EFFECTIVE DATE NOTE: At 76 FR 34601, June 14, 2011, § 4001.2 was amended by amending the definition of basic-type benefit by adding a sentence at the end, and amending the definition of sufficient for guaranteed benefits by adding two sentences at the end. Section 4001.2 was also amended by adding definitions for bankruptcy filing date and non-PPA 2006 bankruptcy termination in alphabetical order. These actions became effective July 14, 2011. For the convenience of the user, the added and revised text is set forth as follows:

§ 4001.2 Definitions

\* \* \* \* \*

Bankruptcy filing date means, with respect to a plan, the date on which a petition commencing a case under the United States Bankruptcy Code is filed, or the date on which any similar filing is made commencing a case under any similar Federal law or law of a State or political subdivision, with respect to the contributing sponsor of the plan, if such case has not been dismissed as of the termination date of the plan. If a bankruptcy petition is filed under one chapter of the United States Bankruptcy Code, or under one chapter or provision of any such similar law, and the case is converted to a case under a different chapter or provision of such Code or similar law (for example, a Chapter 11 reorganization case is converted to a Chapter 7 liquidation case), the date of the original petition is the bankruptcy filing date. If such a plan has more than one contributing sponsor:

- (1) If all contributing sponsors entered bankruptcy on the same date, that date is the bankruptcy filing date;
(2) If all contributing sponsors did not enter bankruptcy on the same date (or if not all contributing sponsors are in bankruptcy), PBGC will determine the date that will be treated as the bankruptcy filing date based on the facts and circumstances, which may include such things as the relative sizes of the contributing sponsors, the relative amounts of their minimum required contributions to the plan, the timing of the dif-

ferent bankruptcies, and the expectations of participants.

Basic-type benefit \* \* \* In a PPA 2006 bankruptcy termination, it also includes a benefit accrued by a participant, or to which a participant otherwise became entitled, on or before the plan's termination date but that is not guaranteed solely because of the provisions of §§ 4022.3(b) or 4022.4(c).

\* \* \* \* \*

Non-PPA 2006 bankruptcy termination means a plan termination that is not a PPA 2006 bankruptcy termination.

\* \* \* \* \*

Sufficient for guaranteed benefits \* \* \* In a PPA 2006 bankruptcy termination, the determination whether a plan is sufficient for guaranteed benefits is made taking into account the limitations in sections 4022(g) and 4044(e) of ERISA (and corresponding provisions of these regulations). The determinations of which benefits are guaranteed and which benefits are in priority category 3 under section 4044(a)(3) of ERISA are made by reference to the bankruptcy filing date, but the present values of those benefits are determined as of the proposed termination date and the date of distribution.

§ 4001.3 Trades or businesses under common control; controlled groups.

For purposes of title IV of ERISA:

- (a)(1) The PBGC will determine that trades and businesses (whether or not incorporated) are under common control if they are "two or more trades or businesses under common control", as defined in regulations prescribed under section 414(c) of the Code.
(2) The PBGC will determine that all employees of trades or businesses (whether or not incorporated) which are under common control shall be treated as employed by a single employer, and all such trades and businesses shall be treated as a single employer.
(3) An individual who owns the entire interest in an unincorporated trade or business is treated as his own employer, and a partnership is treated as the employer of each partner who is an employee within the meaning of section 401(c)(1) of the Code.
(b) In the case of a single-employer plan:
