bidders list.

§4.189 Administrative proceedings relating to enforcement of labor standards.

The Secretary is authorized pursuant to the provisions of section 4(a) of the Act to hold hearings and make decisions based upon findings of fact as are deemed to be necessary to enforce the provisions of the Act. Pursuant to section 4(a) of the Act, the Secretary's findings of fact after notice and hearing are conclusive upon all agencies of the United States and, if supported by the preponderance of the evidence, conclusive in any court of the United States, without a trial de novo. *United States v. Powers Building Maintenance Co.*, 336 F. Supp. 819 (W.D. Okla. 1972). Rules of practice for administrative proceedings are set forth in parts 6 and 8 of this title.

§4.190 Contract cancellation.

(a) As provided in section 3 of the Act, where a violation is found of any contract stipulation, the contract is subject upon written notice to cancellation by the contracting agency, whereupon the United States may enter into other contracts or arrangements for the completion of the original contract, charging any additional cost to the original contractor.

(b) Every contractor shall certify pursuant to §4.6(n) of subpart A that it is not disqualified for the award of a contract by virtue of its name appearing on the debarred bidders list or because any such currently listed person or firm has a substantial interest in said contractor, as described in §4.188. Upon discovery of such false certification or determination of substantial interest in a firm performing on a Government contract, as the case may be, the contract is similarly subject upon

written notice to immediate cancellation by the contracting agency and any additional cost for the completion of the contract charged to the original contractor as specified in paragraph (a). Such contract is without warrant of law and has no force and effect and is void ab initio, 33 Comp Gen. 63; Decision of the Comptroller General, B-115051, August 6, 1953. Furthermore, any profit derived from said illegal contract is forfeited (*Paisner v. U.S.*, 138 Ct. Cl. 420, 150 F. Supp. 835 (1957), cert. denied, 355 U.S. 941).

§4.191 Complaints and compliance assistance.

(a) Any employer, employee, labor or trade organization, contracting agency, or other interested person or organization may report to any office of the Wage and Hour Division (or to any office of the Occupational Safety and Health Administration, in instances involving the safety and health provisions), a violation, or apparent violation, of the Act, or of any of the rules or regulations prescribed thereunder. Such offices are also available to assist or provide information to contractors or subcontractors desiring to insure that their practices are in compliance with the Act. Information furnished is treated confidentially. It is the policy of the Department of Labor to protect the identity of its confidential sources and to prevent an unwarranted invasion of personal privacy. Accordingly, the identity of an employee who makes a confidential written or oral statement as a complaint or in the course of an investigation, as well as portions of the statement which would reveal his identity, will not be disclosed without the prior consent of the employee. Disclosure of employee statements shall be governed by the provisions of the "Freedom of Information Act" (5 U.S.C. 552, see 29 CFR part 70) and the "Privacy Act of 1974" (5 U.S.C. 552a).

(b) A report of breach or violation relating solely to safety and health requirements may be in writing and addressed to the Regional Administrator of an Occupational Safety and Health Administration Regional Office, U.S. Department of Labor, or to the Assistant Secretary for Occupational Safety
