reason to know, that a specially designated narcotics trafficker has or has had an interest since the effective date.

§ 598.408 Alleged change in ownership or control of an entity designated as a specially designated narcotics trafficker.

(a) A change or alleged change in ownership or control of an entity designated as a specially designated narcotics trafficker shall not be the basis for removal of that entity from the Office of Foreign Assets Control's Specially Designated Nationals and Blocked Persons List ("SDN List") unless, upon investigation by the Office of Foreign Control and submission of evidence by the entity, it is demonstrated to the satisfaction of the Director of the Office of Foreign Assets Control that the transfer to a bona fide purchaser at arm's length, or other means of changing ownership or control, is legitimate and that the entity no longer meets the criteria for designation under § 598.314. Evidence submitted must conclusively demonstrate that all ties with other specially designated narcotics traffickers have been completely severed, and may include, but is not limited to, articles of incorporation; identification of new directors, officers, shareholders, and sources of capital; and contracts evidencing the sale of the entity to its new owners.

(b) Any continuing substantial financial obligations on the part of the new owners to any specially designated narcotics traffickers, including long-term payment plans, leases, or rents, will be considered as evidence of continuing control of the entity by the specially designated narcotics trafficker. Purchase of a designated entity without ongoing substantial financial obligations to a specially designated narcotics trafficker may nonetheless be a basis for subsequent designation of the purchaser, if the transaction is determined materially to assist in or provide financial support for the international narcotics trafficking activities of specially designated narcotics traffickers for purposes of § 598.314(b)(1). For example, any acquisition transaction resulting in a direct cash transfer to or other enrichment of a specially designated narcotics traf-

§ 598.502 Effect of license.

(a) No license contained in this part, or otherwise issued by or under the direction of the Director of the Office of Foreign Assets Control pursuant to this part, authorizes or validates any transaction effected prior to the issuance of the license, unless the prior transaction is specifically authorized in such license.

(b) No regulation, ruling, instruction, or license authorizes any transaction prohibited by this part unless the regulation, ruling, instruction, or license is issued by the Office of Foreign Assets Control and specifically refers to this part. No regulation, ruling, instruction, or license referring to this part authorizes any transaction prohibited by any provision of this chapter unless the regulation, ruling, instruction, or license specifically refers to such provision.

(c) Any regulation, ruling, instruction, or license authorizing any transaction otherwise prohibited by this part has the effect of removing from the transaction a prohibition or prohibitions contained in this part, but only to the extent specifically stated by its terms. Unless the regulation, ruling, instruction, or license otherwise specifies, such an authorization does not create any right, duty, obligation, claim, or interest that would not otherwise exist under ordinary principles of law in or with respect to any property.

§ 598.503 Exclusion from licenses.

The Director of the Office of Foreign Assets Control reserves the right to exclude any person, property, or transaction from the operation of any license or from the privileges conferred by any license. The Director of the Office of Foreign Assets Control also reserves the right to restrict the applicability of any license to particular persons, property, transactions, or classes thereof. Such actions are binding upon all persons receiving actual or constructive notice of the exclusions or restrictions.

§ 598.504 Payments and transfers to blocked accounts in U.S. financial institutions.

Any payment of funds or transfer of credit in which a specially designated narcotics trafficker has any interest that comes within the possession or control of a U.S. financial institution must be blocked in an account on the books of that financial institution. A transfer of funds or credit by a U.S. financial institution between blocked accounts in its branches or offices is authorized, provided that no transfer is

made from an account within the United States to an account held outside the United States, and further provided that a transfer from a blocked account may only be made to another blocked account held in the same name.

Subject to the requirements of § 598.206, U.S. financial institutions are authorized to invest and reinvest assets held in blocked accounts in the name of a specially designated narcotics trafficker, subject to the following conditions:

(a) The assets representing such investments and reinvestments are credited to a blocked account or subaccount that is held in the same name at the same U.S. financial institution, or within the possession or control of a U.S. person, but in no case may funds be transferred outside the United States for this purpose;

(b) The proceeds of such investments and reinvestments are not credited to a blocked account or subaccount under any name or designation that differs from the name or designation of the specific blocked account or subaccount in which such funds or securities were held; and

(c) No immediate financial or economic benefit accrues (e.g., through pledging or other use) to the specially designated narcotics trafficker.

§ 598.506 Entries in certain accounts for normal service charges authorized.

(a) U.S. financial institutions are authorized to debit any blocked account with such U.S. financial institution in payment or reimbursement for normal service charges owed to such U.S. financial institution by the owner of such blocked account.
