§ 23.31 May loan payments be postponed or waived?

(a) Whenever health, economic, or other personal problems affect the borrower’s ability to make scheduled payments on the loan, the Secretary may allow the borrower an extension of time or allow the borrower to make smaller payments than were previously scheduled; however, interest will continue to accrue at the rate specified in the promissory note until the loan is repaid in full. The loan must be fully repaid within 10 years after it was made.

(b) No waiver, full or partial, of repayment of the loan will be granted; except that the obligation of a borrower to repay a loan shall be cancelled upon the death or total and permanent disability of the borrower, as determined by the Secretary.

(c) In order to make a determination under paragraph (a) or (b) of this section, the Secretary may require supporting medical, financial, or other documentation.

§ 23.32 What conditions are imposed on the use of the loan funds?

(a) The borrower must use the total amount of the loan to purchase or lease, or both, equipment and supplies, to hire authorized personnel to assist in providing health services and/or to renovate facilities for use in providing health services in his or her private practice. Equipment and supplies purchased and/or leased, personnel hired and facilities renovated shall be limited to the items requested in the loan application and approved by the Secretary.

(b) The borrower must expend the loan funds within 6 months from the date of the loan or within such other time as the Secretary may approve. Documentation of the expenditure of funds must be furnished to the Secretary upon request.

§ 23.33 What security must be given for these loans?

The Secretary may require the borrower to pledge to the Secretary a security interest in specified collateral.
