Subpart C—Policies and Procedures

§ 1690.301 Notification to EEOC during development of issuances.

(a) Agencies shall notify the Commission whenever they intend to develop a significant issuance or an issuance affecting other agencies so that potential duplication, overlap, or inconsistency with the proposed issuances of other agencies can be identified before substantial agency time and resources have been expended. The requirement for consultation applies whether or not the agency plans to publish the issuance in the FEDERAL REGISTER for public comment.

(b) Whenever an agency of the Federal government (initiating agency) de-

velops a proposed issuance which will require consultation among the affected agencies, a responsible official of that agency or agency component shall initiate consultation by submitting an early draft of the appropriate documents, preferably after review at the first or second supervisory level, to the chair of the EEOC (ATTN: Associate Legal Counsel, Coordination and Guidance Services). The submission shall be made prior to the point that the issuance is deemed final and ready for publication and shall indicate the appropriate office or person responsible for development of the issuance.

(c) EEOC recognizes that subsequent intra-agency clearance activities may change the policies outlined in the issuance and may add or delete items included in prior drafts. Therefore, during this period of policy development, an initiating agency shall not be bound by the contents of drafts which precede the final draft.

(d) Except as provided in §1690.307, in no instance shall there be formal submission to the EEOC or the affected agencies without prior consultation pursuant to section 1-304 of the Order.

(e) Where an agency issuance is related to the internal management or administration of the agency, the issuance is exempt from the consultation process under the Order. The initiating agencies will make the determination of what must be submitted. When the agencies are in doubt, EEOC will determine the extent to which a particular issuance is covered by this exemption.
