Environmental Protection Agency

§ 409.72 Effluent limitations guidelines representing the degree of effluent reduction attainable by the application of the best practicable control technology currently available.

Except as provided in §§ 125.30 through 125.32, and subject to the provisions of paragraph (a) of this section, any existing point source subject to §§ 125.30 through 125.32 shall apply to this subpart.

(b) The term gross cane shall mean that amount of crop material as harvested, including field trash and other extraneous material.

(c) The term net cane shall mean that amount of “gross cane” less the weight of extraneous material.

(d) The term x shall mean that fraction of the “net cane” harvested by the advanced harvesting systems.
