§ 732.22 Recovery of medical care payments.

Adjudication authorities must submit evidence of payment to the action JAG designee per chapter 24 of the Manual of the Judge Advocate General (JAGMAN), in each instance of payment where a third party may be legally liable for causing the injury or disease treated, or when a Government claim is possible under workers compensation, no-fault insurance, or under medical payments insurance (all automobile accident cases).

(a) To assist in identifying possible third party liability cases, item 16 of each NAVMED 6320/10 must be completed whenever benefits are received in connection with a vehicle accident. Adjudication authorities should return for completion, as applicable, any claim received without item 16 completed.

(b) The front of a NAVJAG Form 5890/12 (Hospital and Medical Care, 3rd Party Liability Case) must be completed and submitted by adjudication authorities with evidence of payment. Block 4 of this form requires an appended statement of the patient or an accident report, if available. To ensure that Privacy Act procedures are accomplished and documented, the person securing such a statement from a

(c) For care rendered in States with no-fault insurance laws, comply with procedures outlined in §732.19(c)(3).

The Navy Pay and Personnel Procedures Manual provides guidance regarding pay account checkage procedures to liquidate subsistence charges incurred by members entitled to care under the provisions of this part. Such members must also be entitled to basic allowance for subsistence (BAS) while hospitalized at Government expense. The responsible activity (the adjudication authority or the naval MTF to which such a member is transferred) should follow procedures outlined in the Navy Pay and Personnel Procedures Manual when an eligible officer or enlisted member of the naval service is subsisted at Department of the Navy expense while hospitalized in a nonnaval treatment facility. Subpart C contains the creditable accounting classification for inpatient subsistence collections.

§ 732.24 Appeal procedures.

Any level in the appeal process may over-rule the previous decision and order payment of the claim in whole or in part or grant the request for prior approval of care.

(a) Level I—Reconsideration by the adjudication authority making the initial denial. The member should submit any additional information that may mitigate the initial denial.

(b) Level II—Consideration by the commander of the regional medical command having cognizance over the adjudication authority which upheld the initial denial on reconsideration.

(c) Level III—Consideration by COMNAVMEDCOM (MEDCOM–333).
