architect-engineer contracts. The Chair may designate the Project Director or Project Manager to act as Chair when necessary. When appointing the board's members, the Director, Office of Construction and Facilities Management, must include the appropriate Project Manager and as many qualified professional architects or engineers from the Office of Construction and Facilities Management technical services as may be considered appropriate for the particular project. The Director, Office of Construction and Facilities Management may designate additional members from the Office of Construction and Facilities Management or from other Department administrations and staff offices when appropriate.

(c) The Director, Office of Construction and Facilities Management, shall ensure that the board consists of no fewer than three members, one of whom must be a National Cemetery Administration senior level contracting officer. The Director shall designate one of the board members as the Chair.

(d) The evaluation board for a VA field facility must consist of no fewer than two members, one of whom will be the HCA (or the senior contracting officer at the facility if there is no HCA on site) and the other will be the Chief, Engineering Service, or their alternates. Where a facility has two or more engineers on its staff, the facility or VISN director must appoint an additional engineer to the board. The Chair of the board will be the senior engineer.

836.602-4 Selection authority.

The Director, Office of Construction and Facilities Management (for Central Office contracts), the Director, Office of Construction Management (for National Cemetery Administration contracts), and the facility or VISN director (for field facility contracts), as appropriate, or persons acting in those capacities, are designated as the approving officials for the recommendations of the respective evaluation boards.

836.602-5 Short selection process for contracts not to exceed the simplified acquisition threshold.

Either of the procedures provided in FAR 36.602-5 may be used to select firms for architect-engineer contracts that are not expected to exceed the simplified acquisition threshold.

836.603 Collecting data on and appraising firms qualifications.

The Director, Office of Construction and Facilities Management, for Central Office; the Director, Office of Construction Management, for National Cemetery Administration; and the Chief, Engineering Service, for field facilities, are responsible for collecting Standard Forms 330 and maintaining a data file on architect-engineer qualifications.

836.606 Negotiations.

836.606-70 General.

To assure that the fee limitation is not violated, the contracting officer must maintain suitable records to be able to isolate the amount in the total fee to which the 6-percent limitation applies.

836.606-71 Architect-engineer's proposal.

(a) When the contract price is estimated to be \$50,000 or more, the contracting officer must use VA Form 10-6298, Architect-Engineer Fee Proposal, to obtain the proposal and supporting cost data from the proposed contractor and subcontractor in the negotiation of an architect-engineer contract for design services.

(b) In obtaining architect-engineer services for research study, seismic study, master planning study, construction management and other related services contracts, the contracting officer must use VA Form 10-6298 supplemented or modified as needed for the particular project type.

836.606-72 Contract price.

(a) Where negotiations with the top-rated firm are unsuccessful, the contracting officer shall, after authorization by the Director, Office of Construction and Facilities Management, the Director, Office of Construction Management, or the facility or VISN
