

§ 3410.3-2

described in this section. A new exploration license may be issued simultaneously with the termination of the existing exploration license.

[44 FR 42613, July 19, 1979, as amended at 47 FR 33135, July 30, 1982; 47 FR 38131, Aug. 30, 1982; 50 FR 8626, Mar. 4, 1985]

§ 3410.3-2 Limitations on exploration licenses.

The issuance of exploration licenses for an area shall not preclude the issuance of a Federal coal lease under applicable regulations for that area. If such a lease is issued for lands included in an exploration license, the authorized officer shall cancel the exploration license on the effective date of the lease for those lands which are common to both.

[44 FR 42613, July 19, 1979, as amended at 47 FR 33135, July 30, 1982]

§ 3410.3-3 Operating regulations.

The licensee shall comply with the provisions of the operating regulations of the Bureau of Land Management (43 CFR part 3480). Copies of the operating regulations may be obtained from the authorized officer. Authorized representatives of the Secretary and, where appropriate the surface management agency shall be permitted to inspect the premises and operations. The licensee shall allow the free ingress and egress of Government officers and other persons using the land under authority of the United States.

[44 FR 42613, July 19, 1979, as amended at 47 FR 33135, July 30, 1982; 50 FR 8626, Mar. 4, 1985]

§ 3410.3-4 Bonds.

(a) Bonding provisions in subpart 3474 of this chapter apply to this subpart.

(b) Prior to issuing an exploration license, the authorized officer shall ensure that the amount of the bond to be furnished is sufficient:

(1) To assure compliance with the terms and conditions of the exploration license and exploration plan; and

(2) In the absence of an agreement between the exploration licensee and the surface owner so providing, to assure compensation for damages to surface improvements made by surface owners where an exploration license embraces

43 CFR Ch. II (10-1-11 Edition)

such lands. In no event shall the amount of such bond be less than \$5,000.

(c) Upon completion of exploration and reclamation activities that are in compliance with the terms and conditions of the exploration license, the exploration plan and the regulations, or upon discontinuance of exploration operations and completion of needed reclamation to the satisfaction of the authorized officer, and where appropriate, the surface management agency, the authorized officer shall terminate the period of liability of the bond.

(d) Where the surface of the land being explored is privately owned, the authorized officer shall have the authority to terminate or adjust the period of liability and/or the amount of liability under the bond. The authorized officer shall provide, 30 days prior to the effective date of termination of the period of liability under the bond, a notice of termination to enable the surface owner to inspect the property and notify the authorized officer, in writing, of any deficiencies in reclamation. Should the licensee and any surface owner be unable to agree on the adequacy of the reclamation, the authorized officer shall make the final determination.

[44 FR 42613, July 19, 1979, as amended at 47 FR 33135, July 30, 1982; 48 FR 37655, Aug. 19, 1983; 50 FR 8626, Mar. 4, 1985]

§ 3410.4 Collection and submission of data.

(a) The authorized officer may require the applicant to collect ground and surface water data that are available to the licensee in the conduct of the approved exploration plan.

(b) The licensee shall furnish the authorized officer copies of all data (including, but not limited to, geological, geophysical and core drilling analyses) obtained during exploration in a form requested by the authorized officer. All data shall be considered confidential and not made public until the areas involved have been leased or until the authorized officer determines that public access to the data would not damage
