§ 242.8 Academic, intellectual, and personal requirements for admission to the first-year class.

Admission to the School of Medicine of the Uniformed Services University of the Health Sciences is on a competitive basis, with selection predicated on:

(a) Evidence of sound character and high motivation for a career in the Medical Corps of the Uniformed Services, and

(b) Evidence of sufficient intellectual ability and preparation to undertake successfully the study of medicine.

(1) Academic requirements. Recognizing that Service medicine needs individuals with a wide variety of interests and talents, the School of Medicine welcomes applications from individuals with a diversity of educational backgrounds. However, there are certain specific academic requirements that are requisite for admission. These are as follows:

(i) College preparation. All applicants must have attained a baccalaureate degree from an accredited academic institution prior to matriculation.

(ii) Prerequisite course work. Area of specialization in college is not a limiting factor in gaining admission to the School, but a strong foundation in the sciences basic to the study of medicine is a requirement for all entering students. The minimum undergraduate science prerequisites for entrance are:

(a) Chemistry (inorganic or general). 1 academic year including appropriate laboratory.

(b) Organic chemistry. 1 academic year including laboratory.

(c) Mathematics. 1 academic year.
§ 242.9 Academic, intellectual, and personal requirements for admission to advanced standing.

(a) Selection of students to advanced standing will be competitive, based on both cognitive and noncognitive factors. Demonstrated aptitude and motivation for a career in medicine in the Uniformed Services will be prime considerations in making admissions decisions. Only the most promising of candidates will be accepted, as judged by scholastic records, letters of recommendation, interviews, and such other credentials and/or appraisal techniques as may be deemed appropriate to use by the School of Medicine.

(b) To be eligible academically for admission to advanced standing, applicants must have successfully completed the year of medical studies preceding the year in which they desire advanced placement. Only students from fully accredited medical schools will be eligible for transfer.

(c) Individuals who have received the D.D.S., D.M.D., Ph.D., D.O., or D.V.M. degrees, or candidates for these degrees will not be eligible for advanced placement in the School of Medicine at this time. They will only be considered for admission to the Freshman class. Advanced standing applicants are required to have taken the Medical College Admission Test.

§ 242.10 Effective date and implementation.

This part will become effective immediately. Three copies of proposed implementing regulations shall be forwarded to the Assistant Secretary of Defense Health Affairs within 30 days.
