NOTE TO § 17.901: Under this program, beneficiaries with spina bifida will receive comprehensive care through the Department of Veterans Affairs. However, the health care benefits available under this section to children with other covered birth defects are not comprehensive, and VA will furnish them only health care services that are related to their covered birth defects. With respect to covered children suffering from spina bifida, VA is the exclusive payer for services paid under 17.900 through 17.905, regardless of any third party insurer, Medicare, Medicaid, health plan, or any other plan or program providing health care coverage. As to children with other covered birth defects, any third party insurer, Medicare, Medicaid, health plan, or any other plan or program providing health care coverage would be responsible according to its provisions for payment for health care not relating to the covered birth defects.
