§ 538.411 Exports to third countries; transshipments.

Exportation of goods or technology (including technical data, software, information not exempted from the prohibition of this part pursuant to § 538.211, or technical assistance) from the United States to third countries is prohibited if the exporter knows, or has reason to know, that the goods or technology are intended for transshipment to Sudan (including passage through, or storage in, intermediate destinations). The exportation of goods or technology intended specifically for incorporation or substantial transformation into a third-country product is also prohibited if the particular product is to be used in Sudan, is being specifically manufactured to fill a Sudanese order, or if the manufacturer's sales of the particular product are predominantly to Sudan.

§ 538.414 Loans or extensions of credit.

(a) The prohibition in § 538.205 applies to loans or extensions of credit to a person in Sudan, including overdraft protection on checking accounts, and the unlicensed renewal or rescheduling of credits or loans in existence as of the effective date, whether by affirmative action or operation of law.

(b) The prohibition in § 538.205 applies to financial services including loans or credits extended in any currency.

the ultimate beneficiary, the U.S. financial institution must determine that the transfer is not prohibited by this part.

§ 538.416 Payments from blocked accounts to U.S. exporters and for other obligations prohibited.

§ 538.417 Transshipments through Sudan.

(a) The exportation or reexportation of goods, technology, or services to the Specified Areas of Sudan is exempt under § 538.212(g) only if such goods, technology, or services do not transit or transship through any area of Sudan other than the Specified Areas of Sudan.

(b) The importation into the United States of goods or services from, or originating in, the Specified Areas of Sudan is exempt under § 538.212(g) only if such goods or services do not transit or transship through any area of Sudan other than the Specified Areas of Sudan.

§ 538.418 Financial transactions in Sudan.

(a) Any financial transaction with a depository institution located in an area of Sudan other than the Specified Areas of Sudan, e.g., Khartoum, remains prohibited.

(b) Financial transactions are no longer prohibited by this part if:

(1) The underlying activity is not prohibited by this part;

(2) The financial transaction involves a third-country depository institution, or a Sudanese depository institution not owned or controlled by the Government of Sudan, that is located in the Specified Areas of Sudan; and

(3) The financial transaction is not routed through a depository institution that is located in an area of Sudan

other than the Specified Areas of Sudan or that is owned or controlled by the Government of Sudan, wherever located.

(c) *Example.* A U.S. bank is instructed to transfer funds to the Abyei branch of a Sudanese bank that is not owned or controlled by the Government of Sudan. In order for the transfer to take place, the U.S. bank is required to route the funds through the Sudanese bank's headquarters, which is located in Khartoum. Due to the routing of the financial transaction through Khartoum, this transaction is prohibited and requires authorization from the Office of Foreign Assets Control. However, if the U.S. bank is able to bypass the Khartoum headquarters and transfer the funds directly to the Abyei branch of the Sudanese bank, then the transaction would not be prohibited.

Subpart E—Licenses, Authorizations, and Statements of Licensing Policy

§ 538.500 Licensing procedures.

For provisions relating to licensing procedures, see part 501, subpart E, of this chapter. Licensing actions taken pursuant to part 501 of this chapter with respect to the prohibitions contained in this part are considered actions taken pursuant to this part.

[68 FR 53658, Sept. 11, 2003]

§ 538.501 Effect of license or authorization.

(a) No license or other authorization contained in this part, or otherwise issued by or under the direction of the Director of the Office of Foreign Assets Control, authorizes or validates any transaction effected prior to the issuance of the license, unless specifically provided in such license or authorization.

(b) No regulation, ruling, instruction, or license authorizes any transaction prohibited under this part unless the regulation, ruling, instruction, or license is issued by the Office of Foreign Assets Control and specifically refers to this part. No regulation, ruling, instruction, or license referring to this part shall be deemed to authorize any

transaction prohibited by any provision of this chapter unless the regulation, ruling, instruction or license specifically refers to such provision.

(c) Any regulation, ruling, instruction, or license authorizing any transaction otherwise prohibited under this part has the effect of removing a prohibition or prohibitions contained in this part from the transaction, but only to the extent specifically stated by its terms. Unless the regulation, ruling, instruction, or license otherwise specifies, such an authorization does not create any right, duty, obligation, claim, or interest in, or with respect to, any property which would not otherwise exist under ordinary principles of law.

§ 538.502 Exclusion from licenses and authorizations.

The Director of the Office of Foreign Assets Control reserves the right to exclude any person, property, or transaction from the operation of any license, or from the privileges therein conferred, or to restrict the applicability thereof with respect to particular persons, property, transactions, or classes thereof. Such action shall be binding upon all persons receiving actual or constructive notice of such exclusion or restriction.

§ 538.503 Payments and transfers to blocked accounts in U.S. financial institutions.

Any payment of funds or transfer of credit in which the Government of Sudan has any interest, that comes within the possession or control of a U.S. financial institution, must be blocked in an account on the books of that financial institution. A transfer of funds or credit by a U.S. financial institution between blocked accounts in its branches or offices is authorized, provided that no transfer is made from an account within the United States to an account held outside the United States, and further provided that a transfer from a blocked account may only be made to another blocked account held in the same name.
