

§ 3835.16 If I am a qualified small miner, and I obtained a waiver in one assessment year, what must I do if I want to pay the maintenance fee for the following assessment year?

(a) You must perform the required assessment work in the assessment year for which you obtained a waiver from payment of the annual maintenance fee, and file the annual FLPMA document required by the December 30th immediately following the payment of the maintenance fee; and

(b) You must pay the maintenance fee by the proper deadline for the following assessment year.

§ 3835.17 What additional requirements must I fulfill to obtain a small miner waiver for my mining claims or sites on National Park System lands?

(a) Before performing assessment work on National Park System lands, you must submit and obtain the National Park Service (NPS)'s approval of a complete plan of operations in compliance with regulations at 36 CFR parts 6 and 9. Your proposed activities must further the ultimate commercial mineral development of each claim, such as delineation of the mineral deposit or commencement of production. Once you submit a proposed plan, NPS will evaluate the plan, conduct a validity exam if necessary, and either approve or disapprove the plan.

(b)(1) If NPS approves your plan of operations, by the September 1 on which you want to submit a small miner waiver request you must:

(i) Post a reclamation bond with NPS;

(ii) Begin the approved activity; and

(iii) Submit a waiver request complying with § 3835.10 before the assessment year begins for which you wish to obtain a waiver.

(2) By December 30, you must file your affidavit of assessment work for the mining claims and a notice of intent to hold for your mill or tunnel sites.

(c) If NPS does not approve your proposed plan of operations by July 1, to allow you sufficient time to conduct assessment work before September 1, you may—

(1) Pay BLM the maintenance fees by September 1;

(2) Petition BLM before September 1 for a deferment of assessment work; or

(3) Submit a request for a lack of access waiver.

Subpart B—Conveying Mining Claims or Sites Under Waiver

§ 3835.20 Transferring, selling, inheriting, or otherwise conveying mining claims or sites already subject to a waiver.

(a) If you purchase, inherit, or otherwise obtain mining claims or sites that are subject to a waiver, you must also qualify for the waiver in order for BLM to continue to apply the waiver to the mining claims you have received in the transfer; or

(b) If you purchase, inherit, or otherwise obtain mining claims or sites that are subject to a waiver, you must pay the annual maintenance fee by the September 1 following the date the transfer became effective under state law.

Subpart C—Annual FLPMA Documents

§ 3835.30 Annual FLPMA documents.

§ 3835.31 When do I file an annual FLPMA document?

(a) If you must file an annual FLPMA document as required in paragraph (d) of this section, you must file your annual FLPMA documents with BLM on or before the December 30th of the calendar year in which the assessment year ends. (For example, if the assessment year ends on September 1, 2003, you must file your annual FLPMA document no later than December 30, 2003.)

(b) If part 3836 of this chapter requires you to perform assessment work, you must file an affidavit of assessment work. You do not need to complete assessment work in the assessment year when you located your claim. (For example, if you locate a claim on September 2, 2002, you first need to perform assessment work sometime between September 2, 2003, and September 1, 2004.)

You must

state in the notice of intent to hold either that BLM has deferred the assessment work requirement or that you located the claim during the current assessment year.
