§ 728.12 Extent of care.

Members who are away from their duty stations or are on duty where there is no MTF of their own service may receive care at the nearest available Federal MTF (including designated USTFs) with the capability to provide required care. Care will be provided without regard to whether the condition for which treatment is required was incurred or contracted in line of duty.

(a) *All uniformed services active duty members.* (1) All eligible beneficiaries covered in this subpart are entitled to and will be rendered the following

treatment and services upon application to a naval MTF whose mission includes the rendering of the care required. This entitlement provides that when required care and services are beyond the capabilities of the facility to which the member applies, the commanding officer of that facility will arrange for care from another USMTF, designated USTF, or other Federal source or will authorize and arrange for direct use of supplemental services and supplies from civilian non-Federal sources out of operation and maintenance funds.

(i) Necessary hospitalization and other medical care.

(ii) Occupational health services as defined in § 728.2(z).

(iii) Necessary prosthetic devices, prosthetic dental appliances, hearing aids, spectacles, orthopedic footwear, and other orthopedic appliances (see subpart H). When these items need repair or replacement and the items were not damaged or lost through negligence, repair or replacement is authorized at Government expense.

(3) The member's uniformed service will be billed for care provided by the civilian facility only when the referring MTF is not organized nor authorized to provide needed health care (see part 732 of this chapter for naval members). Saturation of service or facilities does not fall within this exception. When a naval MTF retains medical management, the costs of supplemental care obtained from civilian sources is paid from funds available to operate the MTF which manages care of the patient. When it becomes necessary to refer a USPHS or NOAA commissioned corps member to a non-Federal source of care, place a call to the Department of Health and Human Services (DHHS), Chief, Patient Care Services on (301) 443-1943 or FTS 443-1943 if DHHS is to
