APPENDIX A TO PART 197—EXPLANATION OF FREEDOM OF INFORMATION ACT (5 U.S.C. 552) EXEMPTIONS

A. Exemptions

Exemption	Explanation
(b)(1)	Applies to information that is currently and properly classified pursuant to an Executive Order in the interest of national defense or foreign policy (See E.O. 12958 and DoD 5200.01-R) (Sec 1.4. Classification Categories from E.O. 12958 are provided on the next page);
(b)(2)	Applies to information that pertains solely to the internal rules and practices of the Agency; this exemption has two profiles, “high” and “low.” The “high” profile permits withholding a document which, if released, would allow circumvention of an Agency rule, policy, or statute, thereby impeding the Agency in the conduct of its mission. The “low” profile permits withholding if there is no public interest in the document, and it would be an administrative burden to process the request;
(b)(3)	Applies to information specifically exempted by a statute establishing particular criteria for withholding. The language of the statute must clearly state that the information will not be disclosed;
(b)(4)	Applies to information such as trade secrets and commercial or financial information obtained from a company on a privileged or confidential basis which, if released, would result in competitive harm to the company;
(b)(5)	Applies to inter- and intra-Agency memoranda that are deliberative in nature; this exemption is appropriate for internal documents that are part of the decision-making process, and contain subjective evaluations, opinions, and recommendations;
(b)(6)	Applies to information the release of which could reasonably be expected to constitute a clearly unwarranted invasion of the personal privacy of individuals; and
(b)(7)	Applies to records or information compiled for law enforcement purposes that could reasonably be expected to interfere with law enforcement proceedings; would deprive a person of a right to a fair trial or impartial adjudication; could reasonably be expected to constitute an unwarranted invasion of the personal privacy of others; disclose the identity of a confidential source; disclose investigative techniques and procedures; or could reasonably be expected to endanger the life or physical safety of any individual.

See Chapter III of DoD 5400.07-R for further information.
