and the costs of general program administration, such as the salaries and wages of program staff whose time is not directly attributable to a particular grant or contract. Such staff may include, but are not limited to, executive officers and personnel, accounting, secretarial and clerical staff.

(f) *Allocation of indirect costs.* Where a recipient has only one major function, i.e., the delivery of legal services to low-income clients, allocation of indirect costs may be by a simplified allocation method, whereby total allowable indirect costs (net of applicable credits) are divided by an equitable distribution base and distributed to individual grant awards accordingly. The distribution base may be total direct costs, direct salaries and wages, attorney hours, numbers of cases, numbers of employees, or another base which results in an equitable distribution of indirect costs among funding sources.

(g) *Exception for certain indirect costs.* Some funding sources may refuse to allow the allocation of certain indirect costs to an award. In such instances, a recipient may allocate a proportional share of another funding source's share of an indirect cost to Corporation funds, provided that the activity associated with the indirect cost is permissible under the LSC Act and regulations.

(h) *Applicable credits.* Applicable credits are those receipts or reductions of expenditures which operate to offset or reduce expense items that are allocable to grant awards as direct or indirect costs. Applicable credits include, but are not limited to, purchase discounts, rebates or allowances, recoveries or indemnities on losses, insurance refunds, and adjustments of overpayments or erroneous charges. To the extent that such credits relate to allowable costs, they shall be credited as a cost reduction or cash refund in the same fund to which the related costs are charged.

(i) *Guidance.* The Circulars of the Office of Management and Budget shall provide guidance for all allowable cost questions arising under this part when relevant policies or criteria therein are not inconsistent with the provisions of the Act, applicable appropriations law, this part, the Accounting Guide for LSC Recipients, Corporation rules, reg-

ulations, guidelines, instructions, and other applicable law.

§ 1630.4 Burden of proof.

The recipient shall have the burden of proof under this part.

§ 1630.5 Costs requiring Corporation prior approval.

(a) *Advance understandings.* Under any given grant award, the reasonableness and allocability of certain cost items may be difficult to determine. In order to avoid subsequent disallowance or dispute based on unreasonableness or nonallocability, recipients may seek a written understanding from the Corporation in advance of incurring special or unusual costs. If a recipient elects not to seek an advance understanding from the Corporation, the absence of an advance understanding on any element of a cost does not affect the reasonableness or allocability of the cost.

(b) *Prior approvals.* Without prior written approval of the Corporation, no cost attributable to any of the following may be charged to Corporation funds:

(1) Pre-award costs and costs incurred after the cessation of funding;

(2) Purchases and leases of equipment, furniture, or other personal, non-expendable property, if the current purchase price of any individual item of property exceeds \$10,000;

(3) Purchases of real property; and

(4) Capital expenditures exceeding \$10,000 to improve real property.

(c) *Duration.* The Corporation's approval or advance understanding shall be valid for one year, or for a greater period of time which the Corporation may specify in its approval or understanding.

§ 1630.6 Timetable and basis for granting prior approval.

(a) The Corporation shall grant prior approval of a cost if the recipient has provided sufficient written information to demonstrate that the cost would be
