§ 447.26 Prohibition on payment for provider-preventable conditions.

(a) Basis and purpose. The purpose of this section is to protect Medicaid beneficiaries and the Medicaid program by prohibiting payments by States for services related to provider-preventable conditions.

(1) Section 2702 of the Affordable Care Act requires that the Secretary exercise authority to prohibit Federal payment for certain provider preventable conditions (PPCs) and health care-acquired conditions (HCACs).

(2) Section 1902(a)(19) of the Act requires that States provide care and services consistent with the best interests of the recipients.

(b) State plan requirements. Except for groups specified in paragraph (c) of this section, a State may make direct payments to recipients for physicians’ or dentists’ services. If it does so, the State plan must—

(1) Provide for direct payments; and

(2) Specify the conditions under which payments are made.

(c) Federal financial participation. No FFP is available in expenditures for direct payment for physicians’ or dentists’ services to any recipient—

(1) Who is receiving assistance under the State’s approved plan under title I, IV-A, X, XIV or XVI (AABD) of the Act; or

(2) To whom supplemental security benefits are being paid under title XVI of the Act; or

(3) Who is receiving or eligible for a State supplementary payment or who would be eligible if he were not in a medical institution, and who is eligible for Medicaid as a categorically needy recipient.

(d) Federal requirements. (1) Direct payments to recipients under this section are an alternative to payments directly to providers and are subject to the same conditions; for example, the State’s reasonable charge schedules are applicable.

(2) Direct payments must be supported by providers’ bills for services.

§ 447.25 Direct payments to certain recipients for physicians’ or dentists’ services.

(a) Basis and purpose. This section implements section 1905(a) of the Act by prescribing requirements applicable to States making direct payments to certain recipients for physicians’ or dentists’ services.

(b) State plan requirements. Except for groups specified in paragraph (c) of this section, a State may make direct payments to recipients for physicians’ or dentists’ services. If it does so, the State plan must—

(1) Provide for direct payments; and

(2) Specify the conditions under which payments are made.

(c) Federal financial participation. No FFP is available in expenditures for direct payment for physicians’ or dentists’ services to any recipient—

(1) Who is receiving assistance under the State’s approved plan under title I, IV-A, X, XIV or XVI (AABD) of the Act; or

(2) To whom supplemental security benefits are being paid under title XVI of the Act; or

(3) Who is receiving or eligible for a State supplementary payment or would be eligible if he were not in a medical institution, and who is eligible for Medicaid as a categorically needy recipient.

(d) Federal requirements. (1) Direct payments to recipients under this section are an alternative to payments directly to providers and are subject to the same conditions; for example, the State’s reasonable charge schedules are applicable.

(2) Direct payments must be supported by providers’ bills for services.

§ 447.21 Reduction of payments to providers.

If a provider seeks to collect from an individual (or any financially responsible relative or representative of that individual) an amount that exceeds an amount specified under § 447.20(a)—

(a) The Medicaid agency may provide for a reduction of any payment amount otherwise due to the provider in addition to any other sanction available to the agency; and

(b) The reduction may be equal to up to three times the amount that the provider sought to collect in violation of § 447.20(a).
