each shipment of samples and containing the information required in paragraph (b) of this clause. He shall enclose a copy of this letter with the shipment and send a copy to the Government representative on the project. Approval of a sample shall be only for the characteristics or use named in such approval and shall not be construed to change or modify any contract requirement. Substitutions will not be permitted unless they are approved in writing by the Contracting Officer.

(d) Approved samples not destroyed in testing will be sent to the Government representative at the project. Approved samples of hardware in good condition will be marked for identification and may be used in the work. Materials and equipment, incorporated in the work shall match the approved samples. Other samples not destroyed in testing or not approved will be returned to the Contractor at his expense if so requested at time of submission.

(e) Failure of any material to pass the specified tests will be sufficient cause for refusal to consider, under this contract, any further samples of the same brand or make of that material or equipment which previously has proved unsatisfactory in service.

(f) Samples of various materials or equipment delivered on the site or in place may be taken by the Government representative for testing. Samples failing to meet contract requirements, or there shall be a proper adjustment of the contract price as determined by the Contracting Officer.

(g) Unless otherwise specified, when tests are required only one test of each sample proposed for use will be made at the expense of the Government. Samples which do not meet specification requirements will be rejected. Testing of additional samples will be made by the Government at the expense of the Contractor.

(End of clause)

552.236-80 Heat.

As prescribed in 536.570-11, insert the following clause:

HEAT (APR 1984)

Unless otherwise specified or unless already provided by the Government the Contractor shall:

(a) Provide heat, as necessary to protect all work, materials, and equipment against injury from dampness and cold;

(b) Protect, cover and/or heat as may be necessary, to provide and maintain a temperature of not less than 50 degrees Fahrenheit (1) in the concrete during the placing, setting and curing of concrete, and (2) in the plaster during the application, setting and curing of plaster; and

48 CFR Ch. 5 (10-1-11 Edition)

(c) Provide heat as necessary in the area where work is to be done to provide the minimum temperature recommended by the supplier or manufacturer of the material, but in no case less than 50 degrees Fahrenheit, for a period beginning 10 days before placing or interior finishes and finish materials and continuing until completion or beneficial occupancy of the area, whichever is earlier.

(End of clause)

552.236-81 Use of Equipment by the Government.

As prescribed in 536.570-12, insert the following clause:

USE OF EQUIPMENT BY THE GOVERNMENT (APR 1984)

(a) The Government may take over and operate, with Government employees, such equipment as is necessary for heating or cooling such areas of the building as require the service, as soon as the installation is sufficiently complete.

(b) The Contracting Officer will advise the Contractor by letter, prior to the use of equipment, which items of equipment will be operated, and the date and time such operation will begin.

(c) Government operation of equipment will not relieve the Contractor of the one-year guarantee on materials and workmanship elsewhere provided for in this contract.

(d) The guarantee period, elsewhere provided for in this contract, for each piece of equipment shall be in accordance with the "Guarantees" clause of this contract.

(End of clause)

552.236-82 Subcontracts.

As prescribed in 536.570-13, insert the following clause:

SUBCONTRACTS (APR 1984)

(a) Nothing contained in the contract shall be construed as creating any contractual relationship between any subcontractor and the Government. The divisions or sections of the specifications are not intended to control the Contractor in dividing the work among subcontractors, or to limit the work performed by any trade.

(b) The Contractor shall be responsible to the Government for acts and omissions of his own employees and of subcontractors and their employees. He shall also be responsible for the coordination of the work of the trades, subcontractors and suppliers.

(c) The Government will not undertake to settle any differences between or among the Contractor, subcontractors, or suppliers.
