PROPERTY STANDARDS

§ 74.30 Purpose of property standards.

Sections 74.31 through 74.37 establish uniform standards governing management and disposition of property furnished by ED whose cost was charged to a project supported by a Federal award. Recipients shall observe these standards under awards. The Secretary does not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of §§ 74.31 through 74.37.

§ 74.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 74.32 Real property.

The Secretary prescribes requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by statute, the minimum requirements provide the following:

(b) The recipient shall obtain written approval by the Secretary for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) that have purposes consistent with

34 CFR Subtitle A (7-1-11 Edition)

those authorized for support by the Secretary.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b) of this section, the recipient shall request disposition instructions from ED or its successor Federal awarding agency. The Secretary observes one or more of the following disposition instructions:

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by the Secretary and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales procedures must be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party. The recipient is entitled to compensation for its attributable percentage of the current fair market value of the property.
