§ 591.5  
Declarations required for importation.

No person shall import a motor vehicle or item of motor vehicle equipment into the United States unless, at the time it is offered for importation, its importer files a declaration, in duplicate, which declares one of the following:

(a)(1) The vehicle was not manufactured primarily for use on the public roads and thus is not a motor vehicle subject to the Federal motor vehicle safety, bumper, and theft prevention standards; or

(2) The equipment item is not a system, part, or component of a motor vehicle and thus is not an item of motor vehicle equipment subject to the Federal motor vehicle safety, bumper, and theft prevention standards.

(b) The vehicle or equipment item conforms with all applicable safety standards (or the vehicle does not conform solely because readily attachable equipment items which will be attached to it before it is offered for sale to the first purchases for purposes other than resale are not attached), and bumper and theft prevention standards, and bears a certification label or tag to that effect permanently affixed by the original manufacturer to the vehicle, or by the manufacturer to the equipment item or its delivery container, in accordance with, as applicable, parts 541, 555, 567, 568, and 581, or 571 (for certain equipment items) of this chapter.

(c) The vehicle or equipment item does not comply with all applicable

(1) (S)he is a nonresident of the United States and the vehicle is registered in a country other than the United States,

(2) (S)he is temporarily importing the vehicle for personal use for a period not to exceed one year, and will not sell it during that time,

(3) (S)he will export it not later than the end of one year after entry, and

(4) The declaration contains the importer's passport number and country of issue.

(e) The vehicle or equipment item requires further manufacturing operations to perform its intended function, other than the addition of readily attachable equipment items such as mirrors, wipers, or tire and rim assemblies, or minor finishing operations such as painting, and any part of such vehicle that is required to be marked by part 541 of this chapter is marked in accordance with that part.

(f) The vehicle does not conform with all applicable Federal motor vehicle safety and bumper standards (but does conform with all applicable Federal theft prevention standards), but the importer is eligible to import it because:

(2)(i) The importer has registered with NHTSA pursuant to part 592 of this chapter, and such registration has not been revoked or suspended, and the Administrator has determined pursuant to part 593 of this chapter that the model and model year of the vehicle to be imported is eligible for importation into the United States; and

(3) The vehicle is not a salvage motor vehicle or a reconstructed motor vehicle.

(g) (For importations for personal use only) The vehicle was certified by its original manufacturer as complying with all applicable Canadian motor vehicle safety standards and its original manufacturer has informed NHTSA that it complies with all applicable Federal motor vehicle safety, bumper, and theft prevention standards, or that it complies with all such standards except for the labeling requirements of Federal Motor Vehicle Safety Standards Nos. 101 and 110 or 120, and/or the specifications of Federal Motor Vehicle Safety Standard No. 108 relating to daytime running lamps. The vehicle is not a salvage motor vehicle, a repaired salvage motor vehicle, or a reconstructed motor vehicle.

(h) The vehicle does not conform with all applicable Federal motor vehicle safety, bumper, and theft prevention standards, but the importer is eligible to import it because (s)he:

(1)(i) Is a member of the personnel of a foreign government on assignment in the United States, or a member of the Secretariat of a public international organization so designated under the International Organization Immunities Act, and within the class of persons for whom free entry of motor vehicles has been authorized by the Department of State;

(ii) Is importing the motor vehicle on a temporary basis for the personal use of the importer, and will register it through the Office of Foreign Missions of the Department of State;

(iii) Will not sell the vehicle to any person in the United States, other than a person eligible to import a vehicle under this paragraph; and

(iv) Will obtain from the Office of Foreign Missions of the Department of State, before departing the United States at the conclusion of a tour of
duty, an ownership title to the vehicle good for export only; or

(k) The equipment item is subject to the theft prevention standard, and is marked in accordance with the requirements of part 541 of this chapter.

(l) The vehicle does not conform to all applicable Federal Motor Vehicle Safety and Bumper Standards (but does conform to applicable Federal Theft Prevention Standards) but the importer is eligible to import it because:

(1) The importer has registered with NHTSA pursuant to part 592 of this chapter, and such registration has not been revoked or suspended;

§ 591.7 Restrictions on importations.

(a) A vehicle or equipment item which has entered the United States under a declaration made pursuant to §591.5(j), and for which a Temporary Importation Bond has been provided to the Secretary of the Treasury, shall not remain in the United States for a period that exceeds 3 years from its date of entry.

(b) If the importer of a vehicle or equipment item under §591.5(j) does not intend to export or destroy the vehicle or equipment item not later than 3 years after the date of entry, and intends to pay duty to the U.S. Customs Service on such vehicle or equipment item, the importer shall request permission in writing from the Administrator for the vehicle or equipment item to remain in the United States for an additional period of time not to exceed 5 years from the date of entry. Such a request must be received not later than 60 days before the date that is 3 years after the date of entry. Such vehicle or equipment item shall not remain in the United States for a period that exceeds 5 years from the date of entry, unless further written permission has been obtained from the Administrator.

(c) An importer of a vehicle which has entered the United States under a declaration made pursuant to §591.5(j)(2)(i) shall not sell, or transfer possession of, or title to, the vehicle, and shall not license it for use, or operate it on the public roads, except under such terms and conditions as the Administrator may authorize in writing. An importer of a vehicle which has entered the United States under a declaration made pursuant to §591.5(j)(2)(ii) shall at all times retain title to it.

(d) Any violation of a term or condition imposed by the Administrator in a letter authorizing importation for on-road use under §591.5(j), or a change of status under paragraph (e) of this section, including a failure to allow inspection upon request to verify that the accumulated mileage of the vehicle is not more than 2,500 miles in any 12-month period, shall be considered a violation of 49 U.S.C. 30112(a) for which a civil penalty may be imposed. Such a
violation will also act to void the authorization and require the exportation of the vehicle. With respect to importations under §591.6(f)(2) or a change of status to an importation for show or display as provided under paragraph (e) of this section, if the Administrator has reason to believe that a violation has occurred, the Administrator may tentatively conclude that a term of entry has been violated, but shall make no final conclusion until the importer or owner has been afforded an opportunity to present data, views, and arguments as to why there is no violation or why a penalty should not be imposed.

(e) If the importer of a vehicle under §591.5(f)(2)(ii) has been notified in writing by the Registered Importer with which it has executed a contract or other agreement that the registration of the Registered Importer has been suspended (for other than the first time) or revoked, pursuant to §592.7 of this chapter, and that it has not affixed a certification label on the vehicle and/or filed a certification of conformance with the Administrator as required by §592.6 of this chapter, and that it therefore may not release the vehicle for the importer, the importer shall execute a contract or other agreement with another Registered Importer for the certification of the vehicle and submission of the certification of conformance to the Administrator. The Administrator shall toll the 120-day period for submission of a certification to the Administrator pursuant to §592.6(d) of this chapter during the period from the date of the Registered Importer’s notification to the importer until the date of the contract with the substitute Registered Importer.

(f) If a vehicle has entered the United States under a declaration made pursuant to §591.5(c) and:

(1) If the Administrator of NHTSA dismisses the petition or decides that the vehicle is not eligible for importation, or if the importer withdraws the petition or fails to submit a petition covering the vehicle within 180 days from the date of entry, the importer must deliver the vehicle, unless it is destroyed (with destruction documented by proof), to the Secretary of Homeland Security for export, or abandon the vehicle to the United States, within 30 days from the date of the dismissal, denial, or withdrawal of the importer’s petition, as appropriate, or within 210 days from the date of entry if the importer fails to submit a petition covering the vehicle, and furnish NHTSA with documentary proof of the vehicle’s exportation, abandonment, or destruction within 15 days from the date of such action; or

(2) If the Administrator grants the petition, the importer must:

(i) Furnish a bond, in an amount equal to 150 percent of the entered value of the vehicle as determined by the Secretary of the Treasury, within 15 days from the date the importer is notified that the petition has been granted, unless the vehicle has been destroyed, and bring the vehicle into conformity with all applicable Federal motor vehicle safety and bumper standards within 120 days from the date the petition is granted; or

(ii) Deliver the vehicle to the Secretary of Homeland Security for export within 30 days from the date the importer is notified that the petition has been granted; or

(iii) Abandon the vehicle to the United States within 30 days from the date the importer is notified that the petition has been granted; or

(iv) Destroy the vehicle within 30 days from the date the importer is notified that the petition has been granted; and

(v) Furnish NHTSA with documentary proof of the vehicle’s exportation, abandonment, or destruction within 15 days from the date of such action.

In the case of a vehicle imported pursuant to section 591.5(d), to file (or if not a Registered Importer, to cause the Registered Importer of the vehicle to file) with the Administrator, a certificate that the vehicle complies with all Federal motor vehicle safety and bumper standards in the year that the vehicle was manufactured and which applies in such year to the vehicle; or

3. In the case of a Registered Importer, not to release the vehicle until the Administrator is satisfied with the certification and any modification thereof, if the principal has received written notice from the Administrator that there is reason to believe that the certification is false or contains a misrepresentation.

(c) A false statement contained in a petition may subject the petitioner to prosecution under the provisions of 18 U.S.C. 1001.
(d) If the Administrator finds that all conditions of the bond have, in fact, been fulfilled, the forfeiture is remitted.
(e) A decision to mitigate a forfeiture upon condition that a stated amount is paid shall be effective for not more than 60 days from the date of notification to the petitioner of such decision. If payment of the stated amount is not made, or arrangements made for delayed or installment payment, the full claim of forfeiture shall be deemed applicable. The Administrator shall collect the claim, or, if unable to collect the claim within 120 days, shall refer the matter to the Department of Justice.
