§ 614.2 Grounds for closing meetings.

(a) The National Science Board may by record vote close any portion of any meeting if it properly determines that an open meeting:

the stability of any financial institution; or

(b) Anyone who believes his interests may be directly affected by a portion of a meeting may request that the Board close it to the public for any reason referred to in paragraph (a) (5), (6), or (7) of this section. The request should be addressed to the Executive Officer, National Science Board, National Science Foundation, 4201 Wilson Boulevard, Arlington, VA 22230. It will be circulated to Members of the Board if received at least three full days before the meeting, and on motion of any Member the Board will determine by record vote whether to close the affected portion of the meeting.
