AGE

§ 6.1 Misstatement of age.

If the age of the insured under a United States Government life insurance policy has been understated, the amount of the insurance payable under the policy shall be such exact amount as the premium paid would have purchased at the correct age; if overstated, the excess of premiums paid shall be refunded without interest. Guaranteed surrender and loan values will be modified accordingly. The age of the insured will be admitted by the Department of Veterans Affairs at any time upon satisfactory proof.

[13 FR 7089, Nov. 27, 1948. Redesignated at 61 FR 29024, June 7, 1996]

PREMIUMS

§ 6.2 Premium rate.

Effective January 1, 1983, United States Government Life Insurance policies, and total disability income provisions, on a premium paying status are paid-up and no premiums are required to maintain such policies and provisions in force.

§ 6.4 Beneficiary of United States Government Life Insurance

§ 6.4 Proof of age, relationship and marriage.
Whenever it is necessary for a claimant to prove age, relationship or marriage, the provisions of 38 U.S.C. 103(c) and Part 3 this chapter will be followed.

§ 6.5 Conditional designation of beneficiary.
If the insured by notice in writing to the Department of Veterans Affairs during his or her lifetime has provided that a designated beneficiary shall be entitled to the proceeds of United States Government life insurance only if such beneficiary shall survive him or her for such period (not more than 30 days), as specified by the insured, no right to the insurance shall vest as to such beneficiary during that period. In the event such beneficiary fails to survive the specified period, payment of the proceeds of United States Government life insurance will be made as if the beneficiary had predeceased the insured.

§ 6.6 Change of beneficiary.
The insured under United States Government life insurance shall have the right at any time and from time to time and without the consent or knowledge of the beneficiary to change the beneficiary. A change of beneficiary must be made by written notice to the Department of Veterans Affairs over the signature of the insured and shall not be binding on the United States unless received by the Department of Veterans Affairs. A change of beneficiary must be forwarded to the Department of Veterans Affairs, a change of beneficiary shall be deemed effective as of the date the insured signed the written notice. The United States shall be protected in all payments made to the beneficiary last of record and before receipt of notice of a change of beneficiary, and no payments so made shall be paid again to the changed beneficiary. The insured may exercise any right or privilege given under the provisions of a United States Government life insurance policy without the consent of the beneficiary. An original designation of a beneficiary may be made by the last will and testament, but no change of beneficiary may be made by the last will and testament. The provisions of the “beneficiary” clause in United States Government life insurance policies are hereby amended accordingly.

§ 6.7 Claims of creditors, taxation.
(a) Effective January 1, 1958, payments of insurance to a beneficiary under a United States Government life insurance policy shall be subject to levy for taxes due the United States by such beneficiary.
(b) The provisions of 38 U.S.C. 5301(b) which entitle the United States to collect by setoff out of benefits payable to any beneficiary under a United States Government life insurance policy do not apply to dividends being held to the credit of the insured for the payment of premiums under the provisions of section 1946 of title 38 U.S.C.
[Authority: 38 U.S.C. 5301]

§ 6.8 Selection, revocation and election.
The insured under a United States Government Life Insurance policy may, upon written notice, select an optional settlement. Such optional settlement may be revoked by written notice. If the insured does not select one of the optional settlements, as set out under the provisions of the policy, the insurance shall be payable in 240...
monthly installments unless the beneficiary elects in writing a different option.

[61 FR 29025, June 7, 1996]

§ 6.9 Election of optional settlement by beneficiary.

If the insured has selected an optional settlement then at the death of the insured the designated beneficiary may elect to receive the proceeds of insurance in installments spread over a greater period of time than that selected by the insured and in accordance with the following provisions.

(Authority: 38 U.S.C. 1952)

(a) If the insured has selected Option 1, the beneficiary may elect to receive payment under Option 2, 3, or 4.

(b) If the insured has selected Option 2 with monthly installments not in excess of 120, the beneficiary may elect to receive payment in a greater number of installments under Option 2, or may elect to receive payment under Option 3 or 4.

(c) If the insured has selected Option 2 with monthly installments in excess of 120, the beneficiary may elect to receive payment in a greater number of installments under Option 2, or may elect to receive payment under Option 3.

(d) If the insured has selected Option 3, and named no contingent beneficiary, the beneficiary may elect to receive payment under Option 4.

(e) If the insured has selected Option 4, the beneficiary may elect to receive payment under Option 3.

If the insured has selected settlement under Option 1, a beneficiary who has elected to receive payment under Option 2, 3, or 4 may elect to receive the commuted value of any remaining unpaid installments certain (240 less the number paid in case of Option 3, or 120 less the number paid in the case of Option 4); Provided, That where the commutation is elected under Option 3 or 4 after payment under such option has commenced, and the beneficiary survives the period certain, such beneficiary shall be entitled to the resumption of monthly installments payable for life in accordance with the monthly income option previously selected by such beneficiary. The entitlement to the resumption of monthly installments will be effective as of the monthly payment date next following the expiration of the period certain. Settlement under any one of the options or payment to the beneficiary of said commuted value under Option 2 or payment of said commuted value under Options 3 and 4 to the beneficiary who does not survive the period certain shall be in full and complete discharge of all liability under the contract. Any other change in the mode of settlement may, within the limitations set forth in paragraphs (a) through (e) of this section, be made by a beneficiary after payment has commenced, provided the change is made within 1 year of the original election and in those instances where Option 3 is changed to Option 1 or 2; or Option 4 is changed to Option 1, 2, or 3, satisfactory proof is submitted to establish that the beneficiary’s state of health is the same as it was at time of original election. The effective date of the original election for this purpose will be the date it was delivered to the Department of Veterans Affairs. If such election was forwarded by mail, properly addressed to the Department of Veterans Affairs, the postmark date will be taken as the date of delivery. Such change will be made on the premise that the new election was made initially, and the account will be adjusted accordingly. A condition precedent to any such change will be the repayment of any amount received by the beneficiary in excess of that which would have been due had the new election been made initially.

§ 6.10 Options.

Insurance will be payable in one sum only when selected by the insured during his or her lifetime or by his or her last will and testament.

[61 FR 29025, June 7, 1996]

DIVIDENDS

§ 6.11 How dividends are paid.

(a) Regular annual dividends becoming payable on or after December 31,
§ 6.12 Special dividends.

Any special U.S. Government Life Insurance dividend that may be declared shall be paid in cash. Such special dividends shall not be accepted to accumulate on deposit or as a dividend credit.

(Authority: 38 U.S.C. 1944)

LOANS

§ 6.13 Policy loans.

At any time after the first policy year and upon the execution of a loan agreement satisfactory to the Secretary the United States will lend to the insured on the sole security of his/her United States Government Life Insurance policy any amount which shall not exceed 94 percent of the cash value, and any indebtedness shall be deducted from the amount advanced on such loan. The loan shall bear interest at a rate not to exceed 5 percent per annum, payable annually, and the loan may be repaid in full or in amounts of $5 or more. Failure to pay either the amount of the loan or the interest thereon shall not void the policy unless the total indebtedness shall equal or exceed the cash value thereof. When the amount of the indebtedness equals or exceeds the cash value, the policy shall cease and become void.

(Authority: 38 U.S.C. 1944)

CASH VALUE

§ 6.14 Cash value; other than special endowment at age 96 plan policy.

Provisions for cash value shall become effective at the completion of the first policy year on any plan of United States Government Life Insurance other than the special endowment at age 96 plan policy; all values, reserves, and net single premiums being based on the American Experience Table of Mortality, with interest at the rate of 3½ percent per annum. The cash value shall be the reserve together with any dividend accumulations. For each month after the first policy year the reserve at the end of the preceding policy year shall be increased by one-twelfth of the increase in reserve for the current policy year. Upon written request therefor and upon complete
surrender of the insurance with all claims thereunder made by the insured the United States will pay to the insured the cash value of the policy less any indebtedness. Unless otherwise requested by the insured, a surrender will be deemed completed as of the end of the month in which the application for cash surrender is delivered to the Department of Veterans Affairs, or as of the date of the check for the cash value, whichever is later. If the application is forwarded by mail, properly addressed, the postmark date will be taken as the date of delivery.

(Authority: 38 U.S.C. 1944)

§ 6.15 Cash value; special endowment at age 96 plan policy.

Provisions for cash value shall become effective at the completion of the first policy year; all values and net single premiums are as prescribed by the Secretary and published in VA Pamphlet 90–2A. The cash value at the end of the first policy year and at the end of any policy year thereafter shall be the reserve as set forth in the policy together with any dividend accumulations. For each month after the first policy year the reserve at the end of the preceding policy year shall be increased by one-twelfth of the increase in reserve for the current policy year. Upon written request therefor and upon complete surrender of the insurance with all claims thereunder made by the insured, the United States will pay to the insured the cash value of the policy less any indebtedness, provided the policy has been in force for at least 1 year. Unless otherwise requested by the insured, a surrender will be deemed completed as of the end of the month in which the application for cash surrender is delivered to the Department of Veterans Affairs, or as of the date of the check for the cash value, whichever is later. If the application is forwarded by mail, properly addressed, the postmark date will be taken as the date of delivery. If it is forwarded through military channels, the date the application is placed in military channels will be taken as the date of delivery.

(Authority: 38 U.S.C. 1944)

§ 6.16 Payment of cash value in monthly installments.

Effective January 1, 1971, in lieu of payment of cash value in one sum, the insured may elect to receive payment in monthly installments under option 2 as set forth in the insurance contract or as a refund life income option. If the insured dies before the agreed number of monthly installments have been paid, the remaining unpaid monthly installments will be payable to the designated beneficiary in one sum, unless the insured or such beneficiary has elected to continue the installments under the option selected by the insured. If no designated beneficiary survives, the present value of any remaining unpaid installments shall be paid to the estate of the insured, provided such payment would not escheat.

[61 FR 29025, June 7, 1996]

§ 6.17 Collection of any indebtedness.

At the maturity of a United States Government life insurance policy by total permanent disability or death, any indebtedness, unless paid off in cash, shall be liquidated by reducing the amount of each monthly installment in the proportion which the indebtedness bears to the commuted value of monthly installments as may then be payable under the policy, excluding dividend accumulations. If the policy is payable in one sum at death, any indebtedness shall be deducted from the amount payable under the policy.

[13 FR 7096, Nov. 27, 1948. Redesignated at 61 FR 29025, June 7, 1996]

§ 6.18 Other disabilities deemed to be total and permanent.

(a) In addition to the conditions specified in 38 U.S.C. 1958, the following
also will be deemed to be total and permanent disabilities: Organic loss of speech; permanently helpless or permanently bedridden.

(b) Organic loss of speech will mean the loss of the ability to express oneself, both by voice and whisper, through the normal organs of speech if such loss is caused by organic changes in such organs. Where such loss exists, the fact that some speech can be produced through the use of an artificial appliance or other organs of the body will be disregarded.

[61 FR 29025, June 7, 1996]
