**3052.228-90 Notification of Miller Act payment bond protection (USCG).**

As prescribed in USCG guidance at (HSAR) 48 CFR 3028.106-490, insert the following clause:

**NOTIFICATION OF MILLER ACT PAYMENT BOND PROTECTION (DEC 2003)**

This notice clause shall be inserted by first tier subcontractors in all their subcontracts and shall contain information pertaining to the surety that provided the payment bond under the prime contract.

(a) The prime contract is subject to the Miller Act (40 U.S.C. 270), under which the prime contractor has obtained a payment bond. This payment bond may provide certain unpaid employees, suppliers, and subcontractors a right to sue the bonding surety under the Miller Act for amounts owned for work performed and materials delivery under the prime contract.

(b) Persons believing that they have legal remedies under the Miller Act should consult their legal advisor regarding the proper steps to take to obtain these remedies. This notice clause does not provide any party any rights against the Federal Government, or create any relationship, contractual or otherwise, between the Federal Government and any private party.

(c) The surety which has provided the payment bond under the prime contract is:

**3052.228-91 Loss of or damage to leased aircraft (USCG).**

As prescribed in USCG guidance at (HSAR) 48 CFR 3028.306-90(a) and (b), insert the following clause:

**LOSS OF OR DAMAGE TO LEASED AIRCRAFT (DEC 2003)**

(a) The Government assumes all risk of loss of, or damage (except normal wear and tear) to, the leased aircraft during the term of this lease while the aircraft is in the possession of the Government.

(b) In the event of damage to the aircraft, the Government, at its option, shall make the necessary repairs with its own facilities or by contract, or pay the Contractor the reasonable cost of repair of the aircraft.

(c) In the event the aircraft is lost or damaged beyond repair, the Government shall pay the Contractor a sum equal to the fair market value of the aircraft at the time of such loss or damage, which value may be specifically agreed to in clause 3052.228-92, "Fair Market Value of Aircraft," less the salvage value of the aircraft. However, the Government may retain the damaged aircraft or dispose of it as it wishes. In that event, the Contractor will be paid the fair market value of the aircraft as stated in the clause.

(d) The Contractor agrees that the contract price does not include any cost attributable to hull insurance or to any reserve fund it has established to protect its interest in the aircraft. If, in the event of loss or damage to the leased aircraft, the Contractor receives compensation for such loss or damage in any form from any source, the amount of such compensation shall be:

(1) Credited to the Government in determining the amount of the Government's liability; or

(2) For an increment of value of the aircraft beyond the value for which the Government is responsible.

(e) In the event of loss of or damage to the aircraft, the Government shall be subrogated to all rights of recovery by the Contractor against third parties for such loss or damage and the Contractor shall promptly assign such rights in writing to the Government.

(End of clause)

**3052.228-92 Fair market value of aircraft (USCG).**

As prescribed in USCG guidance at (HSAR) 48 CFR 3028.306-90(a) and (c), insert the following clause:

**FAIR MARKET VALUE OF AIRCRAFT (DEC 2003)**

For purposes of the clause entitled "Loss of or Damage to Leased Aircraft," the fair market value of the aircraft to be used in the performance of this contract shall be the lesser of the two values set out in paragraphs (a) and (b) below:

(a) \$\_\_\_\_\_; or

(b) If the contractor has insured the same aircraft against loss or destruction in connection with other operations, the amount of such insurance coverage on the date of the loss or damage for which the Government may be responsible under this contract.

(End of clause)

**3052.228-93 Risk and indemnities (USCG).**

As prescribed in USCG guidance at (HSAR) 48 CFR 3028.306-90(a) and (d), insert the following clause:

**3052.231-70**

RISK AND INDEMNITIES (DEC 2003)

The Contractor hereby agrees to indemnify and hold harmless the Government, its officers and employees from and against all claims, demands, damages, liabilities, losses, suits and judgments (including all costs and expenses incident thereto) which may be suffered by, accrue against, be charged to or recoverable from the Government, its officers and employees by reason of injury to or death of any person other than officers, agents, or employees of the Government or by reason of damage to property of others of whatsoever kind (other than the property of the Government, its officers, agents or employees) arising out of the operation of the aircraft. In the event the Contractor holds or obtains insurance in support of this covenant, evidence of insurance shall be delivered to the Contracting Officer.

(End of clause)

**3052.231-70 Precontract costs.**

As prescribed in (HSAR) 48 CFR 3031.205-32, insert the following clause:

PRECONTRACT COSTS (DEC 2003)

The Contractor shall be entitled to reimbursement for pre-contract costs incurred on or after \_\_\_\_\_ in an amount not to exceed \$ \_\_\_\_\_ that, if incurred after this contract had been entered into, would have been reimbursable under this contract.

(End of clause)

**3052.235-70 Dissemination of information—educational institutions.**

As prescribed in (HSAR) 48 CFR 3035.7000, insert the following clause:

DISSEMINATION OF INFORMATION—  
EDUCATIONAL INSTITUTIONS (DEC 2003)

(a) The Department of Homeland Security (DHS) desires widespread dissemination of the results of funded non-sensitive research. The Contractor, therefore, may publish (subject to the provisions of the "Data Rights" and "Patent Rights" clauses of the contract) research results in professional journals, books, trade publications, or other appropriate media (a thesis or collection of theses should not be used to distribute results because dissemination will not be sufficiently widespread). All costs of publication pursuant to this clause shall be borne by the Contractor and shall not be charged to the Government under this or any other Federal contract.

(b) Any copy of material published under this clause shall contain acknowledgment of DHS's sponsorship of the research effort and a disclaimer stating that the published material represents the position of the au-

thor(s) and not necessarily that of DHS. Articles for publication or papers to be presented to professional societies do not require the authorization of the Contracting Officer prior to release. However, a printed or electronic copy of each article shall be transmitted to the Contracting Officer at least two weeks prior to release or publication.

(c) Publication under the terms of this clause does not release the Contractor from the obligation of preparing and submitting to the Contracting Officer a final report containing the findings and results of research, as set forth in the schedule of the contract.

**3052.236-70 Special precautions for work at operating airports.**

As prescribed in (HSAR) 48 CFR 3036.570, insert the following clause:

SPECIAL PRECAUTIONS FOR WORK AT  
OPERATING AIRPORTS (DEC 2003)

(a) When work is to be performed at an operating airport, the Contractor must arrange its work schedule so as not to interfere with flight operations. Such operations will take precedence over construction convenience. Any operations of the Contractor which would otherwise interfere with or endanger the operations of aircraft shall be performed only at times and in the manner directed by the Contracting Officer. The Government will make every effort to reduce the disruption of the Contractor's operation.

(b) Unless otherwise specified by local regulations, all areas in which construction operations are underway shall be marked by yellow flags during daylight hours and by red lights at other times. The red lights along the edge of the construction areas within the existing aprons shall be the electric type of not less than 100 watts intensity placed and supported as required. All other construction markings on roads and adjacent parking lots may be either electric or battery type lights. These lights and flags shall be placed so as to outline the construction areas and the distance between any two flags or lights shall not be greater than 25 feet. The Contractor shall provide adequate watch to maintain the lights in working condition at all times other than daylight hours. The hour of beginning and the hour of ending of daylight will be determined by the Contracting Officer.

(c) All equipment and material in the construction areas or when moved outside the construction area shall be marked with airport safety flags during the day and when directed by the Contracting Officer, with red
