§ 4281.31 Plan amendment.

The plan sponsor of a plan described in § 4281.31 shall amend the plan to eliminate those benefits subject to reduction in excess of the value of benefits that can be provided by plan assets. Such reductions shall be effected by a pro rata reduction of all benefits subject to reduction or by elimination or pro rata reduction of any category of benefit. Benefit reductions required by this section shall apply only prospectively. An amendment required under this section shall take effect no later than six months after the end of the plan year for which it is determined that the value of nonforfeitable benefits exceeds the value of the plan’s assets.

§ 4281.32 Notices of benefit reductions.

(a) Requirement of notices. A plan sponsor of a multiemployer plan under which a plan amendment reducing benefits is adopted pursuant to section 4281(c) of ERISA shall so notify the PBGC and plan participants and beneficiaries whose benefits are reduced by the amendment. The notices shall be delivered in the manner and within the time prescribed, and shall contain the information described, in this section. The notice required in this section shall be filed in lieu of the notice described in section 4244A(b)(2) of ERISA.

(b) When delivered. The plan sponsor shall mail or otherwise deliver the notices of benefit reduction no later than—

(1) 45 days after the amendment reducing benefits is adopted; or

(2) The date of the first reduced benefit payment.

(c) Method of issuance to interested parties. The PBGC applies the rules in subpart B of part 4000 of this chapter to determine permissible methods of issuance of the notice of benefit reduction to interested parties. In addition to the methods permitted under subpart B of part 4000, the plan sponsor may notify interested parties, other than participants and beneficiaries who are in pay status when the notice is required to be delivered or who are reasonably expected to enter pay status before the end of the plan year after the plan year in which the amendment is adopted, by posting the notice at participants’ work sites or publishing the notice in a union newsletter or in a newspaper of general circulation in the area or areas where participants reside. Notice to a participant shall be deemed notice to that participant’s beneficiary or beneficiaries.

(d) Contents of notice to the PBGC. A notice of benefit reduction required to be filed with the PBGC pursuant to paragraph (a) of this section shall contain the following information:
(1) The name of the plan.
(2) The name, address, and telephone number of the plan sponsor and of the plan sponsor’s duly authorized representative, if any.
(3) The nine-digit Employer Identification Number (EIN) assigned by the IRS to the plan sponsor and the three-digit Plan Number (PN) assigned by the plan sponsor to the plan, and, if different, the EIN or PN last filed with the PBGC. If no EIN or PN has been assigned, the notice shall so state.
(4) The case number assigned by the PBGC to the filing of the plan’s notice of termination pursuant to part 4041A, subpart B, of this chapter.
(5) A statement that a plan amendment reducing benefits has been adopted, listing the date of adoption and the effective date of the amendment.
(6) A certification, signed by the plan sponsor or its duly authorized representative, that notice of the benefit reductions has been given to all participants and beneficiaries whose benefits are reduced by the plan amendment, in accordance with the requirements of this section.

Subpart D—Benefit Suspensions

§ 4281.41 Benefit suspensions.

If the plan sponsor determines that the plan is or is expected to be insolvent for a plan year, the plan sponsor shall suspend benefits to the extent necessary to reduce the benefits to the greater of the resource benefit level or the level of guaranteed benefits.

§ 4281.42 Retroactive payments.

(a) Erroneous resource benefit level. If, by the end of a year in which benefits were suspended under §4281.41, the plan sponsor determines in writing that the plan’s available resources in that year could have supported benefit payments above the resource benefit level determined for that year, the plan sponsor may distribute the excess resources to each affected participant and beneficiary who received benefit payments that year on a pro rata basis. The amount distributed to each participant under this paragraph may not exceed the amount that, when added to benefit payments already made, brings the total benefit for the plan year up to the level of guaranteed benefits.

(b) Benefits paid below resource benefit level. If, by the end of a plan year in which benefits were suspended under §4281.41, any benefit has not been paid at the resource benefit level, amounts up to the resource benefit level that were unpaid shall be distributed to beneficiaries.
