

3439.703

48 CFR Ch. 34 (10–1–11 Edition)

3439.703 Federal desktop core configuration (FDCC) compatibility.

The contracting officer must include the clause at 3452.239–73 (Federal desk-

top core configuration (FDCC) compatibility) in all solicitations and contracts where software will be developed, maintained, or operated on any system using the FDCC configuration.
