

§ 530.303

5 CFR Ch. I (1–11 Edition)

to provide higher rates of pay for specified categories of GS positions or employees at one or more grades. An increased or decreased special rate schedule refers to an increase or decrease in one or more rate ranges within that schedule.

Special rate supplement means the portion of a special rate paid above an employee's GS rate. However, for a law enforcement officer receiving an LEO special base rate who is also entitled to a special rate, the special rate supplement equals the portion of the special rate paid above the officer's LEO special base rate. When a special rate schedule covers both LEO positions and other positions, the value of the special rate supplement will be less for law enforcement officers receiving an LEO special base rate (since that rate is higher than the corresponding GS rate). The payable amount of a special rate supplement is subject to the Executive Schedule level IV limitation on special rates, as provided in § 530.304(a).

§ 530.303 Coverage.

(a) Under 5 U.S.C. 5305, OPM may establish special rates for employees paid under a statutory pay system (as defined in 5 U.S.C. 5302(1)) or any other pay system established by or under Federal statute for civilian positions in the executive branch. Special rates apply only to GS employees unless the approved schedule coverage criteria specifically state otherwise. OPM will establish special rate schedules covering employees under a non-GS pay system only at the request of the agency responsible for administering that system. For employees covered by a non-GS pay system, the responsible agency is subject to the requirements in 5 U.S.C. 5305. To the extent the statutory or regulatory provisions governing the non-GS pay system differ from the regulatory provisions of this subpart, the responsible agency must follow policies that are consistent as possible with this subpart.

(b) An employee's coverage under a special rate schedule is subject to the coverage conditions established by OPM for that schedule, except as provided in paragraph (c) of this section.

The coverage conditions for a special rate schedule may be based on occupation, grade, employing agency, geographic location of official worksite, or other factors OPM may determine to be appropriate. An agency determination as to whether an employee meets the coverage conditions for a special rate schedule must be based on the employee's position of record and official worksite. An agency also may be required to consider other employee-specific factors established by OPM to determine special rate coverage, such as special qualifications or certifications.

(c) An agency must pay the applicable special rate to any employee who meets the coverage conditions established by OPM with respect to a special rate schedule unless an authorized agency official determines that a category of employees of the agency will not be covered by a proposed or existing special rate schedule, subject to the following requirements:

(1) An authorized agency official may determine that a category of employees of the agency will not be covered by a special rate request or a proposed new special rate schedule. The official must provide written notice to OPM that identifies the specific category or categories of employees who will not be covered by the special rate schedule. The notice must be received by OPM before the effective date of the new special rate schedule.

(2) An authorized agency official may remove a category of employees of the agency from coverage under an existing special rate schedule. The official must provide written notice to OPM that identifies the specific category or categories of employees who will not be covered by the special rate schedule. The loss of coverage under a special rate schedule will become effective on the first day of the first pay period beginning on or after the date of the notice to OPM.

(d) An employee covered by a special rate schedule is not entitled to a special rate for any purpose with respect to any period during which the employee is entitled to a higher rate of basic pay under any other legal authority. For example, an employee is not entitled to a special rate if he or she is

entitled to a higher locality rate or a retained rate.

§ 530.304 Establishing or increasing special rates.

(a) OPM may increase the minimum rates of pay otherwise payable to a category of employees in one or more areas or locations, grades or levels, occupational groups, series, classes, or subdivisions thereof, when it is necessary to address existing or likely significant recruitment or retention difficulties. OPM will consider the circumstances listed in paragraph (b) of this section and the factors listed in § 530.306 when evaluating the need for special rates. When OPM establishes a minimum special rate under this authority, corresponding increases also may be made in one or more of the remaining rates of the affected grade or level. For any given grade, a minimum special rate may not exceed the maximum rate of basic pay for the rate range (excluding any locality rate, other special rate, or similar payment under other legal authority) by more than 30 percent. A special rate may not exceed the rate for level IV of the Executive Schedule.

(b) The circumstances considered by OPM in evaluating the need for special rates are the following:

(1) Rates of pay offered by non-Federal employers which are significantly higher than those payable by the Government within the area, location, occupational group, or other category of positions under GS pay system;

(2) The remoteness of the area or location involved;

(3) The undesirability of the working conditions or the nature of the work involved (including exposure to toxic substances or other occupational hazards); or

(4) Any other circumstances OPM considers appropriate.

(c) In setting the level of special rates within a rate range for a category of employees, OPM will compute the special rate supplement by adding a fixed dollar amount or a fixed percentage to all GS rates within that range, except that an alternate method may be used for grades GS-1 and GS-2, where within-grade increases vary throughout the range.

(d) If OPM establishes a special rate schedule that covers only law enforcement officers, OPM may compute the special rate supplement for grades GS-3 through 10 as a fixed percentage of LEO special base rates instead of GS rates. With respect to such a schedule, references to GS rates in § 530.307 are deemed to be references to LEO special base rates.

§ 530.305 Agency requests for new or increased special rates.

(a) An agency may request that a special rate schedule be established or increased or that its employees be covered by an existing special rate schedule at any time. An authorized agency official in the agency headquarters office must submit to OPM any request to establish or increase special rates for a category of agency employees. The request must include a certification by the authorized agency official that the requested special rates are necessary to ensure adequate staffing levels to accomplish the agency's mission.

(b) The authorized agency official is responsible for submitting complete supporting data for any request for new or higher special rates. OPM may require that the supporting data include a survey of prevailing non-Federal pay rates in the relevant labor market.

(c) OPM may coordinate an agency special rate request with other agencies that have similar categories of employees. OPM may designate a lead agency to assist in coordinating the collection of relevant data. Each affected agency is responsible for submitting complete supporting data upon request to OPM or the lead agency, as appropriate, unless the agency determines that a category of its employees will not be covered by the proposed special rate schedule, as provided in § 530.303(c).

§ 530.306 Evaluating agency requests for new or increased special rates.

(a) In evaluating agency requests for new or increased special rates, OPM may consider the following factors:
