§ 455.434 Criminal background checks.

The State Medicaid agency—
(a) As a condition of enrollment, must require providers to consent to criminal background checks including fingerprinting when required to do so under State law or by the level of screening based on risk of fraud, waste or abuse as determined for that category of provider.
(b) Must establish categorical risk levels for providers and provider categories who pose an increased financial risk of fraud, waste or abuse to the Medicaid program.
(1) Upon the State Medicaid agency determining that a provider, or a person with a 5 percent or more direct or indirect ownership interest in the provider, meets the State Medicaid agency’s criteria hereunder for criminal background checks as a “high” risk to the Medicaid program, the State Medicaid agency will require that each such provider or person submit fingerprints.
(2) The State Medicaid agency must require a provider, or any person with a 5 percent or more direct or indirect ownership interest in the provider, to submit a set of fingerprints, in a form and manner to be determined by the State Medicaid agency, within 30 days upon request from CMS or the State Medicaid agency.

§ 455.436 Federal database checks.

The State Medicaid agency must do all of the following:
(a) Confirm the identity and determine the exclusion status of providers and any person with an ownership or control interest or who is an agent or managing employee of the provider through routine checks of Federal databases.
(b) Check the Social Security Administration’s Death Master File, the National Plan and Provider Enumeration System (NPPES), the List of Excluded Individuals/Entities (LEIE), the Excluded Parties List System (EPLS), and any such other databases as the Secretary may prescribe.
(c)(1) Consult appropriate databases to confirm identity upon enrollment and reenrollment; and
(2) Check the LEIE and EPLS no less frequently than monthly.

§ 455.440 National Provider Identifier.

The State Medicaid agency must do all of the following:
(a) Confirm the identity and determine the exclusion status of providers and any person with an ownership or control interest or who is an agent or managing employee of the provider type prior to making an enrollment determination.
(1) Verify that a provider meets any applicable Federal regulations, or State requirements for the provider type prior to making an enrollment determination.
(2) Conduct license verifications, including State licensure verifications in States other than where the provider is enrolling, in accordance with §455.412.
(3) Conduct database checks on a pre- and post-enrollment basis to ensure that providers continue to meet the enrollment criteria for their provider type, in accordance with §455.436.
(b) Screening for providers designated as moderate categorical risk. When the State Medicaid agency designates a provider as a “moderate” categorical risk, the State Medicaid agency must do both of the following:

§ 455.450 Screening levels for Medicaid providers.

A State Medicaid agency must screen all initial applications, including applications for a new practice location, and any applications received in response to a re-enrollment or revalidation of enrollment request based on a categorical risk level of “limited,” “moderate,” or “high.” If a provider could fit within more than one risk level described in this section, the highest level of screening is applicable.
(a) Screening for providers designated as limited categorical risk. When the State Medicaid agency designates a provider as a limited categorical risk, the State Medicaid agency must do all of the following:
(1) Verify that a provider meets any applicable Federal regulations, or State requirements for the provider type prior to making an enrollment determination.
(2) Conduct license verifications, including State licensure verifications in States other than where the provider is enrolling, in accordance with §455.412.
(3) Conduct database checks on a pre- and post-enrollment basis to ensure that providers continue to meet the enrollment criteria for their provider type, in accordance with §455.436.
(b) Screening for providers designated as moderate categorical risk. When the State Medicaid agency designates a provider as a “moderate” categorical risk, a State Medicaid agency must do both of the following:
