§ 18.1

The purpose of this part is to effectuate the provisions of Title VI of the Civil Rights Act of 1964 (hereafter referred to as the Act) to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program to which this part applies.

§ 18.2

This part applies to any program for which Federal financial assistance is authorized under a law administered by the Department of Veterans Affairs, including the types of Federal financial assistance listed in appendix A to this subpart. It applies to money paid, property transferred, or other Federal financial assistance extended after the effective date of this part pursuant to an application approved prior to such effective date. This part does not apply to (a) any Federal financial assistance by way of insurance or guaranty contracts, (b) money paid, property transferred, or other assistance extended before the effective date of this part, (c) any assistance to any individual who is the ultimate beneficiary, or (d) any employment practice, under any such program, of any employer, employment agency, or labor organization, except to the extent described in §18.3. The fact that a type of Federal financial assistance is not listed in appendix A to this subpart shall not mean, if Title VI of the Act is otherwise applicable, that a program is not covered. Other types of Federal financial assistance under statutes now in force or hereinafter enacted may be added to appendix A to this subpart by notice published in the Federal Register.

§ 18.3

Discrimination prohibited.

(a) General. No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program to which this part applies.

(b) Specific discriminatory actions prohibited. (1) A recipient to which this part applies may not, directly or through contractual or other arrangements, on grounds of race, color, or national origin:

(i) Deny an individual any service, financial aid, or other benefit provided under the program;

(ii) Provide any service, financial aid, or other benefit to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject an individual to segregation or separate treatment in any matter related to receipt of any service, financial aid, or other benefit under the program;

(iv) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service, financial aid, or other benefit under the program;

(v) Treat an individual differently from others in determining whether is satisfied any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or
other benefit provided under the program.

(vi) Deny a person an opportunity to participate in the program through the provision of services or otherwise or afford an opportunity to do so which is different from that afforded others under the program.

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program with respect to individuals of a particular race, color, or national origin.

(3) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this part applies on the grounds of race, color or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this part.

(4) As used in this section the services, financial aid, or other benefits provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program may take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color or national origin.

(c) Medical emergencies. Notwithstanding the foregoing provisions of this section, a recipient of Federal financial assistance shall not be deemed to have failed to comply with paragraph (a) of this section if immediate provision of a service or other benefit to an individual is necessary to prevent his or her death or serious impairment of his or her health, and such service or other benefit cannot be provided except by or through a medical institution which refuses or fails to comply with paragraph (a) of this section.

(d) Employment practices. (1) Whenever a primary objective of the Federal financial assistance to a program to which part 18 applies, is to provide employment, a recipient of such assistance may not (directly or through contractual or other arrangements) subject any individual to discrimination on the ground of race, color, or national origin in its employment practices under such program (including recruitment or recruitment advertising, employment, layoff, or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation, and use of facilities). The requirements applicable to construction employment under any such program shall be those specified in or pursuant to part III of Executive Order 11246 (3 CFR Chapter IV) or any Executive order which supersedes it.

(2) In regard to Federal financial assistance which does not have providing employment as a primary objective, the provisions of paragraph (d)(1) of this section apply to the employment
§ 18.4 Assurances required.

(a) General. (1) Every application for Federal financial assistance to which this part applies, except an application to which paragraph (b) of this section applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contain or be accompanied by an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this part. Every award of Federal financial assistance shall require the submission of such an assurance. In the case of an application for Federal financial assistance to provide real property or structures thereon, the assurance shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. In the case of personal property the assurance shall obligate the recipient for the period during which the recipient retains ownership or possession of the property. In all other cases the assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the application. The responsible agency official shall specify the form of the foregoing assurances and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) Transfers of surplus property are subject to regulations issued by the Administrator of General Services (41 CFR subpart 101–6.2).

(b) Continuing Federal financial assistance. Every application by a State or a State agency for continuing Federal financial assistance to which this part applies (including the types of Federal financial assistance listed in appendix A to this subpart) shall as a condition to its approval and the extension of any Federal financial assistance pursuant to the application (1) contain or be accompanied by a statement that the program is (or, in the case of a new program, will be) conducted in compliance with all requirements imposed by or pursuant to this part, and (2) provide or be accompanied by provision for such methods of administration for the program as are found by the responsible agency official to give reasonable assurance that the applicant and all recipients of Federal financial assistance under such program will comply with all requirements imposed by or pursuant to this part. In any case in which the recipient is claiming financial assistance pursuant to arrangements entered into prior to the effective date of this part, the assurances provided by this paragraph shall be included in the first application or claim for assistance on or after the effective date of this part.

(c) Elementary and secondary schools. The requirements of paragraph (a) or (b) of this section with respect to any elementary or secondary school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (2) submits a plan for the desegregation of such school or school
system which the responsible agency official determines is adequate to accomplish the purposes of the Act and this part, at the earliest practicable time, and provides reasonable assurance that it will carry out such plan; in any case of continuing Federal financial assistance the responsible agency official may reserve the right to redetermine, after such period as may be specified by the official, the adequacy of the plan to accomplish the purposes of the Act and this part. In any case in which a final order of a court of the United States for the desegregation of such school or school system is entered after submission of such a plan, such plan shall be revised to conform to such final order, including any future modification of such order.

(d) Extent of application to institution or facility. In the case where any assurances are required from an academic, a medical care, or any other institution or facility, insofar as the assurances relate to the institution’s practices with respect to the admission, care, or other treatment of persons by the institution or with respect to the opportunity of persons to participate in the receiving or providing of services, treatment, or benefits, such assurances shall be applicable to the entire institution or facility.

§ 18.6 Compliance information.

(a) Cooperation and assistance. Each responsible agency official shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) Compliance reports. Each recipient shall keep such records and submit to the responsible agency official or designee, timely, complete and accurate compliance reports at such times, and in such form and containing such information, as the responsible agency official or designee may determine to be necessary to enable the official to ascertain whether the recipient has complied or is complying with this part. In the case in which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part. In general, recipients should have available for the agency racial and ethnic data showing the extent to which members of minority groups are beneficiaries of federally assisted programs.

(c) Access to sources of information. Each recipient shall permit access by the responsible agency official or designee during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other persons such information regarding the provisions of this part and its applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the responsible agency official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this part.

§ 18.7 Conduct of investigations.

(a) Periodic compliance reviews. The responsible agency official or designee shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) Complaints. Any person or any specific class of individuals who believe
§ 18.8 Procedure for effecting compliance.

(a) General. If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) Noncompliance with §18.4. If an applicant fails or refuses to furnish an assurance required under §18.4 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department of Veterans Affairs shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph except that the Department of Veterans Affairs shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefore approved prior to the effective date of this part.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible agency official has advised the applicant or recipient of failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there investigation, hearing, or judicial proceeding arising thereunder.

has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part, (3) the action has been approved by the Secretary pursuant to §18.10(e), and (4) the expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) Other means authorized by law. No action to effect compliance with Title VI of the Act by any other means authorized by law shall be taken by the Department of Veterans Affairs until (1) the responsible agency official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days, additional efforts shall be made to persuade the recipient or other person to comply with this part and to take such corrective action as may be appropriate.

§ 18.9 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by §18.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the responsible agency official that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and §18.8(c) of this part and consent to the making of a decision on the basis of such information as is available.

(b) Time and place of hearing. Hearings shall be held at the offices of the Department of Veterans Affairs in Washington, D.C., at a time fixed by the responsible agency official unless the official determines that the convenience of the applicant or recipient or of the Department of Veterans Affairs requires that another place be selected. Hearings shall be held before the responsible agency official or, at the official’s discretion, before an administrative law judge appointed in accordance with section 3105 of Title 5, U.S.C., or detailed under section 3344 of Title 5, U.S.C.

(c) Right to counsel. In all proceedings under this section, the applicant or recipient and the Department of Veterans Affairs shall have the right to be represented by counsel.

(d) Procedures, evidence, and record. (1) The hearing decision and any administrative review thereof shall be conducted in conformity with the procedures contained in 5 U.S.C. 554–557 (sections 5–8 of the Administrative Procedure Act) and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those
provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department of Veterans Affairs and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.  

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be made in accordance with §18.10.

§18.10 Decisions and notices.

(a) Procedure on decisions by an administrative law judge. If the hearing is held by an administrative law judge such administrative law judge shall either make an initial decision, if so authorized, or certify the entire record including recommended findings and proposed decision to the responsible agency official for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient. Where the initial decision is made by the administrative law judge the applicant or recipient may within 30 days of the mailing of such notice of initial decision file with the responsible agency official exceptions with reasons therefore. In the absence of exceptions, the responsible agency official may within 45 days after the initial decision serve on the applicant or recipient a notice that the decision will be reviewed. Upon the filing of such exceptions or of such notice of review the responsible agency official shall review the initial decision and issue a decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision shall constitute the final decision of the responsible agency official.

(b) Decisions on record or review by the responsible agency official. Whenever a record is certified to the responsible agency official for decision or the official reviews the decision of an administrative law judge pursuant to paragraph (a) of this section, or whenever the responsible agency official conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with the official briefs or other written statements of its contentions, and a written copy of the final decision of the responsible agency official shall be sent to the applicant or recipient and to the complainant, if any.

(c) Decisions on record where a hearing is waived. Whenever a hearing is waived
pursuant to §18.9(a) a decision shall be made by the responsible agency official on the record and a written copy of such decision shall be sent to the applicant or recipient, and to the complainant, if any.

(d) Rulings required. Each decision of an administrative law judge or responsible agency official shall set forth a ruling on each finding, conclusion, or exception presented, and shall identify the requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(e) Approval by Secretary. Any final decision by an administrative law judge which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this part of the Act, shall promptly be transmitted to the Secretary personally, who may approve such decision, may vacate it, or remit or mitigate any sanction imposed.

(f) Content of orders. The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies the responsible agency official that it will fully comply with this part.

(g) Post termination proceedings. (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it provides reasonable assurance that it will fully comply with this part.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the responsible agency official to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the responsible agency official determines that those requirements have been satisfied, the official shall restore such eligibility.

(3) If the responsible agency official denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the responsible agency official. The applicant or recipient will be restored to such eligibility if it proves at such a hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

§ 18.11 Judicial review.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§ 18.12 Effect on other regulations, forms and instructions.

(a) Effect on other regulations. All regulations, orders, or like directions issued before the effective date of this part by any officer of the Department of Veterans Affairs which impose requirements designed to prohibit any discrimination against individuals on the grounds of race, color or national origin under any program to which this part applies, and which authorize the
suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant for or recipient of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of this part. Nothing in this part, however, shall be deemed to supersede any of the following (including future amendments thereof):

(2) Executive Order 11063 (3 CFR, 1959–1963 Comp., p. 652) and regulations issued thereunder, or any other orders, regulations or instructions, insofar as such orders, regulations, or instructions prohibit discrimination on the ground of race, color or national origin in any program or situation to which this part is inapplicable, or prohibit discrimination on any other ground.

(b) Forms and instructions. Each responsible agency officials shall issue and promptly make available to interested persons forms and detailed instructions and procedures for effectuating this part as applied to programs to which this part applies and for which he is responsible.

(c) Supervision and coordination. The Secretary may from time to time assign to officials of the Department of Veterans Affairs or to officials of other departments or agencies of the Government with the consent of such departments or agencies, responsibilities in connection with the effectuation of the purposes of Title VI of the Act and this part (other than responsibility for final decision as provided in §18.10) including the achievement of effective coordination and maximum uniformity within the Department of Veterans Affairs and within the executive branch of the Government in the application of Title VI and this part to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this paragraph shall have the same effect as though such action has been taken by the responsible official of this Agency.

APPENDIX B TO SUBPART A OF PART 18—ILLUSTRATIVE APPLICATIONS

The following examples, without being exhaustive, will illustrate the application of the nondiscrimination provisions to certain grants of the Department of Veterans Affairs. (In all cases the discrimination prohibited is discrimination on the grounds of race, color, or national origin prohibited by title VI of the Act and this part, as a condition of the receipt of Federal financial assistance.)

(a) In grants which support the provision of health or welfare services for veterans in State homes, discrimination in the selection or eligibility of individuals to receive the services, and segregation or other discriminatory practices in the manner of providing them, are prohibited. This prohibition extends to all facilities and services provided by the State as grantee under the program or by a political subdivision of the State. It extends also to services purchased or otherwise obtained by the grantee (or political subdivision) from hospitals, nursing homes, schools, and similar institutions for beneficiaries of the program, and to the facilities in which such services are provided, subject, however, to the provisions of §18.3(c).

(b) In grants to assist in the construction of facilities for the provision of health or welfare services assurances will be required that services will be provided without discrimination, to the same extent that discrimination would be prohibited as a condition of Federal operating grants for the support of such services. Thus, as a condition of grants for the construction of a State home for furnishing nursing home care, assurances will be required that there will be no discrimination in the admission or treatment of patients. In the case of such grants the assurance will apply to patients, to interns, residents, student nurses, and other trainees, and to the privilege of physicians, dentists, and other professionally qualified persons to practice in the nursing home, and will apply to the entire facility for which, or for a part of which, the grant is made, and to facilities operated in connection therewith.

(c) Upon transfers of real or personal surplus property for health or educational uses, discrimination is prohibited to the same extent as in the case of grants for the construction of facilities or the provision of equipment for like purposes.

(d) A recipient may not take action that is calculated to bring about indirectly what this part forbids it to accomplish directly. Thus a State, in selecting or approving projects or sites for the construction of a nursing home which will receive Federal financial assistance, may not base its selection or approvals on criteria which have the effect of defeating or of substantially impairing accomplishment of the objectives of the Federal assistance program with respect to individuals of a particular race, color, or national origin.

(a) General. No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which receives Federal financial assistance.

(b) Discriminatory actions prohibited.

(1) A recipient, in providing an aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(B) Which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or

Department of Veterans Affairs

§ 18.405

by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient’s program or activity;

(vi) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving an aid, benefit, or service.

(2) Aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for handicapped and non-handicapped persons, but must give handicapped persons equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement, in the most integrated setting appropriate to the person’s needs.

(3) Despite the existence of separate or different aid, benefits, or services provided in accordance with this part, a recipient may not deny a qualified handicapped person the opportunity to participate in aid, benefits, or services that are not separate or different.

(4) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration that:

(i) Have the effect of subjecting qualified handicapped persons to discrimination on the basis of handicap.

(ii) Have the purpose or effect of defeating or substantially impairing the accomplishment of the objective of the program or activity with respect to handicapped persons.

(iii) Perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location of a facility, an applicant for assistance or a recipient may not make selections that:

(i) Have the effect of excluding handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity that receives Federal financial assistance, or

(ii) Have the purpose or effect of defeating or substantially impairing the accomplishment of the objective of the program or activity with respect to handicapped persons.

(6) As used in this section, the aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any aid, benefit, or service provided in or through a facility that has been constructed, expanded, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

(c) Aid, benefits, or services limited by Federal law. The exclusion of nonhandicapped persons or the exclusion of a specific class of handicapped persons from aid, benefits, or services limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) Special communication. Recipients shall take appropriate action to ensure that communications with their applicants, employees, and beneficiaries are available to persons with impaired vision and hearing.

(3) In all other cases the assurance will oblige the recipient for the period during which Federal financial assistance is extended.

(c) Extent of application to institution or facility. An assurance shall apply to the entire institution or facility.

(d) Covenants. (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Agency, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provisions of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Agency, the covenant shall also include a condition coupled with a right to be reserved by the Agency to revert title to the property if there is a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on the property for the purpose for which the property was transferred, the Secretary may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as considered appropriate, agree to forbear the exercise of the right to revert title for as long as the lien of the mortgage or other encumbrance remains effective.

(e) Other methods of enforcement. (1) Recipients are required to keep such records as the responsible VA official deems necessary for complete and accurate compliance reports. VA can specify intervals for reporting and prescribe the form and content of information required to ascertain whether the recipient has complied or is complying with the law.

(2) Periodic compliance reviews of training establishments will be conducted by VA compliance officers. During these reviews recipients are required to permit access by VA compliance officers during normal business hours to such of their books, records, accounts, facilities and other sources of information including interviews with personnel and trainees as may be pertinent to ascertain compliance with the law.

(3) From study of documentation, results of interviews, and observation of activities during tours of facilities, compliance officers will evaluate recipients’ compliance status.

§ 18.406 Remedial action, voluntary action and self-evaluation.

(a) Remedial action. (1) If the Secretary finds that a recipient has discriminated against qualified persons on the basis of handicap in violation of section 504 or this part, the recipient shall take such remedial action as the Secretary considers necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against qualified persons on the basis of handicap in violation of section 504 or this part and where another recipient exercises control over the recipient that has discriminated, the Secretary, where appropriate, may require either or both recipients to take remedial action.

(3) The Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action with respect to:

(i) Handicapped persons who are no longer participants in the recipient’s program or activity but who were participants in the program or activity when such discrimination occurred;

(ii) Handicapped persons who would have been participants in the program or activity had the discrimination not occurred; or
(iii) Handicapped persons presently in the program or activity, but not receiving full benefits or equal and integrated treatment within the program or activity.

(b) **Voluntary action.** A recipient may take steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient’s program or activity by qualified handicapped persons.

(c) **Self-evaluation.** (1) A recipient shall, within one year of the effective date of this part:

(i) Evaluate with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons, its current policies and practices and the effects of the policies and practices that do not or may not meet the requirements of this part;

(ii) Modify, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, any policies and practices that do not meet the requirements of this part; and

(iii) Take, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

(2) A recipient that employs fifteen or more persons shall, for at least three years following completion of the evaluation required under paragraph (c)(1) of this section, maintain on file, make available for public inspection, and provide to the Secretary upon request:

(i) A list of the interested persons consulted;

(ii) A description of areas examined and any problems identified; and

(iii) A description of any modifications made and of any remedial steps taken.

(3) Recipients who become such more than one year after the effective date of these regulations shall complete these self-evaluation requirements within one year after becoming recipients of Federal financial assistance.

(The information collection requirements contained in paragraph (c) have been approved by the Office of Management and Budget under control number 2900-0415)

§ 18.407 Designation of responsible employee and adoption of grievance procedures.

(a) **Designation of responsible employee.** A recipient that employs fifteen or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) **Adoption of grievance procedures.** A recipient that employs fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to postsecondary educational institutions.

§ 18.408 Notice.

(a) A recipient that employs fifteen or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of section 504 and this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment, or employment in, its programs or activities. The notification shall also include an identification of the responsible employee designated under §18.407. A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and
§ 18.409 Administrative requirements for certain recipients.

The Secretary may require any recipient with fewer than fifteen employees, or any class of such recipients, to comply with §§ 18.407 and 18.408 in whole or in part, when the Secretary finds a violation of this part or finds that such compliance will not significantly impair the ability of the recipient or class of recipients to provide benefits or services.

§ 18.410 Effect of State or local law or other requirements and effect of employment opportunities.

(a) The obligation to comply with this part is not obviated or alleviated by the existence of any State law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped persons to receive services or to practice any occupation or profession.

(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for handicapped persons than for nonhandicapped persons.

§ 18.411 Discrimination prohibited.

(a) General. (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity to which this part applies.

(2) A recipient shall make all decisions concerning employment under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(3) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination in employment.

The relationships referred to in this section include relationships with employment and referral agencies, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeships.

(b) Specific activities. Nondiscrimination in employment applies to:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(3) Rates of pay or other forms of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including those that are social or recreational; and

(9) Any other term, condition, or privilege of employment.

(c) Collective bargaining agreements. A recipient’s obligation to comply with
§ 18.412 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of a handicapped applicant or employee if such accommodation would enable that person to perform the essential functions of the job unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program or activity.

(b) Reasonable accommodation may include:
   (1) Making facilities used by employees readily accessible to and usable by handicapped persons; and
   (2) Job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters and other similar actions.

(c) In determining under paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient’s program or activity, factors to be considered include:
   (1) The overall size of the recipient’s program or activity with respect to number of employees, number and type of facilities, and size of budget;
   (2) The type of the recipient’s operation, including the composition and structure of the recipient’s work force; and
   (3) The nature and cost of the accommodation needed.

(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

§ 18.413 Employment criteria.

(a) A recipient may not use any employment test or other selection criterion that screens out handicapped persons or any class of handicapped persons unless:
   (1) The test score or other selection criterion, as used by the recipient, is shown to be job-related for the position in question; and
   (2) Alternative job-related tests or criteria that do not screen out or tend to screen out as many handicapped persons as are not shown by the Secretary to be available.

(b) A recipient shall select and administer tests concerning employment to best ensure that when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant’s or employee’s job skills, aptitude, or whatever other factor the test purports to measure, rather than reflect the applicant’s or employee’s impaired sensory, manual, or speaking skills (except when those skills are the factors that the test purports to measure).

§ 18.414 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a preemployment medical examination or may not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into the applicant’s ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to §18.406(a), when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to §18.406(b), or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped, provided that:
   (1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for
use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted prior to the employee’s entrance on duty, provided that:

(1) All entering employees are subjected to such an examination regardless of handicap, and (2) the results of such an examination are used only in accordance with the requirements of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained on separate forms that shall be accorded confidentiality as medical records, except that:

(1) Supervisors and managers may be informed regarding restrictions on the work or duties of handicapped persons and regarding necessary accommodations;

(2) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment;

(3) Government officials investigating compliance with the Act shall be provided relevant information upon request.

ACCESSIBILITY

§ 18.421 Discrimination prohibited.

No qualified handicapped person shall, because a recipient’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which this part applies.

§ 18.422 Existing facilities.

(a) Accessibility. A recipient shall operate each program or activity to which this part applies so that when each part is viewed in its entirety it is readily accessible to handicapped persons. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by handicapped persons.

(b) Methods. A recipient may comply with the requirement of paragraph (a) of this section through such measures as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aids to beneficiaries, home visits, delivery of health, or other social services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with §18.423 or any other methods that make its program or activity accessible to handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in making its programs or activities readily accessible to handicapped persons. In choosing among available methods for complying with paragraph (a) of this section, a recipient shall give priority to methods that serve handicapped persons in the most integrated setting appropriate.

(c) Small health, welfare or other social service providers, and recipients that operate other than educational programs or activities. If a recipient with fewer than fifteen employees finds after consultation with a handicapped person seeking its services that there is no method of complying with paragraph (a) of this section other than making a significant alteration in its existing facilities, the recipient may, as an alternative, refer the qualified handicapped person to other providers whose services are accessible. Where referrals are necessary, transportation costs shall not exceed costs to and from recipients’ programs or activities.

(d) Time period. A recipient shall comply with paragraph (a) of this section within 60 days of the effective date of this part except that when structural changes in facilities are necessary, these changes shall be made as soon as practicable, but not later than three
Department of Veterans Affairs § 18.431

years after the effective date of this part.

(e) Transition plan. If structural changes to facilities are necessary to meet the requirements of paragraph (a) of this section, a recipient shall develop a transition plan within six months of the effective date of this part setting forth the steps necessary to complete such change. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be available for public inspection. The plan shall, at a minimum:

(1) Identify physical obstacles in the recipient’s facilities that limit the accessibility of its program or activity to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve full accessibility under paragraph (a) of this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the person responsible for implementation of the plan.

(f) Notice. The recipient shall implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information concerning the existence and location of services, activities, and facilities that are accessible to and usable by handicapped persons.

The information collection requirements contained in paragraph (e) have been approved by the Office of Management and Budget under control number 2900–0414.

§ 18.423 New construction.

(a) Design and construction. Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient after the effective date of this part shall be designed and constructed so that the facility or part of the facility is readily accessible to and usable by handicapped persons, if the construction was commenced after the effective date of this part.

(b) Alteration. Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part in a manner that affects or could affect the usability of the facility or part of the facility shall, to the maximum extent feasible, be altered so that the altered portion of the facility is readily accessible to and usable by handicapped persons.

(c) Conformance with Uniform Federal Accessibility Standards. (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3–8 of the Uniform Federal Accessibility Standards (USAF) (appendix A to 41 CFR subpart 101–19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

§ 18.431 Application.

Sections 18.431 through 18.439 apply to elementary, secondary, and adult education programs or activities that receive Federal financial assistance from the Department of Veterans Affairs and to recipients that operate or receive Federal financial assistance for
§ 18.432 Location and notification.

A recipient that operates a public elementary or secondary educational program shall annually:

(a) Undertake to identify and locate every qualified handicapped person residing in the recipient’s jurisdiction who is not receiving a public education; and

(b) Take appropriate steps to notify handicapped persons their parents or guardians of the recipient’s duty under §§18.431 through 18.439.

§ 18.433 Free appropriate public education.

(a) General. A recipient that operates a public elementary or secondary education program shall provide a free appropriate public education to each qualified handicapped person who is in the recipient’s jurisdiction, regardless of the nature or severity of the person’s handicap.

(b) Appropriate education. (1) The provision of an appropriate education is the provision of regular or special education and related aids and services that:

(i) Are designed to meet individual educational needs of handicapped persons as adequately as the needs of non-handicapped persons are met; and

(ii) Are based upon adherence to procedures that satisfy the requirements of §§18.434, 18.435, and 18.436.

(2) Implementation of an Individualized Education Program developed in accordance with the Education of the Handicapped Act is one means of meeting the standard established in paragraph (b)(1)(i) of this section.

(3) A recipient may place a qualified handicapped person or refer that person for aid, benefits, or services other than those that it operates or provides as its means of carrying out the requirements of §§18.431 through 18.439. The recipients remain responsible for ensuring that the requirements of §§18.431 through 18.439 are met with respect to any qualified handicapped person so placed or referred.

(c) Free education. (1) The provision of a free education is the provision of educational and related services without cost to the handicapped person, parents or guardian, except for those fees that are imposed on nonhandicapped persons or their parents or guardian. It may consist either of the provision of free services or, if a recipient places a handicapped person or refers that person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of §§18.431 through 18.439, of payment for the costs of the aid, benefits, or services. Funds available from any public or private agency may be used to meet the requirements of this subpart. Nothing in this section shall be construed to relieve an insurer or similar third party from an otherwise valid obligation to provide or pay for services provided to a handicapped person.

(2) If a recipient places a handicapped person or refers that person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of this subpart, the recipient shall ensure that adequate transportation to and from the aid, benefits, or services is provided at no greater cost than would be incurred by the person, parents or guardian if the person were placed in the aid, benefits, or services operated by the recipient.

(3) If placement in a public or private residential program is necessary to provide free appropriate public education to a handicapped person because of his or her handicap, the program, including non-medical care and room and board, shall be provided at no cost to the person, parents or guardian.

(4) If a recipient has made available, in conformance with this section and §18.434, a free appropriate public education to a handicapped person and the person’s parents or guardian chooses to place the person in a private school, the recipient is not required to pay for the person’s education in the private school. Disagreements between a parent or guardian and a recipient regarding whether the recipient has made a free appropriate public education available or regarding the question of financial responsibility are subject to the due process procedures of §18.436.
(d) **Compliance.** A recipient may not exclude any qualified handicapped person from a public elementary or secondary education after the effective date of this part. A recipient that is not, on the effective date of this part, in full compliance with the requirements of paragraphs (a) through (c) of this section shall meet those requirements at the earliest practicable time, but not later than October 1, 1981.

§ 18.434 **Education setting.**

(a) **Academic setting.** A recipient shall educate, or shall provide for the education of, each qualified handicapped person in its jurisdiction with persons who are not handicapped to the maximum extent appropriate to the needs of the handicapped person. A recipient shall place a handicapped person in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. In deciding whether to place a person in a setting other than the regular educational environment, a recipient shall consider the proximity of the alternate setting to the person’s home.

(b) **Nonacademic settings.** In providing or arranging for the provision of nonacademic and extracurricular services and activities, a recipient shall ensure that handicapped persons participate with nonhandicapped persons in those activities and services to the maximum extent appropriate to the needs of the handicapped person in question.

(c) **Comparable facilities.** If a recipient in compliance with paragraph (a) of this section operates a facility that is identifiable as being for handicapped persons, the recipient shall ensure that the facility and the services and activities provided in that facility are comparable to the other facilities, services, and activities of the recipient.

§ 18.435 **Evaluation and placement.**

(a) **Preplacement evaluation.** A recipient that operates a public elementary or secondary education program or activity shall conduct an evaluation of any qualified person who, because of handicap, needs or is believed to need special education or related services before taking any action concerning the initial placement of the person in regular or program special education and any subsequent change in placement.

(b) **Evaluation procedures.** Elementary, secondary, and adult education programs or activities that receive Federal financial assistance shall establish standards and procedures for the evaluation and placement of persons who, because of handicap, need or are believed to need special education or related services which ensure that:

(1) Tests and other evaluation materials have been validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;

(2) Tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and

(3) Tests are selected and administered to best ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student’s aptitude or achievement level or whatever other factor the test purports to measure, rather than reflect the student’s impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure.)

(2) Nonacademic and extracurricular services and activities may include counseling services, physical recreational athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the recipient, referrals to agencies which provide assistance to handicapped persons, and employment of students, including both employment by the recipient and assistance in making available outside employment.

(b) Counseling services. Elementary, secondary, and adult education programs that receive Federal financial assistance and that provide personal, academic, or vocational counseling, guidance, or placement services to their students shall provide these services without discrimination on the basis of handicap and shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different from those offered to nonhandicapped students only if separation or differentiation is consistent with the requirements of §18.434 and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

§ 18.439 Private education.

(c) A recipient to which this section applies that provides special education shall do so in accordance with §§18.435 and 18.436. Each recipient to which this section applies is subject to §§18.434, 18.437, and 18.438.

(ii) Alternate tests or criteria that have a less disproportionate, adverse effect are not shown by the Secretary to be available;

(3) Shall assure itself that:

(i) Admissions tests are selected and administered to best ensure that, when a test is administered to an applicant who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant’s aptitude or achievement level or whatever other factors the test purports to measure, rather than reflect the applicant’s impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure);

(ii) Admissions tests that are designed for persons with impaired sensory, manual, or speaking skills are offered as often and in as timely a manner as are other admissions tests; and

(iii) Admissions tests are administered in facilities that, on the whole, are accessible to handicapped persons;

(4) Except as provided in paragraph (c) of this section, may not make preadmission inquiries as to whether an applicant for admission is a handicapped person. After admission, the recipient may inquire on a confidential basis as to handicaps that may require accommodation.

(c) Preadmission inquiry exception. When a recipient is taking remedial action to correct the effects of past discrimination under §18.406(a) or when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity under §18.406(b), the recipient may invite applicants for admission to indicate whether and to what extent they are handicapped.

(1) The recipient shall state clearly on any written questionnaire used for this purpose or make clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary action efforts; and

Academic requirements that the recipient can demonstrate are essential to the instruction being pursued by the student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section.

(b) Other rules. A recipient may not impose upon handicapped students other rules, such as the prohibition of tape recorders in classrooms or guide dogs in campus buildings, that have the effect of limiting the participation of handicapped students in the recipient’s education program or activity.

(c) Course examinations. In its course examinations or other procedures for evaluating students’ academic achievement, a recipient shall provide methods for evaluating the achievement of students who have a handicap that impairs sensory, manual, or speaking skills that will best ensure that the results of the evaluation represent the students’ achievement in the course, rather than reflect the students’ impaired sensory, manual, or speaking skills (except where such skills are the factors that the test purports to measure).

(d) Auxiliary aids. (1) A recipient shall ensure that no qualified handicapped student is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination because of the absence of educational auxiliary aids for students with impaired sensory, manual, or speaking skills.

(b) Counseling and placement services. A recipient that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.

(a) General rule. No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance.

(b) Specific rules. A recipient may not, in any program or activity receiving Federal financial assistance, directly or through contractual licensing, or other arrangements, use age distinctions or take any other actions which have the effect, on the basis of age, of:

(1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under, a program or activity receiving Federal financial assistance; or

(2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance.

(c) The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

§ 18.512 Definitions of “normal operation” and “statutory objective.”

For the purpose of these regulations, the terms normal operation and statutory objective shall have the following meaning:

An action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity, if:

(a) Age is used as a measure or approximation of one or more other characteristics; and

(b) The other characteristic(s) must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity; and

(c) The other characteristic(s) can be reasonably measured or approximated by the use of age; and

§ 18.542 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with VA alleging discrimination prohibited by the Act or these regulations based on an action occurring on or after July 1,
1979. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. However, for good cause shown, VA may extend this time limit. Complaints may be submitted to the Director, Office of Equal Opportunity (06B), Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420.

(b) VA will attempt to facilitate the filing of complaints wherever possible, including taking the following measures:

(c) VA will refer a complaint of discrimination based on age to another appropriate Federal agency when the complaint is outside the jurisdiction of VA. VA will notify the complainant in writing that the complaint has been referred; explain the reason why the complaint is not within the jurisdiction of VA; and give the complainant the name, agency, and address of the official to whom the complaint was referred.

(Authority: 42 U.S.C. 6101–6107)

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or make an informed judgment that an agreement is not possible. However, the recipient and the complainant need not meet with the mediator at the same time.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and the recipient sign it. The mediator shall send a copy of the agreement to VA. VA will take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(a) **Informal investigation.** (1) VA will investigate complaints that are re-opened because of a violation of a mediation agreement.

(2) As part of the initial investigation VA will use informal fact finding methods, including joint or separate discussions with the complainant and recipient to establish the facts and, if possible, settle the complaint on terms that are mutually agreeable to the parties. VA may seek the assistance of any involved State agency.

(3) VA will put any agreement in writing and have it signed by the parties and an authorized official from the VA.

(4) The settlement shall not affect the operation of any other enforcement effort of VA, including compliance reviews and investigation of other complaints which may involve the recipient.

(5) A settlement need not contain an admission of discrimination or other wrongdoing by the recipient nor should it be considered a finding of discrimination against the recipient.

(b) **Formal investigation.** If VA cannot resolve the complaint through informal investigation, it will begin to develop formal findings through further investigation of the complaint. If the investigation indicates a violation of these regulations, VA will attempt to obtain voluntary compliance. If voluntary compliance cannot be achieved, VA may institute enforcement proceedings as described in §18.546.

(2) Any other means authorized by law including but not limited to:

(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations of the recipient created by the Act or these regulations.

(1) 180 days have elapsed since the complainant filed the complaint and VA has made no finding with regard to the complaint; or

(2) VA issues any finding in favor of the recipient.

(b) VA fails to make a finding within 180 days or issues a finding in favor of the recipient, VA will:

(1) Promptly advise the complainant of this fact; and

(2) Advise the complainant of his or her right to bring a civil action for injunctive relief; and

(i) The complainant may bring a civil action only in a United States district court for the district in which the recipient is found or transacts business;

(ii) A complainant prevailing in a civil action has the right to be awarded the costs of the action, including reasonable attorney’s fees, but the complainant must demand these costs in the complaint;

APPENDIX B TO SUBPART E OF PART 18—
LIST OF AGE DISTINCTIONS CONTAINED IN STATUTES AND REGULATIONS GOVERNING FEDERAL FINANCIAL ASSISTANCE OF THE DEPARTMENT OF VETERANS AFFAIRS

Section 90.31(c) of the governmentwide regulations (45 CFR part 90) requires each Federal agency to publish an appendix to its final regulations containing a list of age distinctions in Federal statutes and regulations affecting financial assistance administered by the agency. This appendix is VA’s list of age distinctions contained in Federal statutes and VA regulations which:

(1) Provide benefits or assistance to persons based upon age; or

(2) Establish criteria for participation in age-related terms; or

(3) Describe intended beneficiaries or target groups in age-related terms.

Appendix B deals only with VA’s programs of financial assistance covered by the Age Discrimination Act. It does not list age distinctions used by VA in its direct assistance programs, such as veterans’ compensation. Also, this appendix contains only age distinctions in Federal statutes and VA regulations in effect on January 1, 1985.

This appendix has two sections: A list of age distinctions in Federal statutes, and a list of age distinctions in VA regulations. The first column contains the name of the program; the second column has the statute name and U.S. Code citation for statutes, or the regulation name and Code of Federal Regulations citation for regulations; the third column contains the section number of the statute or regulation and the description of the age distinction; and the fourth column cites the Catalog of Federal Domestic Assistance number for the program(s) affected where it is available.

Survivors’ and Dependents’ Educational Assistance.

Section 3500 states that “the educational program established by this chapter is for the purpose of providing opportunities for education to children whose education would otherwise be impeded or interrupted by reason of the disability or death of a parent from a disease or injury incurred or aggravated in the Armed Forces after the beginning of the Spanish-American War, and for the purpose of aiding such children in attaining the educational status which they might have aspired to and attained but for the disability or death of such parent. The Congress further declares that the educational program extended to the surviving spouses of veterans who died of service-connected total disabilities and to spouses of veterans with a service-connected total disability permanent in nature is for the purpose of assisting them in preparing to support themselves and their families at a standard of living level which the veteran, but for the veteran’s death or service disability, could have expected to provide for the veteran’s family.”

Section 3501 defines the term “eligible person” as: “(A) a child of a person who—(i) died of a service-connected disability, (ii) has a total disability permanent in nature resulting from a service-connected disability, or who died while a disability so evaluated was in existence or (iii) at the time of application for benefits under this chapter is a member of the Armed Forces serving on active duty listed, pursuant to section 556 of Title 37 [U.S.C.] and regulations issued thereunder, by the Secretary concerned in one or more of the following categories . . . for a total of ninety days: (A) missing in action, (B) captured in line of duty by a hostile force, or (C) forcibly detained or interned in line of duty by a foreign government or power. . . .” Subparagraph (a)(2) of this section provides that the term “child” includes individuals who are married and individuals who are above the age of twenty-three years.
