§ 285.811 When must I follow my Safety Management System?

Your Safety Management System must be fully functional when you begin activities described in your approved COP, SAP, or GAP. You must conduct all activities described in your approved COP, SAP, or GAP in accordance with the Safety Management System you described, as required by §285.810.

§ 285.812 [Reserved]

MAINTENANCE AND SHUTDOWNS

§ 285.813 When do I have to report removing equipment from service?

(a) The removal of any equipment from service may result in MMS applying remedies, as provided in this part, when such equipment is necessary for implementing your approved plan. Such remedies may include an order from MMS requiring you to replace or remove such equipment or facilities.

(b)(1) You must report within 24 hours when equipment necessary for implementing your approved plan is removed from service for more than 12 hours. If you provide an oral notification, you must submit a written confirmation of this notice within 3 business days, as required by §285.105(c);

(2) You do not have to report removing equipment necessary for implementing your plan if the removal is part of planned maintenance or repair activities; and

(3) You must notify MMS when you return the equipment to service.
