§ 1703.206 Providing information to the public.

Individuals or organizations interested in obtaining copies of information available in accordance with §1703.204 may request same under provisions set forth in §§1703.402 and 1704.404. Individuals or organizations having a special interest in activities of the Commission may request the Executive Director to the Commissioners to place them on a mailing list for receipt of information available under §1703.205. The Commission shall provide information to publications whose readers are likely to have a special interest in the work of the Commission.

§ 1703.207 Change in meeting plans after public announcement.

(a) Following public announcement of a meeting, the time or place of a meeting may be changed only if the change is announced publicly at the earliest practicable time.

§ 1703.208 Meetings for extraordinary agency business.

Where agency business so requires, Commission members may decide by majority, recorded vote to schedule a meeting for a date earlier than eight days after the decision. Such a decision would obviate the general requirement for a public announcement at least one week before the scheduled meeting. At the earliest practicable time, however, the Commission will announce publicly the time, place, and subject matter of the meeting, whether the meeting is to be open or closed, and the name and telephone number of an agency official who will respond to requests for information about the meeting.

§ 1703.209 Notice of meeting in Federal Register.

Immediately following each public announcement required by this subpart, the following information, as applicable, shall be submitted for publication in the Federal Register:

(a) Notice of the time, place, and subject matter of a meeting;

(b) Whether the meeting is open or closed;

(c) Any change in one of the preceding; and

(d) The name and telephone number of an agency official who will respond to requests for information about the meeting.

Subpart C—Conduct of Meetings

§ 1703.301 Meeting place.

Meetings will be held in meeting rooms designated in the public announcement. Whenever the number of observers is greater than can be accommodated in the meeting room designated, every reasonable effort will be made to provide alternative facilities.

§ 1703.302 Role of observers.

The public may attend open meetings for the sole purpose of observation and may not record any of the discussions by means of electronic or other devices or cameras unless approved in advance by the Executive Committee of the Commission. Observers may not participate in meetings unless expressly invited or create distractions to interfere with the conduct and disposition of Commission business. Such participation or attempted participation shall be cause for removal of any person so engaged at the discretion of the presiding member of the Commission. When meetings are partially closed, observers will leave the meeting room promptly upon request so that discussion of matters exempt under provisions of subpart B of this part, §1703.202, may take place expeditiously.

Subpart D—Maintenance of Meeting Records

§ 1703.401 Requirements for maintaining records of closed meetings.

(a) A record of each meeting or portion thereof which is closed to the public must be made and retained for two years or for one year after the conclusion of the Commission proceeding involved in the meeting. The record of any portion of a meeting closed to the public shall be a transcript or electronic recording.

(b) When minutes are produced, such minutes shall fully and clearly describe all matters discussed, and will provide a full and accurate summary of any actions taken and the reasons expressed
