(c) A State must come into substantial compliance with the requirements of subpart B of this part in effect as of September 4, 2007 as soon as practical but, unless otherwise specifically provided in this part, not later than September 4, 2010.

(d) A State must come into substantial compliance with the requirements of subpart B of this part in effect as of January 30, 2009, as soon as practical, but not later than January 30, 2012.

(e) A State must come into substantial compliance with the requirements of subpart B of this part in effect as of October 27, 2010 as soon as practical, but not later than October 28, 2013.

(f) A State must come into substantial compliance with the requirements of subpart B of this part in effect as of July 8, 2011, as soon as practical but, unless otherwise specifically provided in this part, not later than July 8, 2014.

(a) Certification requirement. Prior to January 1 of each Federal fiscal year after FY 1994, each State shall review its compliance with this part and certify to the Federal Motor Carrier Safety Administration, located in that State.

(b) Certification content. The certification shall consist of a statement signed by the Governor of the State, or by an official designated by the Governor, and reading as follows: "I (name of certifying official), (position title), of the State (Commonwealth) of ______, do hereby certify that the State (Commonwealth) has continuously been in substantial compliance with all requirements of 49 U.S.C. 31311(a), as defined in 49 CFR 384.301, since the first day of the current Federal fiscal year, and contemplates no changes in statutes, regulations, or administrative procedures, or in the enforcement thereof, which would affect such substantial compliance through the last date of the current Federal fiscal year."

§ 384.307 FMCSA program reviews of State compliance.

(a) FMCSA Program Reviews. Each State’s CDL program will be subject to review to determine whether or not the State meets the general requirement for substantial compliance in §384.301. The State must cooperate with the review and provide any information requested by the FMCSA.

(b) Preliminary FMCSA determination and State response. If, after review, a preliminary determination is made that the State has not submitted the required annual self-certification or that the State does not meet one or more of the minimum standards for substantial compliance under subpart B of this part, the State will be informed accordingly.

(c) Reply. The State will have up to 30 calendar days to respond to the preliminary determination. The State’s reply must explain what corrective action it either has implemented or intends to implement to correct the deficiencies cited in the notice or, alternatively, why the FMCSA preliminary determination is incorrect. The State must provide documentation of corrective action as required by the agency. Corrective action must be adequate to
correct the deficiencies noted in the program review and be implemented on a schedule mutually agreed upon by the agency and the State. Upon request by the State, an informal conference will be provided during this time.

(d) Final FMCSA determination. If, after reviewing a timely response by the State to the preliminary determination, a final determination is made that the State is not in compliance with the affected standard, the State will be notified of the final determination. In making its final determination, the FMCSA will take into consideration the corrective action either implemented or planned to be implemented in accordance with the mutually agreed upon schedule.

(e) State’s right to judicial review. Any State aggrieved by an adverse decision under this section may seek judicial review under 5 U.S.C. Chapter 7.

§ 384.309 Results of compliance determination.

(a) A State shall be determined not substantially in compliance with 49 U.S.C. 31311(a) for any fiscal year in which it:

(1) Fails to submit the certification as prescribed in this subpart; or

(2) Does not meet one or more of the standards of subpart B of this part, as established in a final determination by the FMCSA under §384.307(c).

(b) A State shall be in substantial compliance with 49 U.S.C. 31311(a) for any fiscal year in which neither of the eventualities in paragraph (a) of this section occurs.

§ 384.403 Availability of funds withheld for noncompliance.

(a) Federal-aid highway funds withheld from a State under §384.401(a)(1) or (b)(1) shall not thereafter be available for apportionment to the State.

(b) MCSAP funds withheld from a State under §384.401(a)(2) or (b)(2) remain available until June 30 of the fiscal year in which they were withheld. If before June 30 the State submits a document signed by the Governor or his or her delegate certifying, and the FMCSA determines, that the State is now in substantial compliance with the standards of subpart B of this part, the withheld funds shall be restored to the State. After June 30, unrestored funds shall lapse and be allocated in accordance with §350.313 of this subchapter to all States currently in substantial compliance with subpart B of this part.

§ 384.405 Decertification of State CDL program.

(a) Prohibition on CLP or CDL transactions. The Administrator may prohibit a State found to be in substantial noncompliance from performing any of the following CLP or CDL transactions:

(1) Initial issuance.

(2) Renewal.

(3) Transfer.

(4) Upgrade.

(b) Conditions considered in making decertification determination. The Administrator will consider, but is not limited to, the following five conditions in determining whether the CDL program of a State in substantial noncompliance should be decertified:
§ 384.407  
(1) The State computer system does not check the Commercial Driver’s License Information System (CDLIS) and/or National Driver Registry Problem Driver Pointer System (PDPS) as required by §383.73 of this subchapter when issuing, renewing, transferring, or upgrading a CLP or CDL.  

(2) The State does not disqualify drivers convicted of disqualifying offenses in commercial motor vehicles.  

(3) The State does not transmit convictions for out-of-State drivers to the State where the driver is licensed.  

(4) The State does not properly administer knowledge and/or skills tests to CLP or CDL applicants or drivers.  

(5) The State fails to submit a corrective action plan for a substantial compliance deficiency or fails to implement a corrective action plan within the agreed time frame.  

(c) Standard for considering deficiencies. The deficiencies described in paragraph (b) of this section must affect a substantial number of either CLP and CDL applicants or drivers.  

(d) Decertification: Preliminary determination. If the Administrator finds that a State is in substantial noncompliance with subpart B of this part, as indicated by the factors specified in paragraph (b) of this section, among other things, the FMCSA will inform the State that it has made a preliminary determination of noncompliance and that the State’s CDL program may therefore be decertified. Any response from the State, including factual or legal arguments or a plan to correct the noncompliance, must be submitted within 30 calendar days after receipt of the preliminary determination.  

(e) Decertification: Final determination. If, after considering all material submitted by the State in response to the FMCSA preliminary determination, the Administrator decides that substantial noncompliance exists, which warrants decertification of the CDL program, he/she will issue a decertification order prohibiting the State from issuing CLPs and CDLs until such time as the Administrator determines that the condition(s) causing the decertification has (have) been corrected.  

(f) Recertification of a State. The Governor of the decertified State or his/her designated representative must submit a certification and documentation that the condition causing the decertification has been corrected. If the FMCSA determines that the condition causing the decertification has been satisfactorily corrected, the Administrator will issue a recertification order, including any conditions that must be met in order to begin issuing CLPs and CDLs in the State.  

(g) State’s right to judicial review. Any State aggrieved by an adverse decision under this section may seek judicial review under 5 U.S.C. Chapter 7.  

(h) Validity of previously issued CLPs or CDLs. A CLP or CDL issued by a State prior to the date the State is prohibited from issuing CLPs or CDLs in accordance with provisions of paragraph (a) of this section, will remain valid until its stated expiration date.

§ 384.407 Emergency CDL grants.  

The FMCSA may provide grants of up to $1,000,000 per State from funds made available under 49 U.S.C. 31107(a), to assist States whose CDL programs may fail to meet the compliance requirements of subpart B of this part, but which are determined by the FMCSA to be making a good faith effort to comply with these requirements.
