§ 613.4

requester promptly upon payment of any applicable fee.

(d) *Denying access to records.* The requester will be notified in writing of any determination to deny a request for access to records. The notification letter will be signed by the Privacy Act Officer, or his or designee, as the individual responsible for the denial and will include a brief statement of the reason(s) for the denial, including any Privacy Act exemption(s) applied in denying the request.

(e) *Fees.* The Foundation will charge for duplication of records requested under the Privacy Act in the same way it charges for duplication under the Freedom of Information Act (see CFR 612.10). No search or review fee may be charged for the record unless the record has been exempted from access under Exemptions (j)(2) or (k)(2) of the Privacy Act.

§ 613.4 Amendment of records.

(a) *Where to make a request.* An individual may request amendment of records pertaining to him or her that are maintained in an NSF Privacy Act system of records, except that certain records described in paragraph (h) of this section are exempt from amendment. Request for amendment of records must be made in writing to the NSF Privacy Act Officer, National Science Foundation, Suite 1265, 4201 Wilson Boulevard, Arlington, VA 22230.

(b) *How to make a request.* Your request should identify each particular record in question, state the amendment you want to take place and specify why you believe that the record is not accurate, relevant, timely, or complete. You may submit any documentation that you think would be helpful. Providing an edited copy of the record(s) showing the desired change will assist the agency in making a determination about your request. If you believe that the same information is maintained in more than one NSF system of records you should include that information in your request. You must sign your request and provide verification of your identity as specified in 613.2(c).

(c) *Timing of responses to requests.* The Privacy Act Officer, or his or her designee, will acknowledge receipt of re-

quest for amendment within 10 working days of receipt. Upon receipt of a proper request the Privacy Act Officer will promptly confer with the NSF Directorate or Office with responsibility for the record to determine if the request should be granted in whole or part.

(d) *Granting request for amendment.* When a determination is made to grant a request for amendment in whole or part, notification to the requester will be made as soon as possible, normally within 30 working days of the Privacy Act Officer receiving the request, describing the amendment made and including a copy of the amended record, in disclosable form.

(e) *Denying request for amendment.* When a determination is made that amendment, in whole or part, is unwarranted, the matter shall be brought to the attention of the Inspector General, if it pertains to records maintained by the Office of the Inspector General, or to the attention of the General Counsel, if it pertains to other NSF records. If the General Counsel or Inspector General or their designee agrees with the determination that amendment is not warranted, the Privacy Act Officer will notify the requester in writing, normally within 30 working days of the Privacy Act Officer receiving the request. The notification letter will be signed by the Privacy Act Officer or his or her designee, and will include a statement of the reason(s) for the denial and how to appeal the decision.

(f) *Appealing a denial.* You may appeal a denial of a request to amend records to the General Counsel, National Science Foundation, 4201 Wilson Blvd., Suite 1265, Arlington, VA 22230. You must make your appeal in writing and it must be received by the Office of the General Counsel within ten days of the receipt of the denial (weekends, legal holidays, and the date of receipt excluded). Clearly mark your appeal letter and envelope "Privacy Act Appeal." Your appeal letter must include a copy of your original request for amendment and the denial letter, along with any additional documentation or argument you wish to submit in favor of amending the records. It must be signed by you or your officially designated representative.

(g) *Responses to appeals.* The General Counsel, or his or her designee, will normally render a decision on the appeal within thirty working days after proper receipt of the written appeal by the General Counsel. If additional time to make a determination is necessary you will be advised in writing of the need for an extension.

(1) *Amendment appeal granted.* If on appeal the General Counsel, or his or her designee, determines that amendment of the record should take place, you will be notified as soon as possible of the Foundation's decision. The notification will describe the amendment made and include a copy of the amended record, in disclosable form.

(2) *Amendment appeal denied—Statement of disagreement.* If on appeal the General Counsel, or his or her designee, upholds a denial of a request for amendment of records, you will be notified in writing of the reasons why the appeal was denied and advised of your right to seek judicial review of the decision. The letter will also notify you of your right to file with the Foundation a concise statement setting forth the reasons for your disagreement with the refusal of the Foundation to amend the record. The statement should be sent to the Privacy Act Officer, who will ensure that a copy of the statement is placed with the disputed record. A copy of the statement will be included with any subsequent disclosure of the record.

(h) *Records not subject to amendment.* The following records are not subject to amendment:

(1) Transcripts of testimony given under oath or written statements made under oath;

(2) Transcripts of grand jury proceedings, judicial proceedings, or quasi-judicial proceedings, which are the official record of those proceedings;

(3) Pre-sentence records that originated with the courts; and

(4) Records in systems of records that have been exempted from amendment under Privacy Act, 5 U.S.C. 552a(j) or (k) by notice published in the FEDERAL REGISTER.
