Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 ..............................................................as of January 1
- Title 17 through Title 27 .................................................................as of April 1
- Title 28 through Title 41 .................................................................as of July 1
- Title 42 through Title 50 .............................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up-to-date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, July 1, 2011), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

**OBsolete Provisions**

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before April 1, 2001, consult either the List of CFR Sections Affected, 1949-1963, 1964-1972, 1973-1985, or 1986-2000, published in eleven separate volumes. For the period beginning April 1, 2001, a “List of CFR Sections Affected” is published at the end of each CFR volume.

“[RESERVED]” Terminology

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

**Incorporation by Reference**

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.

(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.

(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

**CFR Indexes and Tabular Guides**

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3–The President” is carried within that volume.
The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

SUBCHAPTER A—INTRODUCTION

PART 300–1—THE FEDERAL TRAVEL REGULATION (FTR)

Sec.
300–1.1 What is the FTR?
300–1.2 What is the purpose of the FTR?

Source: FTR Amdt. 70, 63 FR 15951, Apr. 1, 1998, unless otherwise noted.

§ 300–1.1 What is the FTR?
The FTR is the regulation contained in 41 Code of Federal Regulations (CFR), Chapters 300 through 304, which implements statutory requirements and Executive branch policies for travel by Federal civilian employees and others authorized to travel at Government expense.

§ 300–1.2 What is the purpose of the FTR?
There are two principal purposes:
(a) To interpret statutory and other policy requirements in a manner that balances the need to assure that official travel is conducted in a responsible manner with the need to minimize administrative costs;
(b) To communicate the resulting policies in a clear manner to Federal agencies and employees.

PART 300–2—HOW TO USE THE FTR

Subpart A—General

Sec.
300–2.1 What formats exist in the FTR?
300–2.2 What is the purpose of the question & answer format?
300–2.3 How is the rule expressed in the question & answer format?
300–2.4 Who is subject to the FTR?

Source: FTR Amdt. 70, 63 FR 15951, Apr. 1, 1998, unless otherwise noted.

Subpart A—General

§ 300–2.1 What formats exist in the FTR?
The FTR is written in two formats—the question & answer format and the title and narrative format.

Subpart B—Question & Answer Format

§ 300–2.20 What is the purpose of the question & answer format?
The Q&A format is an effective way to engage the reader and to break the information into manageable pieces.

§ 300–2.21 How is the rule expressed in the question and answer format?
The rule is expressed in both the question and answer.

§ 300–2.22 Who is subject to the FTR?
Employees and agencies. Since the user may be an employee or an agency, portions of the FTR have been separated into employee and agency sections. However, while the employee provisions are addressed to the employee, the rules expressed in those provisions apply to the agency as well. The following lists the relevant employee and agency sections of the FTR:

§ 300–2.23 How is the user addressed in the FTR?

The FTR asks questions in the first person, as the user would. It then answers the questions in the second and third person. In the employee sections, the employee is addressed in the singular, and in the agency sections, the agency is addressed in the plural. The following describes how employee and agency are addressed in both sections:

Subpart C—Title and Narrative Format

§ 300–2.70 How is the rule expressed in the title and narrative format?

The rule is in the narrative. The title serves only as a tool to determine the subject of the rule.

The per diem allowance is separate from transportation expenses and other miscellaneous expenses. The per diem allowance covers all charges and services, including any service charges where applicable. Lodging taxes in the United States are excluded from the per diem allowance and are reimbursed as a miscellaneous expense. In foreign locations, lodging taxes are part of the per diem allowance and are not a miscellaneous expense. The per diem allowance covers the following:

Post of duty—An official station outside CONUS.

Qualified non-crewmember—A person flying onboard a Government aircraft whose skills or expertise are required to perform or are associated with performing the non-travel related Governmental function for which the aircraft is being operated (qualified non-crewmembers may be researchers, law enforcement agents, firefighters, agricultural engineers, biologists, etc.). If a qualified non-crewmember is onboard for the purpose of travel (i.e., being transported from point to point) in addition to performing his/her duties related to the non-travel related Governmental function for which the aircraft is being operated (e.g., when a scientist conducts an experiment at the same time he/she is also on the aircraft for the purpose of traveling from point to point), he/she must be authorized to travel in accordance with rules in 41 CFR parts 301-10 and 301-70.

Reduced per diem—Your agency may authorize a reduced per diem rate when there are known reductions in lodging and meal costs or when your subsistence costs can be determined in advance and are lower than the prescribed per diem rate.

Required use travel—Travel by Federal travelers that requires use of a Government aircraft to meet bona fide communications needs (e.g., 24-hour secure communications), security requirements (e.g., highly unusual circumstances that present a clear and present danger), or exceptional scheduling requirements (e.g., a national emergency or other compelling operational considerations) of an executive agency. Required use travel must be approved according to §301–10.052(a) and §301–70.803(a) of this title.

What do the following terms mean?

Accompanied baggage—Government property and personal property of the traveler necessary for official travel.

Amended value sale—Type of home sale transaction that occurs when the relocating employee receives a bona fide offer from a qualified buyer before the employee has accepted an appraised value offer from the relocation services company (RSC). The RSC amends its offer to match the outside sale price. An amended value sale is different from an amended from zero sale because an amended value sale occurs after an appraised value offer while an amended from zero sale occurs before an appraised value offer.

Appraised value sale—Type of home sale transaction that occurs when the relocating employee accepts the offer from the RSC to buy the employee’s home based upon the average of a specific number of appraisals conducted by designated certified appraisers.

Buyer value option (BVO)—Type of home sale program with procedures the same as the amended value program, except that the RSC does not initially appraise the employee’s home or make a guaranteed buy-out offer. The buy-out offer from the contractor is based on a bona fide offer received by the employee from a qualified buyer after marketing by the employee. Once a bona fide...
offer is received by the employee, the con-
tactor offers to buy the home from the em-
ployee at a price based on the outside sale
price.

[FTR Amdt. 2010–02, 75 FR 24435, May 5, 2010]

§ 301–10.2 What expenses are payable as transportation?
Fares, rental fees, mileage payments, and other expenses related to transportation.

§ 301–10.3 What methods of transportation may my agency authorize me to use?
Your agency may authorize:

(b) Government vehicle under Subpart C;
(c) POV under Subpart D; or
(d) Special conveyance (e.g., taxi or commercial automobile) under Subpart E.

§ 301–10.4 How does my agency select the method of transportation to be used?
Your agency must select the method most advantageous to the Government, when cost and other factors are considered. Under 5 U.S.C. 5733, travel must be by the most expeditious means of transportation practicable and commensurate with the nature and purpose of your duties. In addition, your agency must consider energy conservation, total cost to the Government (including costs of per diem, overtime, lost worktime, and actual transportation costs), total distance traveled, number of points visited, and number of travelers.

Subpart B—Common Carrier Transportation

§ 301–10.100 What types of common carrier transportation may I be authorized to use?
You may be authorized to use airline, train, ship, bus, or other transit system.

§ 301–10.105 What are the basic requirements for using common carrier transportation?

The basic requirements for using common carrier transportation fall into three categories:

(a) Using contract carriers, when available, and if your agency is a mandatory user of GSA’s city-pair contracts for air passenger transportation services, unless you have an approved exception (see §§ 301–10.106 through 301–10.108 of this subpart);

(b) Using coach-class service, unless other than coach-class service is authorized under § 301–10.123 or § 301–10.162, and when travelling by ship, using lowest first-class accommodations, unless other than lowest first-class accommodations are authorized under § 301–10.183 of this subpart; and

(c) You must always use U.S. Flag Air Carrier (or ship) service for air passenger transportation or when travelling by ship, unless your travel circumstances meet one of the exceptions in §§ 301–10.135 through 301–10.138 or § 301–10.183 of this subpart.

§ 301–10.106 When must I use a contract city-pair fare?

If you are a civilian employee of an agency as defined in § 301–1.1 of this chapter, you must always use a contract city-pair fare for scheduled air passenger transportation service unless one of the limited exceptions in § 301–10.107 exist. An Internet listing of contract city-pair fares is available at http://www.gsa.gov/citypairs.

[NOTE TO § 301–10.106: Employees of the Government of the District of Columbia, with the exception of the District of Columbia Courts, are not eligible to use contract city-pair fares even though these employees otherwise may be covered by the FTR.]

§ 301–10.107 Are there any exceptions to the use of a contract city-pair fare?

Yes, your agency may authorize use of a fare other than a contract city-pair fare when—

(a) Space on a scheduled contract flight is not available in time to accomplish the purpose of your travel, or use of contract service would require you to incur unnecessary overnight lodging costs which would increase the total cost of the trip;

(b) The contractor’s flight schedule is inconsistent with explicit policies of your Federal department or agency with regard to scheduling travel during normal working hours;

(c) A non-contract carrier offers a lower fare to the general public that, if used, will result in a lower total trip cost to the Government (the combined costs of transportation, lodging, meals, and related expenses considered);

NOTE TO PARAGRAPH (c): This exception does not apply if the contract carrier offers the same or lower fare and has seats available at that fare, or if the fare offered by the non-contract carrier is restricted to Government and military travelers performing official business and may be purchased only with a contractor-issued charge card, centrally billed account (e.g., YDG, MDG, QDG, VDG, and similar fares) or GTR where the two previous options are not available;

(d) Cost effective rail service is available and is consistent with mission requirements; or

(e) Smoking is permitted on the contract air carrier and the nonsmoking section of the contract aircraft is not acceptable to you.

[NOTE 1 TO § 301–10.107: Any group of 10 or more passengers traveling together on the same day, on the same flight, for the same mission, requiring group integrity and identified as a group by the travel management service upon booking is not a mandatory user of the Government’s contract city-pair fares. For group travel, agencies are expected to obtain air passenger transportation service that is practical and cost effective to the Government.

[NOTE 2 TO § 301–10.107: Contractors are not authorized to use contract city-pair fares to perform travel under their contracts.]

[NOTE 3 TO § 301–10.107: If the Government contract city-pair carrier offers a lower cost capacity-controlled coach class contract fare (MCA, QCA, VCA, etc.) in addition to the unrestricted coach class contract fares (YCA), the traveler should use the lower cost capacity-controlled fare when it is available and meet mission needs.]

§ 301–10.108 What requirements must be met to use a non-contract fare?

(a) Before purchasing a non-contract fare you must meet one of the exception requirements listed in §301–10.107 and show approval on your travel authorization to use a non-contract fare; and

(b) If the non-contract fare is non-refundable, restricted, or has specific eligibility requirements, you must know or reasonably anticipate, based on your planned trip, that you will use the ticket; and

(c) Your agency must determine that the proposed non-contract transportation is practical and cost effective for the Government.

NOTE TO §301–10.108: Carrier preference is not a valid reason for using a non-contract fare.

§ 301–10.109 What is my liability for unauthorized use of a non-contract carrier when contract service is available and I do not meet one of the exceptions for required use?

Any additional costs or penalties incurred by you resulting from unauthorized use of non-contract service are borne by you.

§ 301–10.110 May I use contract passenger transportation service for personal travel?

No.

§ 301–10.111 When may I use a reduced group or charter fare?

You may use a reduced group or charter fare when your agency has determined, on an individual case basis prior to your travel, that use of such a fare is cost effective. Chartered aircraft are subject to the same rules as Government aircraft, and agencies in the executive branch of the Federal Government are subject to the requirements of Office of Management and Budget (OMB) Circular A–126 and 41 CFR part 101–37 in making such cost effectiveness determinations.

§ 301–10.112 Am I authorized to receive a refund or credit for unused transportation?

No. You are not authorized to receive a refund, credit, or any other negotiable document from a carrier for unfurnished services (except as provided in §301–10.117) or any portion of an unused ticket issued in exchange for a GTR or billed to an agency’s centrally billed account. However, any charges billed directly to your individually billed Government charge card should be credited to your account.

[FTR Amdt. 70, 63 FR 15955, Apr. 1, 1998; 63 FR 35537, June 30, 1998]
§ 301–10.116 What must I do with compensation an airline gives me if it denies me a seat on a plane?

If you are performing official travel and a carrier denies you a confirmed reserved seat on a plane, you must give your agency any payment you receive for liquidated damages. You must ensure the carrier shows the “Treasurer of the United States” as payee on the compensation check and then forward the payment to the appropriate agency official.

§ 301–10.117 May I keep compensation an airline gives me for voluntarily vacating my seat on my scheduled airline flight when the airline asks for volunteers?

Yes:
(a) If voluntarily vacating your seat will not interfere with performing your official duties; and
(b) If additional travel expenses, incurred as a result of vacating your seat, are borne by you and are not reimbursed; but
(c) If volunteering delays your travel during duty hours, your agency will charge you with annual leave for the additional hours.

AIRLINE ACCOMMODATIONS

§ 301–10.121 What classes of airline accommodations are available?

Airlines are constantly updating their offerings. However, for the purposes of this regulation, the classes of available air accommodations are identified and defined as follows:
(a) Coach-class. The basic class of accommodation by airlines that is normally the lowest fare offered regardless of airline terminology used. For reference purposes only, coach-class may also be referred to by airlines as “tourist class,” “economy class,” or as “single class” when the airline offers only one class of accommodations to all travelers.
(b) Other than coach-class. Any class of accommodations above coach-class, e.g., first-class or business-class.
(1) First-class. The highest class of accommodation offered by the airlines in terms of cost and amenities. This is generally termed “first-class” by airlines and reservation systems.

(2) Business-class. A class of accommodation offered by airlines that is higher than coach and lower than first-class, in both cost and amenities. This class of accommodation is generally referred to as “business, business elite, business first, world business, connoisseur, or envoy” depending on the airline.

NOTE TO § 301–10.121: If an airline flight has only two classes of accommodations available, i.e., two “cabins”, with two distinctly different seating types (such as girth and pitch) and the front cabin is termed “business-class” or higher by the airline and the tickets are fare-coded as business-class, then the front of the cabin is deemed to be other than coach-class. Alternatively, if an airline flight has only two cabins available but equips both with one type of seating, (i.e., seating girth and pitch are the same in both cabins), and the seats in the front of the airplane are fare coded as full-fare economy class, and only restricted economy fares are available in the back of the aircraft, then the entire aircraft is to be classified as coach-class seating. In this second situation, qualifying for other than coach-class travel is not required to purchase a non-restricted economy fare seat in the front of the aircraft as the entire aircraft is considered “coach-class.”

[FTR Amdt. 2009–06, 74 FR 55147, Oct. 27, 2009]

§ 301–10.122 What class of airline accommodations must I use?

For official business travel, both domestic and international, you must use coach-class accommodations, except as provided under §§ 301–10.123 and 301–10.124.

§ 301–10.123 When may I use other than coach-class airline accommodations?

Government travelers are required to exercise the same care in incurring expenses that a prudent person would exercise if traveling on personal business when making official travel arrangements, and therefore, should consider the least expensive class of travel that meets their needs. You may use the lowest other than coach-class airline accommodations only when your agency specifically authorizes/approves such use as specified in paragraphs (a) and (b) of this section.
(a) Your agency may authorize/approve first class accommodations if any of the following apply:
Temporary Duty (TDY) Travel Allowances § 301–10.123

(1) No coach-class accommodations are reasonably available. "Reasonably available" means available on an airline that is scheduled to leave within 24 hours of your proposed departure time, or scheduled to arrive within 24 hours of your proposed arrival time;

(2) When use of other than coach-class is necessary to accommodate a medical disability or other special need.

(i) A disability must be certified annually in a written statement by a competent medical authority. However, if the disability is a lifelong condition, then a one-time certification statement is required. Certification statements must include at a minimum:

(A) A written statement by a competent medical authority stating that special accommodation is necessary;

(B) An approximate duration of the special accommodation; and

(C) A recommendation as to the suitable class of transportation accommodations based on the disability.

(ii) A special need must be certified annually in writing according to your agency's procedures. However, if the special need is a lifelong condition, then a one-time certification statement is required;

(iii) If you are authorized under § 301–13.3(a) of this Subchapter to have an attendant accompany you, your agency may also authorize the attendant to use other than coach-class accommodations if you require the attendant's services en route;

(3) When exceptional security circumstances require other than coach-class airline accommodations. Exceptional security circumstances are determined by your agency and should only be authorized up to the minimum other than coach-class accommodation necessary. These circumstances include, but are not limited to:

(i) Use of coach-class accommodations would endanger your life or Government property;

(ii) You are an agent on protective detail and you are accompanying an individual authorized to use other than coach-class accommodations; or

(iii) You are a courier or control officer accompanying controlled pouches or packages;

(4) When required because of agency mission, consistent with your agency's internal procedures pursuant to § 301–70.102(i).

(b) Your agency may authorize/approve business-class accommodations if any of the following apply:

(1) When use of other than coach-class is necessary to accommodate a medical disability or other special need.

(i) A disability must be certified annually in a written statement by a competent medical authority. However, if the disability is a lifelong condition, then a one-time certification statement is required. Certification statements must include at a minimum:

(A) A written statement by a competent medical authority stating that special accommodation is necessary;

(B) An approximate duration of the special accommodation; and

(C) A recommendation as to the suitable class of transportation accommodations based on the disability.

(ii) A special need must be certified annually in writing according to your agency's procedures. However, if the special need is a lifelong condition, then a one-time certification statement is required;

(iii) If you are authorized under § 301–13.3(a) of this Subchapter to have an attendant accompany you, your agency may also authorize the attendant to use other than coach-class accommodations if you require the attendant's services en route;

(2) When exceptional security circumstances require other than coach-class airline accommodations. Exceptional security circumstances are determined by your agency and should only be authorized up to the minimum other than coach-class accommodation necessary to meet the agency's mission. These circumstances include, but are not limited to:

(i) Use of coach-class accommodations would endanger your life or Government property;

(ii) You are an agent on protective detail and you are accompanying an individual authorized to use other than coach-class accommodations; or
§ 301–10.124 What are coach-class Seating Upgrade Programs?

Sometimes these programs are called “Coach Elite,” “Coach Plus,” “Preferred Coach” or some other identifier. Under these airline programs, a passenger may obtain for a fee a more desirable seat choice within the coach-class cabin. These airline upgrade or preferred seat choices are generally available for an annual fee, at an airport kiosk or gate or as a frequent flier perk. These coach upgrade options are not considered a new or higher class of accommodation since the seating is still in the coach cabin. However, the use of these upgraded/preferred coach seating options is generally a traveler’s personal choice and therefore is at the traveler’s personal expense. An agency travel authorization approving official or his/her designee (e.g., supervisor of the traveler) may authorize and reimburse the additional seat choice fee according to internal agency policy (see 301–70.102(k)).

§ 301–10.125 When may I use the 14-hour rule to travel other than coach-class (see § 301–10.123(b)(6))? (a) You may use the 14-hour rule to travel via other than coach-class when:

1. The origin and/or destination are OCONUS, and the scheduled flight time, including stopovers and change of planes, is in excess of 14 hours, in accordance with § 301–10.125;

2. The use results in an overall cost savings to the Government by avoiding additional subsistence costs, overtime, or lost productive time while awaiting coach-class accommodations;

3. No space is available in coach-class accommodations in time to accomplish the mission, which is urgent and cannot be postponed; or

4. When required because of agency mission, consistent with your agency’s internal procedures pursuant to § 301–70.102(l).

NOTE 1 TO § 301–10.125: You may upgrade to other than coach-class accommodations at your personal expense, including through redemption of frequent flyer benefits.

NOTE 2 TO § 301–10.125: Blanket authorization of other than coach-class transportation accommodations is prohibited and shall be authorized on an individual trip-by-trip basis, unless the traveler has an up-to-date documented disability or special need.

§ 301–10.131 What does United States mean?

For purposes of the use of United States flag air carriers, United States
§ 301–10.132 Who is required to use a U.S. flag air carrier?

§ 301–10.133 What is a U.S. flag air carrier?
An air carrier which holds a certificate under 49 U.S.C. 41102 but does not include a foreign air carrier operating under a permit.

§ 301–10.134 What is U.S. flag air carrier service?
U.S. flag air carrier service is service provided on an air carrier which holds a certificate under 49 U.S.C. 41102 and which service is authorized either by the carrier's certificate or by exemption or regulation. U.S. flag air carrier service also includes service provided under a code share agreement with a foreign air carrier in accordance with Title 14, Code of Federal Regulations when the ticket, or documentation for an electronic ticket, identifies the U.S. flag air carrier's designator code and flight number.

§ 301–10.135 When must I travel using U.S. flag air carrier service?
You are required by 49 U.S.C. 40118, commonly referred to as the “Fly America Act,” to use U.S. flag air carrier service for all air travel funded by the U.S. Government, except as provided in § 301–10.136 and § 301–10.137 or when one of the following exceptions applies:

(a) Use of a foreign air carrier is determined to be a matter of necessity in accordance with § 301–10.138; or

(b) The transportation is provided under a bilateral or multilateral air transportation agreement to which the United States Government and the government of a foreign country are parties, and which the Department of Transportation has determined meets the requirements of the Fly America Act.

§ 301–10.136 What exceptions to the Fly America Act requirements apply when I travel between the United States and another country?
The exceptions are:

(a) If a U.S. flag air carrier offers nonstop or direct service (no aircraft change) from your origin to your destination, you must use the U.S. flag air carrier service unless such use would extend your travel time, including delay at origin, by 24 hours or more.
§ 301–10.137
(b) If a U.S. flag air carrier does not offer nonstop or direct service (no aircraft change) between your origin and your destination, you must use a U.S. flag air carrier on every portion of the route where it provides service unless, when compared to using a foreign air carrier, such use would:

(1) Increase the number of aircraft changes you must make outside of the U.S. by 2 or more; or
(2) Extend your travel time by at least 6 hours or more; or
(3) Require a connecting time of 4 hours or more at an overseas interchange point.

§ 301–10.137 What exceptions to the Fly America Act requirements apply when I travel solely outside the United States, and a U.S. flag air carrier provides service between my origin and my destination?

You must always use a U.S. flag carrier for such travel, unless, when compared to using a foreign air carrier, such use would:

(a) Increase the number of aircraft changes you must make en route by 2 or more; or
(b) Extend your travel time by 6 hours or more; or
(c) Require a connecting time of 4 hours or more at an overseas interchange point.

§ 301–10.138 In what circumstances is foreign air carrier service deemed a matter of necessity?

(a) Foreign air carrier service is deemed a necessity when service by a U.S. flag air carrier is available, but
(1) Cannot provide the air transportation needed; or
(2) Will not accomplish the agency’s mission.

(b) Necessity includes, but is not limited to, the following circumstances:

(1) When the agency determines that use of a foreign air carrier is necessary for medical reasons, including use of foreign air carrier service to reduce the number of connections and possible delays in the transportation of persons in need of medical treatment; or
(2) When use of a foreign air carrier is required to avoid an unreasonable risk to your safety and is approved by your agency (e.g., terrorist threats). Written approval of the use of foreign air carrier service based on an unreasonable risk to your safety must be approved by your agency on a case by case basis. An agency determination and approval of use of a foreign air carrier based on a threat against a U.S. flag air carrier must be supported by a travel advisory notice issued by the Federal Aviation Administration and the Department of State. An agency determination and approval of use of a foreign air carrier based on a threat against Government employees or other travelers must be supported by evidence of the threat(s) that form the basis of the determination and approval; or

(3) When you cannot purchase a ticket in your authorized class of service on a U.S. flag air carrier, and a seat is available in your authorized class of service on a foreign air carrier.

§ 301–10.139 May I travel by a foreign air carrier if the cost of my ticket is less than traveling by a U.S. flag air carrier?

No. Foreign air carrier service may not be used solely based on the cost of your ticket.

§ 301–10.140 May I use a foreign air carrier if the service is preferred by or more convenient for my agency or me?

No. You must use U.S. flag air carrier service, unless you meet one of the exceptions in § 301–10.135, § 301–10.136, or § 301–10.137 or unless foreign air carrier service is deemed a matter of necessity under § 301–10.138.

§ 301–10.141 Must I provide any special certification or documents if I use a foreign air carrier?

Yes, you must provide a certification, as required in § 301–10.142 and any other documents required by your agency. Your agency cannot pay your foreign air carrier fare if you do not provide the required certification.

§ 301–10.142 What must the certification include?

The certification must include:

(a) Your name;
(b) The dates that you traveled;
(c) The origin and the destination of your travel;
(d) A detailed itinerary of your travel, name of the air carrier and flight number for each leg of the trip; and
(e) A statement explaining why you met one of the exceptions in § 301–10.135, § 301–10.136, or § 301–10.137 or a copy of your agency’s written approval that foreign air carrier service was deemed a matter of necessity in accordance with § 301–10.138.

§ 301–10.143 What is my liability if I improperly use a foreign air carrier?

You will not be reimbursed for any transportation cost for which you improperly use foreign air carrier service. If you are authorized by your agency to use U.S. flag air carrier service for your entire trip, and you improperly use a foreign air carrier for any part of or the entire trip (i.e., when not permitted under this regulation), your transportation cost on the foreign air carrier will not be payable by your agency. If your agency authorizes you to use U.S. flag air carrier service for part of your trip and foreign air carrier service for another part of your trip, and you improperly use a foreign air carrier (i.e., when neither authorized to do so nor otherwise permitted under this regulation), your agency will pay the transportation cost on the foreign air carrier for only the portion(s) of the trip for which you were authorized to use foreign air carrier service. The agency must establish internal procedures for denying reimbursement to travelers when use of a foreign air carrier was neither authorized nor otherwise permitted under this regulation.

§ 301–10.200  What types of Government vehicles may my agency authorize me to use?

You may be authorized to use:

(a) A Government automobile in accordance with § 301–10.220;

TRAVEL ON GOVERNMENT AIRCRAFT

§ 301–10.260  May I use a Government aircraft for travel?

You may use Government aircraft for travel only if you have authorization from an executive agency under the rules specified in this part (except with regard to travel under § 301–70.808 and § 301–70.910). Because the taxpayers should pay no more than necessary for your transportation, generally you may travel on Government aircraft only when a Government aircraft is the most cost-effective mode of travel.

§ 301–10.261  When may I use a Government aircraft for travel?

You may use Government aircraft—

(a) For official travel only when—

(1) No scheduled commercial airline service is reasonably available (i.e., able to meet your departure and/or arrival requirements within a 24-hour period, unless you demonstrate that extraordinary circumstances require a shorter period) to fulfill your agency’s travel requirement; or

(2) The cost of using a Government aircraft is less than the cost of the city-pair fare for scheduled commercial airline service or the cost of the lowest available full coach fare if a city-pair fare is not available to you. The cost of non-productive or lost work time while in travel status and certain other costs should be considered when comparing the cost of using a Government aircraft in lieu of scheduled commercial airline service. Additional information on costs included in this cost comparison may be found in the “U.S. Government Aircraft Cost Accounting Guide,” available from the General Services Administration, Office of Government-wide Policy, MTA, 1800 F Street, N.W., Washington, DC 20405.

Temporary Duty (TDY) Travel Allowances

§ 301–10.262 How will my agency authorize travel on Government aircraft?

Your agency will authorize your travel on Government aircraft as follows:

(a) Required use travelers. Your agency’s senior legal official or his/her principal deputy must authorize your required-use travel on a trip-by-trip basis, in advance, in writing, and in compliance with the agency’s written policies describing the special circumstances under which the agency will require a traveler to use Government aircraft, unless—

(1) You are an agency head and the President has determined that all your travel (or your travel in specified categories) qualifies as required-use travel; or

(2) You are not an agency head, and your agency head has determined in writing that all of your travel, or your travel in specified categories, qualifies as required-use travel. Such written explanation must state the specific basis for the determination.

NOTE TO § 301–10.262(a): In an emergency situation, prior verbal approval for required-use travel with an after-the-fact written authorization is permitted.

(b) Senior Federal officials. If you are a senior Federal official, your agency’s senior legal official or his/her principal deputy must authorize all your travel on Government aircraft in advance and in writing, except for required use travel authorized under paragraphs (a)(1) and (a)(2) of this section. In an emergency situation, prior verbal approval with an after-the-fact written authorization by your agency’s senior legal official is permitted. Senior Federal officials who are crewmembers or qualified non-crewmembers on a flight in which they are also traveling (i.e., being transported from point to point) are considered travelers and must be authorized to travel on Government aircraft according to this paragraph.

(c) Non-Federal travelers. If you are a non-Federal traveler, the senior legal official or his/her principal deputy in the agency sponsoring your travel must authorize you to fly on Government aircraft in advance and in writing. In an emergency situation, prior verbal approval with an after-the-fact written authorization by your sponsoring agency’s senior legal official is permitted.

(d) All other Federal travelers. Your designated travel-approving official (or anyone to whom he/she delegates this authority), who must be at least one organizational level above you, must authorize your travel on Government aircraft, in advance and in writing. Prior verbal approval with an after-the-fact written authorization by your agency’s designated travel approving official is permitted in an emergency situation. If you hold a blanket travel authorization for official travel that authorizes travel on Government aircraft, it must define the circumstances that must be met for using Government aircraft and must comply with this regulation and any additional agency policies. Travel on Government aircraft that does not meet the circumstances specified in the blanket travel authorization must be authorized on a trip-by-trip basis in accordance with this regulation and other applicable agency policies. Check with
your designated travel approving official for information on your agency’s policy.

§ 301–10.263 What travel authorization documents must I present to the aircraft management office that operates the Government aircraft?

You must present to the aircraft management office that operates the Government aircraft—

(a) A copy of your written travel authorization, including a blanket travel authorization, if applicable, approved in accordance with § 301–10.262; and

(b) Valid picture identification, such as a Government identification card or a state-issued driver’s license.

§ 301–10.264 What amount must the Government be reimbursed for travel on Government aircraft?

(a) No reimbursement is required for official travel on a Government aircraft.

(b) For personal travel on Government aircraft, reimbursement depends upon which of the following special cases applies:

(1) For any required use travel, you must reimburse the Government for the excess of the full coach fare for all flights taken over the full coach fare for the flights that you would have taken had you not engaged in personal activities during the trip, i.e., for a wholly personal trip, you must pay the full coach fare for the entire trip;

(2) For travel authorized under 10 U.S.C. 2648 and regulations implementing that statute, or when you or your dependents are stationed by the Government in a remote location with no access to regularly scheduled commercial airline service and are authorized to use Government aircraft, you do not have to reimburse the Government.

(c) For political travel on a Government aircraft (i.e., for any trip or part of a trip during which you engage in political activities), the Government must be reimbursed the excess of the full coach fare for all flights taken on the trip over the full coach fare for the

Note to § 301–10.264: Except for required use travel, any use of Government aircraft for personal or political activities shall not cause an increase in the actual costs to the Government of operating the aircraft.

§ 301–10.265 Will my travel on Government aircraft be reported?

Your travel on Government aircraft will not be reported unless you are a senior Federal official, or a non-Federal traveler. (Travel under 10 U.S.C. 2648 is not reported.) If you are a senior Federal official or a non-Federal traveler, any use you make of Government aircraft, i.e., as a passenger, crewmember, or qualified non-crewmember, will be reported to the General Services Administration (GSA) by the agency that owns or hires the Government aircraft. (Agencies must maintain information on classified trips, but do not report classified trips to GSA.)

§ 301–10.266 Is information available to the public about travel on Government aircraft by senior Federal officials and non-Federal travelers?

Yes, an agency that authorizes travel on Government aircraft and an agency that owns or hires Government aircraft must make records about travelers on those aircraft available to the public in response to written requests under the Freedom of Information Act (5 U.S.C. 552), except for portions exempt from disclosure under that Act (such as classified information).

§ 301–10.300 When may I use a POV for official travel?
When authorized by your agency.

§ 301–10.301 How do I compute my mileage reimbursement?
You compute mileage reimbursement by multiplying the distance traveled, determined under § 301–10.302 of this subpart by the applicable mileage rate.

§ 301–10.302 How do I determine distance measurements for my travel?

<table>
<thead>
<tr>
<th>If you travel by</th>
<th>The distance between your origin and destination is</th>

<tr>
<td>Privately owned automobile or privately owned motorcycle</td>
<td>As shown in paper or electronic standard highway mileage guides, or the actual miles driven as determined from odometer readings.</td>
</tr>
<tr>
<td>Privately owned aircraft</td>
<td>As determined from charts issued by the Federal Aviation Administration (FAA). You may include in your travel claim with an explanation any additional air mileage resulting from a detour necessary due to adverse weather, mechanical difficulty, or other unusual conditions. If a required deviation is such that airway mileage charts are not adequate to determine distance, you may use the formula of flight time multiplied by cruising speed of the aircraft to determine distance. You must convert nautical miles to statute or regular miles when submitting a claim (1 nautical mile equals 1.15077945 statute miles).</td>
</tr>
</tbody>
</table>

§ 301–10.303 What am I reimbursed when use of POV is determined by my agency to be advantageous to the Government?
You will be reimbursed an applicable mileage rate based on the type of POV you actually use (privately owned airplane, privately owned automobile, privately owned motorcycle). These rates will be published in an FTR bulletin and are also displayed on GSA’s Web site (http://www.gsa.gov/mileage).

§ 301–10.304 What expenses are allowable in addition to the POV mileage rate allowances?
Following is a chart listing the reimbursable and non-reimbursable expenses:

<table>
<thead>
<tr>
<th>Reimbursable expenses in addition to mileage allowance</th>
<th>Non-reimbursable expenses included in the mileage allowance</th>
</tr>
</thead>

<td>Charges for repairs, depreciation, replacements, grease, oil, antifreeze, towage and similar speculative expenses, gasoline, insurance, state and Federal taxes.</td>
</tr>
</tbody>
</table>

§ 301–10.305 How is reimbursement handled if another person(s) travels in a POV with me?
If another employee(s) travels with you on the same trip in the same POV, mileage is payable to only one of you. No deduction will be made from your mileage allowance if other passengers contribute to defraying your expenses.

§ 301–10.306 What will I be reimbursed if authorized to use a POV between my residence and office and then from my office to a common carrier terminal, or from my residence directly to a common carrier terminal?
If determined advantageous to the Government, you will be reimbursed on
§ 301–10.307

a mileage basis plus other allowable costs for round-trip travel on the beginning and/or ending of travel between the points involved.

§ 301–10.307 What will I be reimbursed if I use a POV to transport other employees?

Using a POV to transport other employees is strictly voluntary and you may be reimbursed in accordance with § 301–10.305.

§ 301–10.308 What will I be reimbursed if I park my POV at a common carrier terminal while I am away from my official station?

Your agency may reimburse your parking fee as an allowable transportation expense not to exceed the cost of taxi fare to/from the terminal.

§ 301–10.309 What will I be reimbursed if I am authorized to use common carrier transportation and I use a POV instead?

You will be reimbursed on a mileage basis, plus per diem, not to exceed the total constructive cost of the authorized method of common carrier transportation plus per diem. Your agency must determine the constructive cost of transportation and per diem by common carrier under the rules in § 301–10.310.

§ 301–10.310 What will I be reimbursed if I am authorized to use a Government owned automobile and I use a privately owned automobile instead?

You will be reimbursed based on a constructive mileage rate limited to the cost that would be incurred for use of a Government automobile. This rate will be published in an FTR bulletin available at http://www.gsa.gov/ftr. If your agency determines the cost of providing a GOA would be higher because of unusual circumstances, it may allow reimbursement not to exceed the mileage rate for a POA. In addition, you may be reimbursed other allowable expenses as provided in § 301–10.304.

Subpart A—General Rules

§ 301–11.1 When am I eligible for an allowance (per diem or actual expense)?

When:
(a) You perform official travel away from your official station, or other areas defined by your agency;
(b) You incur per diem expenses while performing official travel; and
(c) You are in a travel status for more than 12 hours.

§ 301–11.2 Will I be reimbursed for per diem expenses if my official travel is 12 hours or less?

No.

§ 301–11.3 Must my agency pay an allowance (either a per diem allowance or actual expense)?

Yes, unless:
(a) You perform travel to a training event under the Government Employees Training Act (5 U.S.C. 4101–4118), and you agree not to be paid per diem expenses; or
(b) You perform pre-employment interview travel, and the interviewing agency does not authorize payment of per diem expenses.

§ 301–11.4 May I be reimbursed actual expense and per diem on the same trip?

Yes, you may be reimbursed both actual expense and per diem during a single trip, but only one method of reimbursement may be authorized for any given calendar day except as provided in § 301–11.305 or § 301–11.306. Your agency must determine when the transition between the reimbursement methods occurs.

§ 301–11.5 How will my per diem expenses be reimbursed?

Per diem expenses will be reimbursed by the:
(a) Lodgings-plus per diem method;
(b) Reduced per diem method;
(c) Conference lodging allowance method (see §§ 301–74.7 and 301–74.22 of this chapter); or
(d) Actual expense method.

[F R Amdt. 89, 65 FR 1327, Jan. 10, 2000]

§ 301–11.6 Where do I find maximum per diem and actual expense rates?

Consult this table to find out where to access per diem rates for various types of Government travel:
§ 301–11.11 How do I select lodging and make lodging reservations?

(a) You must make your lodging reservations through your agency’s travel management service.

(b) You should always stay in a “fire safe” facility. This is a facility that meets the fire safety requirements of the Hotel and Motel Fire Safety Act of 1990 (the Act), as amended (see 5 U.S.C. 5707a).

(c) When selecting a commercial lodging facility, first consideration should be given to government lodging agreement programs such as FedRooms® (http://www.fedrooms.com). The advantages of obtaining lodging using the FedRooms® program are:

1. Lodging rates are set at or below per diem rates;
2. There are no add-on fees;
3. The room cancellation deadline is 4 p.m. (or later) on the day of arrival;
4. Most hotels offer last standard room availability rates;
5. There are no early departure fees; and
6. Rates are available using all booking channels (e.g., E-Gov Travel Service, Travel Management Service, and

§ 301–11.10 Am I required to record departure/arrival dates and times on my travel claim?

You must record the date of departure from, and arrival at, the official station or any other place travel begins or ends. You must show this same information for points where you perform TDY or for a stopover or official rest stop location when the arrival or departure affects your per diem allowance or other travel expenses. You also should show the dates for other points visited. You do not have to record departure/arrival times, but you must annotate your travel claim when your travel is more than 12 hours but not exceeding 24 hours to reflect that fact.

§ 301–11.9 When does per diem or actual expense entitlement start/stop?

Your per diem or actual expense entitlement starts on the day you depart your home, office, or other authorized point and ends on the day you return to your home, office or other authorized point.

§ 301–11.8 What is the maximum per diem rate I will receive if lodging is not available at my TDY location?

If lodging is not available at your TDY location, your agency may authorize or approve the maximum per diem rate for the location where lodging is obtained.

§ 301–11.7 What determines my maximum per diem reimbursement rate?

Your TDY location determines your maximum per diem reimbursement rate. If you arrive at your lodging location after 12 midnight, you claim lodging cost for the preceding calendar day. If no lodging is required, the applicable M&IE reimbursement rate is the rate for the TDY location. (See § 301–11.102.)

§ 301–11.6 What determines my maximum per diem reimbursement rate?

Your TDY location determines your maximum per diem reimbursement rate. If you arrive at your lodging location after 12 midnight, you claim lodging cost for the preceding calendar day. If no lodging is required, the applicable M&IE reimbursement rate is the rate for the TDY location. (See § 301–11.102.)
FedRooms® Web site, and hotel reservation call centers. The FedRooms® rate code (XVU) must be entered to get the program benefits.

NOTE TO §301–11.11: 5 U.S.C. 5707a does not apply to the District of Columbia government.

§ 301–11.12 How does the type of lodging I select affect my reimbursement?

Your agency will reimburse you for different types of lodging as follows:

(a) Conventional lodgings. (Hotel/motel, boarding house, etc.) You will be reimbursed the single occupancy rate.

(b) Government quarters. You will be reimbursed, as a lodging expense, the fee or service charge you pay for use of the quarters.

(c) Lodging with friend(s) or relative(s) (with or without charge). You may be reimbursed for additional costs your host incurs in accommodating you only if you are able to substantiate the costs and your agency determines them to be reasonable. You will not be reimbursed the cost of comparable conventional lodging in the area or a flat “token” amount.

(d) Nonconventional lodging. You may be reimbursed the cost of other types of lodging when there are no conventional lodging facilities in the area (e.g., in remote areas) or when conventional facilities are in short supply because of an influx of attendees at a special event (e.g., World’s Fair or international sporting event). Such lodging includes college dormitories or similar facilities or rooms not offered commercially but made available to the public by area residents in their homes.

(e) Recreational vehicle (trailer/camper). You may be reimbursed for expenses (parking fees, fees for connection, use, and disconnection of utilities, electricity, gas, water and sewage, bath or shower fees, and dumping fees) which may be considered as a lodging cost.

§ 301–11.13 How does sharing a room with another person affect my per diem reimbursement?

Your reimbursement is limited to one-half of the double occupancy rate if the person sharing the room is another Government employee on official travel. If the person sharing the room is not a Government employee on official travel, your reimbursement is limited to the single occupancy rate.

§ 301–11.14 How is my daily lodging rate computed when I rent lodging on a long-term basis?

When you obtain lodging on a long-term basis (e.g., weekly or monthly) your daily lodging rate is computed by dividing the total lodging cost by the number of days of occupancy for which you are entitled to per diem, provided the cost does not exceed the daily rate of conventional lodging. Otherwise the daily lodging cost is computed by dividing the total lodging cost by the number of days in the rental period. Reimbursement, including an appropriate amount for M&E, may not exceed the maximum daily per diem rate for the TDY location.

§ 301–11.15 What expenses may be considered part of the daily lodging cost when I rent on a long-term basis?

When you rent a room, apartment, house, or other lodging on a long-term basis (e.g., weekly, monthly), the following expenses may be considered part of the lodging cost:

(a) The rental cost for a furnished dwelling; if unfurnished, the rental cost of the dwelling and the rental cost of appropriate and necessary furniture and appliances (e.g., stove, refrigerator, chairs, tables, bed, sofa, television, or vacuum cleaner);

(b) Cost of connecting/disconnecting and using utilities;

(c) Cost of reasonable maid fees and cleaning charges;

(d) Monthly telephone use fee (does not include installation and long-distance calls); and,

(e) If ordinarily included in the price of a hotel/motel room in the area concerned, the cost of special user fees (e.g., cable TV charges and plug-in charges for automobile head bolt heaters).

§ 301–11.16 What reimbursement will I receive if I prepay my lodging expenses and my TDY is curtailed, canceled or interrupted for official purposes or for other reasons beyond my control that are acceptable to my agency?

If you sought to obtain a refund or otherwise took steps to minimize the cost, your agency may reimburse expenses that are not refundable, including a forfeited rental deposit.

§ 301–11.17 If my agency authorizes per diem reimbursement, will it reduce my M&IE allowance for a meal(s) provided by a common carrier or for a complimentary meal(s) provided by a hotel/motel?

No. A meal provided by a common carrier or a complimentary meal provided by a hotel/motel does not affect your per diem.

§ 301–11.18 What M&IE rate will I receive if a meal(s) is furnished by the Government or is included in the registration fee?

(a) Except as provided in § 301–11.17 or in paragraph (b) of this section, your M&IE allowance must be adjusted for meals furnished to you by the Government (including meals furnished under the authority of chapter 304 of this title) by deducting the appropriate amount shown in the chart in this section for travel within CONUS and the chart in appendix B of this chapter for meal deductions for OCONUS and foreign travel. The total amount of deductions made will not cause you to receive less than the amount allowed for incidental expenses.

(b) Your agency, at its discretion, may allow you to claim the full M&IE allowance if:

1. You are unable to consume the furnished meal(s) because of medical requirements or religious beliefs;
2. In accordance with administrative procedures prescribed by your agency, you requested specific approval to claim the full M&IE allowance prior to your travel;
3. In accordance with administrative procedures prescribed by your agency, you have made a reasonable effort to make alternative meal arrangements, but were unable to do so; and
4. You purchase substitute meals in order to satisfy your medical requirements or religious beliefs.

(c) In your agency’s discretion, and in accordance with administrative procedures prescribed by your agency, you may also claim the full M&IE allowance if you were unable to take part in a Government-furnished meal due to the conduct of official business.

§ 301–11.19 How is my per diem calculated when I travel across the international dateline (IDL)?

When you cross the IDL your actual elapsed travel time will be used to compute your per diem entitlement rather than calendar days.

§ 301–11.20 May my agency authorize a rest period for me while I am traveling?

(a) Your agency may authorize a rest period not in excess of 24 hours at either an intermediate point or at your destination if:

1. Either your origin or destination point is OCONUS;
2. Your scheduled flight time, including stopovers, exceeds 14 hours;
3. Travel is by a direct or usually traveled route; and
4. Travel is by coach-class.

(b) When a rest stop is authorized the applicable per diem rate is the rate for the rest stop location.

§ 301–11.21 Will I be reimbursed for per diem or actual expenses on leave or non-workdays (weekend, legal Federal Government holiday, or other scheduled non-workdays) while I am on official travel?

(a) In general, you will be reimbursed as long as your travel status requires your stay to include a non-workday, (e.g., if you are on travel through Friday and again starting Monday you will be reimbursed for Saturday and Sunday), however, your agency should determine the most cost effective situation (i.e., remaining in a travel status and paying per diem or actual expenses or permitting your return to your official station).

(b) Your agency will determine whether you will be reimbursed for non-workdays when you take leave immediately (e.g., Friday or Monday) before or after the non-workday(s).

NOTE TO §301–11.21: If emergency travel is involved due to an incapacitating illness or injury, the rules in part 301–30 of this chapter govern.

§ 301–11.22 Am I entitled to per diem or actual expense reimbursement if I am required to return to my official station on a non-workday?

If required by your agency to return to your official station on a non-workday, you will be reimbursed the amount allowable for return travel.

NOTE TO §301–11.22: If emergency travel is involved due to an incapacitating illness or injury, the rules in part 301–30 of this chapter govern.

§ 301–11.23 Are there any other circumstances when my agency may reimburse me to return home or to my official station for non-workdays during a TDY assignment?

Your agency may authorize per diem or actual expense and round-trip transportation expenses for periodic return travel on non-workdays to your home or official station under the following circumstances:

(a) The agency requires you to return to your official station to perform official business; or

(b) The agency will realize a substantial cost savings by returning you home; or

(c) Periodic return travel home is justified incident to an extended TDY assignment.

§ 301–11.24 What reimbursement will I receive if I voluntarily return home or to my official station on non-workdays during my TDY assignment?

If you voluntarily return home or to your official station on non-workdays during a TDY assignment, the maximum reimbursement for round trip transportation and per diem or actual expense is limited to what would have been allowed had you remained at the TDY location.

§ 301–11.25 Must I provide receipts to substantiate my claimed travel expenses?

Yes. You must provide a lodging receipt and a receipt for every authorized expense over $75, or provide a reason acceptable to your agency explaining why you are unable to furnish the necessary receipt(s) (see § 301–52.4 of this chapter).

NOTE TO §301–11.25: Hard copy receipts should be electronically scanned and submitted with your electronic travel claim when your agency has fully deployed ETS and notifies you that electronic scanning is available within your agency (see §301–50.3 of this chapter). You may submit a hard copy receipt, in accordance with your agency’s policies, to support a claimed travel expense only when electronic imaging is not available within your agency.

§ 301–11.26 How do I get a per diem rate increased?

If you travel to a location where the per diem rate is insufficient to meet necessary expenses, you may submit a request, containing pertinent lodging & meal cost data, through your agency asking that the location be surveyed. Depending on the location in question your agency may submit the survey request to:
§ 301–11.27 Are taxes included in the lodging portion of the Government per diem rate?

No. Lodging taxes paid by you are reimbursable as a miscellaneous travel expense limited to the taxes on reimbursable lodging costs. For example, if your agency authorizes you a maximum lodging rate of $50 per night, and you elect to stay at a hotel that costs $100 per night, you can only claim the amount of taxes on $50, which is the maximum authorized lodging amount. This section is effective January 1, 1999, for CONUS locations and effective January 1, 2000, for non-foreign areas. For foreign areas, lodging taxes have not been removed from foreign per diem rates established by the Department of State. Separate claims for lodging taxes incurred in foreign areas are not allowed.

§ 301–11.28 As a traveler on official business, am I required to pay applicable lodging taxes?

Yes, unless exempted by the State or local jurisdiction.

§ 301–11.29 Are lodging facilities required to accept a generic federal, state or local tax exempt certificate?

Exemptions from taxes for Federal travelers, and the forms required to claim them, vary from location to location. The GSA Per Diem Rates webpage (http://gsa.gov/perdiem) provides more information on State tax exemptions.

§ 301–11.30 What is my option if the Government lodging rate exceeds my lodging reimbursement?

You may request reimbursement on an actual expense basis, not to exceed 300 percent of the maximum per diem allowance. Approval of actual expenses is usually in advance of travel and at the discretion of your agency. (See §301–11.302.)

[FTR Amdt. 75, 63 FR 66675, Dec. 2, 1998]

§ 301–11.31 Are laundry, cleaning and pressing of clothing expenses reimbursable?

Yes. The expenses incurred for laundry, cleaning and pressing of clothing at a TDY location are reimbursable as a miscellaneous travel expense. However, you must incur a minimum of 4 consecutive nights lodging on official travel to qualify for this reimbursement. Laundry and dry cleaning expenses have not been removed from foreign per diem rates established by the Department of State, or from non-foreign area per diem rates established by the Department of Defense. Separate claims for laundry and dry cleaning expenses incurred in foreign areas and non-foreign areas are not allowed.

§ 301–11.32 May I be reimbursed for an advance room deposit in situations where a lodging facility requires the payment of a deposit, prior to the beginning of my scheduled official travel?

Yes, your agency may reimburse you for an advance room deposit, when such a deposit is required by the lodging facility to secure a room reservation, prior to the beginning of your scheduled official travel. However, if you are reimbursed the advance room
§ 301–11.100 What will I be paid for lodging under Lodgings-plus per diem?

When travel is more than 12 hours and overnight lodging is required you are reimbursed your actual lodging cost not to exceed the maximum lodging rate for the TDY location or stopover point.

§ 301–11.101 What allowance will I be paid for M&IE?

(a) Except as provided in paragraph (b) of this section, your allowance is as shown in the following table:

<table>
<thead>
<tr>
<th>When travel is</th>
<th>Your allowance is</th>

Subpart C—Reduced Per Diem

§ 301–11.200 Under what circumstances may my agency prescribe a reduced per diem rate lower than the prescribed maximum?

Under the following circumstances:

(a) When your agency can determine in advance that lodging and/or meal costs will be lower than the per diem rate; and

When:
Temporary Duty (TDY) Travel Allowances

§ 301–11.502

(a) Lodging and/or meals are procured at a prearranged place such as a hotel where a meeting, conference or training session is held;
(b) Costs have escalated because of special events (e.g., missile launching periods, sporting events, World’s Fair, conventions, natural disasters); lodging and meal expenses within prescribed allowances cannot be obtained nearby; and costs to commute to/from the nearby location consume most or all of the savings achieved from occupying less expensive lodging;
(c) Because of mission requirements; or
(d) Any other reason approved within your agency.

§ 301–11.301 Who in my agency can authorize/approve my request for actual expense?
Any official designated by the head of your agency.

§ 301–11.302 When should I request authorization for reimbursement under actual expense?
Request for authorization for reimbursement under actual expense should be made in advance of travel. However, subject to your agency’s policy, after the fact approvals may be granted when supported by an explanation acceptable to your agency.

§ 301–11.303 What is the maximum amount that I may be reimbursed under actual expense?
The maximum amount that you may be reimbursed under actual expense is limited to 300 percent (rounded to the next higher dollar) of the applicable maximum per diem rate. However, subject to your agency’s policy, a lesser amount may be authorized.

§ 301–11.304 What if my expenses are less than the authorized amount?
When authorized actual expense and your expenses are less than the locality per diem rate or the authorized amount, reimbursement is limited to the expenses incurred.

§ 301–11.305 What if my actual expenses exceed the 300 percent ceiling?
Your reimbursement is limited to the 300 percent ceiling. There is no authority to exceed this ceiling.

§ 301–11.306 What expenses am I required to itemize under actual expense?
You must itemize all expenses, including meals, (each meal must be itemized separately) for which you will be reimbursed under actual expense. However, expenses that do not accrue daily (e.g., laundry, dry cleaning, etc.) may be averaged over the number of days your agency authorizes/approves actual expenses. Receipts are required for lodging, regardless of amount and any individual meal when the cost exceeds $75. Your agency may require receipts for other allowable per diem expenses, but it must inform you of this requirement in advance of travel. When your agency limits M&E reimbursement to either the prescribed maximum M&E rate for the locality concerned or a reduced M&E rate, it may or may not require M&E itemization at its discretion.

SUBCHAPTER C—ARRANGING FOR TRAVEL SERVICES, PAYING TRAVEL EXPENSES, AND CLAIMING REIMBURSEMENT

301–50.3 Must I use the ETS or TMS to arrange my travel?

Yes, if you are an employee of an agency as defined in §301–11 of this chapter, you must use the E-Gov Travel Service when your agency makes it available to you. Until then, you must use your agency’s existing Travel Management Service (TMS) to make your travel arrangements. If you are an employee of the Department of Defense (DoD) or of the Government of the District of Columbia, you must arrange your travel in accordance with your agency’s TMS. Your agency may grant an exception to required use of TMS/ETS under §301–50.4, §301–73.102, or §301–73.104 of this chapter.

301–50.4 May I be granted an exception to the required use of TMS or ETS once my agency has fully deployed ETS?

Yes, your agency head or his/her designee may grant an individual case exception to required use of your agency’s current TMS or to required use of ETS once your agency has fully deployed ETS, but only when your travel meets one of the following conditions:

(b) Such use would compromise a national security interest.

(c) Such use might endanger your life (e.g., you are traveling under the Federal witness protection program, or you are a threatened law enforcement/investigative officer traveling under part 301–31 of this chapter).

301–50.5 What is my liability if I do not use my agency’s TMS or the E-Gov Travel Service, and an exception has not been approved?

If you do not have an approved exception under §301–50.4 or §301–73.104 of this chapter, you are responsible for any additional costs resulting from the failure to use the TMS or E-Gov Travel Service, including service fees, cancellation penalties, or other additional costs (e.g., higher airfares, rental car charges, or hotel rates). In addition,
§ 301–50.6 What is an “online self-service booking tool?”

An online self-service booking tool is an Internet based system that permits travelers to make their own reservations for transportation (e.g., air, rail, and car rental) and lodging. ETS and some agency TMS’s incorporate a self service booking tool.

§ 301–50.7 Should I use the online self-service booking tool once ETS is available within my agency?

Yes, you should use the online self-service booking tool offered by ETS or your agency’s TMS until ETS becomes available to you.

NOTE TO SECTION 301–50.7: Some extenuating circumstances for which you may not be able to use online self-service booking are (1) when you are attending a conference where the conference sponsor has negotiated with one or more lodging facilities to set aside a specific number of rooms for conference attendees and to ensure that a set aside room is available to you, you are required to book lodging directly with the lodging facility, (2) when your travel is to a remote location and it is not possible to book lodging accommodations through the TMS or ETS, or (3) when such travel arrangements are so complex and circumstance will not allow you to book your travel through an online self-service booking tool.

§ 301–51.2 What official travel expenses and/or classes of employees are exempt from the mandatory use of the Government contractor-issued travel charge card?

The Administrator of General Services exempts the following from the mandatory use of the Government contractor-issued travel charge card:

(g) Meals (when use of the card is impractical, e.g., group meals or the Government contractor-issued travel charge card is not accepted);
(h) Phone calls (when a Government calling card is available for use in accordance with agency policy);
(i) An employee who has an application pending for the travel charge card;
(j) Individuals traveling on invitational travel;
(k) New appointees;
(l) Relocation allowances prescribed in chapter 302 of this title, except en route travel and househunting trip expenses; and
(m) Employees who travel 5 times or less a year. Even though exempt, agencies have the discretion to issue a travel charge card to such an employee.

§ 301–51.3 Who in my agency has the authority to grant exemptions from the mandatory use of the Government contractor-issued travel charge card?

§ 301–51.4 If my agency grants an exemption, does that prevent me from using the card on a voluntary basis?

§ 301–51.5 How may I pay for official travel expenses if I receive an exemption from use of the Government contractor-issued travel charge card?

If you receive an exemption from use of the Government contractor-issued travel charge card, your agency may authorize one or a combination of the following methods of payment:

§ 301–51.202 When must I account for my advance?

You must file a travel claim which accounts for your advance after completion of your assignment, in accordance with your agency’s policy. If you are in a continuous travel status (e.g., an auditor or inspector) or if you submit periodic reimbursement vouchers on an individual trip authorization, your agency may reimburse you the full amount of your travel expenses without any deduction of your advance until such time as you file a final voucher. (3) When you are authorized a reduced per diem, you must state the reduced rate your agency authorizes on a daily basis; and

As soon as your agency fully deploys the E-Gov Travel Service (ETS), you must use the ETS to file all your travel claims. (Agencies are required to fully deploy the ETS no later than September 30, 2006.) Until that time, you must file your travel claim in the format prescribed by your agency. If the prescribed travel claim is hardcopy, the claim must be signed in ink. Any alterations or erasures to your hardcopy travel claim must be initialed. If your agency has electronic processing, use your electronic signature where required.

§ 301–52.4 What must I provide with my travel claim?

You must provide:

(a) Evidence of your necessary travel authorizations including any necessary special authorizations;

(b) Receipts for:

(b) Every 30 days if you are on continuous travel status.

§ 301–52.8 May my agency disallow payment of a claimed item?

§ 301–52.10 May I challenge my agency’s disallowance of my claim?

Yes, you may request reconsideration of your claim if you have additional facts or documentation to support your request for reconsideration.
§ 301–52.11 What must I do to challenge a disallowed claim?

(f) Follow your agency’s procedures for challenging disallowed claims.
(g) If after reconsideration by your agency your claim is still denied, you may submit your claim for adjudication to the GSA Board of Contract Appeals in accordance with 48 CFR part 6104.

Your agency must reimburse you within 30 calendar days after you submit a proper travel claim to your agency’s designated approving office. Your agency must ensure that it uses a satisfactory recordkeeping system to track submission of travel claims. For example, travel claims submitted by mail, in accordance with your agency’s policy, could be annotated with the time and date of receipt by your agency. Your agency could consider travel claims electronically submitted to the designated approving office as submitted on the date indicated on an e-mail log, or on the next business day if submitted after normal working hours. However, claims for the following relocation allowances are exempt from this provision:

Your agency must notify you as soon as practicable after you submit your travel claim of any error that would prevent payment within 30 calendar days after submission and must provide the reason(s) why your travel claim is not proper. However, not later than May 1, 2002, agencies must achieve a maximum time period of seven working days for notifying you that your travel claim is not proper.

[FTR Amdt. 92, 65 FR 21366, Apr. 21, 2000]

§ 301–52.19 Will I receive a late payment fee if my agency fails to reimburse me within 30 calendar days after I submit a proper travel claim?

§ 301–52.20 How are late payment fees calculated?

Your agency must either:
(a) Calculate late payment fees using the prevailing Prompt Payment Act Interest Rate beginning on the 31st day after submission of a proper travel claim and ending on the date on which payment is made; or
(b) Reimburse you a flat fee of not less than the prompt payment amount, based on an agencywide average of travel claim payments; and
(c) In addition to the fee required by paragraphs (a) and (b) of this section, your agency must also pay you an amount equivalent to any late payment charge that the card contractor would have been able to charge you had you not paid the bill.

[FTR Amdt. 92, 65 FR 21366, Apr. 21, 2000]

§ 301–52.21 Is there a minimum amount the late payment fee must exceed before my agency will pay it to me?

Yes, a late payment fee will only be paid when the computed late payment fee is $1.00 or greater.

§ 301–52.22 Will any late payment fees I receive be reported as wages on a Form W-2?

No, the Internal Revenue Service (IRS) has determined that the late payment fee is in the nature of interest (compensation for the use of money). Your agency will report payments in accordance with IRS guidelines.

[FTR Amdt. 90, 65 FR 3056, J an. 19, 2000]

§ 301–52.23 Is the additional fee, which is equal to any late payment charge that the card contractor would have been able to charge had I not paid the bill, considered income?

§ 301–53.2 What may I do with promotional benefits or materials I receive from a travel service provider?

Any promotional benefits or materials received from a travel service provider in connection with official travel may be retained for personal use, if such items are obtained under the same conditions as those offered to the general public and at no additional cost to the Government.

N O T E T O § 301–53.2: Promotional benefits or materials you receive from a travel service provider in connection with your planning and/or scheduling an official conference or other group travel (as opposed to performing official travel yourself) are considered property of the Government, and you may only accept the benefits or materials on behalf of the Federal Government (see §301–74.1(d) of this chapter).

Promotional materials and frequent traveler benefits may be used as follows:

§ 301–53.6 Is a denied boarding benefit considered a promotional item for which I may retain compensation received from an airline whether voluntary or involuntary?

§ 301–70.1 How must we administer the authorization and payment of travel expenses?

When administering the authorization and payment of travel expenses, you—

(a) Must limit the authorization and payment of travel expenses to travel that is necessary to accomplish your mission in the most economical and effective manner, under rules stated throughout this chapter;

(b) Should give consideration to budget constraints, adherence to travel policies, and reasonableness of expenses;

(c) Should always consider alternatives, including teleconferencing, prior to authorizing travel; and

(d) Must require employees to use the ETS to process travel authorizations and claims for travel expenses once you migrate to the ETS, but no later than September 30, 2006, unless an exception has been granted under § 301–73.102 or § 301–73.104 of this chapter.

Subpart B—Policies and Procedures Relating to Transportation

§ 301–70.100 How must we administer the authorization and payment of transportation expenses?

You must:

(a) Limit authorization and payment of transportation expenses to those expenses that result in the greatest advantage to the Government;

(b) Ensure that travel is by the most expeditious means practicable.

§ 301–70.101 What factors must we consider in determining which method of transportation results in the greatest advantage to the Government?

In selecting a particular method of transportation you must consider:

(a) The total cost to the Government, including per diem, overtime, lost worktime, actual transportation cost, total distance of travel, number of points visited, the number of travelers and energy conservation. As stated in 5 U.S.C. 5733, “travel of an employee shall be by the most expeditious means of transportation practicable and shall be commensurate with the nature and purpose of the duties of the employee requiring such travel.”

(b) Travel by common carrier (air, rail, bus) is considered the most advantageous method to perform official travel. Other methods of transportation may be authorized as advantageous only when the use of common carrier transportation would interfere with the performance of official business or impose an undue hardship upon the traveler, or when the total cost by common carrier exceeds the cost by another method of transportation. A determination that another method of transportation is more advantageous to the Government than common carrier will not be made on the basis of personal preference or inconvenience to the traveler.

§ 301–70.102 What governing policies must we establish for authorization and payment of transportation expenses?

You must establish policies and procedures governing:

(a) Who will determine what method of transportation is more advantageous to the Government;

(b) Who will approve any of the following:

(1) Use of other than coach-class transportation accommodations for air and rail under §§ 301–10.123 and 301–10.162, and lowest first-class accommodations for ship under § 301–10.183 of this chapter.

(2) Use of a special-reduced fare or reduced group or charter fare;

(3) Use of an extra-fare train service under § 301–10.164;

(4) Use of ship service;

(5) Use of a foreign ship;

(6) Use of a foreign air carrier;

(c) When you will:

(1) Require the use of a Government vehicle;

(2) Allow the use of a Government vehicle;

(3) Prohibit the use of a Government vehicle; and

(4) When you will consider use of a POV advantageous to the Government,
such as travel to/from common carrier terminals, or transportation to a TDY location;

(e) Procedures for claiming POV reimbursement;

(f) When you will allow use of a special conveyance (e.g., commercially rented vehicles);

(g) What procedures an employee must follow when he/she travels by an indirect route or interrupts travel by a direct route;

(h) Whether to reimburse the full amount of transportation costs and in conjunction with TDY or only the amount by which transportation costs exceed the employee’s normal costs for transportation between:

(1) Office or duty point and another place of business;

(2) Places of business; or

(3) Residence and place of business other than office or duty point;

(i) Develop and issue internal guidance on what specific mission criteria justify approval of the use of other than coach-class transportation under §§301–10.123(a)(4), 301–10.123(b)(9), and 301–10.162(e) or the use of other than lowest first-class under §301–10.183(d). The justification criteria shall be entered in the remarks section of the traveler’s travel authorization;

(j) Develop and publish internal guidance regarding what constitutes a rest period upon arrival at a temporary duty location; and

(k) Develop and publish internal guidance regarding Seating Upgrade Programs in coach-class (see §301–10.124).

Subpart C—Policies and Procedures Relating to Per Diem Expenses

§301–70.103 In what circumstance may we authorize use of ship service?

Travel by ship is not generally regarded as advantageous. You must determine that the advantages accruing from the use of ocean transportation offset the higher costs associated with ship travel, i.e., per diem, transportation, and lost worktime.

§301–70.104 What factors should we consider in determining whether to require an employee to commit to the use of a Government automobile?

You should consider:

(a) The advantages of using a Government automobile. Such advantages may include, but are not limited to:

(1) Full utilization or availability of fleet vehicles;

(2) Lower cost;

(3) Official presence.

(b) The type of travel the employee performs. You should require such a commitment when an employee or group of employees requires the use of an automobile for official travel on a frequent or repetitive basis.

§301–70.105 May we prohibit an employee from using a POV on official travel?

No, but if the employee elects to use a POV instead of an alternative form of transportation you authorize, you must:

(a) Limit reimbursement to the constructive cost of the authorized method of transportation, which is the sum of per diem and transportation expenses the employee would reasonably have incurred when traveling by the authorized method of transportation; and

(b) Charge leave for any duty hours that are missed as a result of travel by POV.
§ 301–70.300
(e) Who will determine in what instances you will pay a reduced per diem rate;
(f) Who will determine, and in what instances, actual expenses are appropriate in each individual case; and
(g) Who will determine, and in what instances, an employee will be able to claim the full M&IE allowance even though meals are furnished to the employee by the Government, in accordance with §§ 301–11.18(b) and 301–11.18(c).

Subpart D—Policies and Procedures Relating to Miscellaneous Expenses

§ 301–70.300 How should we administer the authorization and payment of miscellaneous expenses?
You should limit payment of miscellaneous expenses to only those expenses that are necessary and in the interest of the Government.

§ 301–70.301 What governing policies must we establish for payment of miscellaneous expenses?
You must establish policies and procedures governing:
(a) Who will determine when excess baggage is necessary for official travel;
(b) When you will pay for communications services, including whether you will pay for a telephone call to the employee’s home or place where the employee’s dependent children are;
(c) Who will determine if other miscellaneous expenses are appropriate for reimbursement in connection with official travel.

Subpart E—Policies and Procedures Relating to Travel of an Employee with a Disability or Special Need

§ 301–70.400 How should we authorize and administer the payment of additional travel expenses for an employee with a disability or special need?
You should authorize and administer the payment to reasonably accommodate employee(s) with disabilities in accordance with the Rehabilitation Act of 1973, as amended (29 U.S.C. 701–796) and 5 U.S.C. 3102 and part 301–13 of this chapter. An employee with a special need should be treated the same as an employee with a disability. You must determine that additional travel expenses are necessary to accommodate the employee’s needs.

[FTR Amdt. 2006–03, 71 FR 24597, Apr. 26, 2006]

§ 301–70.401 What governing policies and procedures must we establish regarding travel of an employee with a disability or special need?
You must establish the policies and procedures governing:
(a) Who will determine if an employee has a disability or special need which requires accommodation, including when documentation is necessary under §§ 301–10.123, 301–10.124, 301–10.162, and 301–10.183, and when a determination may be based on a clearly visible physical condition; and
(b) Who will determine how to reasonably accommodate the employee and what expenses you will pay.

Subpart F—Policies and Procedures for Emergency Travel of Employee Due to Illness or Injury

§ 301–70.500 What governing policies and procedures should we establish relating to emergency travel?
Each agency must determine:
(a) When you will authorize emergency travel under part 301–30;
(b) Who will determine if the employee’s situation warrants payment for emergency travel expenses;
(c) When and by whom travel to an alternate location other than official station or point of interruption will be authorized; and
(d) Who will determine when and if the definition of family may be extended and to whom.

§ 301–70.501 Does per diem continue when an employee interrupts a travel assignment because of an incapacitating illness or injury?
Yes, when an employee interrupts a travel assignment because of an incapacitating illness or injury and takes leave (annual or sick), per diem will be
Temporary Duty (TDY) Travel Allowances

§ 301–70.506

allowed, not to exceed the maximum rate for the location where the interruption occurs, for a reasonable period, normally not to exceed 14 calendar days (including fractional days) for any one period of absence. You may approve a longer period if justified.

§ 301–70.502 Are there any limitations to the payment of these expenses?

Yes, there are limitations to the payment of these expenses. Per diem is not payable, or if paid, must be collected from the employee when—

(a) The employee is confined to a hospital or medical facility that is within the proximity of the official station or that is the same one the employee would have been admitted to if the illness or injury had occurred while at the official station; and/or

(b) The Government provides or reim burses the employee for hospitalization under any Federal statute (including hospitalization in a Department of Veterans Affairs (VA) medical center or military hospital) other than 5 U.S.C. 8901–8913 (Federal Employees Health Benefits program).

§ 301–70.503 What additional emergency expenses should we allow?

When an employee discontinues a TDY assignment before its completion due to an incapacitating illness or injury, you may pay—

(a) Transportation and per diem expenses for travel to an alternate location to receive medical treatment;

(b) Transportation and per diem expenses to return to the official station; and

(c) Transportation costs of a medically necessary attendant.

§ 301–70.504 When the employee is able to travel, should we continue the use of the existing travel authorization?

Not if the interrupted trip was authorized under a trip by trip authorization. If, when the employee’s health has been restored, the agency decides that it is in the Government’s interest to return the employee to the TDY location, such return is considered to be a new travel assignment at Government expense. An interrupted trip authorized under an open or limited open authorization may be continued without further authorization.

§ 301–70.505 May any travel costs be reimbursed if the employee travels to an alternate location for medical treatment?

Yes. When an employee interrupts a TDY assignment because of an incapacitating illness or injury and takes leave of absence for travel to an alternate location to obtain medical services and returns to the TDY assignment, you may reimburse certain excess travel costs provided in this section. Specifically, you may reimburse the excess (if any) of actual costs of travel from the point of interruption to the alternate location and return to the TDY assignment, over the constructive costs of round-trip travel between the official station and the alternate location. The nearest hospital or medical facility capable of treating the employee’s illness or injury will not, however, be considered an alternate location.

NOTE TO § 301–70.505: An alternate location is a destination other than the employee’s official station or the point of interruption.

§ 301–70.506 How do we define actual cost and constructive cost when an employee interrupts a travel assignment because of an incapacitating illness or injury?

(a) Actual cost of travel will be the transportation expenses incurred and en route per diem for the travel as actually performed from the point of interruption to the alternate location and from the alternate location to the TDY assignment. No per diem is allowed for time spent at the alternate location if confined to a medical facility.
§ 301–70.507 Constructive cost is the sum of transportation expenses the employee would reasonably have incurred for round-trip travel between the official station and the alternate location plus per diem calculated for the appropriate en route travel time.

§ 301–70.507 May we authorize per diem if an employee discontinues a TDY assignment because of a personal emergency situation?

Yes. Expenses of appropriate transportation and per diem while en route may be allowed, with the approval of an appropriate agency official, for return travel from the point of interruption to the official station.

§ 301–70.508 How do we handle reimbursement if the employee travels to an alternate location and returns to the TDY location because of a personal emergency situation?

You may reimburse certain excess travel costs (transportation and en route per diem) to the same extent as provided in § 301–70.501 for incapacitating illness or injury to the employee.

§ 301–70.509 What factors must we consider in expanding the definition of family for emergency travel purposes?

Agencies must consider on a case by case basis:
(a) The extent of the emergency;
(b) The employee’s relationship to the individual involved in the emergency; and
(c) The degree of the employee’s responsibility for the individual involved in the emergency.

Subpart G—Policies and Procedures Relating to Threatened Law Enforcement/Investigative Employees

§ 301–70.600 What governing policies and procedures must we establish related to threatened law enforcement/investigative employees?

You must establish policies and procedures governing:
(a) When you will pay transportation and subsistence expenses of threatened law enforcement/investigative employees, under part 301–31 of this chapter;
(b) Who will determine the degree and seriousness of threat in each individual case;
(c) Who will determine what protective action should be taken, including the location and duration of temporary lodging;
(d) Who will reevaluate the situation to determine whether protective action should be continued or discontinued and how often;
(e) What procedures must be followed to obtain authorization of transportation and subsistence expenses for threatened law enforcement/investigative employees; and
(f) What special procedures must an employee follow to claim expenses.

§ 301–70.601 What factors should we consider in determining whether to authorize payment of transportation and subsistence expenses for threatened law enforcement/investigative employees?

You should consider:
(a) The degree and seriousness of the threat. You should pay transportation and subsistence expenses only if a situation poses a legitimate serious threat to life.
(b) The option of relocating the employee. You should consider whether relocating the employee permanently would be advantageous given the specific nature of the threat, the continued disruption of the family, and the alternative costs of a change of official station.
Temporary Duty (TDY) Travel Allowances

§ 301–70.602 How often must we reevaluate the payment of transportation and subsistence expenses to a threatened law enforcement/investigative employee?

You must reevaluate the situation every 30 days based on the same factors you considered when you first authorized the payment of the expenses.

Subpart H—Policies and Procedures Relating to Mandatory Use of the Government Contractor-Issued Travel Charge Card for Official Travel

SOURCE: FTR Amdt. 90, 65 FR 3056, Jan. 19, 2000, unless otherwise noted.

§ 301–70.700 Must our employees use a Government contractor-issued travel charge card for official travel expenses?

Yes, your employees must use a Government contractor-issued travel charge card for official travel expenses unless:

(a) A vendor does not accept the travel charge card;
(b) The Administrator of General Services has granted an exemption (see § 301–70.704); or
(c) Your agency head or his/her designee has granted an exemption.

§ 301–70.701 Who has the authority to grant exemptions to mandatory use of Government contractor-issued travel charge card for official travel?

(a) The Administrator of General Services will exempt any payment, person, type or class of payments, or type or class of personnel in any case in which—

(1) It is in the best interest of the United States to do so;
(2) Payment through a travel charge card is impractical or imposes unreasonable burdens or costs on Federal employees or Federal agencies; or
(3) The Secretary of Defense or the Secretary of Homeland Security (for the Coast Guard) requests an exemption for the members of their uniformed services.

(b) The head of a Federal agency or his/her designee(s) may exempt any payment, person, type or class of payments, or type or class of agency personnel if the exemption is determined to be necessary in the interest of the agency.

§ 301–70.702 Must we notify the Administrator of General Services when we grant an exemption?

Yes, you must notify the Administrator of General Services (Attention: MTT), 1800 F Street, NW, Washington, DC 20405, in writing within 30 days after granting the exemption, stating the reasons for the exemption.

§ 301–70.703 If we grant an exemption, does that prevent the employee from using the card on a voluntary basis?

No, an exemption from use would not prevent the employee from using the Government contractor-issued travel charge card for official travel expenses on a voluntary basis in accordance with your policies.

§ 301–70.704 What expenses and/or classes of employees are exempt from the mandatory use of the Government contractor-issued travel charge card?

The Administrator of General Services exempts the following from the mandatory use of the Government contractor-issued travel charge card:

(a) Expenses incurred at a vendor that does not accept the Government contractor-issued travel charge card;
(b) Laundry/dry cleaning;
(c) Parking;
(d) Transit system at a TDY location;
(e) Taxi;
(f) Tips;
(g) Meals (only when use of the card is impractical, i.e., group meals or the Government contractor-issued travel charge card is not accepted);
(h) Phone calls (when a Government calling card is available for use in accordance with agency policy);
(i) An employee who has an application pending for the travel charge card;
(j) Individuals traveling on invitational travel; and
(k) New appointees.
§ 301–70.705 What methods of payment for official travel expenses may we authorize when an exemption from use of the Government contractor-issued travel charge card is granted?

When you grant an exemption from use of the Government contractor-issued travel charge card, you may authorize one or a combination of the following methods of payment:

(a) Personal funds, including cash or personal charge card;
(b) Travel advances; or
(c) Government Transportation Request (GTR).

NOTE TO § 301–70.705: City pair contractors are not required to accept payment by the methods in paragraph (a) or (b) of this section.

§ 301–70.706 For what purposes may an employee use the Government contractor-issued travel charge card while on official travel?

An employee is required to use the Government contractor-issued travel charge card for expenses directly related to official travel.

[FTR Amdt. 2010–02, 75 FR 24436, May 5, 2010]

§ 301–70.707 May an employee use the Government contractor-issued travel charge card for personal use while on official travel?

No, an employee may not use the Government contractor-issued travel charge card for personal use while on official travel.

[FTR Amdt. 2010–02, 75 FR 24436, May 5, 2010]

§ 301–70.708 What actions may we take if an employee misuses the Government contractor-issued travel charge card while on official travel?

You may take appropriate disciplinary action if an employee misuses the Government contractor-issued travel charge card. Internal agency policies and procedures should define what the agency considers to be misuses of the travel charge card.

[FTR Amdt. 2010–02, 75 FR 24436, May 5, 2010]

§ 301–70.709 What can we do to reduce travel charge card delinquencies?

To reduce travel charge card delinquencies by your employees, you should consider implementing one or more of the following suggestions (this list is not comprehensive; you may adopt other appropriate procedures):

(a) Agency travel program coordinators must be trained and aware of their responsibilities and the delinquency management tools available under your agreement with the travel charge card contractor (internet training is available for the GSA SmartPay(TM) Travel Charge Card at: http://www.gsa.gov/traveltraining.

(b) Ensure that managers and supervisors are provided monthly delinquency and questionable charges report.

(c) Periodically, but at least once a year, verify that cardholders are still current employees.

(d) For inactive accounts (cards not used within 6 months, one year, etc., reduce card limit to $1, increase dollar limit when necessary.

(e) Work with the charge card contractor to block certain high-risk category codes (e.g., department stores, automobile dealerships, specialty stores), etc.

(f) Review ATM cash withdrawals for reasonableness and association with official travel.

(g) Implement a salary offset program. (See part 301–76 of this chapter).

(h) Implement split disbursement in your travel vouchering system, so that an employee may authorize you to make certain payments directly to the charge card contractor on the employee’s behalf.

(i) Refer potential fraud cases to your agency IG for investigation.

(j) For some helpful do’s and don’ts for travel cardholders, see GSA publication (Card-F 001) entitled “Helpful Hints for Travel Cardholders”. Temporary Duty (TDY) Travel Allowances

§ 301–70.802 Must we ensure that travel on Government aircraft is the most cost-effective alternative?

(a) Yes, you must ensure that travel on a Government aircraft is the most cost-effective alternative that will meet the travel requirement. Your designated travel approving official must—

(1) Compare the cost of all travel alternatives, as applicable, that is—

(i) Travel on a scheduled commercial airline;

(ii) Travel on a Federal aircraft;

(iii) Travel on a Government aircraft hired as a commercial aviation service (CAS); and

(iv) Travel by other available modes of transportation; and

(2) Approve only the most cost-effective alternative that meets your agency's needs.

(b) For required-use travel, i.e., when the traveler is authorized to use Government aircraft because of bona fide communications needs (e.g., 24-hour secure communications are required) or security reasons (e.g., highly unusual circumstances that present a clear and present danger to the traveler) or exceptional scheduling requirements (e.g., a national emergency or other compelling operational considerations). Required-use travel may include travel for official, personal, or political purposes, but must be approved in accordance with §§ 301-10.262(a) and 301-70.803(a).

(c) For space available travel when—

(1) The aircraft is already scheduled for use for an official purpose and carrying an official traveler(s) on the aircraft does not cause the need for a larger aircraft or result in more than minor additional cost to the Government; or

(2) The Federal traveler or the dependent of a Federal traveler is stationed by the Government in a remote location not accessible to commercial airline service; or

(3) The traveler is authorized to travel space available under 10 U.S.C. 2648 and regulations implementing that statute.

Subpart I—Policies and Procedures for Agencies That Authorize Travel on Government Aircraft

§ 301–70.800 Whom may we authorize to travel on Government aircraft?

You may authorize Federal travelers, non-Federal travelers, and any other passengers, as defined in part 300–3 of this subtitle, to travel on Government aircraft, subject to the rules in this subpart. Because the taxpayers generally should pay no more than necessary for transportation of travelers, except for required use travel, you may authorize travel on Government aircraft only when a Government aircraft is the most cost-effective mode of travel and the traveler is traveling for Governmental purposes.

§ 301–70.801 When may we authorize travel on Government aircraft?

You may authorize travel on Government aircraft only as follows:

(a) For official travel when—

(1) No scheduled commercial airline service is reasonably available to fulfill your agency's travel requirement (i.e., able to meet the traveler's departure and/or arrival requirements within a 24-hour period, unless you demonstrate that extraordinary circumstances require a shorter period); or

(2) The cost of using a Government aircraft is not more than the cost of the city-pair fare for scheduled commercial airline service or the cost of the lowest available full coach fare if a city-pair fare is not available to the traveler.

(b) For required-use travel, i.e., when the traveler is authorized to use Government aircraft because of bona fide communications needs (e.g., 24-hour secure communications are required) or security reasons (e.g., highly unusual circumstances that present a clear and present danger to the traveler) or exceptional scheduling requirements (e.g., a national emergency or other compelling operational considerations). Required-use travel may include travel for official, personal, or political purposes, but must be approved in accordance with §§ 301-10.262(a) and 301-70.803(a).

(c) For space available travel when—

(1) The aircraft is already scheduled for use for an official purpose and carrying an official traveler(s) on the aircraft does not cause the need for a larger aircraft or result in more than minor additional cost to the Government; or

(2) The Federal traveler or the dependent of a Federal traveler is stationed by the Government in a remote location not accessible to commercial airline service; or

(3) The traveler is authorized to travel space available under 10 U.S.C. 2648 and regulations implementing that statute.

§ 301–70.802 Must we ensure that travel on Government aircraft is the most cost-effective alternative?

(a) Yes, you must ensure that travel on a Government aircraft is the most cost-effective alternative that will meet the travel requirement. Your designated travel approving official must—

(1) Compare the cost of all travel alternatives, as applicable, that is—

(i) Travel on a scheduled commercial airline;

(ii) Travel on a Federal aircraft;

(iii) Travel on a Government aircraft hired as a commercial aviation service (CAS); and

(iv) Travel by other available modes of transportation; and

(2) Approve only the most cost-effective alternative that meets your agency's needs.

(b) For required-use travel, i.e., when the traveler is authorized to use Government aircraft because of bona fide communications needs (e.g., 24-hour secure communications are required) or security reasons (e.g., highly unusual circumstances that present a clear and present danger to the traveler) or exceptional scheduling requirements (e.g., a national emergency or other compelling operational considerations). Required-use travel may include travel for official, personal, or political purposes, but must be approved in accordance with §§ 301-10.262(a) and 301-70.803(a).

(c) For space available travel when—

(1) The aircraft is already scheduled for use for an official purpose and carrying an official traveler(s) on the aircraft does not cause the need for a larger aircraft or result in more than minor additional cost to the Government; or

(2) The Federal traveler or the dependent of a Federal traveler is stationed by the Government in a remote location not accessible to commercial airline service; or

(3) The traveler is authorized to travel space available under 10 U.S.C. 2648 and regulations implementing that statute.
§ 301–70.803 How must we authorize travel on a Government aircraft?

You must authorize travel on a Government aircraft as follows:

(a) For required-use travel. Your agency must first establish written standards for determining the special circumstances under which it will require travelers to use Government aircraft. Then, following those standards, your agency’s senior legal official or his/her principal deputy must authorize required-use travel on a trip-by-trip basis in advance and in writing, unless—

(1) The traveler is an agency head, and the President has determined that all of his or her travel, or travel in specified categories, requires the use of Government aircraft; or

(2) Your agency head has determined in writing that all travel, or travel in specified categories, by another traveler requires the use of Government aircraft.

NOTE TO § 301–70.803(a): In an emergency situation, prior verbal approval for required-use travel with an after-the-fact written authorization is permitted.

(b) For travel by senior Federal officials. Your agency’s senior legal official or his/her principal deputy must authorize all travel on Government aircraft by senior Federal officials on a trip-by-trip basis, in advance and in writing, except for required use travel authorized under paragraphs (a)(1) or (a)(2) of this section. In an emergency situation, prior verbal approval with an after-the-fact written authorization by your agency’s senior legal official is permitted. Senior Federal officials who are crewmembers or qualified non-crewmembers on a flight in which they are also traveling (i.e., being transported from point-to-point) are considered travelers and must be authorized to travel on Government aircraft according to this paragraph.

(c) For travel by non-Federal travelers. If you are the sponsoring agency for a non-Federal traveler, your senior legal official or his/her deputy must authorize all travel on Government aircraft by that non-Federal traveler on a trip-by-trip basis, in advance and in writing. In an emergency situation, prior verbal approval with an after-the-fact written authorization by your agency’s senior legal official is permitted.

(d) For all other travel. (1) Your agency’s designated travel approving official (or anyone to whom he/she delegates this authority and who is at least one organizational level above the traveler) must authorize, in advance and in writing, all other travel on Government aircraft (i.e., by passengers, crewmembers, or qualified non-crewmembers) that is not covered in paragraphs (a), (b), and (c) of this section. In an emergency situation, prior verbal approval with an after-the-fact written authorization by your agency’s designated travel approving official is permitted. If your agency wishes to issue blanket travel authorizations that authorize travel on Government aircraft, such blanket authorizations must define the circumstances that must be met for using Government aircraft in compliance with this regulation and any additional agency policies. Travel on Government aircraft that does not meet the circumstances specified in the blanket travel authorization must be authorized on a trip-by-trip basis in accordance with this regulation and other applicable agency policies.

(2) When authorizing space available travel (except as authorized under 10
§ 301–70.804 What amount must the Government be reimbursed for travel on a Government aircraft?

(a) No reimbursement is required for official travel on a Government aircraft.

(b) For personal travel on Government aircraft, reimbursement depends upon which of the following special cases applies:

(1) You must require a traveler on required-use travel to reimburse the Government for the excess of the full coach fare for all flights taken on a trip over the full coach fare for the flights that he/she would have taken had he/she not engaged in personal activities during the trip; and

(2) No reimbursement is required for travel authorized under 10 U.S.C. 2648 and regulations implementing that statute, or when the traveler and his/her dependents are stationed by the Government in a remote location with no access to regularly scheduled commercial airline service.

(c) For political travel on a Government aircraft (i.e., for any trip or part of a trip during which the traveler engages in political activities), you must require that the Government be reimbursed the excess of the full coach fare for all flights taken on the trip over the full coach fare for the flights that the traveler would have taken had he/she not engaged in political activities, except if other law or regulation specifies a different amount (see, e.g., 11 CFR 106.3, "Allocation of Expenses between Campaign and Non-campaign Related Travel"), in which case the amount reimbursed is the amount required by such law or regulation.

§ 301–70.805 Must we include special information on a travel authorization for a senior Federal official or a non-Federal traveler who travels on Government aircraft?

Yes, you must include the following information on a travel authorization for a senior Federal official or a non-Federal traveler:

(a) Traveler’s name with indication that the traveler is either a senior Federal official or a non-Federal traveler, whichever is appropriate.

(b) The traveler’s organization and title or other appropriate descriptive information, e.g., dependent, press, etc.

(c) Name of the authorizing agency.

(d) The official purpose of the trip.

(e) The destination(s).

(f) For personal or political travel, the amount that the traveler must reimburse the Government (i.e., the full coach fare or appropriate share of that fare).

(g) For official travel, the comparable city-pair fare (if available to the traveler) or full coach fare if a city-pair fare is not available.

§ 301–70.806 What documentation must we retain for travel on Government aircraft?

You must retain all travel authorizations and cost-comparisons for travel on Government aircraft for two years.

§ 301–70.807 Must we make information available to the public about travel by senior Federal officials and non-Federal travelers on Government aircraft?

Yes, an agency that authorizes travel on Government aircraft must make records about travelers on those aircraft available to the public in response to written requests under the Freedom of Information Act (5 U.S.C.
§ 301–70.808 Do the rules in this part apply to travel on Government aircraft by the President and Vice President or by individuals traveling in support of the President and Vice President?

Given the unique functions and needs of the presidency and the vice presidency, section 4 of Circular A–126, “Improving the Management and Use of Government Aircraft,” Revised May 1992, makes clear that Circular A–126 does not apply to aircraft while in use by or in support of the President or Vice President. Since the principal purpose of the rules in this part is to implement Circular A–126, the rules in this part also do not apply to such travel. If any questions arise regarding travel related to the President or Vice President, contact the Office of the Counsel to the President or the Office of the Counsel to the Vice President, respectively.

Subpart J—Policies and Procedures for Agencies That Own or Hire Government Aircraft for Travel

§ 301–70.900 May we use our Government aircraft to carry passengers?

Yes. You may use Government aircraft, i.e., aircraft that you own, borrow, operate as a chartered aircraft, or hire as a commercial aviation service (CAS), to carry Federal and non-Federal travelers, but only in accordance with the rules in 41 CFR 102–33.215 and 102–33.220 and the regulations in this part.

§ 301–70.901 Who may approve use of our Government aircraft to carry passengers?

Your agency head or his/her designee must approve the use of your agency’s Government aircraft for travel, i.e., for carrying passengers and any crew members or qualified non-crew members who are also traveling. This approval must be in writing and may be for recurring travel.

§ 301–70.902 Do we have any special responsibilities related to space available travel on our Government aircraft?

Yes, except for travel authorized under 10 U.S.C. 4744 and regulations implementing that statute, you must certify in writing before carrying passengers on a space available basis on your Government aircraft that the aircraft is scheduled to perform a bona fide governmental function. Bona fide governmental functions may include support for official travel. You must also certify that carrying a passenger in space available does not cause the need for a larger aircraft and does not result in more than minor additional cost to the Government. Your aircraft management office must retain this certification for two years. In an emergency situation, prior verbal approval with an after-the-fact written certification is permitted.

§ 301–70.903 What are our responsibilities for ensuring that Government aircraft are the most cost-effective alternative for travel?

To help ensure that Government aircraft are the most cost-effective alternative for travel, your aircraft management office must calculate the cost of a trip on your aircraft, whether Federal or non-Federal aircraft, and submit that information to the traveler’s designated travel-approving official upon request. The designated travel-approving official must use that information to compare the cost of using Government aircraft with the cost of scheduled commercial airline service and the cost of using other available modes of transportation. When you operate a Government aircraft to fulfill a non-travel related governmental function or for required use travel, using any space available for passengers on official travel is presumed to result in cost savings. For guidance on how and when to calculate the cost of a trip on Government aircraft, see the “U.S. Government Aircraft Cost Accounting Guide,” published by the Aircraft Management Policy Division (MTA), General Services Administration, 1800 F Street, N.W., Washington, DC, 20405.
§ 301–70.904 Must travelers whom we carry on Government aircraft be authorized to travel?

Yes, every traveler on one of your aircraft must have a written travel authorization from an authorizing executive agency, and he/she must present that authorization, before the flight, to the aircraft management office or its representative in the organization that owns or hires the Government aircraft. In addition to all passengers, those crewmembers and qualified non-crewmembers on a flight in which they are also traveling (i.e., being transported from point to point) are considered travelers and must also be authorized to travel on Government aircraft.

§ 301–70.905 What documentation must we retain for travel on our Government aircraft?

(a) You must retain for two years copies of travel authorizations for senior Federal officials and non-Federal travelers who travel on your Government aircraft.

(b) You must also retain for two years the following information for each flight:

(1) The tail number of the Government aircraft used.
(2) The dates used for travel.
(3) The name(s) of the pilot(s), other crewmembers, and qualified non-crewmembers.
(4) The purpose(s) of the flight.
(5) The route(s) flown.
(6) The names of all passengers.

§ 301–70.906 Must we report use of our Government aircraft to carry senior Federal officials and non-Federal travelers?

Yes, except when the trips are classified, you must report to GSA’s Office of Governmentwide Policy (MTT) all uses of your aircraft for travel by any senior Federal official or non-Federal traveler, by using an electronic reporting tool found at http://www.gsa.gov/sft, unless travel is authorized under 10 U.S.C. 2648 and regulations implementing that statute.

[FTR Amdt. 2010-04, 75 FR 59005, Sept. 27, 2010]
§ 301–70.908 Must we make information available to the public about travel by senior Federal officials and non-Federal travelers on Government aircraft?

Yes, an agency that operates aircraft must make records about travelers on those aircraft available to the public in response to written requests under the Freedom of Information Act (5 U.S.C. 552), except for portions exempt from disclosure under that Act (such as classified information).

§ 301–70.909 What disclosure information must we give to anyone who flies on our Government aircraft?

You must give each person aboard your aircraft a copy of the following disclosure statement:

DISCLOSURE FOR PERSONS FLYING ABOARD FEDERAL GOVERNMENT AIRCRAFT

NOTE: The disclosure contained herein is not all-inclusive. You should contact your sponsoring agency for further assistance.

Generally, an aircraft used exclusively for the U.S. Government may be considered a 'public aircraft' as defined in 49 U.S.C. 40102 and 40125, unless it is transporting passengers or operating for commercial purposes. A public aircraft is not subject to many Federal aviation regulations, including requirements relating to aircraft certification, maintenance, and pilot certification. If a U.S. Government agency transports passengers on a Government aircraft, that agency must comply with all Federal aviation regulations applicable to civil aircraft. If you have questions about the status of a particular flight, you should contact the agency sponsoring the flight.

You and your family have certain rights and benefits in the unlikely event you are injured or killed while riding aboard a Government aircraft. Federal employees and some private citizens are eligible for workers' compensation benefits under the Federal Employees' Compensation Act (FECA). When FECA applies, it is the sole remedy. For more information about FECA and its coverage, consult with your agency's benefits office or contact the Branch of Technical Assistance at the Department of Labor's Office of Workers' Compensation Programs at (202) 693-0044. (These rules also apply to travel on other Government-owned or operated conveyances such as cars, vans, or buses.)

State or foreign laws may provide for product liability or "third party" causes of actions for personal injury or wrongful death. If you have questions about a particular case or believe you have a claim, you should consult with an attorney.

Some insurance policies may exclude coverage for injuries or death sustained while traveling aboard a Government or military aircraft or while within a combat area. You may wish to check your policy or consult with your insurance provider before your flight. The insurance available to Federal employees through the Federal Employees Group Life Insurance Program does not contain an exclusion of this type.

If you are the victim of an air disaster resulting from criminal activity, Victim and Witness Specialists from the Federal Bureau of Investigation (FBI) and/or the local U.S. Attorney's Office will keep you or your family informed about the status of the criminal investigation(s) and provide you or your family with information about rights and services, such as crisis intervention, counseling and emotional support. State crime victim compensation may be able to cover crime-related expenses, such as medical costs, mental health counseling, funeral and burial costs, and lost wages or loss of support. The Office for Victims of Crime (an agency of the Department of Justice) is authorized by the Antiterrorism Act of 1996 to provide emergency financial assistance to state programs, as well as the U.S. Attorneys Office, for the benefit of victims of terrorist acts or mass violence.

If you are a Federal employee:

1. If you are injured or killed on the job during the performance of duty - including while traveling aboard a Government aircraft or other Government-owned or operated conveyance for business purposes, you and your family are eligible to collect workers' compensation benefits under FECA. You and your family may not file a personal injury or wrongful death suit against the United States or its employees. However, you may have cause of action against potentially liable third parties.

2. You or your qualifying family member must normally also choose between FECA disability or death benefits, and those available under your retirement system (either the Civil Service Retirement System or the Federal Employees Retirement System). You may choose the benefit that is more favorable to you.

If you are a private citizen not employed by the Federal Government:

1. Even if you are not regularly employed by the Federal Government, if you are rendering personal service to the Federal Government on a voluntary basis or for nominal pay, you may be defined as a Federal employee for purposes of FECA. If that is the case, you and your family are eligible to receive workers' compensation benefits under FECA, but may not collect in a personal injury or wrongful death lawsuit against the United States or its employees. You and
Temporary Duty (TDY) Travel Allowances

your family may file suit against potentially liable third parties. Before you depart, you may wish to consult with the department or agency sponsoring the flight to clarify whether you are considered a Federal employee.

2. If there is a determination that you are not a Federal employee, you and your family will not be eligible to receive workman's compensation benefits under FECA. If you are traveling for business purposes, you may be eligible for workman's compensation benefits under state law. If the accident occurs within the United States, its airspace, or over the high seas, you and your family may claim against the United States under the Federal Tort Claims Act or Suits in Admiralty Act. If you are killed aboard a military aircraft, your family may be eligible to receive compensation under the Military Claims Act, or if you are an inhabitant of a foreign country, under the Foreign Claims Act.

§ 301–70.910 Do the rules in this part apply to travel on Government aircraft by the President and Vice President or by individuals traveling in support of the President and Vice President?

Given the unique functions and needs of the presidency and the vice presidency, section 4 of Circular A–126, “Improving the Management and Use of Government Aircraft,” Revised May 1992, makes clear that Circular A–126 does not apply to aircraft while in use by or in support of the President or Vice President. Since the principal purpose of the rules in this part is to implement Circular A–126, the rules in this part also do not apply to such travel. If any questions arise regarding travel related to the President or Vice President, contact the Office of the Counsel to the President or the Office of the Counsel to the Vice President, respectively.

(b) A flat fee, of not less than the prompt payment amount, based on an agencywide average of travel claim payments; and
(c) In addition to the fee required by paragraphs (a) and (b) of this section,
§ 301–71.211 You must also pay an amount equivalent to any late payment charge that the card contractor would have been able to charge had the employee not paid the bill. Payment of this additional fee will be based upon the effective date that a late payment charge would be allowed under the agreement between the employee and the card contractor.

[FTR Amdt. 92, 65 FR 21366, Apr. 21, 2000]

§ 301–71.211 Is there a minimum amount the late payment fee must exceed before we will pay it?

Yes, a late payment fee will only be paid when the computed late payment fee is $1.00 or greater.

[FTR Amdt. 90, 65 FR 3058, Jan. 19, 2000]

§ 301–71.212 Should we report late payment fees as wages on a Form W-2?

No, the Internal Revenue Service (IRS) has determined that the late payment fee is in the nature of interest (compensation for the use of money).

[FTR Amdt. 90, 65 FR 3058, Jan. 19, 2000]

§ 301–71.213 Is the additional fee, which is the equivalent to any late payment charge that the card contractor would have been able to charge had the employee not paid the bill, considered income?

Yes, you must report this late payment fee as additional wages on Form W-2.

[FTR Amdt. 90, 65 FR 3058, Jan. 19, 2000]

§ 301–71.214 Does mandatory use of the Government contractor-issued travel charge card change the employee’s obligation to pay his/her travel card bill by the due date?

No, mandatory use of the Government contractor-issued travel charge card does not relieve the employee of his/her obligation to honor his/her cardholder payment agreement.

[FTR Amdt. 90, 65 FR 3058, Jan. 19, 2000]

Subpart D—Accounting for Travel Advances

§ 301–71.300 What is the policy governing the use of travel advances?

You should minimize the use of cash travel advances. However, you should not require an employee to pay travel expenses using personal funds unless the employee has elected not to use alternative resources provided by the Government, such as a Government contractor-issued charge card.

§ 301–71.301 In situations where a lodging facility requires the payment of a deposit, may we reimburse an employee for an advance room deposit prior to the beginning of scheduled official travel?

Yes, you may reimburse an employee an advance room deposit, when such a deposit is required by the lodging facility to secure a room reservation, prior to the beginning of an employee's scheduled official travel. However, if the employee is reimbursed the advance room deposit, but fails to perform the scheduled official travel for reasons not acceptable to the agency, resulting in the forfeit of the deposit, the employee is indebted to the Government and must repay that amount in a timely manner as prescribed by you.

§ 301–71.302 For how long may we issue a travel advance?

You may issue a travel advance for a reasonable period not to exceed 45 days.

§ 301–71.303 What data must we capture in our travel advance accounting system?

You must capture the following data:

(a) The name and social security number of each employee who has an advance;
(b) The amount of the advance;
(c) The date of issuance; and
(d) The date of reconciliation for unused portions of travel advances.

§ 301–71.304 Are we responsible for ensuring the collection of outstanding travel advances?

Yes.

§ 301–71.305 When must an employee account for a travel advance?

An employee must account for an outstanding travel advance each time a travel claim is filed. If the employee receives a travel advance but determines that the related travel will not be performed, then the employee must notify you that the travel will not be performed and repay the advance at that time.

§ 301–71.306 Are there exceptions to collecting an advance at the time the employee files a travel claim?

Yes, when the employee is in a continuous travel status and

(a) You review each outstanding travel advance on a periodic basis (the period will be for a reasonable time of 45 days or less); and

(b) You determine the amount, if any, of the outstanding balance exceeds the amount of estimated travel expenses for the authorized period and collect the excess amount from the employee.

§ 301–71.307 How do we collect the amount of a travel advance in excess of the amount of travel expenses substantiated by the employee?

When the outstanding advance exceeds what you owe the employee, then the employee must submit cash or a check for the difference in accordance with your policy. Your failure to collect the amount in excess of substantiated expenses will cause a violation of the accountable plan rules contained in the Internal Revenue Code (title 26 of the United States Code).

§ 301–71.308 What should we do if the employee does not pay back a travel advance when the travel claim is filed?

You should take alternative steps to collect the debt including:

(a) Offset against the employee's salary, a retirement credit, or other amount owed the employee;

(b) Deduction from an amount the Government owes the employee; or

(c) Any other legal method of recovery.

§ 301–71.309 What internal policies and procedures must we establish governing travel advances?

Accountability for cash advances for travel, recovery, and reimbursement shall be in accordance with procedures prescribed by the Government Accountability Office (see Government Accountability Office Policy and Procedures Manual for Guidance of Federal Agencies, Title 7, Fiscal Procedures).

PART 301–72—AGENCY RESPONSIBILITIES RELATED TO COMMON CARRIER TRANSPORTATION

Subpart A—Procurement of Common Carrier Transportation

Sec. 301–72.1 Why is common carrier presumed to be the most advantageous method of transportation?

301–72.2 May we utilize methods of transportation other than common carrier (e.g., POVs, chartered vehicles, etc.)?

301–72.3 What method of payment must we authorize for common carrier transportation?
§ 301–72.1
Subpart A—Procurement of Common Carrier Transportation

§ 301–72.1  Why is common carrier presumed to be the most advantageous method of transportation?

Travel by common carrier is presumed to be the most advantageous method of transportation because it generally results in the most efficient, least costly, most expeditious means of transportation and the most efficient use of energy resources.

§ 301–72.2  May we utilize methods of transportation other than common carrier (e.g., POV's, chartered vehicles, etc.)?

Yes, but only when use of common carrier transportation:

(a) Would interfere with the performance of official business;
(b) Would impose an undue hardship upon the traveler; or
(c) When the total cost by common carrier would exceed the cost of the other method of transportation.

§ 301–72.3  What method of payment must we authorize for common carrier transportation?

You must authorize one or more of the following as appropriate:

(a) GSA’s Government contractor-issued, individually billed charge card(s);
(b) Agency centrally billed or other established accounts;
(c) Cash payments (personal funds or travel advances in the form of travelers checks or authorized ATM cash withdrawals) when the cost of transportation is less than $100, under § 301–51.100 of this chapter (cash may or may not be accepted by the carrier for the purchase of city pair fares); or
(d) GTR(s) when no other option is available or feasible.

[FTR Amdt. 70, 63 FR 15976, Apr. 1, 1998; 63 FR 35538, June 30, 1998]

Subpart B—Accounting for Common Carrier Transportation

§ 301–72.100  What must my travel accounting system do in relation to common carrier transportation?

Your system must:

(a) Authorize the use of cash in accordance with § 301–51.100 or otherwise required;
(b) Correlate travel data accumulated by your authorization and claims accounting systems with common carrier transportation documents and data for audit purposes;
(c) Identify unused tickets for refund;
(d) Collect unused, partially used, or downgraded/exchanged tickets, from travelers upon completion of travel;
(e) Track denied boarding compensation from employees;
(f) Identify and collect refunds due from carriers for overpayments, or unused, partially used, or downgraded/exchanged tickets; and
(g) Reconcile all centrally billed travel expenses (e.g., airline, lodging,
Temporary Duty (TDY) Travel Allowances

§ 301–72.300

Car rentals, etc.) with travel authorizations and claims to assure that only authorized charges are paid.

§ 301–72.101 What information should we provide an employee before authorizing the use of common carrier transportation?

You should provide the employee:
(a) Notice that he/she is accountable for all tickets, GTRs and other transportation documents;
(b) Your procedures for the control and accounting of common carrier transportation documents, including the procedures for submitting unused, partially used, downgraded/exchanged tickets, refund receipts or ticket refund applications, and denied boarding compensation; and
(c) A credit/refund address so the carrier can credit/refund the agency for unused tickets (when the tickets have been issued using an agency centrally billed account or by GTR).

Subpart C—Cash Payments for Procuring Common Carrier Transportation Services

§ 301–72.200 Under what conditions may we authorize cash payments for procuring common carrier transportation services?

In accordance with § 301–51.100.

§ 301–72.201 What must we do if an employee uses cash in excess of the $100 limit to purchase common carrier transportation?

To justify the use of cash in excess of $100, both the agency and traveler must certify on the travel claim the necessity for such use. See 41 CFR 101–41.203–2.

§ 301–72.202 Who may approve cash payments in excess of the $100 limit?

You must ensure the delegation of authority for the authorization or approval of cash payments over the $100 limit is in accordance with 41 CFR 101–41.203–2.

§ 301–72.203 When may we limit traveler reimbursement for a cash payment?

If you determine that the cash payment was made under a non-emergency circumstance, reimbursement to the traveler must not exceed the cost which would have been properly chargeable to the Government had the traveler used a government provided payment resource, (e.g., individual Government contractor-issued travel charge card, centrally billed account, or GTR). However, an agency can determine to make full payment when circumstances warrant (e.g., invitational travel, infrequent travelers and interviewees).

§ 301–72.204 What must we do to minimize the need for a traveler to use cash to procure common carrier transportation services?

You must establish procedures to encourage travelers to use the GSA individual Government contractor-issued travel charge card(s), or your agency’s centrally billed or other established account, or a GTR (when no other option is available or feasible).

Subpart D—Unused, Partially Used, Exchanged, Canceled, or Oversold Common Carrier Transportation Services

§ 301–72.300 What procedures must we establish to collect unused, partially used, and exchanged tickets?

You must establish administrative procedures providing:
(a) Written instructions explaining traveler liability for the value of tickets issued until all ticket coupons are used or properly accounted for on the travel voucher;
(b) Instructions for submitting payments received from carriers for failure to provide confirmed reserved space;
(c) The traveler with a “bill charges to” address, so that the traveler can provide this information to the carrier for returned or exchanged tickets.
(d) Procedures for promptly identifying any unused tickets, coupons, or other evidence of refund due the Government.
§ 301–72.301 How do we process unused, partially used, and exchanged tickets?

(a) For unused or partially used tickets purchased with GTRs: You must obtain the unused or partially used ticket from the traveler, issue Standard Form 1170 (SF 1170) “Redemption of Unused Ticket” to the airline and or travel agency that issued the ticket, maintain a suspense file to monitor the airline/travel agency refund, and record and deposit the airline/travel agency refund upon receipt. See 41 CFR 102–118.145 and the U.S. Government Passenger Transportation Handbook (http://fss.gsa.gov/transtrav/usgpth.pdf) for policies and procedures regarding the use of SF 1170.

(b) For unused or partially used tickets purchased under centrally billed accounts: You must obtain the unused ticket from the traveler, return it to the issuing office that furnished the airline ticket, obtain a receipt indicating a credit is due, and confirm that the value of the unused ticket has been credited to the centrally billed account.

(c) For exchanged tickets purchased with GTRs: You must obtain the airline/travel agency refund application or receipt from the traveler, and maintain a suspense file to monitor the airline/travel agency refund. For additional guidance see 41 CFR 102–118.145 and the U.S. Government Passenger Transportation Handbook on (http://fss.gsa.gov/transtrav/usgpth.pdf).

PART 301–73—TRAVEL PROGRAMS

Subpart A—General Rules

Sec.

301–73.1 What does the Federal travel management program include?

301–73.2 What are our responsibilities as participants in the Federal travel management program?

Subpart B—eTravel Service and Travel Management Service

301–73.100 Must we require employees to use the E-Gov Travel Service?

301–73.101 How must we prepare to implement ETS?
Subpart B—eTravel Service and Travel Management Service

§ 301–73.100 Must we require employees to use the E-Gov Travel Service?

Yes, unless you have an exception to the use of the ETS (see §§ 301–73.102 and 301–73.104), you must have fully deployed the ETS across your agency and require employees to use the ETS for all temporary duty travel no later than September 30, 2006. Agencies must submit their ETS migration plans and schedules by March 31, 2004 to the eTravel PMO, (see § 301–73.101). You must implement the ETS no later than December 31, 2004, and require employees to use the ETS as soon as it becomes available in your agency. The Department of Defense and the Government of the District of Columbia are not subject to this requirement.

Notes to § 301–73.100: (1) You have the option to use the contracted travel agent service(s) of your choice (through the ETS or other contract vehicles). You have the responsibility for ensuring agency-contracted travel agent services complement and support the ETS in an efficient and cost effective manner.

(2) Award of a task order to a vendor on the ETS Master Contract constitutes ETS implementation. Agency-wide use of the ETS for all travel management processes and travel claim submission constitutes complete migration.

§ 301–73.101 How must we prepare to implement ETS?

You must prepare to implement ETS as expeditiously as possible by—

(a) Developing a migration plan and schedule to deploy ETS across your agency as early as possible with full deployment required no later than September 30, 2006;

(b) Requiring employees to use your ETS unless you approve an exception under § 301–73.101; and

(c) Establishing goals, plans and procedures to maximize agency-wide traveler use of your online self-service travel system. 

(d) Contracts and similar arrangements, with transportation and lodging providers (e.g., Government-contract air carriers, rental car companies, trains, hotels, etc.) that give preferential rates and other benefits to Federal travelers on official business; and

(e) A Travel Management Reporting System that covers financial and other travel characteristics required by the biennial Travel Survey (see §§ 300–70.1 through 300–70.4 of this title).
§ 301–73.102 Booking tool once you have fully deployed ETS within your agency. These goals, plans, and procedures should be available for submission to the ETS PMO upon its request.

NOTE 1 TO § 301–73.101: Your agency should work with the Office of Management and Budget (OMB) to allocate budget and personnel resources to support ETS migration and data exchange. Your agency is responsible for providing the funds required to establish interfaces between the ETS standard data output and applicable business systems (e.g., financial, human resources, etc.).

NOTE 2 TO § 301–73.101: Best practices show that organizations are able to realize significant benefits once they achieve a 70 percent or greater self-booking rate.

§ 301–73.102 May we grant a traveler an exception from required use of TMS or ETS once we have fully deployed ETS within the agency?

(a) Yes, your agency head or his/her designee may grant an individual case by case exception to required use of your agency’s current TMS or to required use of ETS once it is fully deployed within the agency, but only when travel meets one of the following conditions:

(1) Such use would result in an unreasonable burden on mission accomplishment (e.g., emergency travel is involved and TMS/ETS is not accessible; the traveler is performing invitational travel; or the traveler has special needs or requires disability accommodations in accordance with part 301–13 of this chapter).

(2) Such use would compromise a national security interest.

(3) Such use might endanger the traveler’s life (e.g., the individual is traveling under the Federal witness protection program, or is a threatened law enforcement/investigative officer traveling under part 301–31 of this chapter).

(b) Any exception granted must be consistent with any contractual terms applicable to your current TMS or ETS, once it is fully deployed, and must not cause a breach of contract terms.

§ 301–73.103 What must we do when we approve an exception to the use of the E-Gov Travel Service?

The head of your agency or his/her designee must approve an extension to the use of the ETS under § 301–73.102 in writing or through electronic means.

§ 301–73.104 May further exceptions to the required use of the E-Gov Travel Service be approved?

(a) The Administrator of General Services or his/her designee may grant an agency-wide exception (or exempt a component thereof) from the required use of ETS when requested by the head of a Department (cabinet-level agency) or head of an Independent agency when—

(1) The agency has presented a business case analysis to the General Services Administration that proves that it has an alternative TMS to the ETS that is in the best interest of the Government and the taxpayer (i.e., the agency has evaluated the economic and service values offered by the ETS contractor(s) compared to those offered by the agency’s current Travel Management Service (TMS) and has determined that the agency’s current TMS is a better value);

(2) The agency has security, secrecy, or protection of information issues that cannot be mitigated through security provided by the ETS contractors;

(3) The agency lacks the technology necessary to access ETS; or

(4) The agency has critical and unique technology or business requirements that cannot be accommodated by the ETS contractors at all or at an acceptable and reasonable price (e.g., majority of travel is group-travel).

(b) As a condition of receiving an exception, the agency must agree to conduct annual business case reviews of its TMS and must provide to the eTravel PMO data elements required by the eTravel PMO in a format prescribed by the eTravel PMO.

(c) Requests for exceptions should be sent to the Administrator of General Services Administration, 1800 F Street, NW., Washington, DC 20405, with full justification and/or analysis addressing
Temporary Duty (TDY) Travel Allowances

§ 301–73.105 What are the consequences of an employee not using the E-Gov Travel Service or the TMS?

If an employee does not use the ETS (when available) or your agency’s designated TMS, he/she is responsible for any additional costs (see § 301–50.5 of this chapter) resulting from the failure to use the ETS or your TMS. In addition, you may take appropriate disciplinary actions.

§ 301–73.106 What are the basic services that should be covered by a TMS?

The TMS must, at a minimum—

(a) Include a Travel Management Center (TMC), commercial ticket office (CTO), an in-house system, an electronically available system, or other method(s) of arranging travel, which has the ability to provide the following as appropriate to the agency’s travel needs:

(1) Booking and fulfillment of common carrier arrangements (e.g., flight confirmation and seat assignment, compliance with the Fly America Act, Governmentwide travel policies, contract city-pair fares, electronic ticketing, ticket delivery, etc.).

(2) Lodging information (e.g., room availability, reservations and confirmation, compliance with Hotel/Motel Fire Safety Act, availability of FedRooms properties, per diem rate availability, etc.).

(3) Car rental and rail information (e.g., availability of Defense Travel Management Office (DTMO) Government agreement rates where applicable, confirmation of reservations, etc.).

(b) Provide basic management information, such as—

(1) Number of reservations by type of service (common carrier, lodging, and car rental);

(2) Extent to which reservations are in compliance with policy and reasons for exceptions;

(3) Origin and destination points of common carrier usage;

(4) Destination points for lodging accommodations;

(5) Number of lodging nights in approved accommodations;

(6) City or location where car rentals are obtained; and

(7) Other tasks, e.g., reconciliation of charges on centrally billed accounts and processing ticket refunds.

NOTE TO § 301–73.106: The ETS fulfills the basic services of a TMS. You have the option to use the contracted travel agent service(s) of your choice through ETS or other contract vehicles. You have the responsibility to ensure that agency-contracted-for travel agent services complement and support the ETS in an efficient and cost effective manner. (See § 301–73.2).

Subpart C—Contract Passenger Transportation Services

§ 301–73.200 Must we require our employees to use GSA’s contract passenger transportation services program?

Yes, if such services are available to your agency.

§ 301–73.201 What method of payment may be used for contract passenger transportation service?

GSA individual Government contractor-issued travel charge card(s), or your agency centrally billed or other established account, or a GTR (when no other option is available or feasible).

§ 301–73.202 Can contract fares be used for personal travel?

No.
Subpart D—Travel Payment System

§ 301–73.300 What is a travel payment system?

A system to facilitate the payment of official travel and transportation expenses which includes, but is not limited to:

(a) Issuance and maintenance of Government contractor-issued individually billed charge cards;
(b) Establishment of centrally billed accounts for the purchase of travel and transportation services;
(c) Issuance of travelers checks; and
(d) Provision of automated-teller-machine (ATM) services worldwide.

[FTR Amdt. 70, 63 FR 15978, Apr. 1, 1998; 63 FR 35538, June 30, 1998]

§ 301–73.301 How do we obtain travel payment system services?

You may participate in GSA’s or another Federal agency’s travel payment system program or you may contract directly with a travel payment system service if your agency has contracting authority and you are not a mandatory user of GSA’s charge card program.

NOTE TO § 301–73.301: Under the new GSA charge card program effective November 30, 1998, it will be your responsibility to select the vendor that will be most beneficial to your agency’s travel and transportation needs.
§ 301–74.1 What policies must we follow in planning a conference?
When planning a conference, you must:
(a) Minimize all conference costs, including administrative costs, conference attendees' travel costs, and conference attendees' time costs;
(b) Maximize the use of Government-owned or Government-provided conference facilities as much as possible;
(c) Identify opportunities to reduce costs in selecting a particular conference location and facility (e.g., through the availability of lower rates during the off-season at a site with seasonal rates); and
(d) Ensure that the conference planner or designee does not retain for personal use any promotional benefits or materials received from a travel service provider as a result of booking the conference (see §§ 301–53.2 and 301–53.3 of this chapter); and
(e) Develop and establish internal policies to ensure these standards are met.

§ 301–74.2 What costs should be considered when planning a conference?
When planning a conference, you should consider all direct and indirect conference costs paid by the Government, whether paid directly by agencies or reimbursed by agencies to travelers or others associated with the conference. Some examples of such costs are:
(a) Authorized travel and per diem expenses;
(b) Hire of rooms for official business;
(c) Audiovisual and other equipment usage;
(d) Computer and telephone access fees;
(e) Light refreshments;
(f) Printing;
(g) Registration fees;
(h) Ground transportation; and
(i) Employees' time at the conference and on en route travel.

§ 301–74.3 What must we do to determine which conference expenditures result in the greatest advantage to the Government?
To determine conference expenditures, you must:
(a) Assure there is appropriate management oversight of the conference planning process;
(b) Always do cost comparisons of the size, scope, and location of the proposed conference;
(c) Determine if a Government facility is available at a cheaper rate than a commercial facility;
(d) Consider alternatives to a conference, e.g., teleconferencing; and
(e) Maintain written documentation of the alternatives considered and the selection rationale used.

§ 301–74.4 What should cost comparisons include?
Cost comparisons should include, but not be limited to, a determination of adequacy of lodging rooms at the established per diem rates, overall convenience of the conference location, fees, availability of meeting space, equipment, and supplies, and commuting or travel distance of attendees. (See Appendix E to Chapter 301, Guidance for Conference Planning.)

§ 301–74.5 How should we select a location and a facility?
Site selection is a final decision as to where to hold your conference. The term “site” refers to both the geographical location and the specific facility(ies) selected. In determining the best site in the interest of the Government, you should exercise strict fiscal responsibility to minimize costs. The actions in § 301–74.3 must be followed. Cost comparisons must cover factors such as those listed in § 301–74.4. As part of the cost comparison, you must use the established per diem rate for the locations for which you are comparing costs.
§ 301–74.6 What can we do if we cannot find an appropriate conference facility at the chosen locality per diem rate?

While it is always desirable to obtain lodging facilities within the established lodging portion of the per diem rate for the chosen locality, it may not always be possible. In negotiating lodging rates with the properties in the chosen location, you may exceed the established lodging portion of the per diem rate by up to 25 percent under §§ 301–74.8 and 301–74.9, if necessary. This will provide flexibility in selecting an appropriate property at the most advantageous location. It will also permit agencies to reimburse their employees’ subsistence expenses by using the conference lodging allowance method as prescribed in § 301–74.8 for a Government sponsored conference and in § 301–74.9 for non-Government sponsored conferences, rather than the actual expense method prescribed in subpart D of part 301–11 of this chapter.

§ 301–74.7 What is the conference lodging allowance?

The conference lodging allowance is a pre-determined maximum allowance of up to 25 percent greater than the applicable locality lodging portion of the per diem rate. Under this reimbursement method, employees will be reimbursed the actual amount incurred for lodging up to the conference lodging allowance.

§ 301–74.8 Who may authorize reimbursement of the conference lodging allowance for a Government sponsored conference?

The approval authority for the conference lodging allowance is the Government agency sponsoring the conference. The sponsoring agency will determine the appropriate conference lodging allowance, up to 25 percent above the established lodging allowance for the chosen location, and that rate shall be allowable for all employees of any agency authorized to attend the conference. The determination must be made by a senior agency official at the sponsoring agency.

§ 301–74.9 Who may authorize reimbursement of the conference lodging allowance for a non-Government sponsored conference?

The travel approving official of a Government employee authorized to attend a non-Government sponsored conference may authorize the employee to be reimbursed for lodging expenses incurred up to the conference lodging allowance rate.

§ 301–74.10 May the conference lodging allowance ever exceed 25 percent above the lodging per diem rate?

No, the conference lodging allowance may not exceed 25 percent above the applicable locality lodging per diem rate.

§ 301–74.11 May we provide light refreshments at an official conference?

Yes. Agencies sponsoring a conference may provide light refreshments to agency employees attending an official conference. Light refreshments for morning, afternoon or evening breaks are defined to include, but not be limited to, coffee, tea, milk, juice, soft drinks, donuts, bagels, fruit, pretzels, cookies, chips, or muffins.

§ 301–74.12 May we use both the conference lodging allowance method and the actual expense method of reimbursement concurrently?

No. You must only use one reimbursement method per day in accordance with § 301–11.4 of this chapter.

§ 301–74.13 May we include conference administrative costs in an employee’s per diem allowance payment for attendance at a conference?

No. Per diem is intended only to reimburse the attendee’s subsistence expenses. You must pay conference registration fees separately, either directly or by reimbursing employees who pay such expenses and submit travel claims.

§ 301–74.14 Are there any special requirements for sponsoring or funding a conference at a hotel, motel or other place of public accommodation?

Yes. When you sponsor or fund (see 15 U.S.C. 2225a), in whole or in part, a
conference at a place of public accommodation in the United States, you must use an approved accommodation (see § 300–3.1 of this title), except as provided in § 301–74.15. This provision also applies to the government of the District of Columbia when it expends Federal funds for a conference and any non-Federal entity which uses Government funds to sponsor or fund a conference.

§ 301–74.15 May we waive the requirement in § 301–74.14?
Yes, if the head of your agency makes a written determination on an individual case basis that waiver of the requirement to use approved accommodations is necessary in the public interest for a particular event. Your agency head may delegate this waiver authority to a senior agency official or employee who is given waiver authority with respect to all conferences sponsored or funded, in whole or in part, by your agency.

§ 301–74.16 What must be included in any advertisement or application form relating to conference attendance?
(a) Any advertisement or application for attendance at a conference described in § 301–74.14 must include:
(1) Notice of the prohibition against using a non-FEMA approved place of public accommodation for conferences; and
(2) Notice that the conference lodging allowance applies to Federal attendees, if applicable.
(b) In addition, any executive agency, as defined in 5 U.S.C. 105, shall notify all non-Federal entities to which it provides Federal funds of this prohibition.

§ 301–74.17 What special rules apply when a conference is held in the District of Columbia?
In addition to the general rules provided in this part, the following special rules apply:
(a) You may not directly procure lodging facilities in the District of Columbia without specific authorization and appropriation from Congress (see 40 U.S.C. 34); and

NOTE TO § 301–74.17(a): This provision does not prohibit payment of per diem to an employee authorized to obtain lodging in the District of Columbia while performing official business travel.

(b) It is no longer mandatory that you contact GSA for meeting or conference facilities in the District of Columbia. However, you are encouraged to contact the GSA Public Buildings Service (PBS) of the National Capital Region to inquire about the availability of short-term conference and meeting facilities in the District of Columbia. For additional information see the Customer Desk Guide for Real Property Management, Chapter 1. The Customer Desk Guide can be found on the worldwide web at http://www.gsa.gov/attachments/GSA_PUBLICATIIONS/pub/CustomerGuidebookmarkedversion.pdf.

§ 301–74.18 What policies and procedures must we establish to govern the selection of conference attendees?
You must establish policies that reduce the overall cost of conference attendance. The policies and procedures must:
(a) Limit your agency’s representation to the minimum number of attendees determined by a senior official necessary to accomplish your agency’s mission; and
(b) Provide for the consideration of travel expenses when selecting attendees.

§ 301–74.19 What records must we maintain to document the selection of a conference site?
For each conference you sponsor or fund, in whole or in part for 30 or more attendees, you must maintain a record of the cost of each alternative conference site considered. You must consider at least three sites. You must make these records available for inspection by your Office of the Inspector General or other interested parties.
Subpart B—Conference Attendees

NOTE TO SUBPART B: Use of pronouns "we", "you", and their variants throughout this subpart refers to the agency.

§ 301–74.21 What is the applicable M&IE rate when meals or light refreshments are furnished by the Government or are included in the registration fee?

When meals or light refreshments are furnished by the Government or are included in the registration fee the applicable M&IE will be calculated as follows:

(a) If meals are furnished, the appropriate deduction from the M&IE rate must be made (see § 301–11.18 of this chapter).

(b) If light refreshments are furnished, no deduction of the M&IE allowance is required.

§ 301–74.22 When may an employee, attending a conference, be authorized the conference lodging allowance?

An employee, authorized to attend a conference, may be authorized the conference lodging allowance as prescribed in §§ 301–74.8 and 301–74.9.

§ 301–74.23 Is the conference lodging allowance an actual expense reimbursement?

No. The conference lodging allowance is a separate method of reimbursement for lodgings expenses.

§ 301–74.24 When should actual expense reimbursement be authorized for conference attendees?

If the conference lodging allowance still is inadequate, you may authorize actual expense reimbursement under § 301–11.300 of this chapter in lieu of the conference lodging allowance method.

§ 301–74.25 May we reimburse travelers for an advanced payment of a conference or training registration fee?

Yes, you may reimburse travelers for an advanced discounted payment for a conference or training registration fee as soon as you have approved their travel to that event, and they submit a proper claim for the expenses incurred.

[FTR Amdt. 2006–02, 71 FR 24598, Apr. 26, 2006]

§ 301–74.26 What is the traveler required to do if he/she is unable to attend an event for which they were reimbursed for an advanced discounted payment of a conference or training registration fee?

In all cases where a traveler is unable to attend an event for which a discounted registration fee was paid and reimbursed in advance of the event, the traveler must seek a refund of the registration fee and repay the agency with any refund received. If no refund is made, the agency must absorb the advanced payment if the traveler’s failure to attend the event was caused either by an agency decision or for reasons beyond the employee’s control that are acceptable to the agency, e.g., unforeseen illness or emergency. If no refund is made, and the traveler’s failure to attend the scheduled event is due to reasons deemed unexcusable by the agency, the traveler must repay the agency for the amount advanced.

APPENDIX E TO CHAPTER 301—SUGGESTED GUIDANCE FOR CONFERENCE PLANNING

**Terms**

Conference: A meeting, retreat, seminar, symposium or event that involves attendee travel. The term “conference” also applies to training activities that are considered to be conferences under 5 CFR 410.404.

Conference lodging allowance: The rate that is up to 25 percent above the established lodging per diem rate.

Milestone schedule: Deadlines, which need to be reached in a progressive and orderly manner.

Planner: The person designated to oversee the conference.

Planning committee: Operational group significantly contributing to a conference’s overall success and able to fully reflect the needs of both the agency and the attendees.

**Getting Started**

Depending on the size, type, and intended effect of the conference, start planning a minimum of one year in advance. Designate a planner and a planning committee.

**Planning Committee**

Functions typically include, but are not limited to:
- Establishing a set of objectives.
- Developing a theme.
- Making recommendations for location, agenda, dates, and logistics, e.g., schedule, exhibits, speakers.
- Making suggestions as to who should attend.
- Serving as communications link between planners and participants.
- Evaluation and follow-up.

**Milestone Schedule**

(a) Develop a milestone schedule, which is essential to conference planning, by working backward from the beginning date of the conference to include each major step. Examples include:
- Planning committee meetings.
- Preparation of mailing lists.
- Letters of invitation.
- Designation of speakers.
- Confirmation letters to speakers.
- Confirmation with site selection official.
- Preparation of agenda.
- Preparation of specification sheet.
- Location and date selection.
- Exhibits.
- Budget.
- Printing requirements.
- Signage.
- Conference information packages.
- Scheduling photographer (if planned).
- Use of agency seal and conference logo.
- Handicapped requirements.
- Planning of meals and refreshments, if appropriate.

(b) Establish completion dates for each major step.

(c) Update and revise the schedule as needed.

**Specification Sheet**

A detailed specification sheet is necessary to:

(a) Identify essential elements of a conference which typically include, but are not limited to:
- Sleeping rooms and on-site food services.
- Meeting rooms.
- Exhibit facilities.
- Audio-visual equipment and support services.
- Miscellaneous support services.
- Sleeping rooms with amenities, e.g., Internet access, data ports, conference call, and voice mail.

(b) Determine costs:
- Procurement. All agreements and decisions should be written and agreed to by the agency-contracting officer before being sent to the facility. Bring contracting officer into the process early.
- Government per diem rates. The Government per diem rate applies to Federal attendees. Application of it to non-Federal attendees is at the discretion of the property and conference negotiator.
- Registration fee. Generally, the registration fee covers all direct expenditures of agency funds for planning and organization of a conference, e.g., meeting room accommodations, meals, light refreshments (if appropriate), speaker fees, publications, and...
Temporary Duty (TDY) Travel Allowances

Considerations When Choosing a Site

(a) Is the facility:
   - Cost effective, e.g., are Government rates honored?
   - Safe, e.g., FEMA-approved?
   - Is there on-site security personnel?
   - Easily reached from an airport or by car?
   - Clean?
   - Well run, e.g., does the staff seem to be competent and responsive?
   - Laid out in a functional way?
   - Large enough to supply the number of sleeping rooms required?
   - Set up to provide necessary conference registration equipment?
   - Handicapped accessible?

(b) Parking:
   - Is it adequate?
   - How close to the facility is it?
   - Is it secure and safe?
   - Is the cost separate?

(c) Sleeping rooms:
   - Will the facility make the reservations, or are you responsible for making the reservations for participants?
   - What are the facility’s registration rules?
   - What are departure rules?

(d) Functionality of meeting rooms:
   - Is there sufficient space available?
   - What costs are involved?
   - Is needed equipment available (i.e., for conference registration, faxes, phones, computers, copiers)? Do not rent equipment unless it is absolutely unrealistic to bring your own.
   - Are rooms designated for agency use for the duration of the conference?
   - Are there columns that can block views?
   - Are rooms suitable for both classroom and/or theatre setups?
   - Are there windows? Shades?
   - Are there manually-controlled thermostats?
   - Are rooms handicapped accessible?
   - Are there electrical outlets?
   - Are there columns that can block views?
   - Are there ceiling heights high enough for audio-video equipment?
   - Are there columns that can block views?
   - Does the facility want meeting schedules and room layouts in writing in advance of the conference?
   - If necessary, can the rooms be entered the evening before for an early setup?
   - What costs are involved?

(e) Exhibits:
   - Are easels available at no cost?
   - Are there manually-controlled thermostats?
   - Are there columns that can block views?
   - Are there electrical outlets?
   - Are there ceiling heights high enough for audio-video equipment?
   - Does the facility want meeting schedules and room layouts in writing in advance of the conference?
   - If necessary, can the rooms be entered the evening before for an early setup?
   - What costs are involved?
41 CFR Ch. 301 (7-1-11 Edition)

NOTIFICATION

Announcement and/or Invitations

Announcement of the planned conference should be made as early as possible, even one year in advance; invitation letters, 8 weeks in advance. They should include, but are not limited to:

- Point of contact name and telephone number.
- Registration form, card, or Internet address (include space for identifying handicapped requirements).
- Registration instructions.
- Registration deadline date.
- Detailed area map and driving instructions.
- Information on traffic patterns to avoid rush hour delays.
- Promotional brochures from the facility.
- Layout of facility including telephone numbers.
- Breakdown of costs showing any difference from travel versus training object classes, particularly meal costs, so that proper reimbursement can be made.
- Agenda with a list of speakers and topics.
- Activity schedule for spouses, domestic partners, and guests (all charges or costs attributed to spouses, domestic partners or guests must be borne by the individual attendee (not reimbursable by the Government)).
- Provide a sample travel voucher.
- Notice that conference lodging allowance applies if applicable.

Confirmations

You should:

- Decide on the speaker(s) and the message you wish to be conveyed and obtain early commitment(s) in writing.
- Confirm conference dates/times/topics/arrival and departure times with speaker(s) and any other special guests at least 30 days in advance.
- Conduct a final planning committee meeting to confirm all plans.
- Confirm photographer’s schedule.
- Confirm hotel plans at least one day in advance.

FACILITY PROCESS

Check-In and -Out

Streamline the process:

- Will the facility need additional personnel?
- Is electronic one-stop processing available?
- Is luggage storage and shuttle service available?
- Arrange parking for any special guests.
- Provide signage.

ACCOUNT RECONCILIATION

It is important to request that the hotel bill be prepared in a logical and chronological sequence, and that backup data accompany the bill. Generally, the hotel will complete its accounting of the conference within two weeks of the conclusion.

FACILITY PROCESS

Check-In and -Out

Streamline the process:

- Will the facility need additional personnel?
- Is electronic one-stop processing available?
- Is luggage storage and shuttle service available?
- Arrange parking for any special guests.
- Provide signage.

FOOD AND DRINK

Meals

- You can not generally use appropriated funds to pay for meals for employees at their official stations.
- Employees on TDY travel may be served meals but cannot be reimbursed for those provided at Government expense.
- You should clarify in advance the appropriate per diem reduction(s) of meal(s) allowance(s) for TDY travel.
- You may pay, or reimburse an employee for meals as necessary expenses incident to an authorized training program (under the Government Employees Training Act (GETA) at 5 U.S.C. 4104(4)), if a determination has been made that essential training will be conducted during the meal.
- Work closely with the hotel to plan quality menus that fit within authorized per diem rates.
- Clarify and agree in advance the number of meal guarantees.
- Ensure that gratuities and service charges are added to the cost of each meal, and determine the method of billing to be used (e.g., signed guarantee, collected meal tickets, or actual quantities consumed).
- Confirm menus.

Breaks and Refreshments

Breaks should last no longer than 30 minutes and take place between meeting sessions. The following should also be considered when planning for refreshments:

- Keep in mind that everyone does not drink coffee or tea.
- You should clarify and agree in advance that coffee and pastries, if appropriate, are purchased by the gallon and dozen.
- Try to avoid a per person charge.
- Negotiate the cost into the contract.
- Be conservative in your estimates. There are seldom 100 percent of the conference participants attending any one function.
- If coffee, soft drinks, and water are not included in the fee, are they available “at cost” to the attendee?

ACCOUNT RECONCILIATION

It is important to request that the hotel bill be prepared in a logical and chronological sequence, and that backup data accompany the bill. Generally, the hotel will complete its accounting of the conference within two weeks of the conclusion.

- Are there additional handling fees?
- Check hotel policy on posting, size and appearance of signs.
Temporary Duty (TDY) Travel Allowances

Registration Process

Registration is generally the attendees’ introduction to the conference. Give it special attention by:
- Using directional signs.
- Placing especially attractive or important exhibits nearby.
- Planning for late arrivals.
- Using state-of-the-art processing.
- Checking out the registration capabilities of using GSA’s electronic SmartPay System.
- Providing for handicapped attendees.

Conference Information Package

Each registrant should be given a conference information package. Used regularly during the conference, the conference information package should be accurate, beneficial, and reflect detailed information on a daily/hourly basis. If time allows, you may want to finalize the package and send it to the printer at least 4 weeks in advance of the starting date. The program will be widely used, so you may want to print twice as many copies of the program as you have expected attendees. The information package, for example, may contain:
- A list of everything in the package.
- A “welcome” letter.
- A schedule.
- Workshop agendas.
- Discussion of exhibits.
- Panelists’ information.
- Photos and biographies of speakers/special guests.
- Facility layout and list of services available.
- Identify designated smoking areas.
- Special events.
- Message center information.
- Area map.
- Other pertinent material.

NOTE: Use of agency seal and conference logo may be considered for the conference package. However, the decision to use such items is strictly the judgment of agency officials.

Miscellaneous

Suggested Room Coordination

Plan ahead to setup:
- Staff room to handle core of activities;
- Meal functions;
- Exhibit rooms, and
- Meeting rooms—Theatre or auditorium for lectures; Facing speaker when note taking is important; Square or U-shaped style for discussion/interaction; and Banquet or roundtable for discussion.

Keeping in Touch

Plan for:
- A message center to be set up in a central location for special announcements and telephone messages.
- How to reach whomever at all times—use beepers and walkie-talkies.
- Clear identification of conference staff.
- Accommodation of physically impaired attendees with sign language or other special needs.

Mementos

Appropriations are not available to purchase memento items for distribution to conference attendees as a remembrance of an event. Two notable exceptions to the memento or gift prohibition are under training and awards. Work closely with appropriate agency officials to make final determinations.

Resources

The following resources may be of assistance in planning a conference:
- An agency contracting officer;
- Travel Management Centers;
- Interagency Travel Management Committee members (a forum of agency travel policy managers—for member identification, contact your agency’s administrative or financial office);
- State Chambers of Commerce or Visitors Bureaus;
- Local chapters of the Society of Government Meeting Professionals; and
- Private industry conference planners.

Conclusion

Process:
- Questionnaires, which may provide invaluable feedback about the success of your conference.
- Training certificates.
- Thank you notes to participants, facility personnel, speakers, printers, photographers, and other special contributors.
- Summary to acknowledge the accomplishments, and to convey the information discussed to a wider audience, may be an excellent promotional tool.

NOTE TO APPENDIX E: Use of pronouns “we”, “you”, and their variants throughout this appendix refers to the agency.

§ 302–2.106 May we waive statutory or regulatory limitations relating to relocation allowances for employees relocating to/from remote or isolated locations?

TIME LIMITS

§ 302–2.110 Are there time factors that we must consider for allowing an employee to complete all aspects of relocation?

Subpart A—General Rules

NOTE TO SUBPART A: Use of pronouns “I”, “you”, and their variants throughout this subpart refers to the employee.

§ 302–2.6 May I be reimbursed for relocation expenses if I relocate to a new official station that is less than 50 miles from my old official station?

Generally no; you may not be reimbursed for relocation expenses if you relocate to a new official station that is less than 50 miles from your old official station.
§ 302–2.6, Nt.

is less than 50 miles from your old official station, unless the head of the agency or designee authorizes an exception. On a case-by-case basis and having considered the following criteria, the head of your agency or designee may authorize the reimbursement of relocation expenses of less than 50 miles when he/she determines that it is in the interest of the Government:

(a) The one way commuting pattern between the old and new official station increases by at least 10 miles but no more than 50 miles; or

(b) There is an increase in the commuting time to the new official station; or

(c) A financial hardship is imposed due to increased commuting costs.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18336, Apr. 1, 2011, § 302–2.6 was revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

§ 302–2.6 May I be reimbursed for relocation expenses if I relocate to a new official station that does not meet the 50-mile distance test?

Generally no; you may not be reimbursed for relocation expenses if you relocate to a new official station that does not meet the 50-mile distance test.

(a) The distance test is met when the new official station is at least 50 miles further from the employee’s current residence than the old official station is from the same residence. For example, if the old official station is 3 miles from the current residence, then the new official station must be at least 53 miles from that same residence in order to receive relocation expenses for residence transactions. The distance between the official station and residence is the shortest of the commonly traveled routes between them. The distance test does not take into consideration the location of a new residence. This follows the distance guidelines found in Internal Revenue Service Publication 521, Moving Expenses.

(b) The head of your agency or designee may authorize an exception to the 50-mile threshold on a case-by-case basis when he/she determines that it is in the best interest of the Government. However, the agency cannot waive the applicability of the IRC; that is, all reimbursed expenses would be taxable income to you, and the agency would have to reimburse those taxes.

(c) Any relocation must be incidental to the transfer and not for the convenience of the employee.

Time Limits

§ 302–2.7 When may I begin my travel and transportation after receiving authorization to do so?

You and your immediate family member(s) may begin travel immediately upon receipt of your authorized TA.

§ 302–2.8 When must I complete all aspects of my relocation?

You and your immediate family member(s) must complete all aspects of your relocation within two years from the effective date of your transfer or appointment, except as provided in § 302–2.9 or § 302–2.10.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18336, Apr. 1, 2011, § 302–2.8 was amended by removing the words “two years” and adding the words “one year” in its place, effective Aug. 1, 2011.

§ 302–2.9 If I am furloughed to perform active military duty, will I have to complete all aspects of the relocation within the time limitation?

No, if you are furloughed to perform active military duty, the 2-year period to complete all aspects of relocation is exclusive of time spent on furlough for active military service.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18336, Apr. 1, 2011, § 302–2.9 was amended by removing “2-year” and adding “1-year” in its place, effective Aug. 1, 2011.

§ 302–2.10 Does the 2-year time period in § 302–2.8 include time that I cannot travel and/or transport my household effects due to shipping restrictions to or from my post of duty OCONUS?

No, the 2-year time period in § 302–2.8 does not include time that you cannot travel and/or transport your household effects due to shipping restrictions to or from your post of duty OCONUS.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18336, Apr. 1, 2011, § 302–2.10 was amended by removing “2-year” in both the heading and the text and adding “1-year” in its place, effective Aug. 1, 2011.

You must establish how you will implement policies that are required for this part, which include:
(a) When you will pay relocation expenses if an employee violates his/her service agreement;
(b) When you will authorize separate relocation allowances to an employee and an employee’s immediate family member that are both transferring to the same official station;
(c) When you will grant an employee and/or the employee’s immediate family member(s) an extension on beginning separation travel;
(d) When you will allow an employee to arrange his/her own relocation upon separation;
(e) When you will authorize a temporary change of station (TCS);
(f) When you will define an area not to reimburse for a TCS;
(g) When you will pay extended storage of household goods for TCS; and

§ 302–3.501 Must we establish any specific procedures for paying a relocation allowance to new appointees?

Yes, you must establish specific guidelines for paying a relocation allowance to new appointees. These guidelines must establish the:
(a) Criteria in accordance with 5 CFR part 572 on how you will determine if a new appointee is eligible for the relocation allowances authorized therein; and
(b) Procedures which will provide new appointees with information surrounding his/her benefits.
§ 302–3.502 What factors should we consider in determining whether to authorize a TCS for a long-term assignment?

You should consider the following factors in determining whether to authorize a TCS:

(a) Cost considerations. You should consider the cost of each alternative. A long-term temporary duty travel assignment requires the payment of either per diem or actual subsistence expenses for the entire period of the assignment. This could be very costly to the agency over an extended period. A TCS will require fairly substantial relocation allowance payments at the beginning and end of the assignment, and less substantial payments for extended storage and property management services, when authorized, during the period of the assignment. Agencies should estimate the total cost of each alternative and authorize the one that is most advantageous for the agency, cost and other factors considered;

(b) Tax considerations. An employee who performs a temporary duty travel assignment exceeding one year at a single location is subject to income taxation of his/her travel expense reimbursements. The Income Tax Reimbursement Allowance (ITRA) allows for the reimbursement of Federal, State and local income taxes incurred as a result of an extended temporary duty assignment (see §§ 301–11.501 through 301–11.640 of this title). An employee who is authorized and performs a TCS also will be subject to income taxation of some, but not all, of his/her TCS expenses. You will pay an offsetting Relocation Income Tax (RIT) allowance on an employee's TCS expense reimbursements; and

(c) Employee concerns. The long-term assignment of an employee away from his/her official station and immediate family may negatively affect the employee's morale and job performance. Such negative effects may be alleviated by authorizing a TCS so the employee can transport his/her immediate family and/or household goods at Government expense to the location where he/she will perform the long-term assignment. You should consider the effects of a long-term temporary duty travel assignment on an employee when deciding whether to authorize a TCS.

§ 302–3.503 Must we require employees to sign a service agreement?

Yes, you must require employees to sign a service agreement if the employee is receiving reimbursement for relocation travel expenses, except as provided in §302–3.410 for a temporary change of station.

§ 302–3.504 What information should we include in a service agreement?

The service agreement should include, but not be limited to the following:

(a) The employee's name;

(b) The employee's effective date of transfer or appointment;

(c) The employee's actual place of residence at the time of appointment;

(d) The name of all dependents that are authorized to travel under the TA;

(e) Detailed information regarding the employee's obligation to repay funds spent on his/her relocation as a debt due the Government if the service agreement is violated;

(f) The employee's agreed period of time (see §302–3.505) to remain in service; and

(g) The employee's signature accepting the terms of the agreement.

§ 302–3.505 How long must we require an employee to agree to the terms of a service agreement?

You must require an employee to agree to the terms of a service agreement:

(a) Within the continental United States for a period of service of not less than 12 months following the effective date of your transfer;

(b) Outside the continental United States for an agreed upon period of service of not more than 36 months or less than 12 months following the effective date of transfer;

(c) Department of Defense Overseas Dependent School System teachers for a period of not less than one school year as determined under chapter 25 of Title 20, United States Code; and

(d) Renewal agreement travel for a period of not less than 12 months from
§ 302–3.506 May we pay relocation expenses if the employee violates his/her service agreement?

If an employee does not fulfill the terms of the service agreement, the employee is indebted to the Government for all relocation expenses that have been reimbursed to the employee or that have been paid directly by the Government. However, if the reasons for not fulfilling the terms of the service agreement are beyond the employee’s control and acceptable to the agency, you may release the employee from the service agreement and waive any indebtedness.

NEW APPOINTEES

§ 302–3.507 Once we authorize relocation expenses for new appointees or student trainees what expenses must we pay?

Once you authorize relocation expenses for new appointees or student trainees, you must pay expenses in accordance with § 302–3.2.

§ 302–3.508 What relocation expenses are not authorized for new appointees or student trainees?

You must not pay any expenses to new appointees or student trainees for a relocation that are not listed under § 302–3.2.

(b) Use guidance in 8 U.S.C. 1101(33) which states that “The term residence means the place of general abode; the place of general abode of a person means his principal, actual dwelling place in fact, without regard to intent”; for establishing places of residence; and

(c) Require the employee to sign the service agreement prior to his/her relocation.

§ 302–3.510 When must we pay return travel for immediate family members?

§ 302–3.511 What must we consider when determining return travel for immediate family member(s) for compassionate reasons prior to completion of the service agreement?

You must determine that the public interest requires the return of the immediate family for compelling personal reasons of a humanitarian or compassionate nature, which may involve:

(a) His/her physical or mental health;

(b) The death of a member of the immediate family;

(c) Obligations imposed by authority or circumstances over which the individual has no control;

(d) The divorce or annulment of the employee’s marriage; or

(e) A dependent that traveled to post of duty on the employee’s authorized TA and has now reached his/her 21st birthdate.

§ 302–3.512 How many times are we required to pay for an employee’s return travel?

§ 302-3.515 What special rules must we apply for reimbursement of tour renewal travel for employees stationed, assigned, appointed or transferred to/from Alaska or Hawaii?

The following rules apply:
(a) If on September 8, 1982 the employee was serving or committed to serve a tour of duty in Alaska or Hawaii then the employee shall continue to receive reimbursement for tour renewal agreement travel;
(b) After September 8, 1982 you must determine that tour renewal agreement travel expenses are necessary for the purposes of recruiting and retaining employees and you must inform employees in writing that tour renewal agreement travel for the purposes of recruiting and retention is limited to two round trips beginning within 5 years after the date the employee first begins any period of consecutive tours of duty.

§ 302–4.1 What is a permanent change of station (PCS)?
A permanent change of station (PCS) is an assignment of a new appointee to an official station or the transfer of an employee from one official station to another on a permanent basis.

§ 302–4.2 Am I eligible for subsistence and transportation allowances for PCS travel under this part?
Yes, you are eligible for subsistence and transportation allowances for PCS travel if your agency specifically authorizes relocation expenses under this part and are:
(a) Transferred employees (within or outside CONUS);
(b) New appointees (within or outside CONUS); and
(c) An employee(s) assigned to posts of duty outside CONUS in connection with either overseas tour renewal agreement travel or return travel to places of residence for separation.

Note to § 302–4.2: Also see tables at §§ 302–3.2 and 302–3.101.

Subpart B—Travel Expenses

§ 302–4.100 What PCS travel expenses will my immediate family members receive?
Except as specifically provided in § 302–4.202, the rules (for TDY travel) in chapter 301 of this title will be used for payment of the travel expenses of your immediate family members.

§ 302–4.101 Must my immediate family member(s) and I begin PCS travel at the old official station and end at the new official station?
No, if an alternate location is used, reimbursement is limited to the allowable cost by the usually traveled route between your old and new official stations.

Subpart C—Per Diem

§ 302–4.200 What per diem rate will I receive for en route relocation travel within CONUS?
Your per diem for en route relocation travel between your old and new official stations will be at the standard CONUS rate (see applicable FTR Per Diem Bulletins available on the Internet at http://www.gsa.gov/perdiem). [FTR Amdt. 2003–03, 68 FR 22314, Apr. 28, 2003]

§ 302–4.201 How are my authorized en route travel days and per diem determined for relocation travel?
Your authorized en route travel days and per diem are determined as follows: The number of authorized travel days is the actual number of days used to complete the trip, but not to exceed an amount based on a minimum driving distance per day determined to be reasonable by your agency. The minimum driving distance shall be not less than an average of 300 miles per calendar day. An exception to the daily minimum driving distance may be made when delay is beyond control of the employee, such as when it results from acts of God or restrictions by Government officials; when the employee is physically handicapped; or for other reasons acceptable to the agency.

§ 302–4.202 Are there any circumstances in which a per diem allowance for my immediate family members is not allowed?
Yes, per diem for your immediate family members cannot be authorized if you are:
(a) A new appointee;

§ 302–4.206  How much per diem will my immediate family receive?

Immediate family members age 12 or older receive three-fourths of your per diem rate, and children under 12 receive one-half of your per diem rate.

Subpart D—Mileage Rates for Use of POV

§ 302–4.300  What is the POV mileage rate for PCS travel?

For approved/authorized PCS travel by POV, the mileage reimbursement rate is the same as the moving expense mileage rate established by the Internal Revenue Service (IRS) for moving expense deductions. See IRS guidance available on the Internet at www.irs.gov. GSA publishes the rate for mileage reimbursement in an FTR Bulletin on an intermittent basis. You may find the FTR Bulletins at www.gsa.gov/relo.

[FTR Amdt. 2007–09, 72 FR 70235, Dec. 11, 2007]

§ 302–4.301  Do the rates in § 302–4.300 apply if I am performing overseas tour renewal agreement travel?

No, POV mileage must not be authorized for overseas tour renewal agreement travel.

§ 302–4.302  Are there circumstances that would allow me to receive a higher mileage rate OCONUS?

Yes, your agency may authorize a higher mileage rate at a rate not to exceed the maximum rate prescribed in § 301–10.303 of this title when:

(a) You are expected to use the POV on official business at the new official station;

(b) The common carrier rates for the facilities provided between the old and new official stations, the related constructive taxicab fares to and from terminals, and the per diem allowances prescribed under this part justify a higher mileage rate as advantageous to the Government as determined by your agency; or

(c) The costs of driving the POV to, from, or between official stations located outside CONUS justify a higher mileage rate as advantageous to the Government.

§ 302–4.303  For relocation within the continental United States (CONUS), may I use the actual expense method of reimbursement instead of the POV mileage rate specified in § 302–4.300?

No, for a PCS relocation within CONUS involving POV usage, your agency will reimburse you at the standard mileage rate specified in § 302–4.300.

[72 FR 35188, June 27, 2007]
§ 302–4.304 For relocation outside the continental United States (OCONUS), may my agency allow actual expense reimbursement instead of the POV mileage rate for PCS travel?

Yes, for an OCONUS relocation involving POV usage, your agency may allow reimbursement of certain actual expenses of using the POV (i.e., fuel plus the additional expenses listed in § 301–10.304).

[FTR Amdt. 2007–06, 72 FR 70235, Dec. 11, 2007]

Subpart E—Daily Driving Distance Requirements

§ 302–4.400 Will I be required to drive a minimum distance per day?

Yes, your agency may establish a reasonable minimum driving distance that may be more than, but not less than an average of 300 miles per calendar day.

§ 302–4.401 Are there exceptions to this daily minimum?

Yes, your agency may authorize exceptions to the daily minimum driving distance when there is a delay beyond your control such as acts of God, restrictions by Governmental authorities, or other acceptable reasons; e.g., a physical handicap or special needs. Your agency must have a designated approving official authorize the exception.

§ 302–4.402 Will I be required to document the circumstances causing the delay?

Yes, you must provide a statement on your travel claim explaining the circumstances that caused the delay.

§ 302–4.403 Does this exception require authorization by my approving official?

Yes, authorization by your approving official is required for any exception to the daily minimum driving distance.

§ 302–4.500 If I am authorized to use more than one POV, what are the allowances?

When you are authorized to use more than one POV, the allowances under §§ 302–4.300 and 302–4.302 apply for each POV.

§ 302–4.501 If I use an additional POV that was not authorized for PCS travel, will I be reimbursed for the additional POV?

No, your agency must authorize you reimbursement of the use of more than one POV before you are entitled to reimbursement.

Subpart G—Advance of Funds

§ 302–4.600 May I request an advance of funds for per diem and mileage allowances for PCS travel?

You may request advance of funds for per diem and mileage allowances for PCS travel, except for overseas tour renewal agreement travel.

Subpart H—Agency Responsibilities

(a) How you will implement the regulations throughout this part;

(b) A reasonable minimum driving distance per day that may be more than, but not less than an average of 300 miles per calendar day when use of a POV is used for PCS travel and when you will authorize an exception;

(c) Designation of an agency approving official who will authorize an exception to the daily minimum driving distance; and

(d) When you will authorize the use of more than one POV for PCS travel.
§ 302–4.701 What PCS travel expenses must we pay?
Except as specifically provided in this chapter, PCS travel expenses you must pay are:
(a) Per diem;
(b) Transportation costs; and
(c) Other travel expenses in accordance with 5 U.S.C. 5701–5709 and chapter 301 of this title.

§ 302–4.702 What PCS travel expenses must we pay for the employee’s immediate family members?
Except as specifically provided in this chapter, the reimbursement limits in chapter 301 of this title govern payment of travel expenses you must pay for the employee’s immediate family members.

§ 302–4.703 How do we compute the per diem for an established minimum driving distance per day?
Per diem for an established minimum driving distance per day is computed based on the lodgings-plus per diem system as described in §§ 301–11.100 through 301–11.103 of this title.

§ 302–4.704 Must we require a minimum driving distance per day?
Yes, you must establish a minimum driving distance not less than an average of 300 miles per day. However, an exception to the daily minimum driving distance may be made when the delay is:
(a) Beyond control of the employee, e.g., results from acts of God or restrictions by Government officials;
(b) Due to a physical handicap; or
(c) For other reasons acceptable to you.

§ 302–4.705 What are the allowances if the employee uses more POVs than authorized?
If the employee uses more POVs than authorized, reimbursement will be made as if all persons traveled in the number of POVs that you authorized.

Subpart A—Employee’s Allowance For Househunting Trip Expenses

Note to Subpart A: Use of the pronouns “I” and “you” throughout this subpart refers to the employee.

§ 302–5.1 What is a “househunting trip”?
The term “househunting trip” refers to a trip made by the employee and/or spouse to your new official station locality to find permanent living quarters to rent or purchase. The term “living quarters” in this part includes apartments, condominiums, and cooperatives in addition to townhouses and single family homes.

§ 302–5.2 What is the purpose of the househunting trip expenses allowance?
The allowance for househunting trip expenses is intended to facilitate and expedite the employee’s move from your old official station to your new official station and to lower the Government’s overall cost for the employee’s relocation by reducing the amount of time an employee must occupy temporary quarters. The allowance for househunting trip expenses provides the employee and/or spouse a period of time to concentrate on finding a suitable permanent residence at the new official station and thereby expedites the employee’s relocation.

§ 302–5.3 Am I eligible for a househunting trip expenses allowance?
You are eligible for a househunting trip expenses allowance if you are an employee who is authorized to transfer, and in addition:

(a) Both your old and new official stations are located within the United States;
(b) You are not assigned to Government or other prearranged housing at your new official station; and
(c) Your old and new official stations are 75 or more miles apart (as measured by map distance) via a usually traveled surface route.

§ 302–5.4 Who is not eligible for a househunting trip expenses allowance?
New appointees and employees assigned under the Government Employees Training Act (5 U.S.C. 4109) are not eligible for a househunting trip expenses allowance.

§ 302–5.5 Must my agency authorize payment of a househunting trip expenses allowance?
No, your agency determines when it is in the Government’s interest to authorize you a househunting trip and the procedures you must follow if it is authorized.

§ 302–5.6 Under what circumstances will I receive a househunting trip expenses allowance?
You will receive a househunting trip expenses allowance if:
(a) Your agency authorized you to perform a househunting trip in advance of the travel (the agency authorization must specify the mode of transportation and the period of time allowed for the trip);
(b) You have signed a service agreement;
(c) Your agency has established, and informed you of, the date you are to report to your new official station; and
(d) You meet any additional conditions your agency has established.

§ 302–5.7 Who may travel on a househunting trip at Government expense?
Only you and/or your spouse may travel on a househunting trip at Government expense.
§ 302–5.8 How many househunting trips may my agency authorize in connection with a particular transfer?

Your agency may authorize only one round trip for you and/or your spouse in connection with a particular transfer.

§ 302–5.9 May my spouse and I perform separate househunting trips at Government expense?

Yes, however, your reimbursement will be limited to the cost that would have been incurred if you and your spouse had traveled together on one round trip.

§ 302–5.10 How soon may I and/or my spouse begin a househunting trip?

You may begin your househunting trip as soon as your agency has notified you of your transfer and issued a travel authorization for a househunting trip. To take maximum advantage of your trip, however, it is very important that you become familiar as quickly as you can with your new official station area (e.g., housing market conditions, school locations, etc.). If you are selling your residence at your old official station, you should not begin your househunting trip until you have a current appraisal of the value of the residence so that you can more accurately determine the appropriate price range of residences to consider during your househunting trip.

§ 302–5.11 Is there a time limit on the duration of a househunting trip?

A househunting trip should be for a reasonable period, not to exceed 10 calendar days, as authorized by your agency under § 302–5.101(d).

§ 302–5.12 When must my househunting trip be completed?

You and/or your spouse must complete your househunting trip as indicated in the following table:

<table>
<thead>
<tr>
<th>For</th>
<th>Your househunting trip must be completed by</th>

</thead>
<tbody>
<tr>
<td>You</td>

<td>The day before your family relocates to your new official station; or</td>
</tr>
</tbody>
</table>

The day before the maximum time for beginning allowable travel expires (see § 302–2.100 of this chapter).

§ 302–5.13 What methods may my agency use to reimburse me for househunting trip expenses?

Relocation Allowances

§ 302–5.14 What transportation expenses will my agency pay?

Your agency will authorize you to travel by the transportation mode(s) (e.g., airline, train, or privately owned automobile) it determines to be advantageous to the Government. Your agency will pay for your transportation expenses by the authorized mode(s). If you travel by any other mode(s), your agency will pay your transportation expenses not to exceed the cost of transportation by the authorized mode(s).

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18337, Apr. 1, 2011, § 302–5.14 was revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

§ 302–5.14 What transportation expenses will my agency pay?

(a) Your agency will authorize you to travel by any transportation mode(s) (e.g., common carrier or POV) that it determines to be advantageous to the Government. Your agency will pay for your transportation expenses by the authorized mode(s). If you travel by one or more mode(s) other than the one(s) authorized by your agency, your agency will pay your transportation expenses up to the constructive cost of transportation by the authorized mode(s). For trips of less than 250 miles, your agency will authorize travel by POV, unless there are reasons for not using a POV that are acceptable to the agency (e.g., traveler is physically impaired, does not own or lease a POV, has only one POV that is used for family transportation, or the

POV is not roadworthy for such a trip). POV mileage reimbursement will be in accordance with § 302–4.300 of this chapter.

(b) Unless the agency performs a written cost comparison that demonstrates cost savings, only common carrier may be authorized for trips with a distance of 250 miles or more.

§ 302–5.15 Must I document my househunting trip expenses to receive reimbursement?

To receive reimbursement for househunting trip transportation expenses you must itemize your transportation expenses and provide receipts as required by §§ 301–11.25, 301–11.306 and 301–52.4(b) of chapter 301. For fixed amount househunting trip subsistence reimbursement, you do not need to document your subsistence expenses. For per diem househunting trip subsistence expense reimbursement, you must itemize your lodging expenses and you must provide receipts as required by §§ 301–7.9(b), 301–11.25, 301–11.306 and 301–52.4(b) of chapter 301.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18337, Apr. 1, 2011, § 302–5.15 was amended by removing the words “fixed amount” and adding the words “lump sum” in its place, effective Aug. 1, 2011.

§ 302–5.16 May I receive an advance of funds for househunting trip expenses?

Your agency may authorize an advance of funds, in accordance with § 302–2.20 of this chapter, for your househunting trip expenses. Your agency may not advance you funds in excess of the sum of your anticipated transportation costs and either the maximum per diem allowable under part 302–4 of this chapter for the location and duration of your househunting trip or your fixed amount househunting trip subsistence expenses payment, whichever applies.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18337, Apr. 1, 2011, § 302–5.16 was amended by removing “§ 302–2.20” and adding “§§ 302–2.22, 302–2.23, and 302–2.24” in its place and by removing the words “fixed amount” and adding the words “lump sum” in their place, effective Aug. 1, 2011.
§ 302–5.17 Am I in a duty status when I perform a househunting trip?
Yes, you are in a duty status when you perform a househunting trip.

§ 302–5.18 May I retain any balance left over from my househunting reimbursement if my fixed amount is more than adequate to cover my househunting trip?
Yes, if your fixed househunting amount is more than adequate to cover your househunting expenses any balance belongs to you.

Subpart B—Agency Responsibilities

NOTE TO SUBPART B: Use of pronouns “we”, “you”, and their variants throughout this subpart refers to the agency.

§ 302–5.100 How should we administer the househunting trip expenses allowance?
You should administer the househunting trip expenses allowance to minimize or avoid its use when other satisfactory and more economical arrangement are available.

§ 302–5.101 What governing policies must we establish for the househunting trip expenses allowance?
You must establish policies and procedures governing:
(a) When you will authorize a househunting trip for an employee;
(b) Who will determine if a househunting trip is appropriate in each situation;
(c) If and when you will authorize the fixed amount option for househunting trip subsistence expenses reimbursement;
(d) Who will determine the appropriate duration of a househunting trip for an employee who selects a per diem allowance under part 302–4 of this chapter to reimburse househunting trip subsistence expenses; and
(e) Who will determine the mode(s) of transportation to be used.

EFFECTIVE DATE NOTE: By FTR Amdt. 2011–01, 76 FR 18337, Apr. 1, 2011, § 302–5.101 was amended by removing the words “fixed amount” and adding the words “lump sum” in their place, effective Aug. 1, 2011.

§ 302–5.102 Under what circumstances may we authorize a househunting trip?
You may authorize a househunting trip on an individual-case basis when the employee has accepted the transfer and his/her circumstances indicate that a househunting trip actually is needed. You may not authorize a househunting trip when the purpose of the trip is to assist the employee in deciding whether he or she will accept the transfer.

§ 302–5.103 What factors must we consider in determining whether to offer an employee the fixed amount househunting trip subsistence expense reimbursement option?
You must consider the following factors:
(a) Ease of administration. Payment of a per diem allowance under part 302–4 of this chapter requires you to review claims for the validity, accuracy, and reasonableness of each expense amount, except for meals and incidental expenses. Fixed amount househunting trip subsistence expenses reimbursement is easier to administer because you do not have to review expense amounts.
(b) Cost considerations. You must weigh the cost of each reimbursement option on a case-by-case basis.
(c) Treatment of employees. The employee is allowed to choose between a per diem allowance under part 302–4 of this chapter and fixed amount househunting trip subsistence expenses reimbursement when you offer the fixed amount reimbursement method. You therefore should weigh employee morale and productivity considerations against actual cost considerations in determining which method to offer.

EFFECTIVE DATE NOTE: By FTR Amdt. 2011–01, 76 FR 18337 and 18338, Apr. 1, 2011, § 302–5.103 was redesignated as § 302–5.104; a new § 302–5.103 was added; and the newly redesignated § 302–5.104 was amended by removing the words “Fixed amount” and adding the
Relocation Allowances

words "Lump sum" in their place in para-
(a) and by removing the words "fixed
amount" and adding the words "lump sum"
in their place each time they appear, effec-
tive Aug. 1, 2011. For the convenience of the
user, the added text is set forth as follows:

§302–5.103 What modes of transportation
may we authorize for a househunting
trip?
(a) When the new official station is less
than 250 miles from the old official station,
the required mode of transportation is POV,
unless there are reasons for not using a POV
that are acceptable to the you (e.g., traveler
is physically impaired, does not own or lease
a POV, has only one POV which is used for
family transportation, or the POV is not
roadworthy for such a trip). Reimbursement
for POV mileage is at the rate prescribed in
§302–4.300 of this subchapter.
(b) When the new official station is 250
miles or more from the old official station,
the preferred mode of transportation is com-
mon carrier. However, you may authorize
the use of POV for a househunting trip
longer than 250 miles, provided you complete
a written cost comparison in accordance
with §302–5.14(b).

Subpart A—General Rules

NOTE TO SUBPART A: Use of pronouns “I”, “you”, and their variants throughout this subpart refers to the employee, unless otherwise noted.

§ 302–6.1 What are “temporary quarters”?

The term “temporary quarters” refers to lodging obtained for the purpose of temporary occupancy from a private or commercial source.

§ 302–6.2 What are “temporary quarters subsistence expenses (TQSE)”?

“Temporary quarters subsistence expenses” or “TQSE” are subsistence expenses incurred by an employee and/or his/her immediate family while occupying temporary quarters. TQSE does not include transportation expenses incurred during occupancy of temporary quarters (see §302–6.18 for details).

Relocation Allowances

§ 302–6.18

Government expense within reasonable proximity of your old and/or new official stations. Neither you nor your immediate family may be reimbursed for occupying temporary quarters at any other location, unless justified by special circumstances that are reasonably related to your transfer.

§ 302–6.10 May my immediate family and I occupy temporary quarters at different locations?

Yes. For example, if you must vacate your home at the old official station and report to the new official station and your family remains behind until the end of the school year, you may need to occupy temporary quarters at the new official station while your family occupies temporary quarters at the old official station.

§ 302–6.11 What methods may my agency use to reimburse me for TQSE?

Your agency will reimburse you for TQSE under the actual expense method unless it permits the “fixed amount” reimbursement method as an alternative. If your agency makes both methods available to you, you may select the one you prefer.

EFFECTIVE DATE NOTE: By FTR Amdt. 2011–01, 76 FR 18338, Apr. 1, 2011, §302–6.11 was amended by removing the words “fixed amount” and adding the words “lump sum” in their place, effective Aug. 1, 2011.

§ 302–6.12 Must I document my TQSE to receive reimbursement?

For fixed amount TQSE reimbursement, you do not document your TQSE. For actual TQSE reimbursement, you must document your TQSE by itemizing each expense and providing receipts as required by §§301-11.25, 301-11.306 and 301-52.4(b) of this title.

EFFECTIVE DATE NOTE: By FTR Amdt. 2011–01, 76 FR 18338, Apr. 1, 2011, §302–6.12 was amended by removing the words “fixed amount” and adding the words “lump sum” in their place, effective Aug. 1, 2011.

§ 302–6.13 How soon may I/we begin occupying temporary quarters at Government expense?

As soon as your agency has authorized you to receive a TQSE allowance and you have signed a service agreement.

§ 302–6.14 How is my TQSE allowance affected if my temporary quarters become my permanent residence quarters?

If your temporary quarters become your permanent residence quarters, you may receive a TQSE allowance only if you show in a manner satisfactory to your agency that you initially intended to occupy the quarters temporarily.

§ 302–6.15 May I receive an advance of funds for TQSE?

Yes, if authorized in accordance with §302-2.20 of this chapter, your agency may advance the amount of funds necessary to cover your estimated TQSE expenses for up to 30 days. Your agency subsequently may advance additional funds for periods up to 30 days.

§ 302–6.16 May I receive a TQSE allowance if I am receiving another subsistence expenses allowance?

No, with one exception. You may receive a cost-of-living allowance payable under 5 U.S.C. 5941 in addition to a TQSE allowance.

§ 302–6.17 Am I eligible for a TQSE allowance if I transfer to a foreign area?

No, you may not receive a TQSE allowance under this part when you transfer to an area outside the United States. However, you may qualify for a comparable allowance under the Standardized Regulations (Government Civilians, Foreign Areas) prescribed by the Department of State.

§ 302–6.18 May I be reimbursed for transportation expenses incurred while I am occupying temporary quarters?

Transportation expenses incurred in the vicinity of the temporary quarters are not TQSE, and therefore, there is
§ 302–6.100 What am I paid under the actual TQSE reimbursement method?

Your agency will pay your actual TQSE incurred, provided the expenses are reasonable and do not exceed the maximum allowable amount. The “maximum allowable amount” is the “maximum daily amount” multiplied by the number of days you actually incur TQSE not to exceed the number of days authorized, taking into account that the rates change after 30 days in temporary quarters. The “maximum daily amount” is determined by adding the rates in the following table for you and each member of your immediate family authorized to occupy temporary quarters:

<table>
<thead>
<tr>
<th>Family Member</th>
<th>Rate Description</th>
<th>Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>You and/or your unaccompanied spouse or domestic partner</td>
<td>.75 times the applicable per diem rate</td>
<td>.4 times the applicable per diem rate</td>
</tr>
<tr>
<td>Your accompanied spouse, domestic partner or a member of your immediate family who is age 12 or older</td>
<td>.5 times the applicable per diem rate</td>
<td></td>
</tr>
<tr>
<td>A member of your immediate family who is under age 12</td>
<td>.5 times the applicable per diem rate</td>
<td></td>
</tr>
</tbody>
</table>

For:
- The first 30 days of temporary quarters.
- Any additional days of temporary quarters.

The “maximum daily amount” of TQSE under the actual expense method that You and/or your unaccompanied spouse or domestic partner may receive is the applicable per diem rate.

Your accompanied spouse, domestic partner or a member of your immediate family who is age 12 or older may receive is the applicable per diem rate.

A member of your immediate family who is under age 12 may receive is the applicable per diem rate.

§ 302–6.101 May my agency reduce my TQSE allowance below the “maximum allowable amount”?

Yes, if the estimated daily amount of your TQSE is determined in advance to be lower than the maximum daily amount, your agency may reduce the maximum allowable amount to your expected expenses.

§ 302–6.102 What is the “applicable per diem rate” under the actual TQSE reimbursement method?

The “applicable per diem rate” under the actual TQSE reimbursement method is as follows:

<table>
<thead>
<tr>
<th>Location</th>
<th>Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>The continental United States (CONUS)</td>
<td>The standard CONUS rate.</td>
</tr>
<tr>
<td>Outside the Continental United States (OCONUS)</td>
<td>The locality rate established by the Secretary of Defense or the Secretary of State under § 301–11.6 of this title.</td>
</tr>
</tbody>
</table>

§ 302–6.103 What is the latest period for which actual TQSE reimbursement may begin?

The period must begin before the maximum time for beginning allowable travel and transportation under § 302–2.8.

§ 302–6.104 How long may I be authorized to claim actual TQSE reimbursement?

Your agency may authorize you to claim actual TQSE in increments of 30 days or less, not to exceed 60 consecutive days. However, if your agency determines that there is a compelling reason for you to continue occupying temporary quarters after 60 consecutive days, it may authorize an extension of up to 60 additional consecutive days. Under no circumstances may you be authorized reimbursement for actual TQSE for more than a total of 120 consecutive days.
§ 302–6.105 What is a “compelling reason” warranting extension of my authorized period for claiming an actual TQSE reimbursement?

A “compelling reason” is an event that is beyond your control and is acceptable to your agency. Examples include, but are not limited to when:

(a) Delivery of your household goods to your new residence is delayed due to strikes, customs clearance, hazardous weather, fires, floods or other acts of God, or similar events.

(b) You cannot occupy your new permanent residence because of unanticipated problems (e.g., delay in settlement on the new residence, or short-term delay in construction of the residence).

(c) You are unable to locate a permanent residence which is adequate for your family’s needs because of housing conditions at your new official station.

(d) Sudden illness, injury, your death or the death of your immediate family member; or

(e) Similar reasons.

§ 302–6.106 May I interrupt occupancy of temporary quarters?

Yes, your authorized period for claiming actual TQSE reimbursement is measured on consecutive days, and once begun, normally continues to run whether or not you occupy temporary quarters. You may, however, interrupt your authorized period for claiming actual TQSE reimbursement in the following instances:

(a) For the time allowed for en route travel between the old and new official stations;

(b) For circumstances attributable to official necessity such as an intervening temporary duty assignment or military duty; or

(c) For a non-official necessary interruption such as hospitalization, approved sick leave, or other reason beyond your control and acceptable to your agency.

§ 302–6.107 What effect do partial days of temporary quarters occupancy have on my authorized period for claiming actual TQSE reimbursement?

Occupancy of temporary quarters for less than a whole day constitutes one full day of your authorized period.

(However, see §302–6.110 regarding en route travel.)

§ 302–6.108 When does my authorized period for claiming actual TQSE reimbursement end?

The period ends at midnight on the earlier of:

(a) The day preceding the day you and/or any member of your immediate family occupies permanent residence quarters.

(b) The day your authorized period for claiming actual TQSE reimbursement expires.

§ 302–6.109 May the period for which I am authorized to claim actual TQSE reimbursement for myself be different from that of my immediate family?

No, the eligibility period for which you are authorized to claim actual TQSE reimbursement for yourself and for each member of your immediate family must run concurrently.

§ 302–6.110 What effect do partial days have on my actual TQSE reimbursement?

You may not receive reimbursement under both the actual TQSE allowance and another subsistence expenses allowance within the same day, with one exception. If you claim TQSE reimbursement on the same day that en route travel per diem ends, your en route travel per diem will be computed under applicable partial day rules and you also may be reimbursed for actual TQSE you incur after 6 p.m. of that day.

§ 302–6.111 May I and/or my immediate family occupy temporary quarters longer than the period for which I am authorized to claim actual TQSE reimbursement?

Yes, but you will not be reimbursed for any of the expenses you incur during the unauthorized period.
§ 302–6.200 What am I paid under the fixed amount reimbursement method?
If your agency offers and you select the fixed amount TQSE reimbursement method, you are paid a fixed amount for up to 30 days. No extensions are allowed under the fixed amount method.

§ 302–6.201 How do I determine the amount of my payment under the fixed amount reimbursement method?
Multiply the number of days your agency authorizes TQSE by .75 times the maximum per diem rate (i.e., lodging plus meals and incidental expenses) prescribed in chapter 301 of this subtitle for the locality of the new official station. Then for each member of your immediate family, multiply the same number of days by .25 times the same per diem rate. Your payment will be the sum of this calculation.

§ 302–6.202 Will I receive additional TQSE reimbursement if my fixed amount is not adequate to cover my TQSE?
No, you will not receive additional TQSE reimbursement if the fixed amount is not adequate to cover your TQSE.

§ 302–6.203 May I retain any balance left over from my TQSE lump sum payment if such payment is more than adequate?
Yes, if your lump sum TQSE payment is more than adequate to cover your actual TQSE expenses, any balance belongs to you.

(E.g., if your agency authorizes and you accept a lump sum payment for 15 days of TQSE and you vacate TQ after 10 days for any reason, you would retain the remaining balance for the 5 days of TQSE not incurred).

§ 302–6.204 Am I required to file a voucher after occupying temporary quarters if I selected the TQSE lump sum payment?
No, you are not required to file a voucher after occupying temporary quarters if you have selected the lump sum payment. The intent of the lump sum payment is to simplify the process and eliminate the need for filing a voucher. However, your agency may require that you sign a voucher or other document before they pay your lump sum TQSE to you, and your agency may at any time request proof that you actually occupied TQ, even if not for the full length of time on which the lump sum calculation was based. In the absence of sufficient proof of TQSE occupancy, your agency may demand repayment of the TQSE lump sum payment in accordance with § 302–6.305.
§ 302–6.300 How should we administer the TQSE allowance?

Temporary quarters should be used only if, and only for as long as, necessary until the employee and/or his/her immediate family can move into permanent residence quarters. You must administer the TQSE allowance to minimize or avoid other relocation expenses.

§ 302–6.301 What governing policies must we establish for the TQSE allowance?

You must establish policies and procedures governing:
(a) When you will authorize temporary quarters for employees;
(b) Who will determine if temporary quarters is appropriate in each situation;
(c) If and when you will authorize the fixed amount option for TQSE reimbursement;
(d) Who will determine the appropriate period of time for which TQSE reimbursement will be authorized, including approval of extensions and interruptions of temporary quarters occupancy; and
(e) Who will determine whether quarters were indeed temporary, if there is any doubt.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18338, Apr. 1, 2011, § 302–6.301 was amended in paragraph (c) by removing the words "fixed amount" and adding the words "lump sum" in their place, effective Aug. 1, 2011.

§ 302–6.302 Under what circumstances may we authorize the TQSE allowance?

You may authorize a TQSE allowance on an individual-case basis when use of temporary quarters is justified in connection with an employee’s transfer to a new official station. You may not authorize a TQSE allowance for vacation purposes or other reasons unrelated to the transfer.

§ 302–6.303 What factors should we consider in determining whether the TQSE allowance is actually necessary?

The factors you should consider include:
(a) The length of time the employee should reasonably be expected to occupy his/her residence at the old official station prior to reporting for duty at the new official station. An employee and his/her immediate family should continue to occupy the residence at the old official station for as long as practicable to avoid the necessity for temporary quarters.
(b) The existence of less expensive alternatives. If a less expensive alternative to the TQSE allowance exists that will enable the employee to find permanent quarters at the new official station, you should consider such an alternative. For example, authorize a househunting trip instead of temporary quarters if it would cost less overall.
(c) The existence of other opportunities to arrange for permanent quarters. Consider whether the employee had other adequate opportunity to arrange for permanent quarters. For example, you should not authorize temporary quarters if the employee had adequate opportunity during an extended temporary duty assignment to arrange for permanent quarters.

§ 302–6.304 What factors should we consider in determining whether to offer an employee the fixed amount TQSE reimbursement option?

The factors you should consider include:
(a) Ease of administration. Actual TQSE reimbursement requires an agency to review claims for the validity, accuracy, and reasonableness of each expense amount. Fixed amount TQSE reimbursement does not require review of expense amounts and is therefore easier to administer.
(b) Cost considerations. You must weigh the cost of each alternative. Actual TQSE reimbursement may extend up to 120 consecutive days, while fixed amount TQSE reimbursement is limited to 30 days. Actual TQSE reimbursement may be less expensive, since its ceiling is based on the standard CONUS rate, while fixed amount TQSE
reimbursement is based on the locality per diem rate. However, fixed amount TQSE reimbursement may be less expensive because the maximum daily rate under actual TQSE reimbursement is a higher percentage of the applicable per diem rate than fixed amount TQSE reimbursement.

(c) Treatment of employee. The employee is allowed to choose between actual TQSE reimbursement and fixed amount TQSE reimbursement when you offer the fixed amount TQSE reimbursement method. You therefore should weigh employee morale and productivity considerations against actual cost considerations in determining which method to offer.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18338, Apr. 1, 2011, §302–6.304 was revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

§ 302–6.304 What factors should we consider in determining whether to offer an employee a lump sum payment option for TQSE?

When determining whether to offer an employee the lump sum payment option for TQSE the following factors should be considered:

(a) Ease of administration. A lump sum for TQSE is paid to the employee prior to the occupancy of TQ, and the after the fact voucher process is eliminated under this method. Actual TQSE reimbursement requires an agency to review claims for the validity, accuracy, and reasonableness of each expense amount.

(b) Cost consideration. You should weigh the cost of each alternative. Actual TQSE reimbursement may extend up to 120 days, while the lump sum payment is limited to a maximum of 30 days.

(c) Treatment of employee. The employee is allowed to choose between actual TQSE reimbursement and the lump sum TQSE payment when you offer the lump sum payment method. You therefore should weigh employee morale and productivity considerations against actual cost considerations in determining which method to offer.

§ 302–6.305 What factors should we consider in determining whether quarters are temporary?

In determining whether quarters are “temporary,” you should consider factors such as the duration of the lease, movement of household effects into the quarters, the type of quarters, the employee’s expressions of intent, attempts to secure a permanent dwelling, and the length of time the employee occupies the quarters.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18338, Apr. 1, 2011, §302–6.305 was redesignated as §302–6.307 and a new §302–6.305 was added, effective Aug. 1, 2011. For the convenience of the user, the added text is set forth as follows:

§ 302–6.305 Must we require transferees to sign a statement that TQSE will be incurred?

Yes, transferees electing the TQSE lump sum payment option must sign a statement, which should be included as part of the service agreement, asserting that they will occupy TQ and will incur TQSE. If no TQSE are incurred, the transferee must return all monies advanced for the lump sum TQSE payment to the agency.

§ 302–6.306 When must we make the lump sum TQSE payment to the transferee?

You must pay the transferee the lump sum TQSE payment prior to the occupancy of TQ. You should make the lump sum TQSE payment as close as is reasonably possible to the time that the transferee will begin occupancy of TQ.

SUBCHAPTER D—TRANSPORTATION AND STORAGE OF PROPERTY

PART 302–7—TRANSPORTATION AND TEMPORARY STORAGE OF HOUSEHOLD GOODS AND PROFESSIONAL BOOKS, PAPERS, AND EQUIPMENT (PBP&E)

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18339, Apr. 1, 2011, § 302–7.1 was amended in paragraph (d) by removing “§ 302–3.304” and adding “§§ 302–3.304 through 302–3.315” in its place, effective Aug. 1, 2011.

§ 302–7.3 (7–1–11 Edition)

174
§ 302–7.4 Does the weight of any professional books, papers and equipment (PBP&E) count against the 18,000 pound HHG weight limitation?

Yes, the weight on any PBP&E is generally part of and not in addition to the 18,000 pound HHG weight limitation. However, if the weight of any PBP&E causes the lot to exceed 18,000 pounds, the PBP&E may be transported to the new duty station as an administrative expense of the agency. Authorization for such shipment is granted solely at the discretion of the agency and subject to its policies governing such shipment.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18339, Apr. 1, 2011, § 302–7.4 was revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

§ 302–7.4 Who pays for shipping professional books, papers, and equipment (PBP&E)?

The agency may pay for shipping PBP&E as a discretionary item. When authorized, shipping PBP&E is considered an administrative cost to the agency. However, for ease of administration in calculating this allowance, PBP&E should be included as part of the HHG shipment, if possible. That is, if the net weight of the HHG plus the PBP&E is less than 18,000 pounds, the agency should ship the items together and pay for the HHG shipment in one payment.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18339, Apr. 1, 2011, § 302–7.5 was revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

§ 302–7.5 May the 18,000 pound HHG weight limitation be increased if PBP&E are transported as an administrative expense to the agency?

No, the 18,000 pound HHG weight limitation is mandated by statute and cannot be exceeded. Shipments of PBP&E as an administrative expense to the agency are not subject to the HHG maximum weight allowance.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18339, Apr. 1, 2011, § 302–7.5 was revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

§ 302–7.5 What happens if the HHG shipment exceeds the 18,000 pound HHG weight allowance?

(a) Separate the PBP&E and have the HHG carrier estimate the weight of the PBP&E before the HHG shipment is picked up. Subtract 110 percent of the estimated PBP&E weight (to adjust for packing materials) from the estimated gross weight as shown on the shipping documents (i.e., net weight minus the PBP&E minus 10 percent of the PBP&E). If the result is more than the 18,000 pounds net weight allowance, then the shipment exceeds the net weight allowance.

(b) If you did not discover that the HHG shipment exceeded the net weight allowance in advance, and if you did not weigh or estimate the PBP&E before shipping it, then weigh the PBP&E before it is delivered. Determine if the shipment exceeds the net weight allowance by applying the formula in paragraph (a) of this section.

(c) If the calculation in paragraph (a) of this section shows that the shipment does not exceed the net weight allowance, then the agency may transport and pay for shipping the PBP&E plus packing materials with the household goods.

(d) However, if the calculation in paragraph (a) of this section shows that the shipment may exceed the net weight allowance, and if the employee was authorized PBP&E, then the employee must pay for shipping all weight that exceeds the net weight allowance for their HHG, minus the PBP&E and packing materials for both. The agency may then pay for shipping the PBP&E as an administrative expense.

(e) The agency may require reasonable documentation of the items requesting to be shipped as PBP&E and the weight of the PBP&E.

§ 302–7.6 What are the authorized origin and destination points for the transportation of HHG and PBP&E?

The authorized origin and destination points for the transportation of HHG and PBP&E varies by category of employee and are as follows:

Transportation of HHG and PBP&E

§ 302–7.7 May the origin and destination points be other than that prescribed in § 302–7.6?

Yes, shipments may originate or terminate at any location; however, your reimbursement is limited to the cost of transporting the property in one lot from the authorized origin to the authorized destination.

§ 302–7.8 Is there a time limit for the temporary storage of an authorized HHG shipment?

The initial period of temporary storage at Government expense shall not exceed 90 days in connection with any authorized HHG shipment. The HHG may be placed in temporary storage at origin, in transit, at destination, or any combination thereof. However, upon your written request, an additional 90 days may be authorized by the designated agency official. In no case may the maximum time limit for temporary storage exceed 180 days.

Effective Date Note: By FTR Amdt. 2011-01, 76 FR 18340, Apr. 1, 2011, § 302-7.8 was redesignated as § 302-7.9 and revised and a new § 302-7.8 was added, effective Aug. 1, 2011. For the convenience of the user, the added and revised text is set forth as follows:

§ 302–7.8 At what location can CONUS-to-CONUS or OCONUS-to-CONUS HHG shipments be temporarily stored?

Your HHG may be placed in temporary storage at origin, in transit, at destination, or any combination thereof upon agency approval.

§ 302–7.9 What are the time limits for the temporary storage of authorized HHG shipments?

(a) For CONUS to CONUS shipments. The initial period of temporary storage at Government expense may not exceed 60 days. You may request additional time, up to a maximum of 90 days, and you must make such a request prior to the expiration of the original 60 days. This extension must be approved by the agency official designated for such requests. Under no circumstances may temporary storage at Government expense that in- clude an OCONUS origin or destination exceed a total of 150 days.

(b) For shipments that include an OCONUS origin or destination. The initial period of temporary storage at Government expense may not exceed 90 days. You may request additional time, up to a maximum of 90 days, and you must make such a request prior to the expiration of the original 90 days. This extension must be approved by the agency official designated for such requests. Under no circumstances may temporary storage for shipments at Government expense that include an OCONUS origin or destination exceed a total of 180 days.

§ 302–7.9 What are some reasons that would justify the additional storage beyond the initial 90-day limit?

Reasons for justifying temporary storage beyond the initial 90-day limit include, but are not limited to:

(a) An intervening temporary duty or long-term training assignment;

§ 302–7.12

What are the various methods of shipping HHG and how is the weight determined for each type of shipment?

HHG should be shipped by the most economical method available. The various methods of shipment and weight calculations include the following:

<table>
<thead>
<tr>
<th>Method of shipment</th>
<th>How weight of shipment is determined</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) Uncrated (shipped in HHG movers van or similar conveyance).</td>
<td>The net weight will be shown on the bill of lading or weight certificate attached and includes the weight of barrels, boxes, cartons, and similar material used in packing, but does not include pads, chains, dollies and other equipment to load and secure the shipment.</td>
</tr>
<tr>
<td>(b) Crated shipments</td>
<td>When crated the net weight will not include the weight of the crating material. The net weight will be computed as being 60 percent of the gross weight. However, if the net weight computed in this manner exceeds the applicable weight limitation and if it is determined that, for reasons beyond the employee’s control, unusually heavy crating and packing materials were necessarily used, the net weight may be computed at less than 60 percent of the gross weight.</td>
</tr>
<tr>
<td>(c) Containerized shipments (Special containers designed, e.g., lift vans, CONEX transporters, HHG shipping boxes, for repeated use).</td>
<td>When the known tare weight does not include the weight of interior bracing and padding materials but only the weight of the container, the net weight will be 85 percent of the gross weight less the weight of the container. If the known tare weight includes such material, so that the net weight is the same as it would be for uncrated shipments in interstate commerce, the net weight will not be subject to reduction.</td>
</tr>
<tr>
<td>(d) Constructive weight</td>
<td>If adequate scales are not available at origin, en route or at destination, a constructive weight based on 7 pounds per cubic foot of properly loaded van space may be used. Such weight may be used for a part-load when its weight could not be obtained, without first unloading it or other part-loads being carried in the same vehicle or when the HHG are not weighed because the carrier’s charges for local or metropolitan area moves are properly computed on the basis other than weight or volume of the shipment (as when payment is based on an hourly rate and distance involved). In such instances a statement from the carrier showing the properly loaded van space required for the shipment should be obtained with respect to proof of entitlement to a commuted rate payment when net weight cannot be shown.</td>

**Effective Date Note:** By FTR Amdt. 2011–01, 76 FR 18340, Apr. 1, 2011, § 302–7.12 was redesignated as § 302–7.13 and amended in the second column of the table, by revising the first entry (opposite entry (a) in the first column), to read “An allowance of up to 2,000 pounds, exclusive of the 18,000 pounds net weight of HHG shipment, is used for the packing weight covering barrels, boxes, cartons, and similar material but does not include pads, chains, dollies and other equipment to load and secure the shipment.”, effective Aug. 1, 2011.

§ 302–7.13 What methods of transporting and paying for the movement of HHG, PBP&E and temporary storage are authorized?

There are two authorized methods of transporting and paying for the movement of HHG, PBP&E and temporary storage. Your agency will determine which of the following methods will be authorized.

(a) Commuted rate system. Under the commuted rate system you assume total responsibility for arranging and paying for, at least the following services: packing/unpacking, crating/uncrating, pickup/delivery, weighing, line-haul, drayage, and temporary storage of your HHG and PBP&E with a commercial HHG carrier or by renting self drive equipment for a do-it-yourself move. When any PBP&E is transported as an administrative expense of your agency, all arrangements (e.g., packing/unpacking, pickup/delivery, weighing, temporary storage, etc.) will be handled and paid for by your agency.

(b) Actual expense method. Under the actual expense method, your agency assumes the responsibility for arranging and paying for all aspects (e.g., packing/unpacking, pickup/delivery, weighing, temporary storage, etc.) of transporting your HHG and PBP&E with a commercial HHG carrier.

**Effective Date Note:** By FTR Amdt. 2011–01, 76 FR 18340, Apr. 1, 2011, § 302–7.13 was redesignated as § 302–7.14, effective Aug. 1, 2011.

§ 302–7.14 Are there any disadvantages to using the commuted rate method for transporting HHG, PBP&E and temporary storage?

Yes. The disadvantages to using the commuted rate method for transporting HHG, PBP&E and temporary storage are that the:

(a) Government cannot take advantage of any special rates that may be offered only to Government shipments;
(b) Commuted rate method does not apply to intrastate moves; and
(c) Commuted rate method may not fully reimburse your out-of-pocket expenses.

**Effective Date Note:** By FTR Amdt. 2011–01, 76 FR 18340, Apr. 1, 2011, § 302–7.14 was redesignated as § 302–7.15, effective Aug. 1, 2011.

§ 302–7.15 Must I use the method selected by my agency for transporting my HHG, PBP&E and temporary storage?

No, you do not have to use the method selected (§ 302–7.301) by your agency, and you may pursue other methods; however, your reimbursement is limited to the actual cost incurred, not to exceed what the Government would have incurred under the commuted rate system within CONUS and the actual expense method OCONUS.

**Effective Date Note:** By FTR Amdt. 2011–01, 76 FR 18340, Apr. 1, 2011, § 302–7.15 was redesignated as § 302–7.16 and revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

§ 302–7.16 Must I use the methods selected by my agency for transportation and temporary storage of my HHG and PBP&E?

No, you do not have to use the method selected (see § 302–7.401) by your agency for transportation and temporary storage of your HHG and PBP&E. You may pursue other methods; however, your reimbursement is limited to the actual cost incurred, not to exceed what the Government would have incurred under the method selected by your agency.

§ 302–7.16 Is the maximum weight allowance for HHG and temporary storage limited when quarters are furnished or partly furnished by the Government OCONUS or upon return to CONUS?

When quarters are furnished or partly furnished by the Government OCONUS, your agency may limit the weight of HHG and temporary storage that can be transported to that location. Only the authorized weight allowance that was shipped to the OCONUS location may be returned to CONUS upon completion of the tour of duty, unless the agency makes an exception...

§ 302–7.100 How are the charges of transporting HHG, and temporary storage calculated?

The charges for transporting HHG, and temporary storage are computed by multiplying the number of pounds

§ 302–7.100 How are the charges of transporting HHG, and temporary storage calculated?

The charges for transporting HHG, and temporary storage are computed by multiplying the number of pounds

§ 302–7.110 If my HHG shipment includes an item (e.g., boat, trailer, ultralight vehicle) for which a weight additive is assessed by the HHG carrier, am I responsible for payment?

If your HHG shipment includes an item (e.g., boat or trailer of reasonable size) for which a weight additive is assessed by the HHG carrier (as prescribed in applicable tariffs), and your shipment exceeds the maximum weight prescribed in § 302–7.2, you are responsible for all excess charges and any special packing, crating, and handling of the weight additive item. See § 302–7.200 on how charges are paid and who makes the shipping arrangements.

[EFFECTIVE DATE NOTE: By FTR Amdt. 108, 67 FR 57969, Sept. 13, 2002]

§ 302–7.21 If my HHG shipment includes an item for which a weight additive is assessed by the HHG carrier (e.g., boat, trailer, ultralight vehicle), am I responsible for payment?

(a) No, you will not be responsible for the shipping charges that result from a weight additive so long as the actual weight of your HHG without the additive does not exceed the 18,000 pound net weight allowance for relocation. However you are responsible for any amount your HHG exceeds the 18,000 pound net weight allowance prior to the addition of the weight additive (e.g., when a weight additive of 700 pounds is imposed by a HHG carrier for a 65-pound canoe and the total net weight of the HHG, including the weight additive, is 18,765 pounds, you are only responsible for the 65 pounds actually added by the canoe).

(b) You are also responsible for the cost of special packing, crating, and handling of the weight additive items, if any. See § 302–7.200 on how charges are paid and who makes the shipping arrangements.

Subpart B—Commuted Rate

§ 302–7.100 How are the charges of transporting HHG, and temporary storage calculated?

The charges for transporting HHG, and temporary storage are computed by multiplying the number of pounds

§ 302–7.101 Where can the commuted rate schedules for the transportation of HHG, and temporary storage be found?

The charges for the line-haul transportation, packing, crating, unpacking, drayage incident to transportation, and other accessorial charges for HHG, and temporary storage can be found in the Household Goods Carrier Bureau tariff (issued by the Household Goods Carriers’ Bureau, 1611 Duke Street, Alexandria, VA 22314–3482), tariffs filed with GSA travel management centers, or any other mileage guide authorized by your agency. If the exact mileage is not shown, the next higher mileage distance applies. If there is a minimum weight charge above the actual weight under applicable tariffs, reimbursement will be based on the minimum weight charge instead of the actual weight.

§ 302–7.102 How is the mileage distance determined under the commuted rate method?

To determine the distance from the authorized origin to the authorized destination, the Household Goods Carriers Standard Mileage Guide, or a standard road atlas issued by The Household Goods Carrier’s Bureau, or any other mileage guide authorized by your agency.

NOTE TO §§ 302–7.100 AND 302–7.102: Any substantial deviation from the distances shown in the authorized mileage guides must be explained on the travel claim.

§ 302–7.103 How are the charges calculated when a carrier charges a minimum weight, but the actual weight of HHG, PBP&E and temporary storage is less than the minimum weight charged?

Charges for HHG, PBP&E and temporary storage are calculated based on the minimum weight charged by the carrier, but not to exceed 18,000 pounds.

§ 302–7.104 What documentation must be provided for reimbursement?

When claiming reimbursement under the commuted rate, you must provide:

(a) A receipted copy of the bill of lading (reproduced copies are acceptable) including any attached weight certificate copies if issued; or

(b) Other evidence showing points of origin and destination and the weight of your HHG, if no bill of lading was issued, or

(c) If a commercial HHG carrier is not used, you are responsible for establishing the weight of the HHG, and temporary storage by obtaining proper certified weight certificates. Certified weight certificates include the gross and tare weights. This is required because payment at commuted rates on the basis of constructive weight usually is not possible.

§ 302–7.105 May an advance of funds be authorized for transporting HHG and temporary storage?

An advance of funds may be authorized when the transportation of HHG and temporary storage is authorized under the commuted rate method.

§ 302–7.106 What documentation is required to receive an advance under the commuted rate method?

To receive an advance under the commuted rate method, you must provide a copy of an estimate of costs from a commercial HHG carrier or a written statement that includes:

(a) Origin and destination;

(b) A signed copy of a commercial bill of lading annotated with actual weight (or other evidence of actual weight) or a reasonable estimate acceptable to your agency; and
Relocation Allowances

§ 302–7.300 What policies and procedures must we establish for this part?

You must establish policies and procedures as required for this part, including who will:
(a) Administer your household goods program;
(b) Authorize PBP&E to be transported as an agency administrative expense;
(c) Authorize temporary storage in excess of the initial 90-day limit;
(d) Administer any other arrangements for transportation, temporary storage, and temporary storage facilities.

Subpart E—Committed Rate System

§ 302–7.400 How are charges paid and who makes the arrangements for transporting HHG, PBP&E and temporary storage?

Your agency is responsible for making all the necessary arrangements for transporting HHG, PBP&E, and temporary storage, including but not limited to packing/unpacking, crating/uncrating, pickup/delivery, weighing, line-haul, etc., under the actual expense method. Your agency will issue a Bill of Lading or any other shipping document with all charges billed directly to the agency. Any cost or weight in excess of 18,000 pounds will be at your expense. If the shipment exceeds the maximum weight prescribed in §302–7.2, the Government will pay the total charges and the employee will reimburse the Government for the cost of transportation and other charges applicable to the excess weight.

Subpart F—Agency Responsibilities

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18340 and 18341, Apr. 1, 2011, in part 302–7, subpart D, consisting of §§302–7.300 through 302–7.304, was redesignated as new subpart E, consisting of §§302–7.400 through 302–7.404, and revised, and a new subpart D, consisting of §§302–7.305 through 302–7.306, was added, effective Aug. 1, 2011. For the convenience of the user, the added and revised text is set forth following the text currently in effect.

Note to Subpart D: Use of pronouns “we”, “you”, and their variants throughout this subpart refers to the agency.

§ 302–7.500 What policies and procedures must we establish for this part?

You must establish policies and procedures as required for this part, including who will:
(a) Administer your household goods program;
(b) Authorize PBP&E to be transported as an agency administrative expense;
(c) Administer any other arrangements for transportation, temporary storage, and temporary storage facilities.
§ 302–7.301 Collect any excess cost or charges;

(e) Advise the employee on the Government's liability for any loss and damage claims under 31 U.S.C. 3721–3723; and

(f) Ensure that international HHG shipments by water are made on ships registered under the laws of the United States whenever such ships are available.

§ 302–7.301 What method of transporting HHG should we authorize?

You should authorize one of the following methods, of transporting an employee's HHG, PBP&E and temporary storage. The selected method should be stated on the relocation travel authorization.

(a) Commuted rate system. For relocation or first duty station assignment within CONUS. This method will be used without regard to the actual expense method, unless that method is more economical to the Government and results in a savings of $100 or more. Under this system the employee assumes total responsibility for arranging and paying for, at least the following services: Packing/unpacking, crating/uncrating, pickup/deliver, weighing, line-haul, drayage, and temporary storage of your HHG and PBP&E with a commercial HHG carrier or by renting self drive equipment for a do-it-yourself move. When any PBP&E is transported as an administrative expense of the agency, all arrangements (e.g., packing/unpacking, pickup/delivery, weighing, temporary storage, etc.) will be handled and paid for by you the agency.

(b) Actual expense method. For all shipments OCONUS and where deemed economical to the Government within CONUS. Under the actual expense method, the Government assumes the responsibility for arranging and paying for all aspects (e.g., packing/unpacking, pickup/delivery, weighing, line-haul, drayage, temporary storage, etc.) of transporting the employee's HHG, PBP&E.

§ 302–7.302 What method of transporting should we authorize for PBP&E?

You should authorize the actual expense method for transporting an employee's PBP&E only when the weight of the PBP&E causes the employee's shipment to exceed the maximum 18,000 pound HHG weight limitation. PBP&E should be weighed prior to shipment, if necessary, so the weight can easily be deducted from the 18,000 pound weight allowance. The PBP&E shipment should then be made separately from the HHG shipment and is an administrative expense to your agency.

§ 302–7.303 What guidelines must we follow when authorizing transportation of PBP&E as an administrative expense?

You have the sole discretion to authorize transportation of PBP&E provided that:

(a) An itemized inventory of PBP&E is provided for review by the authorizing official at the new official station;

(b) The authorizing official has certified that the PBP&E are necessary for performance of the employee's duties at the new duty station, and if these items were not transported, the same or similar items would have to be obtained at Government expense for the employee's use at the new official station; and

(c) You have acquired evidence that transporting the PBP&E would cause the employee's HHG to exceed 18,000 pound maximum weight allowances.

NOTE TO § 302–7.303: PBP&E transported as an agency administrative expense to an OCONUS location may be returned to CONUS as an agency administrative expense for an employee separating from Government service.

§ 302–7.304 When HHG are shipped under the actual expense method, and PBP&E as an administrative expense, in the same lot, are separate weight certificates required?

Yes, the weight of the PBP&E and the administrative appropriation chargeable must be listed as separate items on the bill of lading or other shipping document.
Relocation Allowances

Effective Date Note: By FTR Amdt. 2011-01, 76 FR 18340 and 18341, Apr. 1, 2011, in part 302-7, subpart D, consisting of §§302-7.300 through 302-7.304, was redesignated as new subpart E, consisting of §§302-7.400 through 302-7.404, and revised, and a new subpart D, consisting of §§302-7.300 through 302-7.305, was added, effective Aug. 1, 2011. For the convenience of the user, the added and revised text is set forth as follows:

Subpart D—Baggage Allowance

§ 302-7.300 When may I be authorized an unaccompanied air baggage (UAB) shipment?

UAB is used in connection with permanent change of station OCONUS, renewal agreement travel, and temporary change of station. You may be authorized a UAB shipment prior to transferring from a CONUS location to an OCONUS location, between OCONUS locations, or from an OCONUS location to a CONUS location. UAB for CONUS to CONUS shipments is not allowed under the FTR.

§ 302-7.301 Is my UAB shipment in addition to the 18,000 pounds net weight of the HHG weight allowance?

No, for all shipments made under the authority of the FTR, the UAB shipment is part of, not in addition to, the 18,000 pounds net weight allowance for HHG.

§ 302-7.302 What is the maximum weight allowance for a UAB shipment?

The maximum weight allowance your agency may grant for a UAB shipment is—

(a) Up to 350 pounds actual weight (including the weight of the luggage or packing material) for the employee and each immediate family member 12 years of age and over; or

(b) Up to 175 pounds actual weight (including the weight of the luggage or packing material) for each immediate family member under 12 years of age.

§ 302-7.303 When may my agency authorize the shipment of UAB by expedited means?

Your agency may authorize the shipment of UAB by expedited means when:

(a) Shipments by a lower cost mode cannot deliver the items being shipped by the time they will be needed by the employee and/or the employee’s immediate family; or

(b) You certify that expedited shipment of your UAB is necessary to carry out your assigned duties; or

(c) Your agency determines that an expedited shipment is necessary to prevent undue hardship to you and members of your immediate family.

§ 302-7.304 Who makes arrangements for transporting my UAB?

Your agency or your agency’s designee should arrange for the transport of your UAB. In limited situations, the agency may ask the employee to make the arrangements for a UAB shipment.

§ 302-7.305 When must my agency ship my UAB?

Your agency must ship your UAB in time to ensure that your shipment arrives by the time you (and/or your family) report to your new official station. Arrangements should begin prior to your and/or your family’s departure to your new official station.

Subpart E—Agency Responsibilities

NOTE TO SUBPART E: Use of pronouns “we,” “you,” and their variants throughout this Subpart refers to the agency.

§ 302-7.400 What policies and procedures must we establish for this subpart?

You must establish policies and procedures as required for this subpart, including who will:

(a) Administer your household goods program;

(b) Authorize commuted rate or actual expense for transportation and payment for HHG, PBP&E, and temporary storage;

(c) Authorize PBP&E to be transported as an agency administrative expense in accordance with FTR guidelines (usually the authorizing official for PBP&E will be at the employee’s new official station);

(d) Authorize an employee to ship UAB;

(e) Collect any excess costs or charges;

(f) Advise the employee on the Government’s liability for any personal property damage or loss claims (See 31 U.S.C. 3721, et seq.);

(g) Ensure that international HHG shipments by water are made on ships registered under the laws of the United States whenever such ships are available (see The Cargo Preference Act of 1904 (10 U.S.C. 2631) and The Cargo Preference Act of 1954 (46 U.S.C. 55320));

(h) Authorize temporary storage in excess of the initial 60-day limit for CONUS shipments or 90-day limit for OCONUS shipments; and

(i) Ensure pre-payment audits are completed.

§ 302-7.401 What method of transportation and payment should we authorize for shipment and temporary storage of HHG?

There are two methods of arranging and paying for shipment of HHG and providing for temporary storage: actual expense and commuted rate. You must authorize actual expense or commuted rate, depending on which is less costly to the Government. You
must then specify the selected method on the relocation travel authorization.

(a) Actual expense method. Under the actual expense method, the Government assumes the responsibility for arranging and paying for the actual expenses of all aspects of shipping the employee's HHG, including PBP&E, if any. These expenses may include but are not limited to: Packing/unpacking, crating/uncrating, pickup/delivery, weighing, line-haul, drayage, and temporary storage. This method is used for all shipments to/from/between OCONUS, and within CONUS where deemed economical to the Government.

(b) Commuted rate system.

(1) Under the commuted rate system, the employee assumes total responsibility for arranging and paying for the expenses of all aspects of shipping the employee’s HHG, including PBP&E, if any. These expenses may include but are not limited to: Packing/unpacking, crating/uncrating, pickup/delivery, weighing, line-haul, drayage, and temporary storage. This method is used only for shipments within CONUS, and only where it is less costly to the Government than actual expense. The employee may arrange for shipment with a commercial HHG carrier or may rent self-drive equipment for a do-it-yourself move.

(2) The commuted rate is calculated based on published HHG tariffs applied to the actual weight of the goods being shipped (subject also to the weight limitation in §§ 302–7.2 through 302–7.5).

(3) If a PBP&E shipment causes the weight of a shipment under the commuted rate method to exceed the 18,000 pounds net weight allowance for HHG, then the actual cost of shipping that excess weight attributed to the PBP&E may be paid as an administrative expense of the agency. In this case, all related transportation arrangements (e.g., packing/unpacking, crating/uncrating, pickup/delivery, weighing, temporary storage, etc.) associated with shipping this excess weight will be handled and paid for by the agency (see §302–7.5 for the process of determining what will paid for by the agency).

§302–7.402 What method of transportation and payment should we authorize for shipment of PBP&E and UAB?

(a) You should authorize the actual expense method for shipping an employee’s PBP&E only when the weight of the PBP&E causes the employee’s shipment to exceed the maximum 18,000 pounds net HHG weight limitation and in accordance with §302–7.403. Preferably, PBP&E should be identified and weighed prior to shipment, so the weight can easily be deducted from the 18,000 pounds net weight allowance. In cases where the weight of the PBP&E causes the shipment to exceed the 18,000 pounds net weight allowance for HHG, the PBP&E shipment may be paid for as an administrative expense by you, provided you authorized PBP&E.

(b) You should authorize the actual expense method for shipping an employee’s UAB. UAB should be identified, weighed, and shipped prior to shipment of HHG. In cases where the weight of the UAB causes the shipment to exceed the 18,000 pounds net weight allowance for HHG, the cost of the excess weight is the responsibility of the employee. Under the actual expense method of shipment, you are responsible for paying the bill of lading in full and then collecting any excess cost from the employee.

§302–7.403 What guidelines must we follow when authorizing transportation of PBP&E as an administrative expense?

You have the sole discretion to authorize transportation of PBP&E as an administrative expense and may do so provided that:

(a) The authorizing official has certified that the PBP&E is necessary for performance of the employee’s duties at the new duty station;

(b) The authorizing official has certified that, if these items were not transported, the same or similar items would have to be obtained at Government expense for the employee’s use at the new official station;

(c) You have acquired evidence that transporting the PBP&E would cause the employee’s HHG to exceed the 18,000 pounds net weight allowance; and

(d) If you have requested it, the employee has provided reasonable documentation of the items requesting to be shipped as PBP&E and the weight of the PBP&E for review by the authorizing official (who is usually an official at the employee’s new official station).

Note to §302–7.403: PBP&E transported as an agency administrative expense to an OCONUS location may be returned to CONUS as an agency administrative expense for an employee separating from Government service or returning to the actual place of residence and continuing in Government service.

§302–7.404 Are separate weight certificates required when HHG are shipped under the actual expense method and PBP&E are shipped as an administrative expense in the same lot?

Yes, separate weight certificates are required when the PBP&E and its packing allowance pushes the shipment over the net weight allowance. Otherwise, for administrative efficiency, the HHG shipment should be billed and paid for as a single shipment. If separate weight certificates are required, then the weight of PBP&E and the administrative appropriation chargeable must be listed as separate items on the bill of lading or other shipping document.
Relocation Allowances

§ 302–7.405 How must we arrange and pay for transportation of HHG and UAB, if we have authorized actual expense for transportation?

When arranging transportation of HHG and UAB under the actual expense method, you should:

(a) Determine the constructive cost of transporting the HHG plus the UAB, as follows:

(1) Compute the cost of transporting the HHG (not including the UAB) in one lot, by the most economical means; be sure to include the cost of packing and unpacking.

(2) Compute the cost of transporting the UAB.

(3) If the HHG, including the UAB, exceeds the 18,000 pounds net weight allowance, then compute the cost of transporting only the net weight allowance as one shipment; again, be sure to include the cost of packing and unpacking.

(4) The constructive cost is either that described in paragraph (a)(3) of this section or the sum of paragraphs (a)(1) and (a)(2) of this section, depending on whether the weight of the HHG, including the UAB, exceeds the net weight allowance.

(b) Limit the employee’s HHG plus UAB transportation payment to the constructive cost as described in paragraph (a)(4) of this section, so long as it is equal to or less than the 18,000 pound net limit of this Chapter.

(c) Make arrangements for transporting the employee’s HHG and UAB under two separate bills of lading, with direct payment by the agency for both; and

(d) Advise employees of this relocation entitlement limitation and its potential to result in out-of-pocket expenses to the employee. That is, advise employees that they will have to use their personal funds to pay for transporting HHG (including UAB) in excess of 18,000 pounds net weight allowance.

When may extended storage of HHG be authorized?

Your agency may authorize extended storage of HHG under the following circumstances:

(a) Extended storage of HHG may be authorized in lieu of shipment when:
   (1) You are assigned to an isolated duty station within CONUS (see subpart B of this part);
   (2) You are assigned to an overseas official station where your agency limits the amount of HHG you may transport to that location;
   (3) You are assigned to an OCONUS official station and your agency determines extended storage is in the public interest or cost effective to do so; or
   (4) It is necessary for a temporary change of station (TCS).

(b) Extended storage of HHG is not permitted for a career SES employee eligible for last move home benefits.

§ 302–8.2

What is the purpose of extended storage?

The purpose of extended storage is to assist in protecting personal items when you are:

(a) Authorized a temporary change of station (TCS) under § 302–3.400 of this chapter;
(b) Assigned to isolated locations in CONUS to which the employee cannot take or at which the employee is unable to use his/her HHG and personal effects because of the absence of residence quarters at that location;

Your agency will indicate on your travel authorization the specific allowances you are authorized as provided in this chapter.

§ 302–8.4

Subpart B—Extended Storage During Assignment to Isolated Locations in the Continental United States (CONUS)

§ 302–8.100

What is the policy for extended storage of HHG during assignment to isolated locations in CONUS?

Extended storage of HHG belonging to an employee transferred or a new appointee assigned to an official station at an isolated location in CONUS may be allowed only when it is clearly justified under the conditions in this part and is not primarily for the convenience, or at the request of, the employee or the new appointee.

§ 302–8.101

What are the criteria for determining whether an official station is an isolated official station for purposes of this part?

(a) As determined by your agency, an official station at an isolated location is a place of permanent duty assignment in CONUS at which you have no alternative except to live where you are unable to use your HHG because:
   (1) The type of quarters you are required to occupy at the isolated official station will not accommodate your HHG; or
   (2) Residence quarters which would accommodate your HHG are not available within reasonable daily commuting distance of the official station.
(b) The designation of an official station as isolated in accordance with paragraph (a) of this section shall not preclude a determination in individual instances that adequate housing is available for some employees stationed there based on housing which may be available within daily commuting distance and the size and other characteristics of each employee’s immediate family. In such instances the station shall not be considered isolated with regard to you if your agency determines adequate family housing is available for you.

NOTE TO §302–8.101: Heads of agencies concerned are responsible for designating the isolated official station at which conditions exist for allowing extended storage of HHG at Government expense for some or all employees.

§ 302–8.102 Am I eligible for extended storage of HHG and personal effects?

Yes, you are eligible for extended storage of HHG and personal effects if:
(a) You are stationed at an isolated official station which your agency determines meets the criteria in §302–8.101;
(b) You performed relocation travel or travel as a new appointee; and
(c) Your agency authorizes payment for extended storage of your HHG.

§ 302–8.103 Where may my HHG be stored?

Your HHG may be stored either in:
(a) Available Government-owned storage space; or
(b) Suitable commercial storage space obtained by the Government if:
(1) Government-owned space is not available, or
(2) Commercial storage space is more economical or suitable because of location, transportation costs, or for other reasons.

§ 302–8.104 What are the allowable costs for storage?

Allowable costs for storage include the cost of:
(a) Necessary packing;
(b) Crating;
(c) Unpacking;
(d) Uncrating;
(e) Transportation to and from place of storage;
(f) Charges while in storage; and
(g) Other necessary charges directly relating to the storage as approved by your agency.

§ 302–8.105 May I transport a portion of my HHG to the official station and store the remainder at Government expense?

§ 302–8.106 May I change from temporary to extended storage?

Yes, you may change from temporary to extended storage, if authorized by your agency.

§ 302–8.107 May I change from storage at personal expense to extended storage at Government expense?

Yes, you may change from storage at personal expense to extended storage at Government expense, if authorized by your agency.

§ 302–8.108 What is the authorized time period for extended storage of my HHG?

The authorized time period for extended storage of your HHG is for the duration of the assignment not to exceed 3 years. However:
(a) Your agency will conduct periodic reviews to determine whether current housing conditions at your isolated official station warrant continuation of storage;
(b) Eligibility for extended storage at Government expense will terminate on your last day of active duty at the isolated official station. However your HHG may remain in temporary storage for an additional period of time not to exceed 90 days, if approved by your agency.
(c) When eligibility ceases, storage at Government expense may continue until the beginning of the second month after the month in which your tour at the official station OCONUS terminates, unless to avoid inequity your agency extends the period.
Subpart C—Extended Storage During Assignment Outside the Continental United States (OCONUS)

§ 302–8.200 Am I eligible for extended storage during assignment OCONUS?
Yes, you are eligible for extended storage during assignment OCONUS if your agency authorizes it, and if:

(a) The official station is one to which you are not authorized to take, or at which you are unable to use, your HHG; or

(b) Your agency authorizes it as being in the public interest; or

(c) Your agency determines the estimated cost of storage would be less than the cost of round-trip transportation (including temporary storage) of the HHG to your new official station.

§ 302–8.201 Am I entitled to reimbursement for extended storage of HHG?
No, your agency will determine when it is in the Government's interest to reimburse you for extended storage of HHG OCONUS.

§ 302–8.202 Do provisions for the place, choice, or type of storage, allowable costs, or partial storage during assignment OCONUS differ from those prescribed for storage during assignment to isolated locations in CONUS?
No; the same allowable extended storage expenses provided in §§ 302–8.103 through 302–8.108 apply to extended storage OCONUS.

§ 302–8.203 What is the authorized time period for extended storage of my HHG?
Time limitations for extended storage of your HHG will be determined by your agency as follows:

(a) For the duration of the OCONUS assignment plus 30 days prior to the time the tour begins and plus 60 days after the tour is completed;

(b) Extensions may be allowed for subsequent service or tours of duty at the same or other overseas stations if you continue to be eligible as set forth in § 302–8.200; and

(c) When eligibility ceases, storage at Government expense may continue until the beginning of the second month after the month in which your tour at the official station OCONUS terminates, unless to avoid inequity your agency extends the period.

Except for reasons beyond your control and acceptable to DoD, you shall be obligated to reimburse DoD the amount paid for the commercial storage, including related services. If, however, the property was stored in a Government facility, you shall pay DoD an amount equal to the reasonable value of the storage furnished, including related services.

(a) An itemization of all expenses claimed supported by documentation showing that the employee indeed paid all lease settlement fees; and

(b) A total amount for all expenses claimed.

TITLE REQUIREMENTS

§ 302–11.440 How must we determine who holds title to property for reimbursement purposes?

(b) Who holds equitable title interest in the property.

§ 302–11.441 How must we determine if an employee holds equitable title interest in his/her property?

§ 302–12.1 Am I eligible to use a relocation services company?  
Yes, if you are an employee who is authorized to transfer and such transfer includes residence transaction.

§ 302–12.1 Who determines if I may use a RSC?  
Your agency determines whether you may use a RSC and chooses which RSC you may use.

§ 302–12.2 Who determines if I may use a relocation services company?  
Your agency must determine if you may use a relocation services company.  

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18343, Apr. 1, 2011, § 302–12.2 was revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

§ 302–12.2 Under what conditions may I participate in my agency’s homesale program?  
You may participate in your agency’s homesale program, through its RSC contract, blanket purchase agreement, task order, or other formal arrangement (for the remainder of this part, all of these will be referred to as the contract with the RSC) provided you meet all of the following conditions:

(a) You are authorized to relocate;  
(b) Your relocation includes at least one residence transaction;  
(c) You have signed a relocation service agreement;  
(d) Your agency authorizes you to use a RSC with which your agency has a contract;

(b) Have signed a service agreement; and

214
§ 302–12.3  Am I required to participate in homesale counseling?

Yes, you are required to participate in homesale counseling if you are going to use the RSC. The RSC and/or your agency must provide counseling to help you understand the process, select a broker, prepare your home for sale, identify an appropriate selling price, set realistic expectations, etc. This counseling may be in person or via an electronic medium, at your agency’s discretion. Your agency should also provide you with relocation information/counseling prior to you making any decisions to relocate.

§ 302–12.4  For what relocation services expenses will my agency pay?

Your agency will pay the relocation services company’s fees/expenses for the services you are authorized to use. If your agency pays the relocation services company for actual expenses the company incurs on your behalf, payment to the company is limited to what you would have received under the direct reimbursement provisions of this chapter.

EFFECTIVE DATE NOTE: By FTR Amdt. 2011–01, 76 FR 18343, Apr. 1, 2011, § 302–12.4 was redesignated as § 302–12.5 and a new § 302–12.4 was added, effective Aug. 1, 2011. For the convenience of the user, the added text is set forth as follows:

§ 302–12.4  To what terms of the RSC contract am I required to agree?

Your agency determines the contract terms to which you will be required to agree. Examples of these contract terms may include, but are not limited to, the following:

(a) You will participate in counseling provided by the RSC;

(b) You will seriously consider any bona fide offer that you receive during the minimum marketing period;

(c) As a precondition of using its relocation services, you will complete and submit a disclosure form to the RSC to provide thorough information about the age and condition of your home and its systems.

§ 302–12.8  If my agency authorizes me to enter a homesale program, must I accept a buyout offer from the relocation services company?

No, if your agency authorizes you to enter a homesale program, your agency must give you the option to accept or reject an offer from the relocation services company.
§ 302–12.9 What are the income tax consequences if I use a relocation services company?

You may incur income taxes on relocation services provided by a relocation services company and paid for by your agency. Section 82 of the Internal Revenue Code states there shall be included in gross income (as compensation for services) any amount received or accrued, directly or indirectly, by an individual as a payment for or reimbursement of expenses of moving from one residence to another residence which is attributable to employment. You will receive a relocation income tax (RIT) allowance if your agency determines that such expenses are taxable. The Government does not assume responsibility for payment of your taxes, however, and you may wish to consult a tax professional on income tax reporting.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18343, Apr. 1, 2011, § 302–12.9 was redesignated as § 302–12.10, effective Aug. 1, 2011.

Subpart B—Agency’s Use of a Relocation Services Company

Note to Subpart B: Use of pronouns "we", "you", and their variants throughout this subpart refers to the agency.

§ 302–12.100 What are “relocation services”?  
“Relocation services” are services provided by a private company under a contract with an agency to assist a transferred employee in relocating to the new official station. Examples include homesale programs, home marketing assistance, home finding assistance, and property management services.

§ 302–12.101 May we enter into a contract with a relocation services company for the company to provide relocation services?

Yes, you may enter into a contract with a relocation services company for the company to provide relocation services.

§ 302–12.103 May we separately contract for each type of relocation service?

Yes, you may separately contract for each type of relocation service or you may combine several types of relocation services in a single contract.

§ 302–12.104 What is the purpose of contracting for relocation services?

The purpose of contracting for relocation services is to improve the treatment of employees who are directed to relocate to facilitate the retention of a well-qualified workforce.

§ 302–12.105 How must we administer a relocation services contract?

You must balance the positive effects that availability of relocation services has on employee mobility and morale with any increased costs your agency may experience as a result of providing relocation services.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18343, Apr. 1, 2011, § 302–12.105 was revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

§ 302–12.105 Must we have a contract with a RSC that includes a comprehensive homesale program?

No, you are not required to have a contract that includes a comprehensive homesale program (which, for this purpose, is defined as a relocation program that includes a contract with a RSC that provides for buyer value option sales, amended sales, and appraised value purchases by the RSC). However, if you do not have such a program, you must examine and evaluate the objectives and relative costs of your relocation benefits and management processes at least once every two years to determine whether a comprehensive homesale program should be part of your relocation program.
§ 302–12.106 What policies must we establish when offering our employees the services of a relocation services company?

When offering your employees the services of a relocation services company, you must establish policies governing:

(a) The conditions under which you will authorize an employee to use a relocation services company;

(b) Which employees you will allow to use a relocation services company;

(c) What relocation services you will offer an employee; and

(d) Who will determine in each case if an employee may use a relocation services company and what services will be offered.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18343, Apr. 1, 2011, § 302–12.106 was revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

§ 302–12.106 What rules must we follow when contracting for a comprehensive homesale program?

You must follow the rules contained in the Federal Acquisition Regulations (FAR) (48 CFR) and/or all other procurement regulations applicable to your agency.

§ 302–12.107 What rules must we follow when contracting for relocation services?

You must follow the rules contained in the Federal Acquisition Regulations (FAR) (48 CFR) and/or other procurement regulations applicable to your agency.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18344, Apr. 1, 2011, § 302–12.107 was removed and reserved, effective Aug. 1, 2011.

§ 302–12.108 What are the income tax consequences that we must consider when offering relocation services?

Amounts you pay to a relocation services company on behalf of an employee may be taxable to the employee. In some cases, such as certain homesale programs, the amounts may not be taxable. You must determine the taxability of such payments, and pay a relocation income tax (RIT) allowance in accordance with part 302–17 of this chapter on payments you determine to be taxable to the employee. You may contact the: Assistant Chief Counsel (Income Tax & Accounting), Internal Revenue Service, 1111 Constitution Avenue, N.W., Room 5501, Washington, DC 20224, for information on the income tax consequences of payments you make to a relocation services company.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18344, Apr. 1, 2011, § 302–12.108 was added and reserved, effective Aug. 1, 2011.

§ 302–12.109 What must we consider in deciding whether to use the fixed-fee or cost-reimbursable contracting method?

You must consider the following factors in deciding whether to use the fixed-fee or cost-reimbursable contracting method:

(a) Risk of alternative methods. Under a fixed fee contract, the relocation services company bears all risks not expressly contained in the contract. Under a cost-reimbursable contract, you must assume some or all risks and, therefore, must assume some management responsibilities under the contract as well. For example, under a fixed fee homesale program you are not directly liable for losses incurred if a residence does not sell immediately, while under a cost-reimbursable homesale program you assume some or all risks of selling the residence.

(b) Cost of alternative methods. Under the fixed fee method of contracting, the fee includes a cost component for risks assumed by the relocation services company. Under the cost-reimbursable method of contracting, you are directly responsible for some or all of the costs associated with management of the contract. In deciding whether to use cost-reimbursable contracting you, therefore, must consider the cost of resources you would require (including personnel costs) to manage a cost-reimbursable relocation services contract.

(c) Effect on the obligation of funds. You must obligate funds for a relocation in the fiscal year in which the purchase order is awarded under the contract. Under the fixed fee contracting method, the amount of the relocation services fee is fixed and you have a basis for determining the amount of
§ 302–12.109, Nt.

funds to obligate. Under the cost-reimbursable contracting method, you must obligate funds based on an estimate of the costs that will be incurred. When opting for cost-reimbursable contracting you, therefore, should establish a reliable method of computing fund obligation estimates.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18344, Apr. 1, 2011, § 302–12.109 was redesignated as § 302–12.116 and a new § 302–12.109 was added, effective Aug. 1, 2011. For the convenience of the user, the added text is set forth as follows:

§ 302–12.109 May we require employees to participate in counseling before listing their homes?

Yes, you may require that employees participate in counseling before listing their homes, provided this is written into your agency’s relocation policy. This is a common practice in the private sector. Please note, however, that this may exclude from your homesale program any employee who lists his/her home before the relocation travel authorization is approved. If you choose to make this part of your agency policy, you should make a major, ongoing effort to inform as many of your potential transferees as possible of this policy.

§ 302–12.110 May we take title to an employee’s residence?

No, you may not take title to an employee’s residence except as specified by statute. The statutes which form the basis for the provisions of this part do not provide such authority.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18344, Apr. 1, 2011, § 302–12.110 was redesignated as § 302–12.117 and a new § 302–12.110 was added and reserved, effective Aug. 1, 2011.

§ 302–12.111 Under a homesale program, may we establish a maximum home value above which we will not pay for homesale services?

Yes, if a home exceeding the maximum value above which you will not pay is sold under your homesale program, the employee will be responsible for any additional costs. You must establish a maximum amount commensurate with your agency’s experience. You may consider, among other factors, budgetary constraints, the value range of homes in areas where you have offices, and the value range of homes previously entered in your program.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18344, Apr. 1, 2011, § 302–12.111 was redesignated as § 302–12.118 and a new § 302–12.111 was added, effective Aug. 1, 2011. For the convenience of the user, the added text is set forth as follows:

§ 302–12.111 May we require an employee to use a real estate broker specified by the RSC?

Yes, you may require, through your contract with the RSC, that every employee enrolled in the homesale program use a real estate broker specified by the RSC. This provision is not part of the standard terms for a homesale program, but it may provide a pricing advantage in negotiations with potential RSCs, as well as an opportunity for better management of the homesale process.

§ 302–12.112 Under a homesale program, may we pay an employee for losses he/she incurs on the sale of a residence?

No, under a home sale program, you may not pay an employee for losses he/she incurs on the sale of a residence, but this does not preclude you reimbursing a relocation service’s company for losses incurred while the contractor holds the property.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18344, Apr. 1, 2011, § 302–12.112 was redesignated as § 302–12.119 and a new § 302–12.112 was added, effective Aug. 1, 2011. For the convenience of the user, the added text is set forth as follows:

§ 302–12.112 May we require an employee to use a mortgage service provider specified by the RSC?

No. Under the Real Estate Procedures Settlement Act (RESPA), you may not require that the employee obtain any mortgage from a lender specified by the RSC. The RSC may provide the employee access to multiple mortgage service providers as long as there is no use requirement, and the employee is provided a choice. Allowing the RSC to provide access to multiple providers is not part of the standard terms for a homesale program, but it may provide a pricing advantage in negotiations with potential RSCs, as well as an opportunity for better management of the homesale process.
§ 302–12.113 Under a homesale program, may we direct the relocation services company to pay an employee more than the fair market value of his/her residence?

No, under a homesale program, you may not direct the relocation services company to pay an employee more than the fair market value (as determined by the residence appraisal process) of his/her home.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18344, Apr. 1, 2011, § 302–12.113 was redesignated as § 302–12.120 and a new § 302–12.113 was added, effective Aug. 1, 2011. For the convenience of the user, the added text is set forth as follows:

§ 302–12.113 What must we do when planning, establishing, and administering a RSC contract?

(a) When planning and establishing a RSC contract, you must structure the contract so that it provides the best possible value to the Government, considering costs, tax implications, morale, mobility, employee choice, productivity, and any other relevant considerations. For most agencies and most relocations, this structure will include the possibility of a BVO sale or an amended value sale.

(b) Once you have a RSC contract, you must monitor costs and tax consequences and make adjustments as necessary, to ensure that your homesale program continues to provide the same best value to the Government.

§ 302–12.114 May we use a relocation services contract for services which we are contractually bound to obtain under another travel services contract?

No, you may not use a relocation services contract to which you are contractually bound to obtain the services of a relocation service provider or to circumvent the travel and transportation expense payment system contract if you are a user of that contract.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18344, Apr. 1, 2011, § 302–12.114 was redesignated as § 302–12.121 and a new § 302–12.114 was added, effective Aug. 1, 2011. For the convenience of the user, the added text is set forth as follows:

§ 302–12.114 What policies must we establish when offering our employees the services of a RSC?

(a) The conditions under which you will authorize an employee to use the contract with the RSC;

(b) Which employees you will allow to use the contract with the RSC;

(c) Which services the RSC will provide to the employee;

(d) Who will determine in each case if an employee may use the contract with the RSC and which services the RSC will provide;

(e) How you will monitor and evaluate the counseling provided by you and/or the RSC to your employees; and

(f) How you will monitor and maintain an appropriate balance between the three types of homesale transactions in your homesale programs (appraised value, buyer value option, and amended value).

PART 302–14—HOME MARKETING INCENTIVE PAYMENTS

Subpart B—Agency Responsibilities

302–14.100 How should we administer our home marketing incentive payment program? 302–14.101 What policies must we establish to govern our home marketing incentive payment program? 302–14.102 What factors should we consider in determining whether to establish a home marketing incentive payment program? 302–14.103 What factors should we consider in determining the amount of a home marketing incentive payment?

Source: FTR Amdt. 98, 66 FR 58196, Nov. 20, 2001, unless otherwise noted.
§ 302–14.1 What is a “homesale program”?
A “homesale program” is a program offered by an agency through a contractual arrangement with a relocation services company. The relocation services company purchases a transferred employee’s residence at fair market (appraised) value and then independently markets and sells the residence.

§ 302–14.2 What is the purpose of a home marketing incentive payment?
The purpose of a home marketing incentive payment is to reduce the Government’s relocation costs by encouraging transferred employees to participate in their employing agency’s homesale program to independently and aggressively market, and find a bona fide buyer for their residence. This significantly reduces the fees/expenses their agencies must pay to relocation services companies and effectively lowers the cost of such programs.

§ 302–14.3 Am I eligible to receive a home marketing incentive payment?
Yes, you are eligible to receive a home marketing incentive payment if you are an employee who is authorized to transfer and you otherwise meet requirements for sale of your residence at Government expense.

§ 302–14.4 Must my agency pay me a home marketing incentive?
No, your agency determines when it is in the Government’s interest to offer you a home marketing incentive.

§ 302–14.5 Under what circumstances will I receive a home marketing incentive payment?
You will receive a home marketing incentive payment when:
(a) You enter your residence in your agency’s homesale program;
(b) You independently and aggressively market your residence;
(c) You find a bona fide buyer for your residence as a result of your independent marketing efforts;
(d) You transfer the residence to the relocation services company;
(e) Your agency pays a reduced fee/expenses to the relocation services company as a result of your independent marketing efforts;
(f) You meet any additional conditions your agency has established, including but not limited to, mandatory marketing periods, list price guidelines, closing requirements, and residence value caps; and
(g) Your agency has established a home marketing incentive program.

§ 302–14.6 How much may my agency pay me for a home marketing incentive?
Your agency will determine the amount of your home marketing incentive payment. The incentive payment, however, may not exceed the lesser of:
(a) Five percent of the price the relocation services company paid when it purchased the residence from you; or
(b) The savings your agency realized from the reduced fee/expenses it paid as a result of you finding a bona fide buyer.

§ 302–14.7 Are there tax consequences when I receive a home marketing incentive payment?
Yes, the home marketing incentive payment is considered income. Consequently, you will be taxed, and your agency will withhold income and employment taxes, on the home marketing incentive payment. You will not, however, receive a withholding tax allowance (WTA) to offset the withholding on your home marketing incentive payment, nor will you receive a relocation income tax (RIT) allowance payment for substantially all of your Federal, state and local income taxes on the incentive payment.

Subpart B—Agency Responsibilities

NOTE TO SUBPART B: Use of pronouns “we”, “you”, and their variants throughout this subpart refers to the agency.
§ 302–14.100 How should we administer our home marketing incentive payment program?

Your goal in using an incentive payment program is to reduce your overall relocation costs. You must not make a home marketing incentive payment that exceeds the savings you realize from the reduced fees/expenses you pay the relocation services company.

§ 302–14.101 What policies must we establish to govern our home marketing incentive payment program?

You must establish policies to govern:
(a) The conditions under which you will authorize a home marketing incentive payment for an employee;
(b) The amount of the home marketing incentive payment(s) you will offer (or) the method you will use to compute your home marketing incentive payments; and
(c) Who will determine in each case whether a home marketing incentive payment is authorized.

§ 302–14.102 What factors should we consider in determining whether to establish a home marketing incentive payment program?

In determining whether to establish a home marketing incentive payment program, you should consider:
(a) Whether the program will increase the percentage of residences sold for which employees find a bona fide buyer. You should establish a benchmark for the percentage of residences for which you expect employees to find a bona fide buyer resulting in lower homesale costs to you. If your historical percentage of employee-generated sales is below your benchmark, a home marketing incentive payment program may benefit you; and
(b) The expected net savings from a home marketing incentive payment program.

§ 302–14.103 What factors should we consider in determining the amount of a home marketing incentive payment?

In determining the amount of a home marketing incentive payment, you should consider the:
(a) Amount of savings from reduced fee/expenses paid to the relocation services company. The home marketing incentive payment program is intended to reduce your relocation costs. The amount of each home marketing incentive payment you make, therefore, must not exceed the savings you realize from the reduced fee you pay to the relocation services company; and
(b) Employee’s efforts in marketing the residence. The purpose of a home marketing incentive payment program is to encourage a transferred employee who participates in a homesale program to independently and aggressively market his/her residence and find a bona fide buyer.

PART 302–15—ALLOWANCE FOR PROPERTY MANAGEMENT SERVICES

Subpart A—General Rules for the Employee

Sec.

Subpart B—Agency Responsibilities

302–15.70 What governing policies must we establish for the allowance for property management services?

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18344, Apr. 1, 2011, the authority citation for part 302–15 was revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

source: FTR Amdt. 98, 66 FR 58196, Nov. 20, 2001, unless otherwise noted.

Subpart A—General Rules for the Employee

Note to Subpart A: Use of pronouns “I”, “you”, and their variants throughout this subpart refers to the employee.

§ 302–15.1 What are property management services?

”Property management services” are programs provided by private companies for a fee, which help an employee to manage his/her residence at the old official station as a rental property. These services typically include, but are not limited to, obtaining a tenant, negotiating the lease, inspecting the property regularly, managing repairs and maintenance, enforcing lease terms, collecting the rent, paying the mortgage and other carrying expenses from rental proceeds and/or funds of the employee, and accounting for the transactions and providing periodic reports to the employee.

§ 302–15.2 What are the purposes of the allowance for property management services?

The purpose of the allowance for property management services is reduce overall Government relocation costs when used instead of sale of the employee’s residence at Government expense. When authorized in connection with an employee’s transfer to a foreign area post of duty, relieve the employee of the costs of maintaining a home in the United States while stationed at a foreign area post of duty.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18344, Apr. 1, 2011, § 302–15.2 was revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

§ 302–15.2 What are the purposes of the property management services allowance?

The purposes of the property management services allowance are:

(a) Reduce overall Government relocation costs by using the property management services allowance in place of allowances for the sale of the employee’s residence; and

(b) Relieve employees transferred to OCONUS duty stations from the costs of maintaining a home in CONUS during their tour of duty.

§ 302–15.3 Am I eligible for payment for property management services under this part?

Yes, you are eligible for payment for property management services when:

(a) You transfer in the interest of the Government; and

(b) You and/or a member(s) of your immediate family hold(s) title to a residence which you are eligible to sell at Government expense under part 302–11 or part 302–12 of this chapter.

§ 302–15.4 Who is not eligible for payment for property management services?

New appointees, employees assigned under the Government Employees Training Act (5 U.S.C. 4109), and employees transferring wholly outside the United States are not eligible for payment for property management services. However, relocations wholly outside the United States do not affect previously authorized property management services as long as the employee continues to meet the requirements of § 302–15.6 and any other conditions established by the agency.
§ 302–15.5 Is my agency required to authorize payment for property management services?

No, your agency is not required to authorize payment for property management services. However, your agency determines:

(a) When you meet the conditions set forth in § 302–15.3;
(b) When to authorize payment for these services; and
(c) What procedures you must follow when it authorizes such payment.

§ 302–15.6 Under what circumstances may my agency authorize payment under this part?

(a) For a relocation to an official station in the United States, your agency may authorize payment under this part when:

1. You are being returned from a foreign area post of duty to a different official station than the one from which you were transferred for your foreign tour of duty;
2. Your agency has determined that property management services is more advantageous and cost effective for the Government than having to sell your residence;
3. You have signed a service agreements; and
4. You meet any additional conditions that your agency has established.

(b) For relocations to official stations outside the United States, your agency will authorize payment under this part when you meet conditions set forth in paragraphs (a)(3) and (4) of this section.

§ 302–15.7 For what property may my agency authorize payment under this part?

Under this part, payment may be authorized only for your residence at the last official station in the United States from which you transferred.

§ 302–15.8 When my agency authorizes payment for me under this part, am I obligated to use such services, or may I elect instead to sell my residence at Government expense?

You are not obligated to use your authorized property management services allowance. You have the option of choosing to sell your residence at Government expense or to use the property management services allowance.

§ 302–15.9 Must I repay property management expenses my agency paid under this part if I elect to sell my former residence in the United States at Government expense when I am transferred from my current foreign post of duty to an official station in the United States other than the one I left?

No, you are not required to repay any property management expenses paid by your agency if you elect to sell your former residence in the United States when transferred from your post of duty to an official station in the United States. The authority for your agency to pay for property management services under this part when you are transferred to a foreign post of duty arises from your transfer to the foreign post of duty. It is separate from, and in addition to, the authority to sell your residence at Government expense when you are transferred to an official station in the United States other than the official station from which you were transferred to the foreign post of duty.

§ 302–15.10 How long may my agency pay under this part?

Your agency may pay:

(a) For transfers within the United States for a period not to exceed 2 years from your effective date of transfer, with up to a 2-year extension, under the same conditions required in § 302–11.21 of this chapter; or
(b) From the time you transfer to a foreign area post of duty until you:

1. Transfer back to an official station in the United States; or
2. Complete a service agreement at your post of duty and remain there, but do not sign a new service agreement; or
3. Separate from Government service.

Effective date note: By FTR Amdt. 2011–01, 76 FR 18344, Apr. 1, 2011, § 302–15.10 was amended in paragraph (a) by removing “2 years” and adding “one year” in its place, and by removing “2-year” and adding “1-year” in its place, effective Aug. 1, 2011.
§ 302–15.11

If my agency authorized, and I elected to receive, payment for property management expenses, may I later elect to sell my residence at Government expense?

Yes, you may change your selection from receiving property management expenses to selling your residence at Government expense provided:
(a) Your agency allows you to change your election of payment from property management expenses to the sale of your residence at Government expense; and
(b) Payment for sale of your residence at Government expense is offset in accordance with your agency’s policy established under § 302–15.70(d).

§ 302–15.12

If my agency is paying for property management services under this part and my service agreement expires, what must I do to ensure that payment for property management services continues?

You must sign a new service agreement (see § 302–2.13 of this chapter) to continue to this benefit.

§ 302–15.13

What are the income tax consequences when my agency pays for my property management services?

When your agency pays for your property management services, you will be taxed on the amount of expenses your agency pays for property management services whether it reimburses you directly or whether it pays a relocation service company to manage your residence. Your agency must pay you a relocation income tax (RIT) allowance for the additional federal, state and local income taxes you incur on property management expenses it reimburses you or pays on your behalf.

Note to § 302–15.13: You may wish to consult with a tax advisor to determine whether you will incur any additional tax liability, unrelated to your agency’s payment of your property management expenses, as a result of maintaining your residence as a rental property.

§ 302–15.70

What governing policies must we establish for the allowance for property management services?

You must establish policies and procedures governing:
(a) When you will authorize payment for property management services for an employee who transfers in the interest of the Government;
(b) Who will determine, for relocations to official stations in the United States, whether payment for property management services is more advantageous and cost effective than sale of an employee’s residence at Government expense;
(c) If and when you will allow an employee who was offered and accepted payment for property management services to change his/her mind and elect instead to sell his/her residence at Government expense in accordance with paragraph (d) of this section; and
(d) How you will offset expenses you have paid for property management services against payable expenses for sale of the employee’s residence when an eligible employee who elected payment for property management services later changes his/her mind and elects instead to sell his/her residence at Government expense.

Effective Date Note: By FTR Amdt. 2011–01, 76 FR 18344, Apr. 1, 2011, § 302–15.70 was revised, effective Aug. 1, 2011. For the convenience of the user, the revised text is set forth as follows:

The amount of a broker’s fee or real estate commission, or other real estate sales transaction expenses which normally are reimbursable to the employee under §302–11.200 of this chapter, but have been paid by a relocation service company incident to an assigned sale from the employee, provided that such payments constitute income to the employee. For the purposes of this regulation, an assigned sale occurs when an employee obtains a binding agreement for the sale of his/her residence and assigns the inherent rights and obligations of that agreement to a relocation company that is providing services under contract with the employing agency. For example, if the employee incurs an obligation to pay a specified broker’s fee or real estate commission under the terms of the sales agreement, this obligation along with the sales agreement is assigned to the relocation company and may, upon payment of the obligation by the relocation company, constitute income to the employee. (See §302–12.7 of this chapter entitled “Income tax consequences of using relocation companies.”)

(2) For employees transferred on or after October 12, 1984. Expenses paid by a relocation company providing relocation services to the transferred employee pursuant to a contract with the employing agency to the extent such payments constitute income to the employee. (See §302–12.7 of this chapter.)

NOTE: See reference shown in parentheses for reimbursement provisions for each allowance listed in paragraphs (a) through (i) of this section. See section 217 of the Internal Revenue Code (IRC) and Internal Revenue Service (IRS) Publication 521 entitled “Moving Expenses” and appropriate State and local tax authority publications for additional information on the taxability of moving expense reimbursements and the allowable tax deductions for moving expenses.
(d) Any tax liability resulting from paid or reimbursed expenses for shipment of a privately owned automobile.
(e) Any tax liability resulting from an excess of reimbursed amounts over the actual expense paid or incurred. For instance, if an employee’s reimbursement for the movement of household goods is based on the commuted rate schedule and his/her actual moving expenses are less than the reimbursement, the tax liability resulting from the difference is not covered by the RIT allowance. (See §302–17.8(c)(2)(i).)
(f) Any tax liability resulting from an employee’s decision not to deduct moving expenses for which a tax deduction is allowable under the Internal Revenue Code or appropriate State and local tax codes. (See §§302–17.8(b)(1) and 302–17.8(c)(2).)
(g) Any tax liability resulting from the payment of recruitment, retention, or relocation bonuses authorized by the Office of Personnel Management pursuant to 5 U.S.C. 5753 and 5754, or any other provisions which allow relocation payments that are not reimbursements for travel, transportation, and other expenses incurred in relocation.

§302–17.5 Definitions and discussion of terms.
For purposes of this part, the following definitions will apply:
(a) State income tax. A tax, imposed by a State tax authority, that is deductible for Federal income tax purposes as a State income tax under section 164(a)(3) of the IRC. “State” means any one of the several States of the United States and the District of Columbia.
(b) Local income tax. A tax, imposed by a recognized city or county tax authority, that is deductible for Federal income tax purposes as a local (city or county) income tax under section 164(a)(3) of the IRC; except, that for employees transferred on or after November 14, 1983, through October 11, 1984, local income tax shall be construed to mean only city income tax. For purposes of this regulation:
(1) City means any unit of general local government which is classified as a municipality by the Bureau of the Census, or which is a town or township that in the determination of the Secretary of the Treasury possesses powers and performs functions comparable to those associated with municipalities, is closely settled, and contains within its boundaries no incorporated places as defined by the Bureau of the Census (31 CFR 215.2(b)(1)).
(2) County means any unit of local general government which is classified as a county by the Bureau of the Census (31 CFR 215.2(e)).
(c) Covered moving expense reimbursements or covered reimbursements. As used herein, these terms include those moving expenses listed in §302–17.3 as being covered by the RIT allowance and which may be furnished in kind, or for which reimbursement or an allowance is provided by the Government.
(d) Covered taxable reimbursements. Covered moving expense reimbursements minus the tax deductions allowable under the IRC and IRS regulations for moving expenses. (See determination in §302–17.8(c).)
(e) Year 1 or reimbursement year. The calendar year in which reimbursement or payment for moving expenses is made to, or for, the employee under the provisions of this part. All or part of these reimbursements (see §302–17.6) are reported to the IRS as income (wages, salary, or other compensation) to the employee for that tax year under the provisions of the IRC and IRS regulations, and are subject to Federal tax withholding. The withholding tax allowance (WTA) (see paragraph (f)(1) of this section) is calculated in Year 1, to cover the employee’s Federal tax withholding obligations each time covered moving expense reimbursements are made that result in a Federal tax withholding obligation. For purposes of this part, an advance of funds for any of the covered moving expenses is not considered to be a reimbursement or a payment until the travel voucher settlement for such expenses takes place. If an employee’s reimbursement for moving expenses is spread over more than one year, he/she will have more than one Year 1.
(f) Year 2. The calendar year in which a claim for the RIT allowance is paid.
(1) Generally, Year 2 will be the calendar year immediately following Year 1 and in which the employee files a tax
Relocation Allowances

§ 302–17.5

return reflecting his/her tax liability for income received in Year 1. However, there may be instances where the employee’s claims submission and/or payment of the RIT allowance is delayed beyond the calendar year immediately following Year 1. (Year 1 will always be the calendar year that reimbursements are received; see paragraph (e) of this section.) Year 2 will be the calendar year in which the RIT allowance is actually paid.

(2) The RIT allowance is calculated in Year 2 and paid to cover the additional tax liability (resulting from moving expense reimbursements received in Year 1) not covered by the WTA paid in Year 1. If an employee’s covered taxable reimbursements are spread over more than one year, he/she will have more than one Year 2.

(g) Federal withholding tax rate (FWTR). The tax rate applied to incremental income to determine the amount to be withheld for Federal income tax from salary or other compensation such as moving expense reimbursements. Because moving expense reimbursements constitute supplemental wages for Federal income tax purposes, the 20 percent flat rate of withholding is generally applicable to such reimbursements. (See §302–17.7(c).) Agencies should refer to the Treasury Financial Manual, TFM 3–5000, and applicable IRS regulations for complete and up-to-date information on this subject.

(h) Earned income. For purposes of the RIT allowance, “earned income” shall include only the gross compensation (salary, wages, or other compensation such as reimbursement for moving expenses and the related WTA (see paragraph (n) of this section) and any RIT allowance (see paragraph (m) of this section) paid for moving expense reimbursement in a prior year) that is reported as income on IRS Form W-2 for the employee (employee and spouse, if filing jointly), and if applicable, the employee’s net earnings (or loss) for self-employment income shown on Schedule SE of the IRS Form 1040. Earned income may be from more than one source. (See §302–17.8(d).)

(i) Marginal tax rate (MTR). The tax rate (for example, 33 percent) applicable to a specific increment of income. The Federal, Puerto Rico, and State marginal tax rates to be used in calculating the RIT allowance are located at www.gsa.gov/trbulletin (see §302–17.14). (See §302–17.8(e)(3) for instructions on local marginal tax rate determinations.)

(j) Combined marginal tax rate (CMTR). A single rate determined by combining the applicable marginal tax rates for Federal (or Puerto Rico, when applicable), State, and local income taxes, using formulas provided in §302–17.8(e)(5).

(k) Gross-up. Payment for the estimated additional income tax liability incurred by an employee as a result of reimbursements or payments by the Government for the covered moving expenses listed in §302–17.3.

(l) Gross-up formulas. The formulas used to determine the amount of the gross-up for the WTA and the RIT allowance. The gross-up formulas used herein compensate the employee for the initial tax, the tax on tax, etc. Note that the WTA gross-up formula in §302–17.7(d) is different than the RIT gross-up formula prescribed in §302–17.8(f).

(m) RIT allowance. The amount of payment computed and paid in Year 2 to cover substantially all of the estimated additional tax liability incurred as a result of the covered moving expense reimbursements received in Year 1.

(n) Withholding tax allowance (WTA). The withholding tax allowance (WTA), paid in Year 1, covers the employee’s Federal income tax withholding liability on covered taxable reimbursements received in Year 1. The amount is computed by applying the withholding gross-up formula prescribed in §302–17.7(d) (using the Federal withholding tax rate) each time that a Federal withholding obligation is incurred on covered moving expense reimbursements received in Year 1. Grossing-up the Federal withholding amount protects the employee from using part of his/her moving expense reimbursement to pay Federal withholding taxes. (See §302–17.7.)

(o) State gross-up. Payment for the estimated additional State income tax liability incurred by an employee as a result of reimbursements or payments
§ 302–17.6 Procedures in general.

(a) This regulation sets forth procedures for the computation and payment of the RIT allowance and defines agency and employee responsibilities. This part does not require changes to those internal fiscal procedures established by the individual agencies pursuant to IRS regulations, or the Treasury Financial Manual, provided that the intent of the statute authorizing the RIT allowance and this part are not disturbed.

(b) The total amount reimbursed or paid to the employee, or on his/her behalf, for travel, transportation, and other relocation expenses and allowances is includable in the employee’s gross income pursuant to the IRC and certain State or local government tax codes. Some moving expenses for which reimbursements are received may be deducted from income by the employee as moving expense deductions, subject to certain limitations prescribed by the IRS or pertinent State or local tax authorities. Reimbursements for nondeductible moving expenses are subject to income tax. (See IRS Publication 521 entitled “Moving Expenses” and the appropriate State and local tax codes for detailed information.)

(c) Usually, if the employee is reimbursed for nondeductible moving expenses, the amount of these reimbursements is subject to withholding of Federal income tax in accordance with IRS regulations at the time of reimbursement. Under existing fiscal procedures, the amount of the employee’s withholding obligation is usually deducted from the employee’s travel and transportation expenses at the time of reimbursement or from the employee’s salary. (See Treasury Financial Manual.)

(d) Payment of a WTA established herein will offset deductions for the Federal income tax withholding on moving expense reimbursements, and on the WTA itself, from the employee’s moving expense reimbursements or from salary.

(e) The total amount of the RIT allowance can be computed after the end of Year 1 as soon as the earned income level, income tax filing status, total covered taxable reimbursements, and the applicable marginal tax rates can be determined. Employee claims for the RIT allowance should be submitted in accordance with this part and the employing agency’s procedures.

§ 302–17.7 Procedures for determining the WTA in Year 1.

(a) General rules. The WTA is designed to cover only the employee’s withholding tax obligation for Federal income taxes on income resulting from covered moving expense reimbursements. (See definition in §302–17.5(c).) Other withholding tax obligations, if any, such as for social security taxes or for State and/or local income taxes on income resulting from moving expense reimbursements shall not be included in the calculation of the WTA payment. The amount of the WTA is equal to the Federal income tax withholding obligation incurred by the employee on covered moving expense reimbursements (which are not offset by deductible moving expenses) and on the WTA itself. Each time covered moving expense reimbursements are paid to or on behalf of the employee, the WTA shall be calculated, accounted for, and reported as provided in paragraphs (b) through (g) of this section.

(b) Determination of amount of reimbursement subject to withholding. Under IRS regulations, income resulting from reimbursements for nondeductible
moving expenses is subject to withholding of Federal income taxes. (See IRS Publication 521, "Moving Expenses.") There are some moving expenses which may be reimbursed but are not covered taxable reimbursements (see definition in § 302–17.5(d)) for purposes of the WTA and RIT allowance calculations, such as extended storage of household goods. (See exclusions in § 302–17.4.) Therefore, the actual amount of the covered taxable reimbursements may be different than the amount of nondeductible moving expenses subject to Federal income tax withholding. The difference in these amounts should not be substantial; therefore, the amount of nondeductible moving expenses subject to Federal income tax withholding, as determined by the agency pursuant to IRS regulations, may be used in calculating the WTA. (Note that the RIT calculation procedure in § 302–17.8 requires determination of covered taxable reimbursements.)

(c) Determination of Federal withholding tax rate (FWTR). Moving expense reimbursements constitute supplemental wages for Federal income tax purposes. Therefore, an agency must withhold at the withholding rate applicable to supplemental wages. Currently, the supplemental wages withholding rate is 28 percent. The supplemental wages withholding rate should be used in calculating the WTA unless under an agency’s withholding procedures a different withholding rate is used pursuant to IRS tax regulations. In such cases, the applicable withholding rate shall be substituted for the supplemental wages withholding rate in the calculation shown in paragraph (d) of this section.

(d) Calculation of the WTA. The WTA is calculated by substituting the amounts determined in paragraphs (b) and (c) of this section into the following WTA gross-up formula:

\[ Y = \frac{X}{1-X} \cdot N \]

Where:
- \( Y \) = WTA
- \( X \) = FWTR (generally, 28 percent)
- \( N \) = nondeductible moving expenses/covered taxable reimbursements

Example:

If:
- \( X = 28 \text{ percent} \)
- \( N = $20,000 \)

Then:

\[ Y = \frac{0.28}{1-0.28} \cdot (20,000) \]

\[ Y = 0.3889 \cdot (20,000) \]

\[ Y = $7778.00 \]

(e) WTA payment and employee agreement for repayment. (1) The WTA may be calculated several times within Year 1 if reimbursements for moving expenses are made on more than one travel voucher. Each time an employee is reimbursed for moving expenses which are subject to Federal tax withholding in accordance with the IRS regulations, the WTA will be calculated and paid unless the employee fails to comply with the requirements in paragraph (e)(2) of this section.

(2) The employee shall be required to agree in writing to repay any excess amount paid to him/her in Year 1 (see §§ 302–17.8(f)(5) and 302–17.9(b)(3)), and submit the required certified tax information and claim for his/her RIT allowance within a reasonable length of time (as determined by the agency) after the close of Year 1. Failure of the employee to comply with this requirement will preclude the agency’s payment of the WTA. The entire WTA will be considered an excess payment if the RIT allowance claim is not submitted in a timely manner to settle the RIT allowance account.

(f) Determination of employee’s withholding tax on WTA. Since the amount of the WTA is considered income to the employee, it is subject to the same tax withholding requirements as all other moving expense reimbursements. (See Treasury Financial Manual, Section 4080, Moving Expense Reimbursements, for withholding requirements.)

(g) End of year reporting. At the end of the year, agencies generally are required to issue IRS Form(s) W-2 for each employee showing total gross compensation (including moving expense reimbursements) and the applicable amount of Federal taxes withheld. For tax reporting purposes, the WTA is to be treated as a moving expense reimbursement. The total amount of the employee’s WTA’s paid
during the year as well as the amount of moving expense reimbursements should be included as income on the employee's Form W-2. The Federal tax withholding amount applicable to the moving expense reimbursements and the WTA should also be included on the employee's Form W-2. The amount of the WTA's also will be furnished to the employee along with the amount of moving expense reimbursements on IRS Form 4782 or another itemized listing provided for the employee's use in preparing his/her tax return (see IRS regulations for further guidance) and in claiming the RIT allowance as provided in § 302–17.8.

§ 302–17.8 Rules and procedures for determining the RIT allowance in Year 2.

(a) Summary/overview of procedures. The RIT allowance will be calculated and claimed in Year 2. This can be accomplished as soon as the employee can determine earned income (as defined herein), income tax filing status, covered taxable reimbursements for Year 1, and the applicable marginal tax rate. The RIT allowance is then calculated using the gross-up formula under procedures prescribed herein. Since the RIT allowance is considered income, appropriate withholding taxes on the RIT allowance are deducted and the balance constitutes the net payment to the employee. Rules, procedures, and the prescribed tax tables for these calculations are provided in paragraphs (b) through (g) of this section, and in an annual Federal Travel Regulation (FTR) Bulletin located at www.gsa.gov/ftrbulletin.

(b) General rules and assumptions. (1) The procedures prescribed herein for calculations and payment of the RIT allowance are based on certain assumptions jointly developed by GSA and IRS, and tax tables developed by IRS. This approach avoids a potentially controversial and administratively burdensome procedure requiring the employee to furnish extensive documentation, such as certified copies of actual tax returns and reconstructed returns, in support of a claim for a RIT allowance payment. Specifically, the following assumptions have been made:

(i) The employee will claim allowable moving expense deductions for the same tax year in which the corresponding moving expense reimbursements are included in income;

(ii) Changes to the IRC, applicable to the 1987 and subsequent tax years, require that allowable moving expense deductions must be taken as an itemized deduction from gross income rather than as an adjustment to gross income as in previous tax years. It is assumed that employees will receive the benefit of allowable moving expense deductions to offset income either by itemizing their moving expense deductions or through the increased standard deductions.

(iii) Prior to the Tax Reform Act of 1986, it was assumed that the employee's (and spouse's, if a joint return is filed) earned income, filing status, and CMTR determined for Year 1 (and used in determining the RIT allowance in Year 2) would remain the same or would not be substantially different in the second and subsequent tax years. However, the Tax Reform Act of 1986 substantially changed the Federal tax structure making it necessary to compute a separate CMTR for Year 1 and for Year 2. (See paragraph (e) of this section.) The formula for calculating the RIT allowance to be paid in 1988 and subsequent years is shown in paragraph (f) of this section. It is assumed that within the accuracy of the calculation, the State and local tax rates for Year 1 shall be used in calculating the CMTR for Year 2.

(2) The prescribed procedures, which yield an estimate of an employee's additional tax liability due to moving expense reimbursements, are to be used uniformly. They are not to be adjusted to accommodate an employee's unique circumstance which may differ from the assumed circumstances stated in paragraph (b)(1) of this section.

(3) An adjustment of the RIT allowance paid in Year 2 for the covered taxable reimbursements received in Year 1 is required if the tax information certified on the RIT allowance claim is different than that shown on the actual Federal tax return filed with IRS for
(c) Determination of covered taxable reimbursements. (1) Generally, the amount of the covered taxable reimbursements is the difference between (i) the amount of covered moving expense reimbursements for the allowances listed in §302-17.3 that was included in the employee’s income in Year 1, and (ii) the maximum amount of allowable moving expenses that may be claimed as a moving expense deduction by the employee on his/her Federal tax return under IRS tax regulations to offset the income resulting from moving expense reimbursements for Year 1. The covered taxable reimbursements will be determined as if the employee had itemized and deducted all allowable moving expense deductions. (See assumption made in paragraph (b)(1)(ii) of this section.) If the employee was precluded from claiming moving expense deductions because he/she does not meet IRS requirements for the distance test, then the amount of covered taxable reimbursements is the same as the amount of covered moving expense reimbursements. (See §302-17.3(d).) 

(2) For purposes of calculating the RIT allowance, the following special rules apply to the determination of moving expense deductions to offset moving expense reimbursements reported as income:

(i) The total amount of reimbursement (which was reported as income) for the expenses of en route travel for the employee and family (see §302-17.3(a)) and transportation (including up to 30 days temporary storage) of household goods (see §302-17.3(b)) to the new official station shall be used as a moving expense deduction. (See also §302-17.4(e) and (f).) 

(ii) The total amount of reimbursement for a househunting trip, temporary quarters (up to 30 days at new station) and real estate transaction expenses (see §302-17.3(e), (f), (g), and (i)), up to the maximum allowable deduction under IRS tax regulations, shall be used as a moving expense deduction. For example, an employee and spouse filing a joint return and residing in the same household at the end of the tax year may deduct up to $3,000 for these expenses. (No more than $1,500 of the $3,000 may be claimed for a househunting trip and temporary quarters expenses combined.) If the employee was reimbursed $1,350 for a househunting trip and temporary quarters expenses and $9,000 for real estate expenses, the moving expense deductions would be $1,350 for the househunting trip and temporary quarters expenses and $1,650 for real estate expenses. If the employee’s reimbursement was $1,850 for the househunting trip and temporary quarters expenses and $9,000 for real estate expenses, the moving expense deductions would be $1,500 for the househunting trip and temporary quarters expenses and $1,500 for real estate expenses. If the employee had no reimbursement for a househunting trip and temporary quarters, the full $3,000 would be applied to the $9,000 reimbursement for real estate expenses. (See IRS Publication 521, “Moving Expenses,” for these and other maximums which vary by situation and filing status.)

(3) Procedures and examples are provided herein as if all moving expense reimbursements are received in one year with all moving expense deductions applied in that same year to arrive at the covered taxable reimbursements. However, when reimbursements span more than one year, the amount of covered taxable reimbursements must be determined separately for each reimbursement year (Year 1). The maximum moving expense deductions apply to the entire move. Under IRS tax regulations, the employee has some discretion as to when he/she claims these deductions (e.g., in the year of the move when the expense was paid or in the year of reimbursement, if these actions do not occur in the same year). However, for purposes of the RIT allowance procedures, the moving expense deductions will be applied in the year that the corresponding reimbursement is made. For example, if an employee incurred and was reimbursed $1,000 for a househunting trip and temporary quarters in 1989 and an additional $1,000 for temporary quarters in 1990, this employee, according to his/her particular
situation and tax filing status, may de-
duct $1,500 of these expenses in moving
expense deductions. In calculating the
RIT allowance for 1989, $1,000 of the
$1,500 deduction is used to offset the
$1,000 reimbursement in 1989 resulting
in zero covered taxable reimburse-
ments for the househunting trip and
temporary quarters for 1989. The re-
mainning $500 (balance of the $1,500 not
used in determining covered taxable re-
imbursements for 1989) will be used to
offset the $1,000 temporary quarters re-
imbursement in 1990 (second Year 1),
leaving $500 of the temporary quarters
reimbursement as a covered taxable re-
imbursement for 1990.

(4) Although the WTA amount is in-
cluded in income (see §302–17.7), it shall
not be included in the amount of cov-
ered taxable reimbursements. Under
the procedures and formulas estab-
lished herein, the proper amount of the
RIT allowance is calculated using the
RIT gross-up formula with the WTA
and any prior RIT allowance payments
excluded from covered taxable reim-
bursements.

(5) Agencies are cautioned that there
may be moving expenses reimbursed to
the employee that are not covered by
the RIT allowance. (See exclusions in
§302–17.4; also see discussion in §302–
17.7 regarding covered taxable reim-
bursements versus nondeductible ex-
penses.)

(d) Determination of income level and
filing status. In order to determine the
CMTR’s needed to calculate the RIT al-
lowance, the employee must determine
the appropriate amount of earned in-
come (as prescribed herein) that was or
will be reported on his/her Federal tax
return for the tax year in which the
covered taxable reimbursements were
received (Year 1). Such amount will
also include the spouse’s earned income
if a joint filing status is claimed. For
purposes of this regulation, appropriate
earned income shall include only the
amount of gross compensation reported
on IRS Form(s) W-2; and, if applicable,
the net earnings (or loss) from self-em-
ployment income as shown on Schedule
SE of IRS Form 1040. (See §302–17.5(h).)
(Note that moving expense reimburse-
ments including the WTA amounts and
any RIT allowance paid for a prior
Year 1 are to be included in earned in-
come and should be shown as income
on the Form W-2; if they are not, other
appropriate documentation shall be
furnished by the agency.) (See §302-
17.7(g).) The amount of earned income
as determined under this paragraph
and the tax filing status (for example,
from lines 1 through 5 on the 1987 IRS
Form 1040) shall be contained in a cer-
tified statement on, or attached to, the
voucher claiming the RIT allowance.
(See §302–17.10.) If a joint filing status
is claimed and the spouse’s earned in-
come is included, the spouse must sign
the certified statement. If the spouse
does not sign the statement, earned in-
come will include only the employee’s
earned income and the RIT allowance
will be calculated on that basis. This
condition will not apply if an employee
is allowed, under IRS rules, to file a
joint return as a surviving spouse.

(e) Determination of the CMTR’s. The
gross-up formula used to calculate the
RIT allowance in paragraph (f) of this
section, requires the use of two
CMTR’s—one for Year 1 in which reim-
bursements were received and the
other for Year 2 in which the RIT al-
lowance is paid. CMTR’s are single tax
rates calculated to represent the Fed-
eral, State, and/or local income tax
rates applicable to the earned income
determined for Year 1. (See paragraph
(d) of this section.) The CMTR’s will be
determined as follows:

(1) Federal marginal tax rates. The
Federal marginal tax rates for Year 1
and Year 2 are determined by using the
income level and filing status deter-
mined under paragraph (d) of this sec-
tion and contained in the certified
statement by the employee (or em-
ployee and spouse) on the RIT allow-
ance claim, and applying the pre-
scribed Federal tax tables located at
www.gsa.gov/frtbulletin. For example, if
the income level for the 1989 tax year
(Ye Year 1) was $84,100 for a married em-
ployee filing a Federal joint return, the
Federal marginal tax rate would be 33
percent for Year 1 (1989) (see the appro-
priate RIT tax table(s) located at
www.gsa.gov/frtbulletin) and 28 percent
for Year 2 (1990) (see the appropriate
RIT tax table(s) located at
www.gsa.gov/frtbulletin). These rates
would be used regardless of how much
Relocation Allowances § 302–17.8

of the $84,100 was attributable to reimbursement for the employee’s relocation expenses. (Note that these marginal rates are different from the withholding tax rate used for the WTA.) If the employee incurs only Federal income tax (i.e., there are no State or local taxes), the Federal marginal tax rates determined from the appropriate RIT tax table(s) located at www.gsa.gov/ftrbulletin are the CMTR’s to be used in the RIT gross-up formula provided in §302–17.8(f). In such cases, the provisions of paragraphs (e)(2) and (3) of this section, do not apply.

(2) State marginal tax rate. (i) If the employee incurs an additional State income tax (see definition in §302–17.5(a)) liability as a result of moving expense reimbursements, the appropriate State tax table located at www.gsa.gov/ftrbulletin is to be used to determine the applicable State marginal tax rate that will be substituted into the formula for determining the CMTR for both Year 1 and Year 2. The appropriate State tax table will be the one that corresponds to the tax year in which the reimbursements are paid to the employee (Year 1). The income level determined in paragraph (d) of this section for Federal taxes shall be used to identify the appropriate income bracket in the State tax table. The applicable State marginal tax rate is obtained from the selected income bracket column for the State where the employee is required to pay State income tax on moving expense reimbursements. The tax rates shown in the table apply to all employees regardless of their filing status, except where a separate rate is shown for a single filing status.

(ii) The lowest income bracket shown in the State tax tables located at www.gsa.gov/ftrbulletin is $20,000-$24,999. In cases where the employee’s (employee’s and spouse’s, if filing jointly) earned income as determined under paragraph (d) of this section is less than this income bracket, an appropriate State marginal tax rate shall be established by the employing agency from the applicable State tax code or regulations issued pursuant thereto. Such State marginal tax rate shall be representative of the earned income level in question but in no case more than the marginal tax rate established located at www.gsa.gov/ftrbulletin for the $20,000-$24,999 income bracket for the particular State in which an additional tax obligation has been incurred.

(iii) The prescribed State marginal tax rates generally are expressed as a percent of taxable income. However, if the applicable State marginal tax rate is stated as a percentage of the Federal income tax liability, the State tax rate must be converted to a percent of taxable income to be used in the CMTR formulas in paragraph (e)(5) of this section. This is accomplished by multiplying the applicable Federal tax rate for Year 1 by the applicable State tax rate. For example, if the Federal tax rate is 33 percent for Year 1 and the State tax rate is 25 percent of the Federal income tax liability, the State tax rate stated as a percent of taxable income would be 8.25 percent. The State tax rate thus determined for Year 1 will be used in determining the CMTR for both Year 1 and Year 2.

(iv) An employee may incur a State income tax liability on moving expense reimbursements in more than one State at the same or different marginal tax rates (i.e., double taxation). For example, an employee may incur taxes on moving expense reimbursements in one State because of residency in that State, and in another State because that particular State taxes income earned within its jurisdiction irrespective of whether the employee is a resident. In such cases, a single State marginal tax rate must be determined for use in the CMTR formulas in paragraph (e)(5) of this section. The general rules in paragraph (e)(2)(iv) (A) through (C) of this section apply in determining the applicable single State marginal tax rate in such cases.

(A) If two or more States impose an income tax on an employee’s moving expense reimbursement, but no two States tax the same portion of the reimbursement, then the reimbursement is not subject to double taxation. In this situation, the average of the applicable State marginal tax rates, as determined under paragraphs (e)(2) (i) through (iii) of this section, shall be treated as being imposed on the entire reimbursement, and shall be used in the CMTR formula.
§ 302–17.8

(B) If two or more States impose an income tax on the moving expense reimbursement, and more than one State taxes the same portion of the reimbursement, but those States allow an adjustment or credit for income taxes paid to the other State(s), then the reimbursement is not subject to double taxation. In this situation, the highest of the applicable State marginal tax rates, as determined under paragraphs (e)(2) (i) through (iii) of this section, shall be used in the CMTR formula.

(C) If two or more States impose an income tax on the moving expense reimbursement, and more than one State taxes the same portion of the reimbursement without allowing an adjustment or credit for income taxes paid to the other, then the reimbursement is subject to double taxation. In this situation, the sum of the applicable State marginal tax rates, as determined under paragraphs (e)(2) (i) through (iii) of this section, shall be used in the CMTR formula.

(3) Local marginal tax rate. Because of the impracticality of establishing a single marginal tax rate table for local income taxes that could be applied uniformly on a nationwide basis, appropriate local marginal tax rates shall be determined as provided in paragraphs (e)(3)(i) through (iii) of this section, shall be used in the CMTR formula.

(i) If the employee incurs an additional local income tax (see definition § 302–17.5(b)) liability as a result of moving expense reimbursements, he/she shall certify to such fact when claiming the RIT allowance (see certification statement in § 302–17.10) by specifying the name of the locality imposing the income tax and the applicable marginal tax rate determined from the actual marginal tax rate table or schedule prescribed by the taxing locality. The marginal tax rate shall be the one applicable to the taxable income portion of the amount of earned income determined under paragraph (d) of this section for the employee (and spouse, if filing jointly). The same tax rate shall be used in calculating the CMTR for both Year 1 and Year 2. The employing agency shall establish procedures to determine whether the employee-certified local marginal tax rate is appropriate for the employee's income level and filing status and approve its use in the CMTR formulas.

(4) Marginal tax rates for the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, and the U.S. possessions—(i) The Commonwealth of Puerto Rico. A Federal employee who is relocated to or from a point, or between points, in the Commonwealth of Puerto Rico may be subject to income tax on the employee's salary (including moving expense reimbursements) by both the U.S. Government and the government of Puerto Rico. However, under the current law of Puerto Rico, such employee receives a credit on his/her Puerto Rico income tax for the amount of taxes paid to the United States. The rules in paragraphs (e)(4)(i)(A) through (C) apply in determining the marginal tax rate applicable for transfers to, from, or between points in Puerto Rico.

(A) The applicable Puerto Rico marginal tax rate shall be determined by using the income level determined in paragraph (d) of this section for Federal taxes and the employee's filing status. The Puerto Rico marginal tax
Relocation Allowances § 302–17.8

rate for Year 1 will be used in computing the CMTR for both Year 1 and Year 2. The Puerto Rico tax tables are located at www.gsa.gov/ftrbulletin.

(B) If the applicable Puerto Rico marginal tax rate is higher than the applicable Federal marginal tax rate, then the total amount of taxes paid by the employee to both jurisdictions is equal to the employee’s total income tax liability to the Commonwealth of Puerto Rico before any credit is given for taxes paid to the United States. The Federal marginal tax rate, therefore, is of no consequence and will be disregarded. In such cases, the formula in paragraph (e)(5)(iii) of this section will be used to compute the CMTR. The CMTR formula shall include only the Puerto Rico marginal tax rate, the State marginal tax rate as determined under paragraph (e)(2) of this section (when applicable), and the local marginal tax rate as determined under paragraph (e)(3) of this section. For purposes of applying the Puerto Rico CMTR formula in paragraph (e)(5)(iii) of this section, the State marginal tax rate will be applicable if both Puerto Rico and one or more of the States impose an income tax on the moving expense reimbursement, and more than one of these entities taxes the same portion of the reimbursement without allowing an adjustment or credit for income taxes paid to the other. In this situation, the S component of the CMTR formula will be the applicable State marginal tax rate as determined under paragraph (e)(2) of this section.

(C) If the applicable Puerto Rico marginal tax rate is equal to or lower than the applicable Federal marginal tax rate, then the total amount of taxes paid by the employee to both jurisdictions is equal to the employee’s total Federal income tax liability. The Puerto Rico marginal tax rate, therefore, is of no consequence in such cases and will be disregarded. The CMTR will be computed using the formula in paragraphs (e)(5) (i) and (ii) of this section. This formula will include the Federal marginal tax rate as determined under paragraph (e)(1) of this section, the State marginal tax rate as determined under paragraph (e)(2) of this section (when applicable), and the local marginal tax rate as determined under paragraph (e)(3) of this section. The State marginal tax rate will be applicable if one or more States impose tax on the moving expense reimbursement.

(ii) The Commonwealth of the Northern Mariana Islands and the U.S. possessions. A Federal employee who is relocated to or from a point, or between points, in the Commonwealth of the Northern Mariana Islands or the U.S. possessions (Guam, American Samoa, and the U.S. Virgin Islands) is subject to both Federal income tax and income tax assessed by the Commonwealth of the Northern Mariana Islands or the U.S. possession, as applicable. However, the income tax system and rates for the Commonwealth of the Northern Mariana Islands and for the U.S. possessions are identical to the U.S. Federal income tax system and rates. This constitutes a ‘mirror tax’ system. A tax credit or exclusion is provided by one of the taxing jurisdictions (either the U.S., the Commonwealth of the Northern Mariana Islands, or the U.S. possession, as appropriate) to prevent double taxation. The marginal tax rate for the Commonwealth of the Northern Mariana Islands or the U.S. possession, therefore, is of no consequence since it is identical to the Federal marginal income tax rate and is completely offset by a corresponding credit or exclusion. Thus, the Commonwealth’s or the possession’s tax rate will not be factored into the CMTR formula. The CMTR will be computed as provided in paragraphs (e)(5) (i) and (ii) based solely on the Federal marginal tax rate; when applicable, the State(s) marginal tax rate; and the local marginal tax rate.

(5) Calculation of the CMTR’s. As stated above, the gross-up formula for calculating the RIT allowance requires the use of two CMTR’s. However, the required CMTR’s cannot be calculated by merely adding the Federal, State, and local marginal tax rates together because of the deductibility of State and local income taxes from income for Federal income tax purposes. The State tax tables located at www.gsa.gov/ftrbulletin are designed to use the same income amount as that determined for the Federal taxes, which reflects, among other things, State and local tax deductions. The
formulas prescribed below for calculating the CMTR’s are designed to adjust the State and local tax rates to compensate for their deductibility from income for Federal tax purposes.

(i) Calculation of the CMTR for Year 1.
The following formula shall be used to calculate the CMTR for Year 1:

CMTR Formula: \( X = F + (1-F)S + (1-F)L \)

Where:
\( X = \text{CMTR for Year 1} \)
\( F = \text{Federal tax rate for Year 1} \)
\( S = \text{State tax rate for Year 1} \)
\( L = \text{local tax rate for Year 1} \)

(A) Federal, State, and local taxes incurred. If the employee incurs Federal, State, and local income taxes on moving expense reimbursements, the CMTR formula may be solved as follows:

Example:
If:
\( F = 33 \text{ percent of income} \)
\( S = 6 \text{ percent of income} \)
\( L = 3 \text{ percent of income} \)

Then:
\( X = .33 + (1.00-.33).06 + (1.00-.33).03 \)
\( X = .3903 \)

(B) Federal and State income taxes only. If the employee incurs a tax liability on moving expense reimbursements for Federal and State income taxes but none for local income tax, the value of “L” is zero and the CMTR formula may be solved as follows:

Example:
If:
\( F = 33 \text{ percent of income} \)
\( S = 6 \text{ percent of income} \)
\( L = \text{Zero} \)

Then:
\( X = .33 + (1.00-.33).06 \)
\( X = .3702 \)

(C) Federal and local income taxes only. If the employee incurs a tax liability on moving expense reimbursements for Federal and local income taxes but none for State income tax, the value of “S” is zero and the CMTR formula may be solved as follows:

Example:
If:
\( F = 33 \text{ percent of income} \)
\( S = \text{Zero} \)
\( L = 3 \text{ percent of income} \)

Then:
\( X = .33 + (1.00-.33).03 \)
\( X = .3501 \)

(ii) Calculation of the CMTR for Year 2.
The calculation of the CMTR for Year 2 is the same as described for Year 1, except that the Federal tax rate for Year 2 is used in place of the Federal tax rate for Year 1. State and local tax rates remain the same as for Year 1.

The following formula shall be used to determine the CMTR for Year 2:

CMTR Formula: \( W = F + (1-F)S + (1-F)L \)

Where:
\( W = \text{CMTR for Year 2} \)
\( F = \text{Federal tax rate for Year 2} \)
\( S = \text{State tax rate for Year 1} \)
\( L = \text{local tax rate for Year 1} \)

(iii) Calculation of CMTR’s for Puerto Rico. The following formula shall be used to calculate the CMTR for transfers to, from, or between points in Puerto Rico. (This formula is different from the formulas provided in paragraphs (e)(5)(i) and (ii) of this section since the Federal marginal tax rate is disregarded.)

CMTR Formula: \( X = P + S + L \)

Where:
\( X = \text{CMTR for Year 1 and Year 2} \)
\( P = \text{Puerto Rico tax rate for Year 1} \)
\( S = \text{State tax rate for Year 1, when applicable (See §302–17.8(e)(4)(i)(B)).} \)
\( L = \text{Local tax rate for Year 1} \)

(f) Determination of the RIT allowance.
The RIT allowance to cover the tax liability on additional income resulting from the covered taxable reimbursements received in Year 1 is calculated in Year 2 as provided below:

(1) The RIT allowance is calculated by substituting the amount of covered taxable reimbursements for Year 1, the CMTR’s for Year 1 and Year 2, and the total amount of the WTA paid in Year 1 into the gross-up formula as follows:

Formula:

\[
Z = \frac{X}{1-W} \left( R - \frac{1-X}{1-W} \right) (Y)
\]

Where:
\( Z = \text{RIT allowance payable in Year 2} \)
\( X = \text{CMTR for Year 1} \)
\( Y = \text{covered taxable reimbursements} \)
Relocation Allowances § 302–17.8

Y = total WTA’s paid in Year 1

Example:

If:
X = .3903
W = .3448
R = $21,800
Y = $5,450

Then:

\[ Z = \frac{.3903}{1.00-.3448} \times (21,800) - \frac{1.00-.3903}{1.00-.3448} \times (5,450) \]

Z = .5957($21,800) − .9306($5,450)
Z = $12,986.26 − $5,071.77
Z = $7,914.49

(2) There may be instances when a WTA was not paid in Year 1 at the time moving expense reimbursements were made. In cases where there is no WTA to be deducted, the value of “Y” is zero and the formula stated in paragraph (f)(1) of this section, for calculating the amount of the RIT allowance (Z) due the employee in Year 2 may be solved as shown in the following example:

Example:

If:
X = .3903
W = .3448
R = $21,800
Y = Zero

Then:

\[ Z = \frac{.3903}{1.00-.3448} \times (21,800) \]

Z = .5957($21,800)
Z = $12,986.26

(3) Certain States do not allow the deduction of all or part of the covered moving expenses that are deductible for Federal income tax purposes. The State gross-up to cover the additional State income tax liability resulting from the covered moving expense reimbursements received in Year 1 that are deductible for Federal income tax purposes but not for State income tax purposes is calculated in Year 2 as follows:

(i) The State gross-up is calculated by substituting the amount of covered moving expense reimbursements that are deductible for Federal income tax purposes but not for State income tax purposes, the Federal tax rate for Year 1, the State tax rate for Year 1, and the combined marginal tax rate for Year 2 into the State gross-up formula as follows:

Formula:

\[ A = \frac{S(1 - F)}{1 - W} \times N \]

Where:

\[ \begin{align*}
A &= \text{State gross-up} \\
F &= \text{Federal tax rate for Year 1} \\
S &= \text{State tax rate for Year 1} \\
W &= \text{CMTR for Year 2} \\
N &= \text{covered moving expense reimbursements} \\
\end{align*} \]

Example:

If:
F = .33
S = .06
W = .3448
N = $9,250

Then:

\[ A = \frac{.06(1.00-.33)}{1.00-.3448} \times (9,250) \]

A = .0614 ($9,250)
A = $567.95

(ii) Add the State gross-up to the RIT allowance as calculated using the formula in paragraph (f)(1) of this section. The result is the RIT allowance adjusted for those States that do not allow moving expense deductions. Example:

RIT allowance payable in Year ................................. $7,914.49
Plus adjustment factor ...... +567.95
Total ................................ $8,482.44

(4) If the amount of the RIT allowance is greater than zero, it is payable to the employee on the travel voucher as a relocation or moving expense allowance. The RIT allowance amount is included in the employee’s gross income for Year 2 and, therefore, subject to appropriate withholding taxes. (See net payment to employee in paragraph (g) of this section.) The RIT allowance amount will be reported on IRS Form
§ 302–17.9 Responsibilities.

(a) Agency. Finance offices will calculate the amount of the gross-up for the WTA in Year 1 in accordance with procedures outlined herein and credit this amount to the employee at the time of reimbursement as provided in § 302–17.7(e). The WTA will be reflected on the employee's Form W-2 for Year 1. The RIT allowance may be calculated in Year 2 either by the employee or by the agency finance office based on information provided by the employee on the voucher, as directed by the agency's implementing policies and procedures. In addition, agencies shall prescribe appropriate and necessary implementing procedures as provided elsewhere in this part.

(b) Employee. (1) The employee is required to submit a claim for the RIT allowance and to file the tax information for Year 1 specified in § 302–17.10 with his/her agency in Year 2, regardless of whether any additional reimbursement for the RIT allowance is owed the employee. (See § 302–17.7(e) for employee agreement.)

(2) If any action occurs (i.e., amended tax return, tax audit, etc.) that would change the information provided in Year 2 by the employee to his/her agency for use in calculating the RIT allowance due the employee for Year 1 taxes, this information must be provided by the employee to his/her agency under procedures prescribed by the agency. (See § 302–17.10.)

(3) If the calculation of the RIT allowance results in a negative amount, the employee is obligated to repay this amount as a debt due the Government. (See §§ 302–17.7(e)(2) and 302–17.8(f)(5).)

§ 302–17.10 Claims for payment and supporting documentation and verification.

(a) Claims forms. Claims for payment of the RIT allowance shall be submitted by the employee in Year 2 on SF 1012 (Travel Voucher) or other authorized travel voucher form. When claiming payment for the RIT allowance, the employee shall furnish and certify to certain tax information that has been or will be shown on his/her actually prepared tax returns. The spouse must also sign statement if joint filing status is claimed and spouse's income is included on statement. This information shall be contained in a certified statement on, or attached to, the SF 1012 reading essentially as follows:

CERTIFIED STATEMENT

I certify that the following information, which is to be used in calculating the RIT allowance to which I am entitled, has been (or will be) shown on the income tax returns filed (or to be filed) by me (or by my spouse and me) with the applicable Federal, State, and local (specify which) tax authorities for the [year] tax year.

The above information is true and accurate to the best of my knowledge. I (we) agree to notify the appropriate agency official of any changes to the above (i.e., from amended tax returns, tax audit, etc.) so that appropriate adjustments to the RIT allowance can be made. The required supporting documents are attached. Additional documentation will be furnished if requested.

I (we) further agree that if the 12-month service agreement required by 41 CFR 302–2.13 is violated, the total amount of the RIT allowance will become a debt due the United States Government and will be repaid according to agency procedures.

Employee’s signature
Date

Spouse’s signature (if filing jointly) 
Date

If a joint filing status is claimed and spouse’s income is included, the spouse must sign the statement. If the spouse does not sign the document, earned income will include only the employee’s earned income as provided in 41 CFR 302–17.8(d). This condition will not apply if an employee is allowed, under IRS rules, to file a joint return as a surviving spouse.

(b) Supporting documentation/verification. The claim for the RIT allowance shall be supported by documentation attached to the voucher and by verification of State and local tax obligations as provided below:

1. Copies of the appropriate IRS Forms W-2 and, if applicable, the completed IRS Schedule SE (Form 1040) shall be attached to the voucher to substantiate the income amounts shown in the certified statement. Employee (and spouse, if filing jointly) must agree to provide additional documentation to verify income amounts, filing status, and State and local income tax obligations if requested by the agency.

2. In order to determine or verify whether a particular State or local tax authority imposes a tax on moving expense reimbursements, it is incumbent upon the appropriate agency officials to become familiar with the State and local tax laws that affect their transferring employees. In cases where the taxability of moving expense reimbursements is not clear, an agency may pay a RIT allowance which reflects only those State and local tax obligations that are clearly imposed under State and local tax law. Once the questionable State or local tax obligations are resolved, agencies may recompute the RIT allowance and make appropriate payment adjustments.

(c) Fraudulent claims. A claim against the United States is forfeited if the claimant defrauds or attempts to defraud the Government in connection therewith (28 U.S.C. 2514). In addition, there are two criminal provisions under which severe penalties may be imposed on an employee who knowingly presents a false, fictitious, or fraudulent claim against the United States (18 U.S.C. 287 and 1001). The employee’s claim for payment of the RIT allowance shall accurately reflect the facts involved in every instance so that any violation of these provisions will be avoided.

§ 302–17.11 Violation of service agreement.

In the event the employee violates the terms of the service agreement required under § 302–2.13, no part of the RIT allowance or the WTA will be paid, and any amounts paid prior to such violation shall be a debt due the United States until they are repaid by the employee.

§ 302–17.12 Advance of funds.

No advance of funds is authorized in connection with the allowance provided in this part.

Where can I find the tax tables used for calculating the relocation income tax (RIT) allowances?

The annual tax tables for Federal, State, and Puerto Rico needed for calculating RIT allowance are published annually as an FTR Bulletin. These Bulletins are located at www.gsa.gov/ftrbulletin. A notice announcing each new Bulletin will be published in the Federal Register.

**SOURCE:** FTR Amdt. 2003–02, 68 FR 12604, Mar. 17, 2003, unless otherwise noted.

§ 304–1.1 To whom do the pronouns “I”, “you”, and their variants refer throughout this part?

Use of pronouns “I”, “you”, and their variants throughout this part refers to the employee.

§ 304–1.2 Under what authority may I accept payment of travel expenses from a non-Federal source?

Under the authority of this part and 31 U.S.C. 1353, you may accept payment of travel expenses from a non-Federal source on behalf of your agency, but not on behalf of yourself, when specifically authorized to do so by your agency and only for official travel to a meeting. Except as provided in § 304–3.13 of this subchapter, your agency must approve acceptance of such payments in advance of your travel.

PART 304–2—DEFINITIONS

§ 304–2.1 What definitions apply to this chapter?

The following definitions apply to this chapter:

**Employee** means an appointed officer or employee of an executive agency as defined in 5 U.S.C. 105, including a special Government employee as defined in 18 U.S.C. 202, or an expert or consultant appointed under the authority of 5 U.S.C. 3109.

**Meeting(s) or similar functions (meeting)** means a conference, seminar, symposium, training course, or similar event that takes place away from the employee’s official station. “Meeting” as defined in this chapter does not include a meeting or other event required to carry out an agency’s statutory or regulatory functions (i.e., a function that is essential to an agency’s mission) such as investigations, inspections, audits, site visits, negotiations or litigations. “Meeting” also does not include promotional vendor training or other meetings held for the primary purpose of marketing the non-Federal source’s products or services, or long term TDY or training travel. A meeting need not be widely attended for purposes of this definition and includes but is not limited to the following:

1. An event where the employee will participate as a speaker or panel participant focusing on his/her official duties or on the policies, programs or operations of the agency.

2. A conference, convention, seminar, symposium or similar event where the primary purpose is to receive training other than promotional vendor training, or to present or exchange substantive information of mutual interest to a number of parties.

3. An event where the employee will receive an award or honorary degree, which is in recognition of meritorious public service that is related to the employee’s official duties, and which may be accepted by the employee consistent with the applicable standards of conduct regulations.

**Non-Federal source** means any person or entity other than the Government of the United States. The term includes any individual, private or commercial entity, nonprofit organization or association, international or multinational organization (irrespective of whether an agency holds membership in the organization or association), or foreign, State or local government (including the government of the District of Columbia).

**Payment** means a monetary payment from a non-Federal source to a Federal agency for travel, subsistence, related expenses by check or other monetary
instrument payable to the Federal agency (i.e., electronic fund transfer (EFT), money order, charge card, etc.) or payment in kind.

Payment in kind means transportation, food, lodging, or other travel-related services provided by a non-Federal source instead of monetary payments to the Federal agency for these services. Payment in kind also includes waiver of any fees that a non-Federal source normally collects from meeting attendees (e.g., registration fees).

Travel, subsistence, and related expenses (travel expenses) means the same types of expenses payable under chapter 301 of this title, the Foreign Affairs Manual (FAM), and the Joint Travel Regulations (JTR) for transportation, food, lodging or other travel-related services for official travel (e.g., baggage expenses, services of guides, drivers, interpreters, communication services, hire of conference rooms, lodging taxes, laundry/dry cleaning, taxi fares, etc.). These expenses also include conference or training fees (in whole or in part), as well as benefits that cannot be paid under the applicable travel regulations, but which are incident to the meeting, provided in kind, and made available by the meeting sponsor(s) to all attendees. For example, this definition as applied to this chapter would allow an employee or spouse to attend a sporting event hosted by the sponsor(s) in connection with the meeting that is available to all participants. However, it would not allow the employee to accept tickets to a professional sporting event hosted by the sponsor(s) in connection with the meeting that is available to all participants. The Foreign Affairs Manual is obtainable from: Bureau of Administration, A/IM/CST/MMS/DIR, Room 264, U.S. Department of State, Washington, DC 20520; (202) 647-3602. The Joint Travel Regulations are obtainable from: Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402-0001, or available for downloading from the internet at http://www.dtic.mil/perdiem.

§ 304–3.3 May my agency or I accept payment for travel expenses to a meeting from a non-Federal source?

[FTR Amndt. 2009–06, 74 FR 55151, Oct. 27, 2009]

§ 304–3.10 [Reserved]

§ 304–3.11 Am I limited to the maximum subsistence allowances (per diem, actual expense, or conference lodging) prescribed in applicable travel regulations for travel expenses paid by a non-Federal source?

Generally yes. Subsistence expenses are usually limited to the maximum subsistence allowances (per diem, actual expenses or conference lodging) prescribed in chapter 301 of this title for travel in CONUS, by the Secretary of Defense for travel in non-foreign areas and by the Secretary of State for travel in foreign areas. However, acceptance of payment for, and when applicable, reimbursement by an agency to an employee and the accompanying spouse of such employee are not subject to the maximum per diem or actual subsistence expense rates when traveling in CONUS or in non-foreign areas under the following conditions:

(a) The non-Federal source pays the full amount of the subsistence expense, as authorized by your agency; and

(b) The subsistence expense paid by the non-Federal source is comparable in value to that offered to or purchased by other meeting attendees; and

(c) Your agency has approved acceptance of payment from the non-Federal source prior to your travel; if your agency has not approved any acceptance from the non-Federal source, you may not exceed the maximum allowances. See §304–3.13.

NOTE: The maximum subsistence allowances established by the Secretary of State for travel to foreign areas may not be exceeded.

§ 304–3.12 Must I receive advance approval from my agency before I perform travel paid by a non-Federal source to attend a meeting?

Yes, you must receive advance approval from your agency before performing travel paid by a non-Federal source to attend a meeting except as provided in §304–3.13.

§ 304–3.13 After I begin travel to a meeting, what should I do if a non-Federal source offers to pay for one or more of my travel expenses without my or my agency's prior knowledge?

(a) If your agency has already authorized acceptance of payment for some of your travel expenses for that meeting from a non-Federal source, then you may accept on behalf of your agency, payment for any of your additional travel expenses from the same non-Federal source as long as—

(1) The expenses paid or provided in kind are comparable in value to those offered to or purchased by other similarly situated meeting attendees; and

(2) Your agency did not decline to accept payment for those particular expenses in advance of your travel.

(b) If your agency did not authorize acceptance of any payment from a non-Federal source prior to your travel, then—

(1) You may accept, on behalf of your agency, payment from a non-Federal source as authorized in this section—

(i) Only the types of travel expenses that are authorized by your travel authorization (e.g., if your travel authorization states that you are authorized to incur lodging expenses up to $100 per night, you may not accept payment from the non-Federal source for a $200 per night hotel room); and

(ii) Only travel expenses that are within the maximum allowances stated on your travel authorization; and

(2) You must request your agency's authorization for acceptance from the
non-Federal source within 7 working days after your trip ends; and
3. If your agency does not authorize acceptance from the non-Federal source, your agency must either—
   i. Reimburse the non-Federal source for the reasonable approximation of the market value of the benefit provided, not to exceed the maximum allowance stated on your travel authorization; or
   ii. Require you to reimburse the non-Federal source that amount and allow you to claim that amount on your travel claim for the trip.
   (c) If you accept payment from a non-Federal source for travel expenses in violation of paragraph (a) or paragraph (b) of this section, you may be subject to the penalties specified in §304–3.18.

§ 304–3.14 May a non-Federal source pay for my spouse to accompany me to a meeting?

Yes, a non-Federal source may pay for your spouse to accompany you when it is in the interest of and authorized in advance by your agency. All limitations and requirements of this part apply to the acceptance of payment from a non-Federal source for travel expenses and/or agency reimbursement of travel expenses for your accompanying spouse. Your agency may determine that your spouse’s presence at an event is in the interest of the agency if your spouse will—
   (a) Support the mission of your agency or substantially assist you in carrying out your official duties;
   (b) Attend a ceremony at which you will receive an award or honorary degree; or
   (c) Participate in substantive programs related to the agency’s programs or operations.

§ 304–3.15 Must I provide my agency with information about any payment I receive on its behalf?

Yes. Your agency must submit to the U.S. Office of Government Ethics (OGE) a semiannual report (SF 326) of all payments it accepts under this part. You must be prepared to give your agency the information it needs in order to submit its report.

Subpart B—Reimbursement Claims

§ 304–3.16 What must I submit to my agency for reimbursement when a non-Federal source pays all or part of my travel expenses to attend a meeting?

You must submit a travel claim listing all allowable travel expenses that you incurred which were not paid in kind by a non-Federal source. Do not claim travel expenses that were furnished in kind by a non-Federal source. Your reimbursement is limited to the types of expenses authorized in Chapter 301 of this title or analogous provisions of the Joint Travel Regulations or Foreign Affairs Manual. Reimbursement from your agency for expenses will not in any case exceed the amount of the expenses you incur. Such reimbursement will also adhere to established regulatory limitations except where your agency accepts payments under §304–5.4, §304–5.5 or §304–5.6 of this chapter.

Subpart C—Reports

§ 304–3.17 If I am required to file a confidential or public financial disclosure report, must I report travel payments I receive from a non-Federal source on that report?

Generally, no. As long as payments you receive from a non-Federal source are made to or on behalf of your agency, you are not required to report them as gifts on any confidential or public disclosure report you are personally required to file pursuant to law or Office of Government Ethics (OGE) regulations (5 CFR part 2634). However, you may be required to report any such payments that you and/or your accompanying spouse receive on your own behalf, rather than on the agency’s behalf, pursuant to other reporting requirements (e.g., those required by the Ethics in Government Act of 1978).

NOTE: The confidential financial disclosure report is OGE Form 450 and the public financial disclosure report is SF 278.
§ 304–3.18

Subpart D—Penalties

§ 304–3.18 What happens if I accept a payment from a non-Federal source that is in violation of this part?

If you accept payment from a non-Federal source in violation of this part—

(a) You may be required, in addition to any other penalty provided by law and applicable regulations, to pay the general fund of the Treasury, an amount equal to any payment you accepted; and

(b) In the case of reimbursement under paragraph (a) of this section, you will not be entitled to any reimbursement from the Government for your travel expenses that the payment was intended to cover.

Subpart E—Relation to Other Authorities

§ 304–3.19 Are there other situations when I may accept payment from a non-Federal source for my travel expenses?

Yes, you may also accept payment of travel expenses from a non-Federal source under the following authorities, in addition to this part:

(a) Under 5 U.S.C. 4111 for acceptance of contributions, awards, and other payments from tax-exempt entities for non-Government sponsored training or meetings (see regulations issued by the Office of Personnel Management at 5 CFR part 410).

(b) Under 5 U.S.C. 7342 for travel taking place entirely outside the United States which is paid by a foreign government, where acceptance is permitted by your agency and any regulations which may be prescribed by your agency.

(c) Under 5 U.S.C. 7324(b) when payment is for travel to be performed for a partisan rather than an official purpose in accordance with the Hatch Act (5 U.S.C. 7321–7326); or

(d) Pursuant to the applicable standards of ethical conduct regulations concerning personal acceptance of gifts. For example, under 5 CFR 2635.204(e), which authorizes executive branch employees to accept gifts based on outside business employment relationships. (Note: You may also be able to accept attendance at (but not other travel expenses to) a widely attended gathering under 5 CFR 2635.204(g)(2) when the gathering is not a meeting, as defined in this part, and you are not attending in your official capacity.)
PART 304–4—AUTHORITY

§ 304–4.1 To whom do the pronouns “we”, “you”, and their variants refer throughout this part?

Use of pronouns “we”, “you”, and their variants throughout this part refers to the agency.

§ 304–4.2 What is the purpose of this part?

The purpose of this part is to establish Governmentwide policy and guidance for acceptance by a Federal agency of payment for travel expenses from a non-Federal source for employees to attend meetings under 31 U.S.C. 1353. It prescribes how such payments may be accepted.

§ 304–4.3 Under what other authority may we accept payment for travel expenses from a non-Federal source?

You may accept payment for travel expenses to events other than meetings to an agency gift statute or similar statutory authority. However, this part 304 is the only authority you may use to accept (or authorize your employee to accept on your behalf) payment for travel expenses from a non-Federal source to attend a meeting. For example, you could not pay the travel expenses for an employee to attend a meeting and then authorize the employee to use the widely attended gathering exception in 5 CFR 2635.204(g)(2) to accept free attendance at that same meeting. You would only be able to accept payment for the employee’s attendance at that meeting under this part 304.

PART 304–5—AGENCY RESPONSIBILITIES

§ 304–5.1 When may we accept payment from a non-Federal source for travel to a meeting or authorize an employee to accept payment on our behalf?

You may accept payment from a non-Federal source or authorize an employee and/or the employee’s spouse to accept payment on your behalf only when—

(a) You have issued the employee (and/or the employee’s spouse, when applicable) a travel authorization before the travel begins;

(b) You have determined that the travel is in the interest of the Government;

(c) The travel relates to the employee’s official duties; and

NOTE: Employees may also be able to accept payment for travel expenses from non-Federal sources in their individual capacities under the authorities referenced in §304–3.19.
(d) The non-Federal source is not disqualified due to a conflict of interest under §304–5.3.

§304–5.2 Who must approve acceptance of payment from a non-Federal source for travel expenses to a meeting?

An official at the highest practical administrative level who can evaluate the requirements in §304–5.3, must approve acceptance of such payments.

§304–5.3 What does our approving official need to consider before authorizing acceptance of payment from a non-Federal source for travel expenses for a meeting?

(a) The approving official must not authorize acceptance of the payment if he/she determines that acceptance of the payment under the circumstances would cause a reasonable person with knowledge of all the facts relevant to a particular case to question the integrity of agency programs or operations. The approving official must be guided by all relevant considerations, including but not limited to the—

1. Identity of the non-Federal source;
2. Purpose of the meeting;
3. Identity of other expected participants;
4. Nature and sensitivity of any matter pending at the agency which may affect the interest of the non-Federal source;
5. Significance of the employee’s role in any such matter; and
6. Monetary value and character of the travel benefits offered by the non-Federal source.

(b) The agency official may find that, while acceptance from the non-Federal source is permissible, it is in the interest of the agency to qualify acceptance of the offered payment by, for example, authorizing attendance at only a portion of the event or limiting the type or character of benefits that may be accepted.

§304–5.4 May we authorize an employee to exceed the maximum subsistence allowances (per diem, actual expense, or conference lodging) prescribed in applicable travel regulations where we have authorized acceptance of payment from a non-Federal source for such allowances?

(a) Generally, yes. Subsistence allowances are usually limited to the maximum subsistence allowances (per diem, actual expense, or conference lodging) prescribed in chapter 301 of this title for travel in CONUS, by the Secretary of Defense for travel in non-foreign areas, and by the Secretary of State for travel in foreign areas. However, the maximum subsistence allowances established by this title and by the Secretary of Defense may be exceeded as long as—

1. The non-Federal source pays the full amount of the subsistence expenses, at issue; and
2. The subsistence expense paid by the non-Federal source is comparable in value to that offered to or purchased by meeting attendees.

(b) The maximum subsistence allowances prescribed by the Secretary of State for travel to foreign areas may not be exceeded.

§304–5.5 May we authorize an employee to travel by other than coach-class on common carriers or other than lowest first-class on ships if we accept payment in full from a non-Federal source for such transportation expenses?

Yes, you may authorize an employee to travel by other than coach-class on common carriers or other than lowest first-class on ships as long as the:

(a) Non-Federal source makes full payment for such transportation services in advance of travel; and
(b) Transportation accommodations furnished are comparable in value to those offered to, or purchased by other similarly situated meeting attendees; and
(c) Travel meets at least one of the conditions in §§301–10.123, 301–10.162, and 301–10.183 of this title.

[F T R A m d t . 2 0 0 9 – 0 6 , 7 4 F R 5 5 1 5 1 , O c t . 2 7 , 2 0 0 9 ]
§ 304–5.6 May we authorize acceptance of payment from more than one non-Federal source for a single trip?

Yes, you may accept payment from more than one non-Federal source for a single trip, as long as the total of such payments do not exceed the total cost of the trip.

PART 304–6—PAYMENT GUIDELINES

Subpart A—General

Sec.
304–6.1 May we accept a monetary payment in the form of cash from a non-Federal source?

No, you may not accept a monetary payment in the form of cash from a non-Federal source. Monetary payment(s) received from a non-Federal source must be in the form of a check or similar instrument made payable to the agency.

§ 304–6.2 What should we do if a non-Federal source does not pay the full cost for expenses that an employee will incur during travel?

If you determine in advance of the employee’s travel that payment from a non-Federal source will cover some but not all of the employee’s allowable travel and subsistence expenses you should state on the employee’s travel authorization that the employee will be reimbursed the difference between the full allowances and the payment from the non-Federal source. See chapter 301 of this Title, 6 Foreign Affairs Manual, Chapter 100, or the Joint Travel Regulations (JTR), Chapter 4, Parts L and Q, as applicable to determine the applicable maximum allowances.

§ 304–6.3 What happens if an employee accepts payment from a non-Federal source that is in violation of this part?

If an employee accepts payment from a non-Federal source in violation of this part—

(a) You may require the employee, in addition to any penalty provided by law and applicable regulations, to pay the general fund of the Treasury, an amount equal to the payment so accepted; and

(b) The employee shall not be entitled to any reimbursement from the Government for such expenses.

Subpart B—Reports

§ 304–6.4 What form must we use to report payments received by the agency from non-Federal sources?

Your agency head or designee must submit Standard Form (SF) 326, Semiannual Report of Payments Accepted
§ 304–6.5 From a Non-Federal Source (fully completed) to report payments received from non-Federal sources. This applies to all payments that are more than $250 per event for an employee and accompanying spouse. For purposes of the $250 threshold, payments for an employee and accompanying spouse shall be aggregated. If you wish to use a form other than SF 326 to report such payments, you may seek permission to do so by contacting the Office of Government Ethics at United States Office of Government Ethics, 1201 New York Avenue, NW., Suite 500, Washington, DC 20005–3917.

§ 304–6.5 What guidelines must we follow when using the Standard Form (SF) 326?

When completing the SF 326—
(a) You must fully complete each block on SF 326 without exception (including payments accepted for an accompanying spouse).
(b) You must also—
(1) Submit the SF 326 no later than May 31 for payments received from the preceding October 1 through March 31;
(2) Submit a SF 326 no later than November 30 for payments received from the preceding April 1 through September 30; and
(c) Submit the SF 326 including negative reports, to: Director of the Office of Government Ethics (OGE), 1201 New York Avenue, NW., Suite 500, Washington, DC 20005–3917.

Subpart C—Valuation

§ 304–6.6 How do we determine the value of payments in kind that are to be reported on Standard Form (SF) 326?

The following should be used in the determination of the value of payments in kind for reporting on SF 326:
(a) For conference, training, or similar fees waived or paid by a non-Federal source, you must report the amount charged other participants.
(b) For transportation or lodging, you must report the cost that the non-Federal source paid or usually would have been charged for such event.
(c) For meals or other benefits that are not provided as part of the transportation, lodging, or a conference, training or similar fee, you must report the cost to the non-Federal source or provide a reasonable approximation of the market value of the benefit.
(d) For chartered, corporate or other private aircraft—
(1) When common carrier is available, you must report the first-class rate that would have been charged by a commercial air carrier at the time the event took place.
(2) When a common carrier is not available, you must report the cost of chartering a similar aircraft using a commercially available service.
(e) Lodging where no commercial rate is available: You must report the maximum lodging rate established by GSA for CONUS, Department of Defense for non-foreign areas and the Secretary of State for foreign areas. These rates are available on the Internet at the GSA Web site http://www.gsa.gov/perdiem, with links to the non-foreign and foreign area rates.

§ 304–6.7 Must we report on the Standard Form (SF) 326 any information that is protected from disclosure by statute?

No. Information that is protected by statute from disclosure to the public should not be reported on the SF 326. However, if you omit otherwise reportable information from the SF 326 because the information may not be disclosed, you must notify OGE unless otherwise prohibited by law and, if requested by the Director of OGE, make the information available for inspection by an OGE employee with the requisite clearance.

§ 304–6.8 Will the reports be made available for public inspection?

Yes, OGE must make any report filed by an agency under this part (that is not protected from disclosure by statute) available for public inspection and copying on the later of the following two dates:
(a) Within 30 days after the applicable due date.
(b) Within 30 days after the date OGE actually receives the report.
§ 304–6.9  Does acceptance by OGE of the Standard Form (SF) 326 constitute a determination by OGE that the data submitted is adequate or a concurrence by OGE in the agency’s conflict of interest analysis?

No. OGE is responsible for making the information provided by the agencies available to the public. It is each agency’s responsibility to file the accurate and complete reports and to make the appropriate conflict of interest analysis.
