record the same, procure a final certificate of title of a commercial title company or a staff attorney, and obtain a final title opinion pursuant to the provisions of the Delegation to the Department of the Army for the Approval of the Title to Lands Being Acquired for Federal Public Purposes, dated December 4, 1970, and issued by the Assistant Attorney General, Land and Natural Resources Division, Department of Justice. The title assembly and final title opinion should be forwarded to HQDA (DAEN-REA-P) WASH DC 20314, with information copy of transmittal letter to Division Engineer.

(c) *Notification to the Department of Justice.* If the recorded deed and the final certificate of title are not readily available, the Division or District Engineer will notify the Land and Natural Resources Division of the Department of Justice by letter, with a copy to the appropriate United States Attorney, that the deed has been properly executed and delivered by the plaintiff and has been entered for record in order that settlement will not be delayed.

(d) *Disposition of final title assembly, mapping, and audit.* When a final title opinion has been obtained, the Division or District Engineer will assign a tract number to the areas in which the interest has been acquired, will add the tract to the project map, and will transmit the final title opinion and related papers to HQDA (DAEN-REA-P) WASH DC 20314. The tract will be included in the audit of the installation to which it pertains. Audits will be revised for this purpose, if necessary. The amount of the judgment received by the plaintiff will be shown in the audit assembly, with a proper notation that it represents the amount of the judgment entered in the litigation, which will be identified in the audit by its civil number, and by designation of the Court in which it was rendered. A copy or abstract of the judgment will be inserted in the District Office audit assembly, identified as follows:

The Division or District Engineer will record same and later transmit the appropriate title assembly to HQDA (DAEN-REA-P) WASH DC 20314. If the final judgment does not contain language which clearly vests title in the United States of the interest in land for which compensation was paid, request should be made of the United States Attorney to move the Court to amend the judgment to show that such title has vested.

ACQUISITION BY CONDEMNATION PROCEEDINGS

SOURCE: Sections 644.111 through 644.121 appear at 44 FR 8184, Feb. 8, 1979, unless otherwise noted.

§ 644.111 General.

Sections 644.111 through 644.121 describe the procedures of the Corps of Engineers relating to the acquisition of real estate and interests therein by condemnation proceedings. It is applicable to the Office of the Chief of Engineers (OCE) and to all Division and District Engineers having real estate responsibilities.

§ 644.112 Applicable statutes in condemnation proceedings.

A complaint in condemnation, and any declaration of taking filed in conjunction therewith, will contain a citation of the congressional authorization and appropriation acts for the particular project, and any other applicable acts of Congress. Existing acts of Congress authorizing the acquisition of land and interests therein are outlined in AR 405-10 and subpart A. Acts of Congress applicable, generally, to condemnation proceedings are outlined below.

(a) *Military projects.* (1) Act of Congress approved August 1, 1888 (25 Stat. 357, 40 U.S.C. 257) authorizes the head of any Government department or agency to acquire real estate, otherwise authorized for acquisition, by condemnation proceedings.

(2) Section 2663 of title 10, United States Code, authorizes the Secretary

of a military department to acquire by condemnation any interest in land, including temporary use of the site, construction, or operation of fortifications, coast defenses, or military training camps.

(3) Section 9773 of title 10, United States Code, authorizes the Secretary of the Air Force to acquire by condemnation additional permanent air bases and depots, enlarge existing air bases and depots, bombing and machine gun ranges, and areas for the training of tactical units.

(4) Section 2233 of title 10, United States Code, authorizes the Secretary of Defense (with authority to delegate) to acquire by purchase, lease, or transfer, facilities necessary for the Reserve Components. The authority to acquire by purchase has been held to include the authority to condemn. Therefore, this section authorizes condemnation for both Army and Air Force Reserve Training Sites.

(b) *Civil works projects*—(1) *Rivers and harbors*. (i) Act of Congress approved April 24, 1888 (25 Stat. 94, 33 U.S.C. 591) authorizes the Secretary of the Army to cause proceedings to be instituted for the acquisition by condemnation of any land, right of way, or material needed to maintain, operate, or prosecute works for the improvement of rivers and harbors for which provision has been made by law.

(ii) Section 5 of the Act of Congress approved July 18, 1918 (40 Stat. 911, 33 U.S.C. 594) provides that possession of lands being acquired by condemnation proceedings for river and harbor works may be taken, provided adequate provision shall have been made for payment of just compensation.

(2) *Flood control*. (i) Act of Congress approved March 1, 1917 (39 Stat. 950, 33 U.S.C. 701) makes the provisions of the Act of Congress approved April 24, 1888 (paragraph (b)(1)(i) of this section) applicable to flood control works.

(ii) Section 6 of the Act of Congress approved August 18, 1941 (55 Stat. 650, 33 U.S.C. 701c-2) makes the provisions of section 5 of the Act of Congress approved July 18, 1918 (paragraph (b)(1)(ii) of this section) applicable to flood control works.

(3) *Local cooperation*. Acts of Congress approved June 29, 1906 (34 Stat. 632, 33

U.S.C. 592) and August 8, 1917 (40 Stat. 267, 33 U.S.C. 593) provide that the Secretary of the Army may institute condemnation proceedings for the acquisition of land or easement therein for river and harbor works which local interests undertake to furnish free of cost to the United States. The provisions of these Acts were made applicable to flood control works by the Acts of Congress approved March 1, 1917, and August 18, 1941 (paragraphs (b)(2)(i) and (ii) of this section).

(c) *Other pertinent statutes*. (1) Act of Congress approved July 18, 1918 (40 Stat. 911, 33 U.S.C. 594) provides that the United States shall have the right to take immediate possession of land to the extent of the interest condemned. The exercise of this right is subject, however, to the policy considerations set forth in the Act of Congress approved January 2, 1971, Pub. L. 91-646 (84 Stat. 1894).

(2) Act of Congress approved February 26, 1931 (46 Stat. 1421, 40 U.S.C. 258a) makes provision for the filing of a declaration of taking in conjunction with condemnation proceedings and provides that title to the land or interests in land included in the declaration of taking vests in the United States upon filing with the court and deposit of the estimated compensation in the registry of the court.

(3) Title III of the Act of Congress approved January 2, 1971 (Pub. L. 91-646, 84 Stat. 1894) contains policies and guidelines for acquisition of land.

§ 644.113 Filing of complaint without declaration of taking.

(a) Only in exceptional cases will the Chief of Engineers give favorable consideration to the filing of a complaint in condemnation, and the request for an order of possession, without the concurrent filing of a declaration of taking and deposit of estimated compensation in the registry of the court. Examples of situations in which complaints may be used are as follows:

(1) Immediate possession is required for some essential military need and time does not permit preparation of an appraisal, title work, or negotiations.

(2) Condemnation proceedings are necessary in connection with a cemetery, in order to secure court approval
