water), when berthed at wharf or when moored in slip adjacent to a wharf. Wharfage is solely the charge for use of a wharf and does not include charges for any other service.

§ 525.3 Availability of marine terminal operator schedules.

(a) Availability of terminal schedules—

(1) Availability to the Commission. A complete and current set of terminal schedules used by a marine terminal operator, or to which it is a party, shall be maintained in its office(s) for a period of five (5) years, whether or not made available to the public, and shall promptly be made available to the Commission upon request.

(2) Availability to the public. Any terminal schedule that is made available to the public shall be available during normal business hours and in electronic form. The public may be assessed a reasonable nondiscriminatory charge for access to the terminal schedules; no charge will be assessed against the Commission.

(b) Access to electronically published schedules. Marine terminal operators shall provide access to their terminal schedules via a personal computer (PC) by:

(1) Dial-up connection via public switched telephone networks (PSTN); or

(2) The Internet (Web) by:

(i) Web browser; or

(ii) Telnet session.

(c) Dial-up connection via PSTN. (1) This connection option requires that terminal schedules provide:

(i) A minimum of a 14.4Kbps modem capable of receiving incoming calls,

(ii) Smart terminal capability for VT-100 terminal or terminal emulation access, and

(iii) Telephone line(s) quality for data transmission.

(2) The modem may be included in a collection (bank) of modems as long as
