Subpart 101-26.2—Federal Requisitioning System

§ 101-26.200 Scope of subpart.

This subpart prescribes a uniform requisitioning and issue system for use in obtaining supplies and equipment from GSA, Department of Defense, and Veterans Administration sources.

[43 FR 19852, May 9, 1978]

§ 101-26.201 General.

This requisitioning and issue system is identified as the Federal Standard Requisitioning and Issue Procedures (FEDSTRIP) and is similar to and compatible with the Military Standard Requisitioning and Issue Procedures (MILSTRIP). The FEDSTRIP system provides GSA and other supply sources the means to automate the processing of requisitions. Detailed instructions required to implement FEDSTRIP are contained in the GSA Handbook, FEDSTRIP Operating Guide (FPMR 101-26.2), which is issued and maintained by the Commissioner, Federal Supply Service, GSA.

[43 FR 19852, May 9, 1978]

§ 101-26.202 Applicability.

The FEDSTRIP system shall be used by civilian agencies to requisition any item from GSA or to requisition any specifically authorized item from Department of Defense (DOD). Requisitions to the Veterans Administration (VA) should be submitted on punched cards in FEDSTRIP format or typed on Standard Form 147, Order for Supplies or Services.

[43 FR 19853, May 9, 1978]

§ 101-26.203 Activity address codes.

To obtain items through the FEDSTRIP system, each ordering activity is required to have an activity address code. The FEDSTRIP Operating Guide (FPMR 101-26.2) contains

41 CFR Ch. 101 (7-1-07 Edition)

instructions to civilian agencies on requesting activity address codes. Once assigned, an activity address code allows an activity to order supplies under the FEDSTRIP system. Because there is a potential for abuse in the use of these codes, agencies shall establish stringent internal controls to ensure that the codes are used only by authorized personnel. It is imperative that all requests for activity address codes or deletions or address changes flow through a central contact point in the agency headquarters or regions where the need, purpose, and validity of the request can be verified. Agencies should send GSA the addresses of the contact points (mailing address: General Services Administration (FSR), Washington, DC 20406). GSA will only honor requests from the established points within the agency. GSA will periodically send a listing of current activity address codes and addresses to contact points for review.

§§ 101-26.204—101-26.205 [Reserved]

§ 101-26.206 GSA assistance.

Agency field activities should direct their questions regarding FEDSTRIP to the Federal Supply Service at each GSA regional office. The addresses of GSA regional offices are listed in each of the volumes of the GSA Supply Catalog. Agency headquarters activities requiring assistance may contact General Services Administration (FSR), Washington, DC 20406.

§ 101-26.300 Scope of subpart.

This subpart prescribes policy and procedures governing the procurement by agencies of items of supply stocked by GSA, including reporting and obtaining adjustments for overages, shortages, and damages and the issue of used, repaired, and rehabilitated items in serviceable condition.
