

§ 950.103

are defined as any hurricane, tornado storm, flood, high water, wind-driven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, drought, fire, explosion, or other catastrophe in any part of the world. No such permissions will be granted for such solicitations during the period September 1 through December 15, except at the discretion of the Director upon a showing of extraordinary circumstances.

(b) These regulations do not apply to the collection of gifts-in-kind, such as food, clothing and toys, or to the solicitation of Federal employees outside of the Federal workplace as defined by the applicable Agency Head consistent with General Services Administration regulations and any other applicable laws or regulations.

(c) The Director exercises general supervision over all operations of the CFC, and takes all necessary steps to ensure the achievement of campaign objectives. Any disputes relating to the interpretation or implementation of this part may be submitted to the Director for resolution. The decisions of the Director are final for administrative purposes. OPM has the authority to audit, investigate, and report on the administration of any campaign, the organization that administers the campaign, and any national, international and local federation, federation member or independent organization that participates in the campaign for compliance with these regulations. The Director resolves any issues reported and determines sanctions or penalties, as warranted under § 950.603.

(d) Heads of departments or agencies may establish policies and procedures applicable to solicitations conducted by organizations composed of civilian employees or members of the uniformed services among their own members for organizational support or for the benefit of welfare funds for their members. Such solicitations are not subject to these regulations, and therefore do not require permission of the Director.

5 CFR Ch. I (1–1–11 Edition)

§ 950.103 Establishing a local campaign.

(a) The Director establishes and maintains the official list of local campaigns and the geographical area each covers. There is no prerequisite regarding the Federal employee population needed to establish or maintain a CFC. However, rather than establishing or maintaining small campaigns, OPM encourages mergers and expansions of campaigns to promote efficiency and economy.

(b) The Director establishes an LFCC to govern the conduct of the local CFC. The LFCC will, whenever possible, be comprised of members of local Federal inter-agency organizations, such as Federal Executive Boards, Federal Executive Associations, Federal Business Associations or, in the absence of such organizations, self-organized associations of local Federal officials. These groups will include local Federal agency heads or their representatives. It may also include representatives of employee unions and other employee groups. Rotation of the LFCC Chair position among the LFCC members is encouraged. For continuity, each LFCC should appoint a Vice Chair who would be expected to serve at the conclusion of the Chair's term.

(c) The agency head at each Federal installation within a campaign area shall:

(1) Become familiar with all CFC regulations,

(2) Cooperate with the representatives of the LFCC and PCFO in organizing and conducting the campaign,

(3) Initiate official campaigns within their offices or installations and provide support for the campaign, and

(4) Assure the campaign is conducted in accordance with these regulations.

(d) Once a campaign has been established, agency heads may not discontinue solicitation of Federal employees within their organization without the written approval of the Director.

(e) Any change in the geographical boundaries of local campaigns may be made only upon the express written permission of the Director.

(f) Each year the LFCC must establish the time period during which CFC

solicitation may take place. The solicitation may not begin before September 1 and in no event will it extend beyond December 15 of each year.

(g) Current Federal civilian and active duty military employees may be solicited for contributions using payroll deduction, checks, money orders, or cash, or by electronic means, including credit cards, as approved by the Director. Contractor personnel, credit union employees and other persons present on Federal premises, as well as retired Federal employees, may make single contributions to the CFC through checks, money orders, or cash, or by electronic means, including credit cards, as approved by the Director. These non-Federal personnel may not be solicited, but donations offered by such persons must be accepted by the local campaigns.

(h) A Federal employee whose official duty station is outside the geographic boundaries of an established CFC may not be solicited in that CFC. A Federal employee may participate in a particular CFC only if that employee's official duty station is located within the geographic boundaries of that CFC. This restriction may be discontinued upon implementation of appropriate electronic technology that allows removal of the need for geographic restrictions on giving as determined by the Director. Upon a showing of extraordinary circumstances, as determined in the sole discretion of the Director, Federal employees may contribute in support of victims in cases of emergencies and disasters defined in § 950.102(a) outside the geographic boundaries of their participating CFC. Such contributions can be check, money order, or cash or by electronic means, including credit cards, as approved by the Director, but shall not be made through payroll deduction.

§ 950.104 Local Federal Coordinating Committee responsibilities.

(a) All members of the LFCC should develop an understanding of campaign regulations and procedures. The LFCC is the central point of information regarding the CFC among Federal employees.

(b) The responsibilities of the LFCC include, but are not limited to, the following:

(1) Maintaining minutes of LFCC meetings and responding promptly to any request for information from the Director.

(2) Naming a campaign chairperson and notifying the Director when the chairperson changes.

(3) Determining the eligibility of local organizations that apply to participate in the local campaign. This is the exclusive responsibility of the LFCC and may not be delegated to the PCFO.

(4) Ensuring that the list of charities determined by the Director to be nationally eligible to participate in all local campaigns is reproduced in the Charity List in accordance with OPM instructions.

(5) Ensuring that the Charity List and pledge form are produced in accordance with these regulations and instructions from the Director.

(6) Encouraging local Federal agencies to appoint loaned executives to assist in the campaign. CFC loaned executives' time should be charged to regular working hours. It is not appropriate to place a CFC loaned executive on administrative leave, leave without pay, or annual leave. Federal loaned executives are prohibited from working on non-CFC fundraising activities during duty hours.

(7) Establishing a network of employee keyworkers and volunteers and participating in interagency briefing sessions and kick-off meetings.

(8) Ensuring that, to the extent reasonably possible, every employee is given the opportunity to participate in the CFC, and ensuring employee designations are honored.

(9) Ensuring that the PCFO includes in keyworker training instructions to encourage employees to designate the charitable organizations they wish to receive their donations and specific information on how general designation monies are distributed.

(10) Ensuring that contributions are distributed in accordance with the method described in these regulations.

(11) Ensuring that no employee is coerced in any way to participate in the campaign.
