§ 218.11 Resolution of objections.

(a) Meetings. Prior to the issuance of the reviewing officer's written response, either the reviewing officer or the objector may request to meet to discuss issues raised in the objection and potential resolution. The reviewing officer has the discretion to determine whether or not adequate time remains in the review period to make a meeting with the objector practical. All meetings are open to the public.

(b) Response to objections. (1) A written response must set forth the reasons for the response, but need not be a point-by-point response and may contain instructions to the responsible official, if necessary. In cases involving more than one objection to a proposed authorized hazardous fuel reduction project, the reviewing officer may issue a single response addressing issues common to the objections.
