PERSONS WITH HANSEN’S DISEASE

§ 32.86 Admissions to Service facilities.

Any person with Hansen’s disease who presents himself for care or treatment or who is referred to the Service by the proper health authority of any State, Territory, or the District of Columbia shall be received into the Service hospital at Carville, Louisiana, or into any other hospital of the Service which has been designated by the Secretary as being suitable for the accommodation of persons with Hansen’s disease.

§ 32.87 Confirmation of diagnosis.

At the earliest practicable date, after the arrival of a patient at the Service hospital at Carville, Louisiana, or at another hospital of the Service the medical staff shall confirm or disprove the diagnosis of Hansen’s disease. If the diagnosis of Hansen’s disease is confirmed, the patient shall be provided appropriate inpatient or outpatient
§ 32.88 Examinations and treatment.

Patients will be provided necessary clinical examinations which may be required for the diagnosis of primary or secondary conditions, and such treatment as may be prescribed.

§ 32.89 Discharge.

Patients with Hansen’s disease will be discharged when, in the opinion of the medical staff of the hospital, optimum hospital benefits have been received.

§ 32.90 Notification to health authorities regarding discharged patients.

Upon the discharge of a patient the medical officer in charge shall give notification of such discharge to the appropriate health officer of the State, Territory, or other jurisdiction in which the discharged patient is to reside. The notification shall also set forth the clinical findings and other essential facts necessary to be known by the health officer relative to such discharged patient.

§ 32.91 Purchase of services for Hansen’s disease patients.

Hansen’s disease patients being treated on either an inpatient or outpatient basis at a hospital or clinic facility of the Service, other than the National Center for Hansen’s Disease (Carville, Louisiana), may, at the sole discretion of the Secretary and subject to available appropriations, be provided care for the treatment of Hansen’s disease at the expense of the Service upon closure or transfer of such hospital or clinic pursuant to section 997 of the Omnibus Budget Reconciliation Act of 1981 (Pub. L. 97–35). Payment will only be made for care arranged for by an authorizing official of the Service as defined in §32.1(f) of this part.
