Subpart B—Pre-Award Requirements

§ 32.10 Purpose.

Sections 32.11 through 32.17 prescribe application forms and instructions and other pre-award matters.

§ 32.11 Pre-award policies.

(a) *Use of grants, cooperative agreements, and contracts.* (1) OMB Circular A-110 states that:

(i) In each instance, the Federal awarding agency shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract).

(ii) The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-6308) governs the use of grants, cooperative agreements, and contracts. Under that Act:

(A) A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute.

(B) Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(C) The statutory criterion for choosing between grants and cooperative agreements is that for the latter, “substantial involvement is expected between the executive agency and the State, local government, or other re-

ipient when carrying out the activity contemplated in the agreement.”

(2) In selecting the appropriate award instruments, DoD Components’ grants officers shall comply with the DoD implementation of the Federal Grant and Cooperative Agreement Act at 32 CFR part 22, subpart B.

(b) *Public notice and priority setting.* As a matter of Governmentwide policy, Federal awarding agencies shall notify the public of intended funding priorities for programs that use discretionary awards, unless funding priorities are established by Federal statute. For DoD Components, compliance with competition policies and statutory requirements implemented in 32 CFR part 22, subpart C, shall constitute compliance with this Governmentwide policy.

§ 32.13 Debarment and suspension.

DoD Components and recipients shall comply with the policy and procedural requirements in the OMB guidance on nonprocurement debarment and suspension (2 CFR part 180), as implemented by the Department of Defense in 2 CFR part 1125. The Circular further states that annual certifications and representations, when used, shall be signed by responsible officials with the authority to ensure recipients' compliance with the pertinent requirements.

(b) DoD grants officers shall comply with the provisions concerning certifications and representations at 32 CFR 22.510.
