(3) Existing security systems and equipment available to protect maritime personnel;
(4) Procedural policies;
(5) Radio and telecommunication systems, including computer systems and networks;
(6) Relevant transportation infrastructure;
(7) Utilities;
(8) Security resources and capabilities; and
(9) Other areas that may, if damaged, pose a risk to people, infrastructure, or operations within the port.

§ 103.500 General.
(a) The Area Maritime Security (AMS) Plan is developed by the COTP, in consultation with the AMS Committee, and is based on an AMS Assessment that meets the provisions of subpart D of this part. The AMS Plan must be consistent with the National Maritime Transportation Security Plan and the National Transportation Security Plan.
(b) Portions of the AMS Plan may contain sensitive security information, and those portions must be marked as such and protected in accordance with 49 CFR part 1520.

§ 103.505 Elements of the Area Maritime Security (AMS) Plan.
The AMS Plan should address the following elements, as applicable:
(a) Details of both operational and physical measures that are in place in the port at MARSEC Level 1;
(b) Details of the additional security measures that enable the port to progress, without delay, to MARSEC Level 2 and, when necessary, to MARSEC Level 3;
(c) Details of the security incident command-and-response structure;
(d) Details for regular audit of the AMS Plan, and for its amendment in response to experience or changing circumstances;
(e) Measures to prevent the introduction of dangerous substances and devices into designated restricted areas within the port;
(f) Measures to prevent unauthorized access to designated restricted areas (e.g., TWIC);
(g) Procedures and expected timeframes for responding to security threats or breaches of security, including provisions for maintaining infrastructure and operations in the port;
(h) Procedures for responding to any security instructions the Coast Guard announces at MARSEC Level 3;
(i) Procedures for evacuation within the port in case of security threats or breaches of security;
