

Maritime Administration, DOT

§ 310.56

(A) Additional mathematics and science;

(B) Foreign language;

(C) Economics; and,

(D) Social science.

(2) *Evidence of academic work.* Before approval of an application, each applicant shall submit evidence showing completion of high school education, or showing that such education will be completed no later than June 30 of the year in which admission is sought.

(b) *Scholastic examinations*—(1) *Required entrance examinations.* Applicants shall qualify in either the College Board's Scholastic Aptitude Tests (SAT) or the American College Testing Program (ACT) examinations, administered nationally on scheduled dates at convenient testing centers. A candidate electing to use the College Board shall take both the mathematics and the verbal section of the SAT. A candidate electing to use the ACT, shall take all the tests, namely, English, Mathematics, Social Sciences and Natural Sciences. Minimum qualifying scores on the entrance examinations will be determined by the Superintendent of the Academy for each entering class prior to any offers of appointment for the particular class. Any score below the minimum on any one section of an examination shall make the nominee ineligible for admission. All examination costs shall be borne by the applicant. Nominees shall take all the required examinations by the February testing date in the year for which they seek appointment, unless the Academy's Admissions Office grants special authorization to take later examinations.

(2) *Forwarding test results.* Candidates shall be responsible for requesting the testing services to submit their scores directly to the Academy.

(3) *Test information.* Information on the entrance examinations may be obtained from—

The candidate's high school guidance office;
or,
College Board, P.O. Box 592, Princeton, N.J. 08540; or,
College Board, P.O. Box 1025, Berkeley, CA. 94701; or,
American College Testing Program, P.O. Box 168, Iowa City, IA 52240.

(c) *Prior Scholastic Record.* Applicants shall demonstrate scholastic achievement by having attained a relatively high standing in relation to their fellow students and by having shown proficiency in mathematics and science courses. With respect to applicants who completed high school at least one year before applying for admission to the Academy, consideration will be given to satisfactory college level study or any special study undertaken to strengthen their academic backgrounds, particularly in respect to determining whether such supplementary academic activity offsets any deficiency in high school scholastic records.

(d) *Waivers.* No waivers of scholastic requirements will be granted.

§ 310.56 Physical requirements.

(a) *Physical standards.* (1) A candidate shall meet the physical requirements prescribed by the Department of the Navy for appointment as Midshipman, USNR (including the Merchant Marine Reserve, USNR) and the requirements prescribed by the U.S. Coast Guard for original licensing as a third mate and third assistant engineer. All candidates shall have color perception and refractive error within the limits prescribed by the Department of the Navy or by the U.S. Coast Guard, whichever are higher.

(2) The requirement to meet these standards is a continuing one and shall apply through graduation from the Academy. Failure to meet the standards while attending the Academy is grounds for, and may lead to disenrollment. Individuals who have completed at least two years of study and, as a result of an accident, illness or other cause (during official duty), fail to meet this requirement may be permitted to remain at the Academy at the discretion of, and under conditions set by, the Administrator. Those individuals permitted to remain through graduation will agree to fulfill aspects of the service obligation which they are capable of, as deemed appropriate by the Administrator.

(b) *Qualifying physical examinations.* All candidates for the Academy shall have a physical and dental examination conducted by a service academy

§310.57

examining facility designated by the Service Academies Central Medical Review Board. The required physical examination shall occur within 1 year preceding the date of admission to the Academy. Although there is no charge for such examination, all expenses (including travel, meals and hotel accommodations) incurred in obtaining such examination shall be borne by the applicant. Candidates may be subject to reexamination upon reporting to the Academy and at any time while attending the Academy.

(c) *Physical reexamination.* A candidate who is rejected for failure to meet the physical requirements may request either a reevaluation of the examination results or a reexamination. A midshipman failing to meet the physical requirements while attending the Academy is entitled to make the same request.

(d) *Waivers.* Some medical requirements may be waived for enrolled students and applicants to the USMMA who require such a medical waiver to qualify for admission and/or retention. Since commissioning in the United States Navy, or any other branch of the Armed Forces, is a requirement for graduation, no waivers will be granted for medical conditions which would prevent commissioning in at least a restricted status in the U.S. Navy Reserve. Individuals interested in waiver consideration may request a waiver by writing to the Superintendent, USMMA. The granting of medical waivers will be based on U.S. Navy guidelines and regulations for waiver consideration for admission to the U.S. Naval Academy and the physical requirements consistent with commissioning as a reserve officer in the U.S. Navy in a restricted line program. Individuals requesting medical waivers must be able to meet all other admission requirements, including the physical examination requirement for an original U.S. Coast Guard merchant marine license as a third mate and/or third assistant engineer. The decision of the Superintendent on any requested waiver is administratively final.

§310.57 Application and selection of midshipmen.

(a) *Application.* All candidates shall submit an application for admission to the Academy's Admissions Office. Prospective candidates also should submit an application, but are not considered official candidates until their nominations are received. Candidates shall submit with their applications an official transcript and personality record from the candidate's high school and, if applicable, such records from any school attended after high school graduation. Application forms are available upon request by writing to the Admissions Office at the Academy. MARAD will accept electronic options (such as facsimile and Internet) for transmission of only Part I of required information to MARAD, if practicable.

(b) *Selection of Midshipmen.* Selection of midshipmen for appointment to fill vacancies allotted to the various States and other locations, as specified in §310.53(b) (1) and (2) of this subpart, shall be in order of merit. The order of merit shall be determined on the scores of the required entrance examinations, on assessment of the academic background of the individual and on such other factors as are considered by the Academy to be effective indicators of motivation and the probability of successful completion of training at the Academy. No preference shall be granted in selecting individuals for appointment because one or more members of their immediate families are alumni of the Academy.

(c) *Notification of selection.* Results of the selection process will be made known about May 1 each year. The Academy shall advise each candidate and his or her nominating official of his or her status as a principal candidate, as an alternate candidate or as an unqualified candidate. Alternates will replace principal candidates who decline appointment or fail to meet the physical requirements or the security and suitability investigation.

(d) *Service obligation agreement.* Each candidate selected for appointment to the Academy after April 1, 1982, who is a citizen of the United States, shall sign a service obligation contract as a condition of admission. The contract is prescribed in §310.58 of this subpart.
