Federal Communications Commission

§ 63.02

§ 63.02 Exemptions for extensions of lines and for systems for the delivery of video programming.

(a) Any common carrier is exempt from the requirements of section 214 of the Communications Act of 1934, as amended, for the extension of any line.

(b) A common carrier shall not be required to obtain a certificate under section 214 of the Communications Act.
§ 63.03 Streamlining procedures for domestic transfer of control applications.

Any domestic carrier that seeks to transfer control of lines or authorization to operate pursuant to section 214 of the Communications Act of 1934, as amended, shall be subject to the following procedures:

(a) Public notice and review period. Upon determination by the Common Carrier Bureau that the applicants have filed a complete application and that the application is appropriate for streamlined treatment, the Common Carrier Bureau will issue a public notice stating that the application has been accepted for filing as a streamlined application. Unless otherwise notified by the Commission, an applicant is permitted to transfer control of the domestic lines or authorization to operate on the 31st day after the date of public notice listing a domestic section 214 transfer of control application as accepted for filing as a streamlined application, but only in accordance with the operations proposed in its application. Comments on streamlined applications may be filed during the first 14 days following public notice, and reply comments may be filed during the first 21 days following public notice, unless the public notice specifies a different pleading cycle. All comments on streamlined applications shall be filed electronically, and shall satisfy such other filing requirements as may be specified in the public notice.

(b) Presumptive streamlined categories.

(1) The streamlined procedures provided in this rule shall be presumed to apply to all transfer of control applications as accepted for filing as a streamlined application, but only in accordance with the operations proposed in its application. Comments on streamlined applications may be filed during the first 14 days following public notice, and reply comments may be filed during the first 21 days following public notice, unless the public notice specifies a different pleading cycle. All comments on streamlined applications shall be filed electronically, and shall satisfy such other filing requirements as may be specified in the public notice.

(2) Where a proposed transaction would result in a transferee having a market share in the interstate, inter-exchange market of less than 10 percent, and the transferee would provide competitive telephone exchange services or exchange access services (if at all) exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the transaction, the streamlined procedures provided in this rule shall be presumed to apply to transfer of control applications in which:

(i) Neither of the applicants is dominant with respect to any service;

(ii) The applicants are a dominant carrier and a non-dominant carrier that provides services exclusively outside the geographic area where the dominant carrier is dominant; or

(iii) The applicants are incumbent independent local exchange carriers (as defined in §64.1902 of this chapter) that have, in combination, fewer than two (2) percent of the nation’s subscriber lines installed in the aggregate nationwide, and no overlapping or adjacent service areas.

(c) Removal of application from streamlined processing.

(1) At any time after an application is filed, the Commission, acting through the Chief of the Wireline Competition Bureau, may notify an applicant that its application is being removed from streamlined processing, or will not be subject to streamlined processing. Examples of appropriate circumstances for such action are:

(i) An application is associated with a non-routine request for waiver of the Commission’s rules;

(ii) An application would, on its face, violate a Commission rule or the Communications Act;

(iii) An applicant fails to respond promptly to Commission inquiries;

(iv) Timely-filed comments on the application raise public interest concerns that require further Commission review; or
