Subpart C—Maritime Security Program Operating Agreements

§ 295.20 General conditions.

(a) *Approval.* MARAD may approve applications to enter into a MSP Operating Agreement and make MSP Payments with respect to vessels that are determined to be necessary to maintain a United States presence in international commercial shipping or those that are deemed, after consultation with the Secretary of Defense, to be militarily useful for meeting the sea-lift needs of the United States in national emergencies.

(b) *Effective date—(1) General Rule.* Unless otherwise provided in the contract, the effective date of a MSP Operating Agreement is the date when executed by the Contractor and MARAD.

(2) *Exceptions.* In the case of an Eligible Vessel to be included in a MSP Operating Agreement that is subject to an ODS contract under subtitle A, title VI, of the act or on charter to the U.S. Government, other than a charter under the provisions of an Emergency Preparedness Program Agreement provided by section 653 of the act, unless an earlier date is requested by the applicant, the effective date for a MSP Operating Agreement shall be:

(i) The expiration or termination date of the ODS contract or Government charter covering the vessel, respectively, or

(ii) Any earlier date on which the vessel is withdrawn from that contract or charter.

(c) *Replacement Vessels.* MARAD may approve the replacement of an Eligible Vessel in a MSP Operating Agreement provided the replacement vessel is eligible under § 295.10.

(d) *Notice to shipbuilders.* The Contractor agrees that no later than 30 days after soliciting any offer or bid for the construction of any vessel in a foreign shipyard, and before entering into any contract for construction of a vessel in a foreign shipyard, the Con-

tractor shall provide notice of its intent to enter into such a contract (for vessels being considered for U.S.-flag registry) to MARAD. Within 10 business days after the receipt of such notification, MARAD shall issue a notice in the FEDERAL REGISTER of the Contractor's intent. The Contractor is prohibited from entering into any such contract until 10 business days after the date of publication of such notice.

(e) *Early termination.* A MSP Operating Agreement shall terminate on a date specified by the Contractor if the Contractor notifies MARAD not later than 60 days before the effective date of the proposed termination, that the Contractor intends to terminate the Agreement. The Contractor shall be bound by the provisions relating to vessel documentation and national security commitments to the extent and for the period contained in section 652(m) of the Act.

(f) *Non-renewal for lack of funds.* If, by the first day of a fiscal year, insufficient funds have been appropriated under section 655 of the act for that fiscal year, MARAD shall notify the Congress that MSP Operating Agreements for which insufficient funds are available will be terminated on the 60th day of that fiscal year if sufficient funds are not appropriated or otherwise made available by that date. If only partial funding is appropriated by the 60th day of such fiscal year, then MSP Operating Agreements for which funds are not available shall be terminated using the pro rata distribution method used to award MSP Operating Agreements set forth in § 295.12(d). With respect to each terminated agreement the Contractor shall be released from any further obligation under the agreement, and the Contractor may transfer and register the applicable vessel under a foreign registry deemed acceptable by MARAD. In the event that no funds are appropriated, then all MSP Operating Agreements shall be terminated and each Contractor shall be released from its obligations under the agreement. Final payments under the terminated agreements shall be made in accordance with § 295.30. To the extent that funds are appropriated in a subsequent

fiscal year, existing operating agreements may be renewed if mutually acceptable to the Administrator and the Contractor and the MSP vessel remains eligible.

(g) *Operation under a Continuing Resolution.* In the event a Continuing Resolution (CR) is in place that does not provide sufficient appropriations to fully meet obligations under MSP Operating Agreements, a Contractor may request termination of the agreement in accordance with paragraph (f), herein, and § 295.30.

(h) *Requisition authority.* To the extent section 902 of the act is applicable to any vessel transferred foreign under this section, the vessel shall remain available to be requisitioned by the Maritime Administration under that provision of law.

(i) *Transfer of Operating Agreements.* A Contractor subject to an Agreement may transfer that Agreement (including all rights and obligations thereunder) to any person eligible to enter into an Agreement under the same priority established in section 652(i)(1)(A) of the act as the Contractor, provided that:

(1) The Contractor gives notice of any such transfer to the Maritime Administrator by filing a completed application;

(2) The transfer is not disapproved in writing by the Maritime Administrator within 90 days of the notification; and

(3) the vessel to be covered by the Agreement after transfer is the same vessel originally covered by the Agreement or is an eligible vessel under section 651(b) of the act and is the same type, and comparable to, the vessel originally covered by the Agreement.

§ 295.21 MSP assistance conditions.

(a) *Term of MSP Operating Agreement.* MSP Operating Agreements shall be effective for a period of not more than one fiscal year, and unless otherwise specified in the Agreement, shall be renewable, subject to the availability of appropriations or amounts otherwise made available, for each subsequent fiscal year through the end of FY 2005. In the event appropriations are enacted after October 1 with respect to any subsequent fiscal year, October 1 shall be considered the effective date of the re-

newed agreement, provided sufficient funds are made available and subject to the Contractor's rights for early termination pursuant to section 652(m) of the act.

(b) *Terms under a Continuing Resolution (CR).* In the event funds are available under a CR, the terms and conditions of the MSP Operating Agreements shall be in force provided sufficient funds are available to fully meet obligations under MSP Operating Agreements, and only for the period stipulated in the applicable CR. If funds are not appropriated at sufficient levels for any portion of a fiscal year, the terms and conditions of any applicable MSP Operating Agreement may be voided and the Contractor may request termination of the MSP Operating Agreement in accordance with § 295.20(f).

(c) *National security requirements.* Each MSP Operating Agreement shall require the owner or operator of an Eligible Vessel included in that agreement to enter into an Emergency Preparedness Program Agreement pursuant to section 653 of the act.

(d) *Vessel operating requirements.* The MSP Operating Agreement shall require that during the period an Eligible Vessel is included in that Agreement, the Eligible Vessel shall:

(1) *Documentation.* Be documented as a U.S.-flag vessel under 46 U.S.C. chapter 121; and

(2) *Operation.* Be operated exclusively in the U.S.-foreign trade or in mixed foreign and domestic trade allowed under a registry endorsement issued under 46 U.S.C. 12105, and shall not otherwise be operated in the coastwise trade of the United States.

(e) *Limitations.* Limitations on Contractors with respect to the operation of foreign-flag vessels shall be in accordance with section 804 of the act, as amended. The operation of vessels, other than Agreement Vessels, in the noncontiguous trades shall be limited in accordance with service levels and conditions permitted in section 656 of the act.

(f) *Non-Contiguous Domestic Trade.* [Reserved]
