Department of Energy

970.5223–7 Sustainable acquisition program.

As prescribed in 970.2301–2, insert the following clause in contracts:

SUSTAINABLE ACQUISITION PROGRAM (OCT 2010)

(a) Pursuant to Executive Order 13423, Strengthening Federal Environmental, Energy and Transportation Management, and Executive Order 13514, Federal Leadership in Environmental, Energy, and Economic Performance, the Department of Energy (DOE) is committed to managing its facilities in an environmentally preferable and sustainable manner that will promote the natural environment and protect the health and well being of Federal employees, contractor service providers and visitors using the facility.

(b) Green purchasing or sustainable acquisition has several interacting initiatives.
